BOND ORDINANCE PROVIDING AN APPROPRIATION OF $979,308 FOR THE IMPROVEMENT OF THE PASSAIC COUNTY TECHNICAL INSTITUTE FOR AND BY THE COUNTY OF PASSAIC, NEW JERSEY, AND AUTHORIZING THE ISSUANCE OF $979,308 BONDS OR NOTES OF THE COUNTY FOR FINANCING PART OF THE COST THEREOF

WHEREAS, The Board of Education of the Passaic County Technical Institute (the "Board of Education") has determined by a resolution duly adopted on February 26, 2015 that $979,308 is necessary for capital improvements to certain of the facilities of the County Technical Institutes and has delivered a statement to that effect to each member of the Board of School Estimate;

WHEREAS, The Board of School Estimate has determined by a resolution adopted March 24, 2015 that $979,308 is necessary for the improvement specified in the statement of the Board of Education and a certificate to that effect has been delivered to the Board of Education and the Board of Chosen Freeholders of the County of Essex;

BE IT ORDAINED, BY THE BOARD OF CHOSEN FREEHOLDERS OF THE COUNTY OF PASSAIC, NEW JERSEY (not less than two-thirds of all members thereof affirmatively concurring) AS FOLLOWS:

SECTION 1:

The improvements described in Section 3 of this bond ordinance (the "Improvements") are hereby authorized to be undertaken by the County of Passaic, New Jersey (the "County") as general improvements. For the said Improvements there is hereby appropriated the amount of $979,308. No down-payment is required pursuant to N.J.S.A. 18A-54-31.

SECTION 2:

In order to finance the cost of the improvements not covered by the application of the Down payment, negotiable bonds of the County are hereby authorized to be issued in the principal amount of $979,308 pursuant to the provisions of the Local Bond Law (the "Bonds"). In anticipation of the issuance of the Bonds and to temporarily finance said improvements or purposes, negotiable bond anticipation notes of the County are hereby authorized to be issued in the principal amount not exceeding $979,308 pursuant to the provisions of the Local Bond Law (the "Bond Anticipation Notes" or "Notes").

SECTION 3:

(a) The Improvements authorized and the purposes for which obligations are to be issued hereunder are improvements to the Passaic County Technical Institute, consisting of various improvements to the building and grounds, including but not limited to multiple
bathroom renovations and roof replacements, including all work and materials necessary or incidental thereto and in accordance with the improvements described in the resolutions of the Board of Education and the Board of School Estimate described above,

(b) The estimated maximum amount of Bonds or Notes to be issued for the purpose of financing a portion of the cost of the Improvements is $979,308.

(c) The estimated cost of the improvements is $979,308, which amount represents the initial appropriation made by the County.

SECTION 4:

All Bond Anticipation Notes issued hereunder shall mature at such times as may be determined by the Chief Financial Officer of the County (the “Chief Financial Officer”); provided that no Note shall mature later than one year from its date. The Notes shall bear interest at such rate or rates and be in such form as may be determined by the Chief Financial Officer. The Chief Financial Officer shall determine all matters in connection with Notes issued pursuant to this ordinance, and the signature of the Chief Financial Officer upon the Notes shall be conclusive evidence as to all such determinations. All Notes issued hereunder may be renewed from time to time subject to the provisions of Section 8(a) of the Local Bond Law. The Chief Financial Officer is hereby authorized to sell part or all of the Notes from time to time at public or private sale and to deliver them to the purchasers thereof upon receipt of payment of the purchase price plus accrued interest from their dates to the date of delivery thereof. The Chief Financial Officer is directed to report in writing to the Board of Chosen Freeholders of the County at the meeting next succeeding the date when any sale or delivery of the Notes pursuant to this ordinance is made. Such report must include the amount, the description, the interest rate and the maturity schedule of the Notes sold, the price obtained and the name of the purchaser.

SECTION 5:

The capital budget of the County is hereby amended to conform with the provisions of this ordinance to the extent of any inconsistency herewith. The resolution in the form promulgated by the Local Finance Board showing full detail of the amended capital budget and capital program as approved by the Director, Division of Local Government Services, Department of Community Affairs, State of New Jersey is on file with the Clerk of the Board of Chosen Freeholders and is available for public inspection.

SECTION 6:

The following additional matters are hereby determined, declared, recited and stated:

(a) The Improvements described in Section 3 of this bond ordinance are not current expenses, and are capital improvements or properties that the County may lawfully make or acquire as general improvements, and no part of the cost thereof has been or shall be specially assessed on property specially benefited thereby.

(b) The average period of usefulness of the Improvements, within the limitations of the Local Bond Law, taking into consideration the respective amounts of all
obligations authorized for the several purposes, according to the reasonable life thereof computed from the date of the Bonds authorized by this bond ordinance, is 15 years.

(c) The Supplemental Debt Statement required by the Local Bond Law has been duly prepared and filed in the Office of the Clerk of the Board of Chosen Freeholders and a complete executed duplicate thereof has been filed in the office of the Director, Division of Local Government Services, Department of Community Affairs, State of New Jersey. Such statement shows that the gross debt of the County, as defined in the Local Bond Law, is increased by the authorization of Bonds and Notes provided in this bond ordinance by $979,308 and the obligations authorized herein will be within all debt limitations prescribed by the Local Bond Law.

(d) An aggregate amount not exceeding $200,000 for items of expense listed in and permitted under Section 20 of the Local Bond Law is included in the estimated cost of the Improvements, as indicated herein.

SECTION 7:

Any funds received from time to time by the County as contributions in aid of financing the purposes described in Section 3 of this Ordinance shall be used for financing said Improvements by application thereof either to direct payment of the cost of said Improvements or to the payment or reduction of the authorization of the obligations of the County authorized therefor by this Bond Ordinance. Any such funds received may, and all such funds so received which are not required for direct payment of the cost of said Improvements shall, be held and applied by the County as funds applicable only to the payment of obligations of the County authorized by this Bond Ordinance.

SECTION 8:

In accordance with N.J.S.A. 18A:54-31, the Board of Education has duly prepared and delivered to the Board of School Estimate a statement of the money necessary for the improvements described in Section 3(a) hereof. The Board of School Estimate has duly prepared a certificate of such amount and the certificate has been duly filed with the Board of Education and the Board of Chosen Freeholders of the County of Passaic.

SECTION 9:

The full faith and credit of the County are hereby pledged to the punctual payment of the principal of and interest on the obligations authorized by this bond ordinance. The obligations shall be direct, unlimited obligations of the County, and the County shall be obligated to levy ad valorem taxes upon all the taxable property within the County for the payment of the obligations and the interest thereon without limitation of rate or amount.

SECTION 10:

This Bond Ordinance constitutes a declaration of official intent under Treasury Regulation Section 1.150-2. The County reasonably expects to pay expenditures with respect to the Improvements prior to the date that County incurs debt obligations under this Bond
Ordinance. The County reasonably expects to reimburse such expenditures with the proceeds of debt to be incurred by the County under this Bond Ordinance. The maximum principal amount of debt expected to be issued for payment of the costs of the Improvements is $979,308.

SECTION 11:

This bond ordinance shall take effect 20 days after the first publication thereof after final adoption, as provided by the Local Bond Law.
BOND ORDINANCE PROVIDING AN APPROPRIATION OF $1,896,985 FOR THE IMPROVEMENT OF THE PASSAIC COUNTY COMMUNITY COLLEGE FOR AND BY THE COUNTY OF PASSAIC, NEW JERSEY, AND AUTHORIZING THE ISSUANCE OF $1,896,985 BONDS OR NOTES OF THE COUNTY FOR FINANCING PART OF THE COST THEREOF

WHEREAS, The Board of Trustee of the Passaic County Community College (the "Board of Education") has determined by resolution duly adopted on January 28, 2014 that $1,896,985 is necessary for capital improvements to certain of the facilities of the Passaic County Community College and has delivered a statement to that effect to each member of the Board of School Estimate;

WHEREAS, The Board of School Estimate has determined by resolutions adopted March 11, 2014 that $1,986,985 is necessary for the improvement specified in the statement of the Board of Education and a certificate to that effect has been delivered to the Board of Education and the Board of Chosen Freeholders of the County of Essex;

BE IT ORDAINED, BY THE BOARD OF CHOSEN FREEHOLDERS OF THE COUNTY OF PASSAIC, NEW JERSEY (not less than two-thirds of all members thereof affirmatively concurring) AS FOLLOWS:

SECTION 1:

The improvements described in Section 3 of this bond ordinance (the "Improvements") are hereby authorized to be undertaken by the County of Passaic, New Jersey (the "County") as general improvements. For the said Improvements there is hereby appropriated the amount of $1,896,985. No down-payment is required pursuant to N.J.S.A. 18A-64A-19(2)(b).

SECTION 2:

In order to finance the cost of the improvements not covered by the application of the Down payment, negotiable bonds of the County are hereby authorized to be issued in the principal amount of $1,896,985 pursuant to the provisions of the Local Bond Law (the "Bonds"). In anticipation of the issuance of the Bonds and to temporarily finance said improvements or purposes, negotiable bond anticipation notes of the County are hereby authorized to be issued in the principal amount not exceeding $1,896,985 pursuant to the provisions of the Local Bond Law (the "Bond Anticipation Notes" or "Notes").

SECTION 3:

(a) The Improvements authorized and the purposes for which obligations are to be issued hereunder are for the acquisition and installation of various items of equipment for the Passaic County Community College, including but not limited to athletic equipment, audio
visual equipment, instructional equipment, mechanical equipment, office equipment, security equipment, computer equipment, information technology equipment, copiers, servers, furniture, library books and vehicles, including all work and materials necessary or incidental thereto and in accordance with the improvements described in the resolutions of the Board of Trustee and the Board of School Estimate described above.

(b) The estimated maximum amount of Bonds or Notes to be issued for the purpose of financing a portion of the cost of the Improvements is $1,896,985.

(c) The estimated cost of the improvements is $1,896,985, which amount represents the initial appropriation made by the County.

SECTION 4:

All Bond Anticipation Notes issued hereunder shall mature at such times as may be determined by the Chief Financial Officer of the County (the "Chief Financial Officer"); provided that no Note shall mature later than one year from its date. The Notes shall bear interest at such rate or rates and be in such form as may be determined by the Chief Financial Officer. The Chief Financial Officer shall determine all matters in connection with Notes issued pursuant to this ordinance, and the signature of the Chief Financial Officer upon the Notes shall be conclusive evidence as to all such determinations. All Notes issued hereunder may be renewed from time to time subject to the provisions of Section 8(a) of the Local Bond Law. The Chief Financial Officer is hereby authorized to sell part or all of the Notes from time to time at public or private sale and to deliver them to the purchasers thereof upon receipt of payment of the purchase price plus accrued interest from their dates to the date of delivery thereof. The Chief Financial Officer is directed to report in writing to the Board of Chosen Freeholders of the County at the meeting next succeeding the date when any sale or delivery of the Notes pursuant to this ordinance is made. Such report must include the amount, the description, the interest rate and the maturity schedule of the Notes sold, the price obtained and the name of the purchaser.

SECTION 5:

The capital budget of the County is hereby amended to conform with the provisions of this ordinance to the extent of any inconsistency herewith. The resolution in the form promulgated by the Local Finance Board showing full detail of the amended capital budget and capital program as approved by the Director, Division of Local Government Services, Department of Community Affairs, State of New Jersey is on file with the Clerk of the Board of Chosen Freeholders and is available for public inspection.

SECTION 6:

The following additional matters are hereby determined, declared, recited and stated:

(a) The Improvements described in Section 3 of this bond ordinance are not current expenses, and are capital improvements or properties that the County may lawfully make or acquire as general improvements, and no part of the cost thereof has been or shall be specially assessed on property specially benefited thereby.
(b) The average period of usefulness of the Improvements, within the limitations of the Local Bond Law, taking into consideration the respective amounts of all obligations authorized for the several purposes, according to the reasonable life thereof computed from the date of the Bonds authorized by this bond ordinance, is 6.74 years.

