A park permit is required to hold an event at any of the areas at the Garret Mountain Reservation, Goffle Brook Park, Rifle Camp Park, Weasel Brook Park and Highland Preserves. Events can include but are not limited to: picnics, birthday parties, ceremonies, athletic games, camping, etc. Permits are issued on a first come first serve basis.

Maps of all our parks can be found on our website. You will also find event calendars for the parks we issue permits for. You can check the calendar of your desired location to see if an event has been booked at a particular date-time.

Once you know the park, area of interest, activity, and the date of your event, please review the [permit and fee information](#) on the website regarding fees and insurance requirements.

After reviewing this information, you will need to fill out a [Passaic County Parks Permit Application](#). You can submit the document directly through our website. Our office will get back to you and let you know if the location, date and time you have selected is available. If not, another location will have to be selected.
