NJ Veterans Memorial Homes

If you're responsible for the long-term care and well being of a New Jersey veteran, a New Jersey Veterans Memorial Home may be the right nursing home choice for your loved one. The facilities are open to Veterans of all wars who served on active duty and were honorably discharged, qualified National Guard/Reserve Retirees, the Veteran's Spouse, and Spouses and parents of members of the military who were killed in action during a period of war (Gold Star Parent). A Spouse/Widow/Widower must be at least 50 years of age and must have been married to the Veteran for a period of not less than 10 years.

Preference is given to applicants who were state residents for at least two years immediately prior to application for admission. Applicants must meet certain asset limitation criteria. Residents pay according to ability based on income.

Programs include ceramics, dinner parties, socials, bingo, shopping, movies, and games. Off-site events include day trips to places such as Atlantic City, the racetrack, and many sporting events. Other services provided at each home include barber and beauty shops, lounges and recreation rooms, outdoor patios, chapels, snack bars, transportation, and libraries. Tours of all facilities are available by appointment. Refer to www.nj.gov/military/veterans/application_full.pdf to complete an application for admission. Stand Down Operations

Stand Down helps the New Jersey's homeless veterans "combat" life on the streets by providing a broad range of necessities, including food, clothing, medical, legal and mental health assistance, job counseling, and referrals, but most importantly, companionship and camaraderie.

Membership is open to Veterans and volunteers over the age of 18 who are willing and able to give of their time, efforts and resources in assisting programs for homeless veterans.

Veterans Haven

The Transitional Housing Program for homeless veterans occupies one large building on state property in Winslow Township. The program is divided into three phases: treatment; self-reclamation; and community reintegration. Each phase lasts three to six months and is tailored to individual treatment needs and vocational interests.

Eligible veterans are referred from a VA Medical Center after receiving a medical evaluation. To be admitted into the program, the veteran must agree to a long-term program focusing on psychological, social and vocational rehabilitation. The program is drug and alcohol free, and has a staff comprised of professionals in the fields of mental health, addictions, social work, vocational rehabilitation and nursing.

NJ Housing and Mortgage Finance Agency (HMFA)

The New Jersey Housing and Mortgage Finance Agency (HMFA) offers low interest rate HMFA mortgages that provide veterans and their families with increased buying power and a savings of thousands of dollars in interest over the life of the loan. HMFA offers residential mortgages to United States veterans through the Veterans Administration (VA) home buyer program. Most HMFA homeownership loans are originated by private lenders that are approved to participate in the programs.

Financial Assistance Benefits

New Jersey State Income Tax Exclusions

U.S. military pension and survivor's benefit payments are not taxable for New Jersey gross income tax purposes, regardless of the recipient's age or disability status.

New Jersey Property Tax Deduction

An annual \$250 Veterans Property Tax Deduction requires citizenship, state residency, active wartime service in the U.S. Armed Forces, honorable discharge, property ownership, and the timely completion of an application. If living, the Veteran must own the property in whole or in part to qualify for the deduction. Surviving spouse qualifies if all criteria are met. Eligibility for the deduction is established as of October 1 of the pre-tax year. The application can be filed at the local tax assessors office with appropriate documentation.

New Jersey Property Tax Exemption

Disabled Veteran Exemption requires a 100 % VA Certificate of Disability. The exemption should be permanent and total, partial or temporary is non-qualifying. The property must be owned and occupied by the claimant, and must be their legal residence in this state.

Eligibility for Veterans who meet all of the following criteria:

- Served during a specified wartime period.
- Received an honorable discharge or under honorable conditions.
- Rated 100 percent permanent service-connected by the VA. The 100 percent rating cannot be temporary or as a result of hospitalization, surgery or recuperation.

The exemption unlike the deduction is PRORATED from the date the veteran or spouse filed the application with ALL required documentation. EXAMPLE: A veteran completes the application on April 7, but does not submit all the documentation until May 3. The veteran's property tax exemption is effective May 3. Many tax assessors exempt the property tax January 1 of the next year. The same proration process applies to the surviving spouse.

New Jersey Catastrophic Entitlement

Eligible Veterans/surviving spouses receive a monthly entitlement of \$62.50. Criteria: A Veteran must be a New Jersey resident in receipt of a permanent service-connected disability rating from the U.S. Department of Veterans Affairs that resulted from wartime service resulting in one of the following catastrophic disabilities resulting in a 100% rating: loss of sight; amputation of both hands, both feet or one hand and one foot; hemiplegia and permanent paralysis of one leg and one arm on either side of the body; paraplegia and permanent paralysis of both legs and lower parts of the body; osteochondritis and permanent loss of use of both legs; multiple sclerosis and the loss of use of both feet or both legs; quadriplegia.

Employment Benefits

Veterans Preference and Pension Status

NJ Department of Military and Veterans Affairs is the agency to determine veterans preference for hiring in New Jersey civil service and veterans status for New Jersey civil service pension plans.

Veterans Preference for Hiring in New Jersey Civil Service

The NJ Department of Military and Veterans Affairs is the agency that determines veterans preference for hiring in New Jersey civil service and veteran status for New Jersey civil service pension plans.

Veterans Preference for Hiring in New Jersey Civil Service: War period veterans who pass state civil service examinations are given absolute preference over non-veterans when applying for state, county and municipal employment. Absolute preference is not extended to promotions, but if a veteran ranks highest

on a promotional certification, a non-veteran cannot be offered the appointment before the veteran. Veterans with service-connected disabilities (at least 10%) who pass civil service examinations are given preference over other veterans and non-veterans for state, county and municipal employment.

Veterans Status for Civil Service and Pension Plans

A pension is available to qualified veterans. To qualify, a veteran must apply for veterans status for civil service pension plans after employment and must be in active employment until the effective date of retirement. These benefits cannot be deferred. Veterans who continue in employment covered by Public Employees' Retirement System (PERS) until they are at least age 60 with 20 or more years of service credit are entitled to an annual benefit equal to one-half of the salary on which pension contributions were made in any consecutive 12-month period which would provide the largest possible benefit to the member.

Veterans who are at least age 55 with 35 or more years of service credit are entitled to an annual allowance based on the following formula: Years of Service divided by 55, multiplied by the last 12 months salary, which yields the Maximum Annual Allowance. Veterans benefits cannot be deferred and members must meet all the requirements to qualify. Veteran members may retire on the same basis as non-veteran members if it would result in a higher benefit.

Other Civil Service Benefits for Veterans Preference

The following are other civil service benefits for veterans preference:

- Appointment of veterans
- Application of statutes to promotions
- Preference in appointment in noncompetitive division
- Preference to veterans in layoffs
- Hearing on dismissal of veterans
- Veterans not to be discriminated against because of physical defects