(c) The Supplemental Debt Statement required by the Local Bond Law has been duly prepared and filed in the Office of the Clerk of the Board of Chosen Freeholders and a complete executed duplicate thereof has been filed in the office of the Director, Division of Local Government Services, Department of Community Affairs, State of New Jersey. Such statement shows that the gross debt of the County, as defined in the Local Bond Law, is increased by the authorization of Bonds and Notes provided in this bond ordinance by $1,896,985 and the obligations authorized herein will be within all debt limitations prescribed by the Local Bond Law.

(d) An aggregate amount not exceeding $185,000 for items of expense listed in and permitted under Section 20 of the Local Bond Law is included in the estimated cost of the Improvements, as indicated herein.

SECTION 7:

Any funds received from time to time by the County as contributions in aid of financing the purposes described in Section 3 of this Ordinance shall be used for financing said Improvements by application thereof either to direct payment of the cost of said Improvements or to the payment or reduction of the authorization of the obligations of the County authorized therefor by this Bond Ordinance. Any such funds received may, and all such funds so received which are not required for direct payment of the cost of said Improvements shall, be held and applied by the County as funds applicable only to the payment of obligations of the County authorized by this Bond Ordinance.

SECTION 8:

In accordance with N.J.S.A. 18A:64A-19, the Board of Trustee of Passaic County Community College has duly prepared and delivered to the Board of School Estimate a statement of the money necessary for the improvements described in Section 3(a) hereof. The Board of School Estimate has duly prepared a certificate of such amount and the certificate has been duly filed with the Board of Education and the Board of Chosen Freeholders of the County of Passaic.

SECTION 9:

The full faith and credit of the County are hereby pledged to the punctual payment of the principal of and interest on the obligations authorized by this bond ordinance. The obligations shall be direct, unlimited obligations of the County, and the County shall be obligated to levy ad valorem taxes upon all the taxable property within the County for the payment of the obligations and the interest thereon without limitation of rate or amount.

SECTION 10:
This Bond Ordinance constitutes a declaration of official intent under Treasury Regulation Section 1.150-2. The County reasonably expects to pay expenditures with respect to the Improvements prior to the date that County incurs debt obligations under this Bond Ordinance. The County reasonable expects to reimburse such expenditures with the proceeds of debt to be incurred by the County under this Bond Ordinance. The maximum principal amount of debt expected to be issued for payment of the costs of the Improvements is $1,896,985.

SECTION 11:

This bond ordinance shall take effect 20 days after the first publication thereof after final adoption, as provided by the Local Bond Law.

WHEREAS, The Board of Trustees of the Passaic County Community College (the "Board of Trustees") has determined by resolution duly adopted on January 28, 2014 that it is necessary to expand and renovate certain of its facilities and to seek approval pursuant to Chapter 12 of the laws of 1971 of New Jersey, as amended and supplemented, and has delivered a statement to that effect to each member of the Board of School Estimate;

WHEREAS, The Board of School Estimate has determined by resolution duly adopted on March 11, 2014 that a certain amount in accordance with Chapter 12 of the laws of 1971 of New Jersey, as amended and supplemented, is necessary for the improvements specified in the Statement of the Board of Trustees which is to be raised by the County of Passaic and a certificate to that effect has been delivered to the Board of Trustees and the Board of Chosen Freeholders of the County of Passaic;

WHEREAS, the Council of County Colleges approved by letter dated July 1, 2014 and the State Treasurer approved by letter dated February 27, 2015, certain improvements described below at an estimated cost of $3,200,000 and determined that the State’s share of the project not to exceed $1,600,000 shall be supported through the procedures of Chapter 12 of the laws of 1971 of New Jersey, as amended and supplemented;

NOW, THEREFORE, BE IT ORDAINED, BY THE BOARD OF CHOSEN FREEHOLDERS OF THE COUNTY OF PASSAIC, NEW JERSEY (not less than two-thirds of all members thereof affirmatively concurring) AS FOLLOWS:

SECTION 1:

The improvements described in Section 3 of this bond ordinance (the "Improvements") are hereby authorized to be undertaken by the County of Passaic, New Jersey (the "County") as general improvements. For the said Improvements there is hereby appropriated the amount of $3,200,000. No down payment is required pursuant to N.J.S.A. 18A:64A-19(2)(b).
SECTION 2:

In order to finance the cost of the Improvements, negotiable bonds of the County are hereby authorized to be issued in the principal amount of $3,200,000 pursuant to the provisions of the Local Bond Law and Title 18A, Education, of the New Jersey Statutes (the "Bonds"). In anticipation of the issuance of the Bonds and to temporarily finance said improvements or purposes, negotiable bond anticipation notes of the County are hereby authorized to be issued in the principal amount not exceeding $3,200,000 pursuant to the provisions of the Local Bond Law (the "Bond Anticipation Notes" or "Notes").

SECTION 3:

(a) The Improvements hereby authorized and the purpose for the financing of which the bonds are to be issued are the improvements of Passaic County Community College, consisting of various improvements to the buildings and grounds, including but not limited to the renovation of the Wanaque Academic Center, replacement of HVAC at Wanaque Academic Center, construction of burn building, renovations to Founder’s and Academic Hall, information technology improvements, energy efficiency lighting improvements and classroom renovations, all as shown on and in accordance with the plans and specifications therefor on file in the office of the Clerk of the Board of Chosen Freeholders and hereby approved.

(b) The estimated maximum amount of Bonds or Notes to be issued for the purpose of financing a portion of the cost of the Improvements is $3,200,000.

(c) The estimated cost of the Improvements is $3,200,000, which amount represents the initial appropriation made by the County.

SECTION 4.

All Bond Anticipation Notes issued hereunder shall mature at such times as may be determined by the Director of Finance of the County (the "Director of Finance"); provided that no Note shall mature later than one year from its date. The Notes shall bear interest at such rate or rates and be in such form as may be determined by the Director of Finance. The Director of Finance shall determine all matters in connection with Notes issued pursuant to this ordinance, and the signature of the Director of Finance upon the Notes shall be conclusive evidence as to all such determinations. All Notes issued hereunder may be renewed from time to time subject to the provisions of Section 8(a) of the Local Bond Law. The Director of Finance is hereby authorized to sell part or all of the Notes from time to time at public or private sale and to deliver them to the purchasers thereof upon receipt of payment of the purchase price plus accrued interest from their dates to the date of delivery thereof. The Director of Finance is directed to report in writing to the Board of Chosen Freeholders of the County at the meeting next succeeding the date when any sale or delivery of the Notes pursuant to this ordinance is made. Such report must include the amount, the description, the interest rate and the maturity schedule of the Notes sold, the price obtained and the name of the purchaser.
SECTION 5:

The capital budget of the County is hereby amended to conform with the provisions of this ordinance to the extent of any inconsistency herewith. The resolution in the form promulgated by the Local Finance Board showing full detail of the amended capital budget and capital program as approved by the Director, Division of Local Government Services, Department of Community Affairs, State of New Jersey is on file with the Clerk of the Board of Chosen Freeholders and is available for public inspection.

SECTION 6:

The following additional matters are hereby determined, declared, recited and stated:

(a) The Improvements described in Section 3 of this bond ordinance are not current expenses, and are capital improvements or properties that the County may lawfully make or acquire as general improvements, and no part of the cost thereof has been or shall be specially assessed on property specially benefited thereby.

(b) The average period of usefulness of the Improvements, within the limitations of the Local Bond Law, taking into consideration the respective amounts of all obligations authorized for the several purposes, according to the reasonable life thereof computed from the date of the Bonds authorized by this bond ordinance, is 15 years.

(c) The Supplemental Debt Statement required by the Local Bond Law has been duly prepared and filed in the office of the Clerk of the Board of Chosen Freeholders and a complete executed duplicate thereof has been filed in the office of the Director, Division of Local Government Services, Department of Community Affairs, State of New Jersey. Such statement shows that, while the net debt is increased by this ordinance by $1,600,000, the gross debt of the County, as defined in the Local Bond Law, is increased by the authorization of the Bonds and Notes provided in this bond ordinance by $3,200,000 and the obligations authorized herein will be within all debt limitations prescribed by the Local Bond Law. Pursuant to the provisions of N.J.S.A. 18A: 64A-22.4, the obligations authorized hereunder constitute deduction from the gross debt of the County to the extent of $1,600,000 and to that extent shall not be considered in determining the County’s net debt for debt incurring purposes.

(d) An aggregate amount not exceeding $950,000 for items of expense listed in and permitted under Section 20 of the Local Bond Law is included in the estimated cost of the Improvements, as indicated herein.

SECTION 7:

Any funds received from time to time by the County as contributions in aid of financing the purposes described in Section 3 of this Ordinance shall be used for financing said Improvements by application thereof either to direct payment of the cost of said Improvements or
to the payment or reduction of the authorization of the obligations of the County authorized therefor by this Bond Ordinance. Any such funds received may, and all such funds so received which are not required for direct payment of the cost of said Improvements shall, be held and applied by the County as funds applicable only to the payment of obligations of the County authorized by this Bond Ordinance.

SECTION 8:

In accordance with N.J.S.A. 18A:64A-19, the Board of Trustees of the Passaic County Community College has duly prepared and delivered to the Board of School Estimate a statement of the money necessary for the improvements described in Section 3(a) hereof. The Board of School Estimate has duly prepared a certificate of such amount and the certificate has been duly filed with the Board of Trustees and the Board of Chosen Freeholders of the County of Passaic.

SECTION 9:

The obligations authorized hereunder to the extent of $1,600,000 are entitled to the benefits of the provisions of Chapter 12 of the Laws of 1971 of New Jersey, as amended and supplemented. Pursuant to said Law, the State of New Jersey shall appropriate and pay the amounts payable on account of interest and principal on such bonds and interest on notes issued in anticipation thereof as the same become due.

SECTION 10:

The full faith and credit of the County are hereby pledged to the punctual payment of the principal of and interest on the obligations authorized by this bond ordinance. The obligations shall be direct, unlimited obligations of the County, and the County shall be obligated to levy ad valorem taxes upon all the taxable property within the County for the payment of the obligations and the interest thereon without limitation of rate or amount.

SECTION 11:

This Bond Ordinance constitutes a declaration of official intent under Treasury Regulation Section 1.150-2. The County reasonably expects to pay expenditures with respect to the Improvements prior to the date that County incurs debt obligations under this Bond Ordinance. The County reasonably expects to reimburse such expenditures with the proceeds of debt to be incurred by the County under this Bond Ordinance. The maximum principal amount of debt expected to be issued for payment of the costs of the Improvements is $3,200,000.

SECTION 12:

This bond ordinance shall take effect 20 days after the first publication thereof after final adoption, as provided by the Local Bond Law.

SECTION 6:

The following additional matters are hereby determined, declared, recited and stated:

(a) The Improvements described in Section 3 of this bond ordinance are not current expenses, and are capital improvements or properties that the County may lawfully make or acquire as general improvements, and no part of the cost thereof has been or shall be specially assessed on property specially benefited thereby.

(b) The average period of usefulness of the Improvements, within the limitations of the Local Bond Law, taking into consideration the respective amounts of all obligations authorized for the several purposes, according to the reasonable life thereof computed from the date of the Bonds authorized by this bond ordinance, is 19.61 years.
(c) The Supplemental Debt Statement required by the Local Bond Law has been duly prepared and filed in the Office of the Clerk of the Board of Chosen Freeholders and a complete executed duplicate thereof has been filed in the office of the Director, Division of Local Government Services, Department of Community Affairs, State of New Jersey. Such statement shows that the gross debt of the County, as defined in the Local Bond Law, is increased by the authorization of Bonds and Notes provided in this bond ordinance by $8,930,000 and the obligations authorized herein will be within all debt limitations prescribed by the Local Bond Law.

