FY2018 CoC Application general specifications:

The Passaic County Continuum of Care is accepting applications for agencies seeking new and renewal Continuum of Care funding for the FY2018 cycle.

Completed applications should be submitted by Friday, **July 20, 2018** via email to Olu Oyedele at ooyedele@monarchhousing.org

Late submissions will receive an automatic deduction of 5 points from the total application score.

The CoC Review Committee which will be made up of entities not applying for FY2018 funding, will determine the ranking of the projects based on the factors outlined in the scoring criteria that was included with this application. These factors include objective performance-based criteria, preference for locally established priorities, and applicant capacity to complete the project. All eligible nonprofit and local government entities interested in serving homeless persons in the CoC are encouraged to apply, even if they have not previously received HUD funding.

All agencies that submit an application should be prepared to provide additional information or make a brief presentation to the Review Committee if the Committee feels there is not enough information to make a ranking decision.

FY2018 Renewal Application specifications:

Renewal projects would be those projects currently funded through the Continuum of Care that have a grant that will expire in 2019.

All renewal projects that were renewed in 2017 should ensure their budget is equal to or less than the budget that was awarded in FY2017.

The scores received on this application will be combined with your project's final monitoring and performance scores to create your project's final score that will be used to rank your project, as outlined in the CoC's Policies and Procedures for Project Selection.