(d) An aggregate amount not exceeding $3,714,000 for items of expense listed in and permitted under Section 20 of the Local Bond Law is included in the estimated cost of the Improvements, as indicated herein.

SECTION 7:

Any funds received from time to time by the County as contributions in aid of financing the purposes described in Section 3 of this Ordinance shall be used for financing said Improvements by application thereof either to direct payment of the cost of said Improvements or to the payment or reduction of the authorization of the obligations of the County authorized therefor by this Bond Ordinance. Any such funds received may, and all such funds so received which are not required for direct payment of the cost of said Improvements shall, be held and applied by the County as funds applicable only to the payment of obligations of the County authorized by this Bond Ordinance.

SECTION 8:

The full faith and credit of the County are hereby pledged to the punctual payment of the principal of and interest on the obligations authorized by this bond ordinance. The obligations shall be direct, unlimited obligations of the County, and the County shall be obligated to levy ad valorem taxes upon all the taxable property within the County for the payment of the obligations and the interest thereon without limitation of rate or amount.

SECTION 9:

This Bond Ordinance constitutes a declaration of official intent under Treasury Regulation Section 1.150-2. The County reasonably expects to pay expenditures with respect to the Improvements prior to the date that County incurs debt obligations under this Bond Ordinance. The County reasonable expects to reimburse such expenditures with the proceeds of debt to be incurred by the County under this Bond Ordinance. The maximum principal amount of debt expected to be issued for payment of the costs of the Improvements is $8,930,000.

SECTION 10:

This bond ordinance shall take effect 20 days after the first publication thereof after final adoption, as provided by the Local Bond Law.

Passaic County Board of Chosen Freeholders
Passaic County Administration Building
401 Grand Street
Paterson, N.J. 07505

Dear Freeholders,

We are asking, once again, for the County’s permission to hold our 13th Annual Van Houten Ave Street Fair on Sunday, September 13th, 2015. The street fair time will be the same as last year – from 11 am to 5 pm – along with the same street closing. We will also hire a Clifton police officer for the event and invite the fire department to display their trucks as they have done in the past.

I and the officers of the ABA would like to take this opportunity to thank the County for all their support in the past. We are also very proud of the support we have received from the community, helping to make this one of Clifton’s best events.

We are all looking forward to this year’s event, and hope to see you there. Thank you.

Sincerely,

Ray Grabowski

Dated: April 29, 2015
RESOLUTION AUTHORIZING AWARD OF CONTRACT TO SPIRIT DELICATESSEN CORP OF TEANECK, NJ FOR RFP OPERATION OF A CONCESSION AT THE PASSAIC COUNTY COURTHOUSE CAFE AS PER COMPETITIVE CONTRACT

WHEREAS, on January 16, 2015 proposals were received and opened for RFP-15-002 Operation of a Concession at the Passaic County Courthouse Cafe as a competitive contract pursuant to the Local Public contract Law, specifically N.J.S.A. 40A: 11-4.1 et seq.; and

WHEREAS, the evaluation committee established to review the proposals has had an opportunity to review and discuss the proposals received; and

WHEREAS, the Review and Evaluation Committee recommends that the Board of Chosen Freeholders of the County of Passaic award a contract to Spirit Delicatessen Corp of Teaneck, NJ for their proposal of January 16, 2015 on the RFP Operation of a Concession at the Passaic County Courthouse

WHEREAS, the contract period will be from May 1, 2015 through April 30, 2018 with one two-year option to renew as per the County of Passaic with the respective monthly rent amount of $1,000.00 for the 1st year $1,025.00 for the 2nd year and $1,050.00 for the 3rd year. The 1st option year rent is $1,075.00 and the 2nd option year is $1,100.00 to be received by the County of Passaic pursuant to their bid of January 16, 2015; and

WHEREAS, the Finance, Administration and Personnel Committee has reviewed this matter at its meeting and recommended this resolution to the full Board of adoption; and

WHEREAS, the County issued a public solicitation to qualified vendors to perform these services, in accordance with "Fair and Open" procedures as established in the "Pay-to-Play" Law, N.J.S.A. 19:44A-20.4, et seq.; and
NOW THEREFORE BE IT RESOLVED by the Board of Chosen Freeholders of the County of Passaic that it hereby accepts the committee’s recommendation of award of contract under Local Public Contract Law, specifically N.J.S.A. 40A: 11-4.1 et seq. to Spirit Delicatessen Corp of Teaneck, NJ; and

BE IT FURTHER RESOLVED that the Clerk of the Board, the Purchasing Agent, and the Director of the Board are hereby authorized to execute all necessary agreements on behalf of the County of Passaic as prepared by the Office of County Counsel for said purpose; and

BE IT FURTHER RESOLVED that the Clerk to the Board shall advertise in a paper of local circulation, the award of RFP Operation of a Concession at the Passaic County Courthouse Cafe as a competitive contract.

Wednesday, February 18, 2015

Dear Mr. Marinello,

After careful review of RFP-15-002, titled “Operation of a Concession at the Passaic County Courthouse Cafe” the committee has determined that Spirit Delicatessen received the highest score out of all the vendors who responded to this RFP. Their score of 88 was comprised using the criteria announced on the bid opening day.

It was felt that both vendors would offer a full line of services to both the employees and the visiting public of the courthouse in their patronage of the cafe. For cost the amount that Dunkin Donuts is offering exceeds that of Spirit Delicatessen, as for management it was felt that both businesses are of similar size and resources and similar histories, so each vendor scored identically. Lastly in technical merits, Spirit Delicatessen was scored higher because they offered a more complete offering of food, while Dunkin Donuts was limited to the offerings allowed by their franchise agreement, furthermore points for technical were subtracted for Dunkin Donuts because they subsequently notified the County that Dunkin Donuts corporate has denied their site application.

The scores of both vendors are provided below as well as what score they received in each category.

RESOLUTION AUTHORIZING THE REJECTION OF ALL BIDS FOR RFP 14-029 DEVELOP AND IMPLEMENT AN ENERGY SAVINGS PLAN THROUGH ESIP FOR THE COUNTY OF PASSAIC IN ACCORDANCE WITH N.J.S.A. 40A:11-13.2(b)

WHEREAS bids/proposals were received by the County of Passaic on October 24, 2014 for Develop and Implement an Energy Savings Plan Through an Energy Savings Improvement Program (ESIP) for the County of Passaic; and

WHEREAS after a thorough review of the responses to this request for proposals, the rejection of this bid is requested as all proposal responses contained a mandatory capital outlay on the part of the County of Passaic; and

WHEREAS it is now recommended that the Board of Chosen Freeholders reject this bid in accordance with the provisions of N.J.S.A. 40A:11-13.2(b); and

WHEREAS N.J.S.A. 40A:11-13.2(b) provides that the governing body may reject all proposals when the lowest bid exceeds the contracting unit’s appropriation for the goods or services; and

WHEREAS no capital budget appropriation was made to support the cost of this project; and

WHEREAS the Administration and Finance Committee considered this matter at its April 15, 2015 meeting and recommended this resolution to the full Board for adoption; and

NOW THEREFORE BE IT RESOLVED by the Board of Chosen Freeholders of the County of Passaic that, pursuant to the terms set forth above, it hereby authorizes the Director of Purchasing to cancel RFP Develop and Implement an Energy Savings Plan Through an Energy Savings Improvement Plan pursuant to the provisions of N.J.S.A. 40A:11-13.2(b);

Dated: April 29, 2015
RESOLUTION AMENDING THE ADMINISTRATIVE CODE FOR THE COUNTY OF PASSAIC TO ESTABLISH A DIVISION OF GRANTS WITHIN THE EXISTING DEPARTMENT OF FINANCE

WHEREAS the Board of Chosen Freeholders of the County of Passaic (the “Board”) is vested with all of the executive and legislative powers of the County of Passaic, pursuant to N.J.S.A. 40:20-1, et seq.; and

WHEREAS the Board is also authorized, pursuant to N.J.S.A. 40:20-1.3, to adopt an Administrative Code organizing the administration of County government, setting forth the duties and responsibilities of all County officials and agencies, and the manner of performance needed; and

WHEREAS the Board has previously adopted a revised and recodified Administrative Code for the County of Passaic by resolution dated January 24, 2012 (R-12-60); and

WHEREAS pursuant to Article Ten of the revised Administrative Code, there was established a Department of Finance; and

WHEREAS the Board believes that it would be in the public interest to create a new Division of Grants within the existing Department of Finance; and

WHEREAS the Board is now desirous of establishing said Division and adopting the appropriate amendments to the Administrative Code to properly codify said action; and

WHEREAS a copy of the amendatory language is attached to this resolution; and
WHEREAS the Administration and Finance Committee considered this matter at its meeting of April 15, 2015 and recommended this resolution to the full Board for adoption;

NOW THEREFORE BE IT RESOLVED by the Board of Chosen Freeholders of the County of Passaic that the Administrative Code of the County of Passaic be and hereby is amended as follows:

1. Insertion of a new Section 10.11 under Article Ten (Department of Finance) creating a Division of Grants within the existing Department of Finance; and

BE IT FURTHER RESOLVED that the amendatory language attached to this resolution be and hereby is adopted for codification in the Administrative Code; and

BE IT FURTHER RESOLVED that all necessary officers and employees be and hereby are authorized and directed to take such actions as are appropriate to effectuate the purposes of this resolution; and

BE IT FURTHER RESOLVED that this resolution shall take effect immediately.

Dated: April 28, 2015
Section 10.11 Grants Division

There shall be a Grants Division within the Department of Finance, which shall be directed by a Division Head. The Grant Division shall be responsible for:

a. Overseeing all of the County’s grants.

b. Acting as a liaison between the Finance Department and officers and employees of all County departments, agencies, statutory and constitutional offices that receive grant funding.

c. Overseeing the posting of grant expenditures to the County’s financial system in accordance with budgets established by the departments, agencies, statutory and constitutional offices, as well approved by the various grant funding agencies.

d. Overseeing the posting of grant receipts to the proper revenue accounts established for each grant.

e. Coordinating and consulting with the County’s grant contract administrator regarding contractual issues related to grant funding agencies as well as with county grant vendors.

f. Assisting County departments, agencies and statutory and constitutional offices with grant financial reporting.

g. Assist departments with the drawdown of revenue from grant funding agencies.

h. Assist the Finance Department with general accounting and financial reporting obligations.

WHEREAS the Board of Chosen Freeholders (the “Board”)
previously established a pool of qualified attorneys to act as
Outside Legal Counsel and/or Special Litigation Counsel on an as-
needed basis, for calendar year 2014, by Resolution R-20140618
adopted on August 19, 2014, in accordance with the
recommendation of the Evaluation and Review Committee created
for that purpose; and

WHEREAS the County of Passaic has recently been served
with a Summons and Complaint in a litigation matter entitled
Bibiana Rodriguez vs. Jose M. Padron, et al. Superior Court of
New Jersey, Docket No.: PAS-L-003252-14 (the “Case”); and

WHEREAS the Board is desirous of assigning the Case to
Jeffrey P. Gardner, Esq. for defense, which firm is included in the
pool of qualified Outside Counsel and/or Special Litigation
Counsel established by prior resolutions, for a fee not to exceed $7,500.00; and

WHEREAS the Freeholder Administration and Finance Committee reviewed this matter and recommended this resolution to the full Board for adoption; and

RESOLUTION AUTHORIZING PAYMENT BY THE COUNTY OF PASSAIC TO 930 NORTH RIVERVIEW ASSOCIATES, L.L.C. IN THE AMOUNT OF $260,682.80 IN FULL SATISFACTION OF THE COMPROMISED BALANCE DUE FOR IMPROVEMENTS MADE BY THE LANDLORD TO PREMISES LEASED BY THE COUNTY AT 930 RIVERVIEW DRIVE IN TOTOWA, AND PROVIDING FOR REIMBURSEMENT TO THE COUNTY'S GENERAL CAPITAL FUND THROUGH APPROPRIATIONS IN THE OPERATING BUDGET IN FUTURE YEARS

WHEREAS the Board of Chosen Freeholders of the County of Passaic (the “Board”) is vested with all of the legislative and executive power of the County of Passaic, pursuant to N.J.S.A. 40:20-1, et seq.; and

WHEREAS the Board previously adopted resolutions authorizing the execution of a Lease Agreement between the County and 930 North Riverview Associates, L.L.C. (the “Landlord”) for premises located at 930 Riverview Drive in Totowa, New Jersey (the “Demised Premises”); and

WHEREAS included among the lease terms were provisions relating to improvements to the Demised Premises, which were to be undertaken by the Landlord and paid for by the County at a total cost of $508,392.00; and

WHEREAS the Lease provided for the cost of the improvements to be amortized as additional rent over the course of the lease, at an interest rate of eight (8%) percent; and

WHEREAS the Landlord has recently sold the Demised Premises to 10 Clifton Associates, LLC, and the three parties executed an letter agreement dated February 25, 2015 providing that the County would continue to make payments
to the original Landlord for the balance of the construction costs after the closing of title; and

WHEREAS the outstanding balance due from the County to the original Landlord for the construction costs was $287,517.79 as of the date of closing; and

WHEREAS the Board is desirous of authorizing the satisfaction of the remaining loan balance in a lump sum of $260,682.80, reflecting a negotiated reduction of $26,834.99 in the principal amount as of the date of closing; and

WHEREAS Board is also desirous of refinancing this lump sum payment through the County’s General Capital Fund, which carries an interest rate of 2% as opposed to the 8% rate contained in the Lease Agreement; and

WHEREAS the County will realize a total savings of $95,558.91 as a result of this refinancing, consisting of the $26,834.99 negotiated reduction in principal, plus a reduction in debt service obligations of $68,723.92; and

WHEREAS the Board is also desirous of appropriating the necessary funds from future general operating budgets to reimburse the General Capital Fund over the remaining life of the loan, in accordance with the attached amortization schedule; and

WHEREAS the Administration and Finance Committee considered this matter at its meeting of April 15, 2015 and recommended this resolution to the full Board for approval;
NOW THEREFORE BE IT RESOLVED by the Board of
Chosen Freeholders of the County of Passaic, that it hereby
authorizes payment of $260,682.80 to 930 Riverview
Associates, L.L.C. in full satisfaction of the outstanding loan
balance under the Lease Agreement between the parties; and

BE IT FURTHER RESOLVED that said payment shall be
made through the County’s General Capital Fund, and shall
be subsequently repaid to said fund at an interest rate of 2%
per annum through appropriations in the operating budgets in
future years, in accordance with the attached amortization
schedule; and

BE IT FURTHER RESOLVED that all appropriate
County officers and employees be and hereby are authorized
and directed to take such further actions and execute such
documents as are necessary to effectuate the purposes of this
resolution.

Re: Agreement of Lease, dated as of June 22, 2005, as amended (the “Lease”), by and between 930 North Riverview Associates, L.L.C. (the “Original Landlord”) and County of Passaic (“Tenant”) for certain space (the “Demised Premises”) located at the Totowa Business Center, 930 Riverview Drive, Totowa, New Jersey 07512 (the “Building”).

Ladies and Gentlemen,

This Satisfaction of Loan (the “Satisfaction”) is signed by 930 North Riverview Associates, L.L.C, who is the original landlord (the “Original Landlord”) under the above-captioned Lease.

In consideration for a total principal payment of $260,692.80, the Original Landlord hereby acknowledges the full payment and satisfaction of that certain obligation (the “Loan”) for Tenant Extras set forth more particularly in the letter agreement dated November 15, 2005 (the “Agreement”), between the Original Landlord and Tenant. To that end, the Original Landlord releases Tenant from any further liens or liability relating to said Loan.

IN WITNESS WHEREOF, the Original Landlord has duly affixed its signature on this ___ day of __, 2015.

Very Truly Yours,
930 NORTH RIVERVIEW ASSOCIATES, L.L.C.

RE: Allowable Uses and Funding Limits of Workforce Investment Act Program Year
2014 Funds for Workforce Innovation and Opportunity Act Transitional Activities

Dear Mr. James:

Section 503(g) of the Workforce Innovation and Opportunity Act (WIOA) provides that recipients of financial assistance under the Workforce Investment Act (WIA) may expend funds received under WIA to plan and implement programs and activities authorized under WIOA. Two percent of each of the Program Year 2014 WIA formula allotments is available for transition activities related to WIOA:

**Passaic County**

<table>

<th>Amount</th>

<tbody>
<tr>
<td>WIA Adult</td>

</tr>
<tr>
<td>WIA Youth</td>

</tr>
<tr>
<td>WIA Dislocated Worker</td>
<td>$36,359</td>
</tr>
</tbody>
</table>

**Total**                  **$111,283**

Local areas may blend the two percent of WIA Adult, Youth and Dislocated Worker formula funds that are used for transition purposes but they must be reported separately on your monthly expenditure report. Additionally, the two percent funds will not be subject to WIA or WIOA's administrative cost limitations. All two percent funds should be considered and reported as program costs. Any costs incurred for transitional activities must be reasonable, allowable and allocable to WIOA-authorized program activities and supported by sufficient documentation for monitoring and auditing purposes.
While section 503(g) provides significant flexibility for implementation purposes, the U.S. Department of Labor has identified allowable activities in high-priority areas that would benefit from early planning and implementation activities. These allowable activities are described in Training and Employment Guidance Letter No. 12-14, which is enclosed for your reference.

If you have any questions regarding this letter, please contact Erica Slaughter, Division of Finance and Accounting, at 609-984-7674 or Erica.Slaughter@dol.state.nj.us.

Official Resolution #: R20150290
Lourdes Cortez
President & CEO, North Jersey Federal Credit Union

Lourdes Cortez is President and Chief Executive Officer of North Jersey Federal Credit Union, the 9th largest credit union in the State of New Jersey with over $220 million in assets and five branches in Totowa, Newark, Paterson, and Garfield.

Lourdes Cortez hails from Paterson, New Jersey. Her parents were born and raised in Puerto Rico, and moved to the United States when they were just 18 years old to begin a new life and a new family. Lourdes’ professional banking career began in 1984, at North Jersey Federal CU, as a Financial Services Representative then later held positions as a Mortgage Officer, Loan Department Supervisor, and Loan Collections Manager. In 2004, she was promoted to VP of Operations and soon thereafter became Senior VP and in 2005, Lourdes was named President and CEO and is recognized as the first Latina CEO of a credit union in New Jersey.

As CEO, she is credited for spearheading the growth of the credit union from $171 million to over $220 million in assets. Additionally, Lourdes has made community involvement a priority. North Jersey Federal partnered with Paterson High School to integrate a student-run credit union as part of its financial literacy curriculum. Successful graduates gain valuable teller experience and are prepared for jobs in banking and credit union institutions. Her diversity initiatives include assuring there are Spanish-speaking employees at every branch to serve the increase in Latino members. Also, she has created a family-friendly work environment that benefits working mothers and fathers offering flexible work hours and schedules. She also makes sure NJFCU employees with disabilities get the support they need to work effectively.

Cortez has been recently appointed to serve on the Board of Trustees of William Paterson University in Wayne, NJ. She also serves on the board of the Workforce Investment Board of Passaic County and Visions Academy Charter School in Newark, and is the President of the Board of Directors for the Boys and Girls Club of Paterson and Passaic. Cortez is the chairperson for the North Jersey Federal Credit Union Foundation and assistant treasurer for Executive Women of New Jersey. Cortez has been honored by NJ Biz magazine as one of the Best 50 Women in Business In New Jersey. Other awards include the North Jersey Regional Chamber of Commerce 2010 Star Award in Business, the 2010 Salute to the Policy Makers Award from Executive Women of New Jersey, and the 2012 Woman of Achievement Award from the Girl Scouts of Northern New Jersey.

Proposal Review Committee Report

Meeting Date: 2/10/15

BID #: RFP-15-003 - 2015-17 Comprehensive Youth Services Plan Grant

Committee Members:

Kathryn Pierce, Stacey Hines, Dennis Ross, John Givens

Francine Vince provided input into the discussion but did not score the proposals.

The County received four proposals for projects under this offering. The summaries and recommendations are below.

**Family Support and Education:** Jewish Family Services in Clifton, NJ was the only applicant for this project. The proposal scored 94 out of a possible 100 points. The committee believes that this is a strong proposal. The committee is recommending this proposal for funding.

**Juvenile Sexual Behavior Program:** M&S Psychotherapy in Totowa, NJ was the only applicant for this project. The proposal scored 76 out of a possible 100 points. The committee believes that this is a strong proposal. The committee is recommending this proposal for a total of $68,600 in 2015.

**Juvenile Drug and Alcohol Evaluations:** M&S Psychotherapy in Totowa, NJ was the only applicant for this project. The proposal scored 75 out of a possible 100 points. The committee believes that this is a strong proposal. The committee is recommending this proposal for a total of $23,946 in 2015.

**Life Skills Education Program:** Youth Advocate Programs of Harrisburg, PA, with a local office in Paterson, NJ was the only applicant for this project. The proposal scored 81.5 out of a possible 100 points. The committee believes that this is a strong proposal. The committee is recommending this proposal for a total of $29,400 in 2015.

After the re-bid the committee met again to review three additional proposals.

**Re-Entry Services:** Hope for Ex-Offenders, located in Paterson, NJ was the only applicant for this project. John Givens excused himself from the discussion and scoring of this proposal. The proposal scored 68 out of a possible 100 points. The committee believes that this is a strong proposal. The committee is recommending this proposal for a total of $6,000 in 2015.

**Grade School Prevention Services:** There were two proposals received for this project, one from United Passaic Organization, Passaic, NJ; and one from Youth Advocate Programs of Harrisburg, PA, with a local office in Paterson, NJ. United Passaic scored 75 out of a possible 100 points, and Youth Advocate Programs scored 67 out of a possible 100 points. The committee felt that applicants submitted strong...
proposals. United Passaic has a long and successful history of providing this service for the youth of the City of Passaic, and the Proposal from Youth Advocate did not address continuation of the service for that population. With a higher overall score, and a stronger proposal for services, the committee is recommending the proposal from United Passaic Organization for a total of $38,618 in 2015.

Re: Contract No. SH13016
MODIFICATION No. 7

Dear Mr. Lora:

The Division of Family Development (DFD) has been monitoring the SHRAP program and client needs throughout the state. Based on this review, the subsidy funding under your contract is being increased in the amount of $50,000. A summary of the modification and revised award are as follows:

<table>

<td>$8,000</td>
</tr>
<tr>
<td>Total SHRAP</td>
<td>$208,000</td>
<td>$258,000</td>

</table>

As a reminder, the Governor has signed Executive Order No. 125 which mandates that all principal departments and agencies implement comprehensive and stringent safeguards to ensure integrity of the expenditure of federal reconstruction resources and make certain all such resources are utilized in an ethical and transparent manner. Executive Order No. 125 outlines the responsibilities of the Office of the State Comptroller to oversee the transparency and accountability of these funds. There will be heightened scrutiny and oversight of all Sandy activity.

Accordingly, the SHRAP program will be subject to enhanced reporting with restrictive deadlines and due dates and increased monitoring and oversight. It is essential that all necessary contracts and subcontracts be executed immediately and returned to DFD as requested and in accordance with DHS contract policy. All final reporting of the SHRAP funds must be submitted to DFD no later than October 30, 2015. Failure to adhere to this timeframe will result in loss of funds.

Please submit a Contract Modification Form P1.10 and a revised Annex B to complete this modification. The Contract Modification forms can be downloaded from the DFD website at http://www.state.nj.us/humanservices/ddf-info. The modification package should be submitted to DFD no later than April 17, 2015.

The contract award includes federal funding from the Department of Health and Human Services, Administration for Children and Families under the Social Services Disaster Relief Grant. Details of the Grant are:

- Grant Number 2013G99WREE  CFDA Number 93.667

If you have any questions regarding the modification please contact your Contract Administrator, Jennie Goodman at 609-588-6287.

RE: Passaic County 2016 SCDRTAP Allocation

Dear Mr. John McGill:

I am pleased to forward to your attention the Senior Citizens and Disabled Residents Transportation Assistance Program FY2016 allocation for funding. Your county allocation as determined by formula is $806,074. It is our intention to distribute the Applications in the next week or two; however, I felt it was important for you to receive your proposed allocation so that you can begin the budget preparation process.

NJ TRANSIT recognizes that the last couple of years have been financially challenging to your service. As a result of the influx of funds from internet gaming, you will see a slight increase in your allocation from last year. However, we must be realistic about the possibility of continued reductions and plan accordingly.

NJ TRANSIT thanks you for your continued efforts and we look forward to working together with you in the years ahead.

Sincerely,

Steven R. Fillante

Dated: April 29, 2015
RESOLUTION AWARDING CONTRACT TO MASON HELMSTETTER ASSOCIATES, LLC AS IT CONCERNS APPRAISAL SERVICES FOR THE REPLACEMENT OF STRUCTURE NO. 1600-282 MARSHALL HILL ROAD OVER BELCHERS CREEK IN THE TOWNSHIP OF WEST MILFORD, NEW JERSEY

WHEREAS there exists a need for Professional Consultant Appraisal Services as it concerns the acquisition of two temporary construction easements and three permanent culvert and maintenance easements for the Replacement of County Culvert No. 1600-282, Marshall Hill Road over Belchers Creek in the Township of West Milford, NJ; and

WHEREAS the firm of Mason Helmstetter Associates, LLC, Real Estate Appraiser & Consultants, 336 Boulevard, Hasbrouck Heights, New Jersey 07604 has submitted a proposal for the necessary appraisal services for a fee of $5,100.00 which is being recommended by the Passaic County Engineer in a letter to the Board dated April 14, 2015, a copy of which is attached hereto and made a part hereof; and

WHEREAS the aforesaid proposal was reviewed and discussed by the Public Works and Buildings & Grounds Committee meeting of April 13, 2015 and recommended to the full Board for approval; and

WHEREAS the Local Public Contracts Law, N.J.S.A. 40A:11-1, et seq., requires that the resolution authorizing the award of contract for “Professional Services” without competitive bids and the contracts itself must be available for public inspection; and

WHEREAS said Mason Helmstetter Associates, LLC has been qualified as a pool professional appraiser in a “Fair and Open” procedure pursuant to the resolution of the Board of
Chosen Freeholders of the County of Passaic, R-2013-1048, December 30, 2013; and

WHEREAS a certification is attached which indicates that funds are available for the within contemplated expenditure; and

NOW THEREFORE BE IT RESOLVED by the Board of Chosen Freeholders of the County of Passaic that the Professional Consultant Appraisal Services for the above-mentioned project be awarded to Mason Helmstetter Associates, LLC in accordance with the terms and conditions set forth above; and

BE IT FURTHER RESOLVED that the Director, Clerk of the Board and County Counsel are hereby authorized to execute the necessary contract on behalf of the County of Passaic; and

BE IT FURTHER RESOLVED that this contract is awarded without competitive bidding as a “Professional Services” contract in accordance with N.J.S.A. 40A: 11-5(1)(a) of the Local Public Contracts Law because:

(1) The consulting firm is authorized and regulated by the law to provide the aforementioned services;

(2) The performance of the services are special in nature and require knowledge of an advanced type training, which said consulting firm possesses; and

BE IT FURTHER RESOLVED that a Notice of this action be published in the NORTH JERSEY HERALD & NEWS.

PROJECT: Replacement of Structure No. 1600-282
Marshall Hill Road over Bechers Creek
Township of West Milford

AWARD OF CONSULTING APPRAISAL SERVICES

Dear Members of the Board:

The replacement of County Culvert No. 1600-282, Marshall Hill Road over Bechers Creek in the Township of West Milford, requires the County to acquire two (2) temporary construction easements, and three (3) permanent culvert and maintenance easements. The County of Passaic requested proposals for appraisal services for these two (2) temporary construction easements and three (3) permanent culvert and maintenance easements.

Six proposals were requested and received from the County appraisal pool for the above referenced project. The proposals are as follows:

Mason Helmstetter Associates, LLC $ 5,100.00
Hasbrouck Heights, NJ

Richard Mohr Real Estate Appraiser $ 6,300.00
Paterson, NJ

Lasser Sussman Associates, LLC $ 8,000.00
Summit, NJ

Value Research Group, LLC $ 8,000.00
Livingston, NJ

Harry L. Schwarz & Co. Did not submit
Dover, NJ

Sterling DiSanto & Associates Did not submit
Somerville, NJ
This matter was discussed at the Public Works Committee meeting on April 13, 2015, and an award of contract to Mason Helmstetter Associates, LLC is recommended to the full Board.

Based upon the above, this Office recommends that the Board of Chosen Freeholders adopt a Resolution awarding a contract to Mason Helmstetter Associates, LLC, in the amount of $5,100.00 for the appraisal work necessary for the Replacement of County Culvert No. 1600-282, Marshall Hill Road over Belchers Creek in the Township of West Milford, subject to the availability of funds.

Very truly yours,

RESOLUTION AUTHORIZING THE UTILIZATION OF THE FIRST ONE-YEAR OPTION FOR AL-SALEM MARKET LLC TO SUPPLY FOOD CONCESSIONS AT GARRET MOUNTAIN RESERVATION IN WOODLAND PARK, NJ AND GOFFLE BROOK PARK IN HAWTHORNE, NJ

WHEREAS the Board of Chosen Freeholders of the County of Passaic by Resolution R-2014-490 dated June 24, 2014 awarded a competitive contract to Al-Salem Market LLC of Clifton, NJ for food concessions in two Passaic County parks for the 2014 season; and

WHEREAS the original Request for Proposal and response by said Al-Salem Market dated May 13, 2014 contained four (4) one-year options for years 2015 through 2018; and

WHEREAS the Passaic County Parks Director by memo dated April 1, 2015 is recommending the first one-year option for the period April 1, 2015 through October 31, 2015 at the rate of $550.00 per month be exercised by the said Board of Chosen Freeholders (copy of memo attached hereto and made a part hereof); and

WHEREAS the Freeholder Committee for Public Works and Buildings & Grounds at its April 13, 2015 meeting reviewed this matter and is recommending that it be agreed to by the full Board.

NOW THEREFORE BE IT RESOLVED by the Board of Chosen Freeholders of the County of Passaic that it hereby authorizes the utilization of the first one (1)-year option for Al-Salem Market LLC of Clifton, New Jersey to supply food concessions at Garret Mountain Reservation and Goffle Brook
Park retroactively to the period April 1, 2015 through October 31, 2015 at the contract rate of $550.00 per month.

**BE IT FURTHER RESOLVED** that the Clerk of the Board, the Purchasing Agent and the Director of the Board are hereby authorized to execute all necessary agreements on behalf of the County of Passaic as prepared by the Office of the County Counsel for said purpose.

Re:     Various Parks Concession Contract

Al Salem Market was awarded the Various Parks Vending Contract. Al Salem Market would like to exercise his Option Year 1, which commences April 1, 2015 to October 31, 2015.

I recommend that option one April 1, 2015 through October 31, 2015 be approved. However, Al Salem Market has a Certificate of Liability Insurance that expires on July 19, 2015. Al Salem Market must have proof of insurance from July 19, 2015 to October 31, 2015 in order to avoid lapse of contact.

Al Salem Market of 1651 Main Street, Clifton, NJ will be paying the fee of $450.00 for Garret Mountain and $100.00 for Goffle Brook Park, totaling $550.00 per month commencing April 1, 2015.

PROJECT: Rehabilitation of Structure No. 1600-476
Crosby Avenue over Molly Ann's Brook
City of Paterson

APPROVAL OF PLANS AND SPECIFICATIONS
AUTHORIZATION TO BID

Dear Members of the Board:

The County's Consultant, T&M Associates of Middletown, NJ, has designed and prepared the proposed Rehabilitation of Structure No. 1600-476 Crosby Avenue over Molly Ann's Brook in the City of Paterson.

My office has reviewed the Plans and Specifications and find them in conformance with Passaic County and other Engineering Standards.

The above-mentioned Project was discussed and recommended for approval at the Public Works Committee Meeting of April 13, 2015.

Therefore, I recommend that the Board of Chosen Freeholders ADOPT the necessary RESOLUTION, approving the Plans and Specifications, and authorize the Department of Procurement to advertise and receive bids for this Project.

Very truly yours,

Steven J. Edmond, P.E.

Re: On-Call Subsurface Utility Investigation Services, 2015-2016

Members of the Board:

The County of Passaic received unit price bids for Subsurface Utility Investigation Services on March 26, 2015. The purpose of these bids was to establish a pool of qualified companies with established Unit Prices for a period of 2 years. Passaic County will make project-specific agreements with one or more of these companies based on proposals based on methodology and these established unit prices.

Assignments will be paid under the budgets of the specific projects, with a purchase order or resolution as appropriate. The period of the agreement will be May 1, 2015 through April 30, 2017.

A total of 4 qualified bids were received (Unit Price tabulation is attached):

- InfraMap, 92 N. Main St., Bldg 19E, PO Box 448, Windsor, NJ 08561
- Cardno USA, 3 Terri Lane, Suite 4, Burlington, NJ 08016
- JMT, P.C., 1200 Lenox Drive, Trenton, NJ 08648
- GEOD, 24 Kancuse Rd, Newfoundland, NJ 07435

This bid was reviewed and recommended for Approval by the Public Works Committee at their meeting of April 13, 2015. We respectfully recommend that the Board approve agreements with each of these companies for the purpose of establishing unit prices for testing services for a period of 2 years.

RESOLUTION TO AMEND CONTRACT FOR PARSONS BRINCKERHOFF AS IT CONCERNS SUPERSTRUCTURE RECONSTRUCTION OF STRUCTURE NO. 1600-018 SPRUCE STREET BRIDGE OVER PASSAIC RIVER IN THE CITY OF PATERSON, NEW JERSEY

WHEREAS a professional engineering consultant services contract was awarded to Parsons Brinckerhoff by Resolution R-2013-398 dated June 7, 2013 as it concerns the Superstructure Reconstruction of Structure No. 1600-018 Spruce Street Bridge over Passaic River in the City of Paterson, New Jersey; and

WHEREAS as part of the consultant services for the above referenced project, Parsons Brinckerhoff has submitted a request for out of scope work which is detailed in their April 7, 2015 proposal in the amount of $173,755.00; and

WHEREAS the Passaic County Engineer by letter dated April 17, 2015 is recommending that said Parsons Brinckerhoff be awarded a contract modification to perform these additional engineering services for an amount of $173,755.00 pursuant to its proposal dated April 7, 2015 (copy of letter and proposal attached hereto and made a part hereof);

WHEREAS the matter was reviewed by the members of the Freeholder Committee for Public Works and Buildings & Grounds at their meeting on April 13, 2015 and is recommended for approval by the entire Board; and

WHEREAS a certification is attached hereto and made a part hereof indicating the availability of funds for this expenditure.

NOW THEREFORE BE IT RESOLVED by the Board of Chosen Freeholders of the County of Passaic that it hereby authorizes an amendment to the original professional engineering
consulting services contract for Parsons Brinckerhoff for providing engineering services for the Superstructure Reconstruction of Structure No. 1600-018 Spruce Street Bridge over Passaic River in the City of Paterson, NJ for additional work outside the original scope of the project as set forth above and in its additional contract modification request attached hereto.

**BE IT FURTHER RESOLVED** that the Director and Clerk to the Board are authorized to sign an amendment on behalf of the County of Passaic.

RE: Superstructure Reconstruction of Structure No. 1600-018
Spruce Street Bridge over Passaic River
City of Paterson, Passaic County
Contract Modification #1 – Parsons Brinckerhoff

Members of the Board:

Parsons Brinckerhoff has submitted a request for additional work needed for the Superstructure Reconstruction of Structure No. 1600-018, Spruce Street Bridge over Passaic River in the City of Paterson in the amount of $173,755.00. This work includes performing additional field survey, utility engineering, coordination with HPO and soil conservation district, intersection and profile improvement, as outlined in Parson Brinckerhoff letter dated April 7, 2015.

The above-mentioned matter was discussed at the Public Works Committee meeting of April 13, 2015 and a contract modification to Parsons Brinckerhoff is recommended to the full Board.

Based upon the above, this Office recommends that the Board of Chosen Freeholders ADOPT a RESOLUTION modifying the contract for design services to Parsons Brinckerhoff in the amount of $173,755.00 for additional work for the Superstructure Reconstruction of Structure No. 1600-018, Spruce Street Bridge over Passaic River in the City of Paterson and authorize County Counsel and the Director of Purchasing to prepare and execute the necessary Agreements subject to the availability of funds.

Very truly yours,

Steven J. Edmond, P.E.

Spruce Street Bridge Additional Engineering Services

Contract Modification #1

April 7, 2015

Parsons Brinckerhoff, Inc., (PB) is pleased to submit this proposal for additional Engineering Services for the Spruce Street Bridge Superstructure Reconstruction Project. This proposal has been prepared in accordance with the decisions and discussions during the meetings between Passaic County (Steven Edmund and Jonathan Pasa) and PB (Andy Paluri, Edwin Skrobacz, and Steve Esposito) held on December 15, 2014 and April 2, 2015.

PB's original scope of work and costs are outlined in our May 1, 2013 proposal. The original work in this project generally included development of contract documents for the superstructure (deck) rehabilitation on the Spruce Street Bridge. The original scope of work provided for a new one course reinforced concrete deck on the bridge with an overlay which maintained the existing geometry with little or no impact on the approach roadways. Since our original proposal was submitted, additional scope of work items have been requested by the County. PB already submitted a contract modification request for additional work on June 13, 2014 which was also revised and resubmitted on January 20, 2015. This document revises the previously submitted proposals. PB has already submitted several documents to the County for this project, including:

1. Bridge Inspection Photos and Inventory (hard copies and electronic copies); Sept 6, 2013
2. Bridge Inspection Summary of Findings and Recommendations; Sept 16, 2013
3. Report for the dip elimination at the North Abutment; Sept 18, 2013
4. Proposal for additional traffic count work; November 26, 2013
5. Traffic Count Data; Dec 24, 2013
6. Concept Plan and Sections; Feb 07, 2014 (a modified version of the Concept Plan and Sections is attached)
7. Supplement to the report for the dip elimination at the North Abutment; Feb 14, 2014
8. Order of Magnitude Construction Cost estimate; Feb 14, 2014. This does not include additional work discussed at the April 25th, 2014 meeting.

Attached to this Proposal are the modified concept plan, bridge sections and profile which were previously submitted to the County. As requested by the County, we will investigate the possibility of incorporating a center left turn slot from Front Street EB to Spruce St Northbound. The slot size desired by the County would be 10 feet wide and 40 feet long to accommodate two vehicles. Through our discussions and communications with the County, we understand that the improvement work for this project has been modified and now consists of the following items:

- The bridge roadway width will be reduced by 2 feet to 46 feet curb to curb in order to increase the easterly sidewalk width and will continue to carry 4 lanes of traffic. The bridge will remain in the functionally obsolete category.

- The easterly sidewalk width will be increased on the bridge for pedestrian use. The overall bridge width will also be increased to achieve the desired easterly sidewalk width, which will ideally be widened to 7'-6". The westerly sidewalk will remain at 5'-0" wide. For this proposal we have assumed that the location of the east face of the proposed east side approach parapets will not change. Note that the bump-outs originally considered on the

bridge's easterly sidewalk have been eliminated for the inclusion of the wider sidewalk and increased deck slab overhang width. The retaining wall supported overlook with views of the Great Falls is also not included in the scope of work, but it may be introduced into the project at a later date and would then be considered additional work. Note that the widened sidewalk will taper in as needed at the ends of the bridge to avoid any widening impacts at the approaches. The roadway width at the northerly approach may be reduced to allow for a wider sidewalk beyond the limits of the bridge.

- The parapet and lighting standards will contain architectural treatments.
- Two pole supports will be constructed on the bridge fascias to support a banner mounted perpendicular to traffic. Details of the banner will be provided to PB by the County.
- The profile on the bridge will be improved to eliminate the dip at the north end and will provide for a 30 mph design speed (Option 1 under the report for the dip elimination at the North Abutment). Alterations to the roadway profile to meet the desired design speed will raise the profile by approximately 16 inches which will create deep haunches on the W36 bridge stringers. The amount of work is greater than what was assumed in our original proposal since we had no information on the amount of profile increase at that time.
- The roadway cross slopes on the bridge will be improved as much as feasible to provide for positive drainage.
- The project limits will be expanded to the north and will include work past Birch Street and down Front Street as shown in the attached Concept Plan.
- Project limits will be expanded to the south down the eastern leg of McBride Avenue to the intersection with Spruce Street adjacent to the S.U.M. National Park Service building up to the recently reconstructed sidewalk. Additional work items include sidewalk and guiderail/barrier reconstruction/replacement.
- Traffic signal design and operational improvements are not part of the SOW in this proposal, such as new traffic signal equipment and wiring, push buttons, pedestrian heads, and timings. It is assumed that only temporary signal timing and phasing modifications will be done at the intersection of McBride and Spruce Street, south of the bridge, as a part of the traffic control and staging plans. PB will use as-built plans provided by the County to make the signal modifications and in-kind loop detector replacement. The signal operations will revert to the existing or as-built condition at the end of construction.
- We assume intersection lighting at the intersection of Spruce Street and Front Street will consist of a new utility pole with cobra head lighting to be installed by PSE&G. No lighting design is proposed at this intersection.
- The bridge will be kept open to one lane of traffic in each direction during construction although a short duration detour may be required during staged construction of the approach roadways.
- Additional traffic counts were previously collected as additional work to aid the County's capacity analysis and determination of potential improvements for the project. PB has not been compensated for this work, and the cost for this task ($5,700) is included as part of this Contract Modification. This work was authorized by the County in an e-mail dated December 4, 2013.
The bridge is currently classified as functionally obsolete with a curb to curb width of 48 ft and NBIS deck geometry (Item 68) rating of 2. The roadway width is being reduced by 2 feet to 46 feet. Reduction in the roadway width will not change the bridge's functionally obsolete classification. The County does not take exception to the functionally obsolete classification and has made repairing structural and other geometric deficiencies the priority.

The additional items of work are described below along with the associated Lump Sum engineering cost. This proposal follows the general order of our original May 1, 2013 proposal.

SCOPE OF WORK

A. Site Visit

The project limits have been expanded to include work that extends onto both approaches as noted above and as shown on the attached concept plan. PB will perform an additional site visit and amend our Inspection Photographs and Photograph Inventory Report which was submitted in September, 2013. An addendum to our previously submitted report will be transmitted to the County. This work will be performed for the County at no additional cost.

Additional Engineering Cost for Task A = $0

B. Field Survey

Survey limits have been increased to account for the expanded project limits. The items listed below describe the additional field survey efforts included as part of this Contract Modification. Additional survey work on the east leg of McBride Avenue will generally cover from 5 feet west of the east curb line to the east edge of the sidewalk. The Costs for Paterson police assistance during survey field work is included in this proposal.

1. The topography limits have been expanded to the northwest along Spruce Street to Birch Street, and an additional 125 feet along Front Street to the west. Additionally, topography will be extended at the southeast corner of the project to include curb and sidewalk along the east leg of McBride Avenue to its intersection with Spruce Street for a distance of 375+/- feet.

2. Modifications and adjustments to the roadway profile across the bridge will require additional structural survey to aid in the bridge design. PB will take bottom of beam (bridge deck) measurements at four corners of the bridge (at abutments). Measurements will be taken from the top of deck with a modified level rod extending underneath the bridge and this will not impact traffic.

3. The reconstruction of existing drainage inlets on the northerly bridge approach will require obtaining grate and invert elevation for drainage structure analysis along Front Street to achieve proper drainage design. Our original proposal excluded this work.

4. PB has not included the stake-out of the center line of the road as previously noted in the RFP. This task would require simultaneous lane closures in both directions, increase safety risks to field personnel and be cost prohibitive. Additionally, the placement of marker nails along the center line would be destroyed with the replacement of the bridge deck.
As discussed and approved at a meeting held on December 15, 2014, the survey work was expedited and was performed before the harsh winter weather set in.

**Actual Engineering Cost Spent for Task B = $7,743**

C. **Utility Engineering**

Our original project did not include utility impacts or relocations. The proposed improvements will likely impact utilities and warrant relocations based on the following:

- The installation of electrical conduit for the new lighting standard at Front Street and additional inlets along Front Street.

- Implementation of new ADA ramps and increase to the roadway profile along Spruce Street in the vicinity of Front Street will result in conflicts with utility valves and manholes at intersections requiring utility relocations or resets.

- There are existing utilities located in bay 11 (from the east) on the bridge. These utilities pass through the back wall of the abutments which are now being reconstructed. The limits of the abutment back wall to be reconstructed are not anticipated to impact these utilities.

The following extra work is proposed:

1. We will determine the location (horizontal and vertical) for utility facility conflicts within the project limits. Utility mark-outs will be made through coordination with the individual utility companies. Utility locations, as per the field markup by the utility companies, are to be recovered by the test pit company and shown on the construction plans by PB. The County has explained that they will pursue a Contract with the test pit company, and therefore the cost to perform the test pits are not included in this proposal. PB will share the survey data for the project with the County’s test pit Contractor, the test pit Contractor will survey the utility locations and mark-outs and provide a CAD file of the utility locations in the appropriate coordinate system for use by PB. PB anticipates five (5) utility test pits will be required for this project.

2. We will prepare a utility relocation plan showing the locations of existing and proposed relocations along with critical notes and restrictions. We will coordinate with each affected utility company regarding final relocations, timing restrictions, and notifications. Utility relocation plans will be forwarded to the Owners of the impacted facilities for their concurrence. The utility relocation will be included in the Contract Plans and relevant sections of the technical specifications.

**Additional Engineering Cost for Task C = $7,850**

D. **Geotechnical Engineering**

Our original scope of work did not include geotechnical activities since it was the intent of the project to perform a deck replacement with no substructure or foundation work. Based on the proposed improvements including an increase in the roadway profile at the north abutment and alterations to the bridge superstructure, a geotechnical investigation and subsurface exploration program is required. It is understood that the County will obtain the services of a Contractor to perform the borings, utility test pits, and traffic control required. PB has only included costs to perform coordination of the subsurface exploration/utility test pit program. The cost to perform...
the subsurface exploration is not included as part of this Scope of Work. Modifications to the bridge superstructure due to the alterations to the bridge parapet, deck raising, and widening will require an assessment of the bridge foundations to confirm that the additional loading will not adversely impact the integrity of the structure during and after construction. This task will include the following activities:

1. Development of a subsurface investigation program consisting of one (1) boring will be needed. The boring will be performed behind the North Abutment in order to obtain information not available from the original as-built plans. Where possible at other foundations, existing soil information available from the original as-built plans will be used at the bridge piers and South Abutment to supplement the information from the proposed boring. To accompany the boring and derive soil and rock design parameters, a limited laboratory testing program consisting of standard soil index tests (grain size analysis and Atterberg Limits) and rock unconfined compression tests will be needed and will be performed by the County’s subsurface exploration Contractor. PB will provide a field presence to confirm the boring and sampling is carried out at the appropriate locations and corresponding depths, PB will also review the results of the boring and lab testing performed by the County’s Contractor.

2. Geotechnical analyses of the northerly bridge approach, abutments, and pier foundations. This will include analysis for structural and construction loads associated with the re-decking of the bridge superstructure and the proposed rise in profile with large concrete haunches.

3. We will present the results of the subsurface investigation program, as well as our foundation analyses, as part of a geotechnical design memorandum.

Additional Engineering Cost for Task D = $8,900

E. Right of Way

As per our original proposal the existing right of way will be established via tax maps and parcel mapping provided by the County as impacts in the expanded project limit areas as proposed will generally be performed within the footprint of the existing roadway. The nominal widening of the bridge for the increased sidewalk width is an exception, but this is assumed to be within the existing Right of Way because the existing piers extend several feet beyond the original deck width and would have needed to be built within the Right of Way limits. Alignment Maps and General Property Parcel Maps are not anticipated nor proposed for this project. There is no additional right of way work included as part of this Contract Modification.

Additional Engineering Cost for Task E = $0

F. Permits

Environmental Field Investigation

Environmental Field Investigation is excluded per the County’s direction. As such, PB will not be performing an environmental screening or providing a GIS map. Should these tasks be required to support the environmental needs of the project they will be considered extra work and a Contract Modification will be submitted for the County’s approval to cover this cost. Should it be determined at a later date that an Environmental Field Investigation is needed, PB will not be held...
responsible for any impacts to the schedule.

**Wetland Delineation**

Wetlands delineation work is excluded based on the County's direction. Should this task be required to support the environmental needs of the project it will be considered extra work and a Contract Modification will be submitted for the County's approval to cover this cost. Should it be determined at a later date that a Wetland Delineation is needed, PB will not be held responsible for any impacts to the schedule.

**NJDEP Permits**

- **Freshwater Wetlands General Permit / Water Quality Certificate**

  Freshwater Wetlands General Permit/Water Quality Certificates are excluded per the County's direction. Should this task be required to support the environmental needs of the project it will be considered extra work and a Contract Modification will be submitted for the County's approval to cover this cost. Should it be determined at a later date that Freshwater Wetlands General Permit/Water Quality Certificates are needed, PB will not be held responsible for any impacts to the schedule.

- **Flood Hazard Area Permit-By-Rule**

  The Passaic River in the vicinity of the Spruce Street Bridge is a regulated waterway under the New Jersey Department of Environmental Protection (NJDEP) Flood Hazard Area Control Act Rules. The flood hazard design flood water elevation at this location has been determined via a state study to be approximately 125.03 feet, NAVD 88. The lowest beam elevation on the bridge is at an elevation of approximately 123.20 feet and the state study shows the Passaic River is under pressure flow for both the 100 year flood and the flood hazard area design flood (100 year flood plus 25%) as it passes under the Spruce Street Bridge. It is anticipated that the proposed improvements will occur at an elevation of 126.05 feet and higher, which will be above the flood hazard design flood elevation. As a result of the improvements, the project will require an NJDEP Permit-By-Rule for reconstructing a bridge superstructure above a flood hazard area in accordance with NJAC 7:13-7.2(d)4.

  PB will submit the documentation to NJDEP for the Permit-By-Rule for the reconstruction of a bridge superstructure above a flood hazard area. Should the permit-by-rule documentation not be accepted by the permitting agency any and all additional work will be considered out of scope. In addition, Should NJDEP determine that the proposed improvements do not qualify for a Permit-By-Rule and that a Flood Hazard Area Individual Permit (IP) is required, any and all additional work to prepare the IP and/or a hardship waiver will be considered out of scope services and a supplementary scope of work and cost proposal will be submitted to the County for review and approval.

  The proposed improvements will result in less than 1 acre of disturbance and will not create greater than 0.25 acres of impervious surface. As such, the improvements will not be classified as a "Major Development" under the NJDEP Stormwater Management Rule and will not be required to meet the stormwater management standards of the rule. Should the project...
disturbance limits or impervious surface increase as to classify the project as a “Major Development” under the rule, any and all additional work to bring the project into compliance with the rule would be considered out of scope services.

- Permit Fees
  Permit fees are not included in this scope-of-work and will be paid directly by the County.

Cultural Resources Investigations and Application for Project Authorization

Richard Grubb & Associates (RGA) will provide cultural resource consultation during design and, with assistance from Parsons Brinckerhoff, prepare an Application for Project Authorization based on the proposed improvements. The project falls within the boundaries of the New Jersey and National Register of Historic Places-listed Great Falls of Paterson/Society for Useful Manufacturers Historic District. Previous consultation with the NJHPO and the representatives of the City of Paterson’s Historic Preservation Commission has established that due to the nature and the scope of the proposed undertaking, additional archaeological or historic architectural survey will not be necessary in connection with the project as originally proposed. However, because the bridge is located partly within the New Jersey Register of Historic Places - listed Great Falls of Paterson/Society for Useful Manufacturers Historic District, it is anticipated that the completion of an Application for Project Authorization (APA) in accordance with the New Jersey Register of Historic Places Act (Laws of 1970, Chapter 258) will be required.

The construction of the widened sidewalk on the bridge may result in ground disturbance. The anticipated effort for the Phase 1A and 1B archaeological assessment is included as an If & Where Directed Item in the event that a need for this work is established. The tasks for Application for Project Authorization will include the following activities:

1. Application for Project Authorization – RGA, with assistance from Parsons Brinckerhoff, will prepare a technically complete APA to the NJHPO, which will determine if the proposed undertaking may constitute an encroachment on the Great Falls of Paterson/Society for Useful Manufacturers Historic District. Where applicable, we will recommend measures to avoid, minimize or mitigate any potential encroachment. If the NJHPO determines that the undertaking may encroach upon the historic district, then the APA will be forwarded to the Historic Sites Council (HSC) and reviewed at a public meeting. A finding of encroachment is not anticipated in connection with this project and, if needed, will be performed as extra work.

2. Consultation – PB and RGA will also provide consultation services to the project team and will consult with the NJHPO and the City of Paterson’s Historic Preservation Commission on the project design and compare to the historic character of the Great Falls of Paterson/Society for Useful Manufacturers Historic District and the Secretary of the Interior’s Standards for the Treatment of Historic Properties to the fullest extent feasible. Consultation is provided during the entire project duration.

3. Phase 1A & 1B Archaeological Surveys (If & Where Directed) – This work consists of background research, a site visit, and an assessment of sensitivity for prehistoric and historic archaeological resources. Phase 1A and 1B archaeological surveys (i.e. subsurface testing), if necessary, is also included in this scope of work as an If & Where Directed Item. One (1) day of shovel test pit excavations is proposed, as necessary. No mechanical or
deep excavations are proposed. The results of the Phase IA and IB (if necessary) archaeological surveys will be presented in a single report as attachments to the APA.

**NJDEP Green Acres Coordination**

The adjacent Overlook Park property is a Green Acres encumbered property. However, no impacts associated with the proposed improvements (construction, staging, etc.) are anticipated to this park property as all improvements and staging are anticipated to be within existing County right-of-way. As such, no Green Acres approvals or coordination is required. Should project plans change and activities extend outside of existing County property, this task is considered out-of-scope extra work and not included herein.

**Soil Erosion and Sediment Control Plans and Certification**

Proposed improvements are anticipated to be greater than 5,000 square feet of land disturbance, therefore a Soil Erosion and Sediment Control Certification from the Hudson-Essex-Passaic Soil Conservation District (SCD) is required. PB will prepare SCD plans, details, application form, notes, and the required permit documentation to secure the certification.

*Additional Engineering Cost for Task F = $5,750*  
(RGA Project Authorization Cost Described Above = $9,612)

**G. Cost Estimate**

Additional quantities and costs will be developed for the additional roadway, structural, and traffic control items of work identified in the proposal. Two (2) sets of the calculations used to derive the Estimate of Quantities will be submitted to the County with the final plans.

*Additional Engineering Cost for Task G = $6,900*

**H. Construction Contract Documents**

Based on the proposed improvements identified by the County, additional engineering design efforts and contract documents beyond what was originally proposed will be required as summarized below:

- We anticipate three (3) additional progress meetings with Passaic County will be required for the additional work.
- Based on feedback from the City and SHPO, ornamental lighting on the bridge is required. As per our original proposal an "IF & Where Directed" task was provided and is now included in this extra work proposal. The effort for this task is included under the cost for item H in this contract modification.
- Per PB's original proposal, it was our approach to construct the new bridge deck in two major stages of work, and to utilize a similar staging method implemented in the 1984 rehabilitation project. We anticipate that two stages of construction are still applicable based on the revised concept. However, raising the roadway profile by approximately 16 inches to eliminate the existing roadway dip will require, at a minimum, a short duration closure and detour of Front Street, and likely Spruce Street. This proposal includes effort to prepare a detour plan. We propose the detour routes will be implemented via Glover Avenue to the west and West Broadway to the east. A sketch of the proposed detour routes is included as
an attachment. This proposal includes preparation of a Detour Plan and a Traffic Control Detail Sheet including notes and details.

- Based on our review of the revised concept, there are additional MPT efforts associated with impacts to the McBride Avenue intersection. The proposed lane shifts on Spruce Street may require a temporary controller timing and phasing modification to eliminate the northbound left turn phase during construction. PB will review the existing County Signal As-Built for this intersection to confirm. Elimination of the left turn movement and temporary re-phasing of the intersection signal will require an additional Traffic Control Plan. No additional work is anticipated at this intersection.

- Elimination of the roadway dip on the northerly bridge approach was included as an "IF & Where Directed" task which is now part of this extra work proposal. Based on the survey performed, it has been determined that the extent of profile raising will be much greater than originally assumed and will require additional engineering efforts as listed. This item also includes work already performed in developing two reports listed previously.

- Modification of the roadway section across the bridge, including a shift of the centerline (as shown in the bridge sections) will require re-establishing a new roadway baseline and profile, cross-slope grading and transitions. This proposal includes additional roadway geometric and grading design efforts.

- The widened east sidewalk on the bridge will require a larger overhang than the existing condition. The design and detailing for the overhang will be more complex as a result. No additional drawings are anticipated for the widened sidewalk.

- The elimination of the dip at the North Abutment will result in modifications to be made to the existing North Abutment back-wall and headers. New concrete and connections to the existing structure will be required to build up these elements. The existing approach slab connection to the abutment will also need to be demolished and the existing approach slab will be left in place. This will require two (2) additional design drawings. The abutment's stability will need to be verified. Our proposal assumes alterations to the bridge foundations and work within regulated areas are not required.

- The elimination of the dip at the North Abutment will also result in modifications to be made to the existing northeast wingwall. Connections for the new parapet to the existing wall will be required. The existing wingwall is unreinforced and the scope of the project will only allow the new connections to dowel into the plain concrete. Impacts to the regulated lands at the wall footing are not anticipated or proposed for this project. This will require two (2) additional design drawings. The walls' stability will need to be verified. The lack of steel reinforcement for the wingwalls will make the analysis complex. It is assumed that the widening will only occur on the bridge and will be tapered back within the end spans to meet the approach roadways.

- The elimination of the dip at the North Abutment will also result in deep haunches over the existing steel stringers near the North Abutment. It is estimated that the maximum haunch depth will be near 16 inches. The typical existing stringers are 36 inches deep, and the flared beams supporting the curved section of the bridge deck are 18 inches deep. The load rating for the shallow beams and the typical stringer will need to be verified for the large haunches. The abutment and piers supporting the increase in profile will also need to be evaluated for the added loadings. Note that a detailed loading calculation was not included in the original proposal due to the in-kind bridge replacement originally scheduled which would not increase the existing load conditions. Two (2) additional design drawings will be

Parsons Brinckerhoff

Introduced on: April 28, 2015
Adopted on: April 28, 2015
Official Resolution #: R20150300
needed to detail the shear stud layout and reinforcement required for the large haunches. It is assumed that steel bolsters will need to be installed along the top of the W18 stringers full length at the northwest corner of the bridge. Our proposal does not include any efforts to rehabilitate the existing bearing assemblies nor raise the existing stringers. It is understood that forming the large haunches/steel bolsters will create a thick deck slab when seen in elevation especially at the north end. We will consider ways to improve the aesthetics such as painting the fascia stringers grey to match the color of the adjacent concrete.

- Extending the roadway along Front Street and Spruce Street (to Birch Street), as well as through the McBride Avenue intersection, including the elimination of an existing concrete island and curb reconfiguration, will require additional roadway design efforts for intersection grading, sidewalk repairs, ADA ramp design, utility coordination, quantity calculations, signing and striping.

- New sidewalk and barrier curb/guides ari fronting the reconstructed sidewalk on the southeast bridge approach. This proposal includes an assessment and design for the installation of guide rail or median barrier fronting the sidewalk and selection of an end treatment. Our recommendation will be presented in the form of a technical letter memorandum to the County.

- Design and Layout of ADA ramps and details at eight (8) locations.

- The modifications to the north approach will require the installation of underground electrical conduit for a new light pole at Front Street and a drainage inlet on the northerly approach. We will also confirm drainage impacts on intersection grading at Front Street due to modifications to the existing curb and elimination of the existing island to determine if an additional inlet(s) is required. Our proposal includes the design of new drainage structures and lighting conduits on the northerly bridge approach. No new outfall pipes are proposed.

- There will be a need for additional signing and striping.

- Based on the proposed improvements and in accordance with the NJDOT Design Exception Design Manual, a design exception report is required and will be provided.

- Per the County's request, two structural poles 18' above the roadway are to be mounted on the bridge parapet for support of a banner perpendicular to traffic will be provided. The vertical and lateral loads on the poles will need to be determined. The superstructure, bearings, and foundation elements will need to be evaluated for this additional loading. Note that a detailed loading calculation was not included in the original proposal due to the in-kind bridge replacement originally scheduled which would not have increased the existing load conditions. This will require one (1) additional design drawing.

- The County has requested that the beams which have previously had their concrete encasement removed and were painted in the 1980's as well as the beams where the encasement is being removed or has already spalled off shall be blast cleaned and painted as part of this project. This will require an additional drawing for painting details and notes as well as development of painting and containment specifications. Paint samples have already been extracted and tested by Corrosion Control Consultants & Labs Inc. based on samples taken by PB during the field inspection on August 22, 2013. The paint sample obtained from the steel painted in the 1980's did not have detectable levels of lead. The steel sampled from a beam still encased in concrete tested positive for lead.

- Four (4) automatic traffic recorder (ATR's) machine counts for one week and manual turning movement traffic counts were collected as extra work. Manual Turning Movement Counts
were collected for McBride Avenue and Wayne Avenue as well as Front Street and Wayne Avenue. Obtained data was downloaded, reduced, and transmitted on December 24, 2013 to the County for their use in capacity analysis and determination of potential improvements.

- Our proposal includes additional efforts associated with the preparation of more detailed specifications due to the expansion of the Contract.

The following additional plan sheets are anticipated for this project:

**Civil/Traffic Plans**
- One (1) additional Construction Plan due to expanded project limits
- One (1) Roadway Profile
- Two (2) Grading, Drainage and Landscape Plans
- One (1) additional Tie Sheet
- Three (3) Soil Erosion and Sediment Control Plans and Details
- One (1) Detour Plan
- One (1) Temporary Traffic Signal Plan
- One (1) Traffic Control Plan
- Two (2) Traffic Signing and Striping Plan
- Six (6) Additional Construction Detail Plans
- Ten (10) Standard Construction Details

**Structural Plans (8 Drawings)**
- Structural Steel Painting Notes and Containment Details (1 Sheet)
- Bridge Mounted Poles for Banner Support Details (1 Sheet)
- North Abutment Details (for raised profile) (2 Sheets)
- North Wingwall Details (for raised profile) (2 Sheets)
- Flared Beam / Haunch Details (2 Sheets)

*Additional Engineering Cost for Task H = $115,100 (Includes $5,700.00 for traffic count work already performed)*

I. **Bidding Process and Award**

No additional work considered for this item.

J. **Construction Consultation and Inspection Services**

Additional shop drawings will be required for the following items:
- Steel bolsters to be installed on top of the W18 stringers.
- New structural pales on the bridge.
- Haunch details and elevations.
- Review of structural steel paint/containment submittals.

In addition, as requested at the meeting held on December 15th 2014, PB has included 38 man-hours of effort for field consultation/support services to assist the County’s Resident Engineer.
Additional Engineering Cost for Task J = $8,350

SCHEDULE
To be determined. As discussed at the December 15, 2014 and April 2, 2015 meetings, PB would like to expedite work on this project. The County has indicated that they would like to have the project out to bid early 2016.

RESOLUTION AUTHORIZING AGREEMENT MODIFICATION #2
OF THE AGREEMENT BY AND BETWEEN THE COUNTY OF
PASSAIC AND THE STATE OF NEW JERSEY DEPARTMENT OF
TRANSPORTATION LOCAL AID & ECONOMIC DEVELOPMENT
EXTENDING THE DESIGN PHASE FOR A TWENTY-FOUR
MONTH PERIOD FOR THE TWO BRIDGES ROAD BRIDGE
OVER POMPTON RIVER AND WEST BELT EXTENSION
PROJECT IN THE TOWNSHIP OF WAYNE, BOROUGH OF
LINCOLN PARK AND TOWNSHIP OF FAIRFIELD, NEW JERSEY

WHEREAS the County of Passaic is undertaking a Project
known as the Replacement of the Two Bridges Road Bridge over
the Pompton River and West Belt Extension in the Townships of
Wayne (Passaic County) and Fairfield (Essex County) and the
Borough of Lincoln Park (Morris County); and

WHEREAS this project, which involves a bridge owned
jointly by the County of Morris and County of Passaic, has
qualified for Federal Aid through the New Jersey Department of
Transportation; and

WHEREAS due to requested changes in the design
requested by both the Township of Wayne and the Borough of
Lincoln Park, it was necessary to have the County Consultant do
a redesign of the Bridge Project in an additional amount of
$327,804 and it is now necessary to execute a Federal Aid
Agreement Modification as outlined in the letter from the Passaic
County Engineer dated April 16, 2015 (a copy of which is
attached hereto and made a part hereof); and

WHEREAS this matter was reviewed by the Freeholder
Committee for Public Works and Buildings & Grounds at its April
13, 2015 meeting at which time it was recommended that it be
approved by the entire Board.
NOW THEREFORE BE IT FURTHER RESOLVED that the Board authorizes the execution of the attached Local Aid Agreement Modification #2 in connection with the same project for additional design costs for the County of Passaic Engineering consultant for the Project known as Two Bridges Road Bridge over the Pompton River and West Belt Extension between the Townships of Wayne (Passaic County), Fairfield (Essex County) and Borough of Lincoln Park (Morris County).

BE IT FURTHER RESOLVED that the Director and Clerk to the Board be authorized to execute the said Agreement Modification #2 on behalf of the County of Passaic.

Agreement Modification No. 2  

Dear Members of the Board:  

This Office has received four copies of the Agreement Modification No. 2 for an additional amount of $327,804.00 to the Federal Aid Agreement No. 2010-DT-BLA1-28 a cost reimbursement agreement between the New Jersey Department of Transportation Local Aid and Economic Development and the County of Passaic for the design of the replacement of the Two Bridges Road Bridge and extension of the West Belt project. The new Agreement total amount is $1,927,792.00.  

This Agreement Modification No.2 was reviewed and discussed by the Public Works Committee at its meeting on April 13, 2015 and was recommended for approval to the full Board.

Based upon the above, this Office recommends that the Board of Chosen Freeholders adopt a Resolution authorizing the Director to sign and execute the Agreement Modification Number 2.

RESOLUTION AUTHORIZING A FEDERAL AID AGREEMENT MODIFICATION #2 BY AND BETWEEN THE COUNTY OF PASSAIC AND THE STATE OF NEW JERSEY DEPARTMENT OF TRANSPORTATION DIVISION OF LOCAL AID & ECONOMIC DEVELOPMENT AS IT PERTAINS TO THE REPLACEMENT OF THE WEST BROOK ROAD BRIDGE OVER THE WANAKE RESERVOIR IN THE BOROUGHS OF RINGWOOD AND WANAKE, NEW JERSEY

WHEREAS the County of Passaic previously applied for Federal and State transportation funding in connection with a project known as the Replacement of the West Brook Road Bridge Over the Wanaque Reservoir (Structure No. 1600-491) between the Boroughs of Ringwood and Wanaque in Passaic County; and

WHEREAS the Office of the Passaic County Engineer had previously applied for the sum of up to $28,740,945.00 to assist the County of Passaic in constructing the new bridge on West Brook Road between Wanaque and Ringwood; and

WHEREAS the actual low bid for the Project was awarded to Northeast Remsco Construction Company by the Passaic County Board of Chosen Freeholders by Resolution R-2013-468 dated June 25, 2013 in the amount of $29,481,208.90; and

WHEREAS as a consequence of the award, the Office of the Passaic County Engineer applied for additional aid for this Project and a previous Agreement Modification was authorized; and

WHEREAS during the course of the Project it became clear that additional work was necessary due to differing site conditions at the Bridge abutments than those originally anticipated; and
WHEREAS the Office of the Passaic County Engineer has received four copies of the Agreement Modification #2 for an additional amount of $718,509.00, to the Federal Agreement 2012-DT-BLAI-12 a cost reimbursement agreement, between the NJ Dept. of Transportation, Division of Local Aid and Economic Development and the County of Passaic for the construction of the replacement of the West Brook Road Bridge for a new Agreement total amount of $30,181,820.00; and

WHEREAS this matter was reviewed by the Freeholder Committee for Public Works and Buildings and Grounds at its April 13, 2015 meeting at which time it was recommended to the full Board for approval.

NOW THEREFORE BE IT RESOLVED by the Board of Chosen Freeholders of the County of Passaic that it hereby authorizes a Federal Aid Agreement Modification #2 by and between the County of Passaic and the State of New Jersey Department of Transportation Division of Local Aid & Economic Development to receive construction funds in the amount of up to $30,181,820.00 for the bridge project known as the Replacement of the West Brook Road Bridge Over the Wanaque Reservoir between the Boroughs of Ringwood and Wanaque, New Jersey.

BE IT FURTHER RESOLVED that the Director and Clerk to the Board be authorized to execute the said Agreement on behalf of the County of Passaic.

April 16, 2015

Dear Members of the Board:

This Office has received four copies of the Agreement Modification #2 for an additional amount of $718,509.00 to the Federal Agreement 2012-DT-BLAI-12 a cost reimbursement agreement, between the New Jersey Department of Transportation, Division of Local Aid and Economic Development and the County of Passaic, for the construction of the replacement of the West Brook Road Bridge. This amount reflects the changes in the construction costs due to differing site condition at bridge abutments. The New Agreement total amount is $30,181,820.00.

This Agreement Modification was reviewed and discussed by the Public Works Committee at its meeting of April 13, 2015 and was recommended for approval to the full Board.

Based upon the above, this Office recommends that the Board of Chosen Freeholders adopt a Resolution authorizing the Director and the Clerk to sign and execute the Agreement Modification #2.
