Dated: February 11, 2015
RESOLUTION AUTHORIZING PURCHASE OF LEGAL
RESEARCH MATERIALS BY VARIOUS COUNTY
DEPARTMENTS FROM GANN LAW BOOKS AND THOMPSON
WEST FOR CALENDAR YEAR 2015, PURSUANT TO AN
EXEMPTION FROM PUBLIC BIDDING (N.J.S.A. 40A:11-5
(1) (q)), FOR AN AMOUNT NOT TO EXCEED $75,000.00

WHEREAS various departments and agencies of County
government have the need to purchase and maintain certain
legal research materials; and

WHEREAS although the procurement of library and
education goods and services is exempt from public bidding
pursuant to N.J.S.A. 40A:11-5 (1) (q), the aggregate cost of
said goods and services required by the County exceeds
$17,500.00 and is therefore subject to the requirements of the
"Pay-to-Play" law; and

WHEREAS the County has procured in the past and will
continue to require books published by Gann Law Books and
Thompson West, which are typically the only products
available that meet the County's needs; and

WHEREAS the said Board, by Resolution 06-97 dated
February 14, 2006 established a policy of only awarding
contracts in excess of the monetary threshold set forth under
the "Pay to Play" Law only under a "Fair and Open" process;
and

WHEREAS the Board is desirous of making an exception
to that policy because of the unique circumstances of this
case; and
WHEREAS the local Public Contracts Law, N.J.S.A. 40A:11-1 et seq., requires that the resolution authorizing the award of contract for exempt goods and/or services and the contracts themselves must be available for public inspection; and

WHEREAS the Administration and Finance Committee reviewed this matter at its meeting of January 14, 2015 and recommended that this agreement be awarded as an exempt service with the understanding that the recipient has not made or will make political contributions as set forth under the Campaign Contributions and Expenditures Reporting Act (N.J.S.A. 19:44A-1); and

WHEREAS a certification is attached which indicates that funds are available for the within contemplated expenditure;

NOW THEREFORE BE IT RESOLVED by the Board of Chosen Freeholders of the County of Passaic that it hereby authorizes the purchase of law books from Gann Law Books and Thompson West for various County departments and agencies for calendar year 2015, for an amount not to exceed $75,000.00; and

BE IT FURTHER RESOLVED that this contract is being awarded as an exception to the policy of the Board as set forth in its Resolution R-06-97 dated February 14, 2006 because of the special circumstances of this situation, and the policy of
the Board as set forth in this resolution shall remain in full force and effect; and

**BE IT FURTHER RESOLVED** that all effected officers and employees be and hereby are authorized and directed to take such actions and execute such documents as are necessary to effectuate the purposes of this resolution, including issuance of purchase orders as necessary; and

**BE IT FURTHER RESOLVED** that this contract is awarded without competitive bidding in accordance with N.J.S.A. 40A:11-5(1)(l of the Local Public Contracts Law in that it concerns goods and/or services necessary to conduct an election; and

**BE IT FURTHER RESOLVED** that a Notice of this action be published in the NORTH JERSEY HERALD & NEWS.

RESOLUTION AWARDING A CONTRACT TO PERSELAY ASSOCIATES, INC. FOR CONTRACT ADMINISTRATION AND MONITORING SERVICES FOR THE COUNTY OF PASSAIC AND THE PASSAIC COUNTY SHERIFF’S DEPARTMENT RELATIVE TO CONTRACTED MEDICAL SERVICES AT THE PASSAIC COUNTY JAIL FOR A PERIOD OF ONE (1) YEAR, COMMENCING MARCH 1, 2015 AND TERMINATING ON FEBRUARY 28, 2016, PURSUANT TO REQUEST FOR QUALIFICATIONS

WHEREAS the Board of Chosen Freeholders of the County of Passaic (the “Board”) has previously entered into an agreement with Correctional Health Services (CHS) for the provision of medical services to inmates at the Passaic County Jail, pursuant to a duly adopted resolution (R-11-259, 04/12/11); and

WHEREAS the Board is committed to ensuring that the contract between the County and CHS is administered and performed in an appropriate and efficient manner, and believes that these goals would be served by retaining a consultant to monitor performance of the contract in several areas, including quality control, regulatory compliance and the identification of areas of potential cost savings; and

WHEREAS the County issued a public solicitation for qualified organizations to perform these services, in accordance with “Fair and Open” procedures as established in the “Pay-to-Play” law, N.J.S.A. 19:44A-20.4, et seq; and
WHEREAS the Board previously adopted a resolution (R20140113, 02/25/14) awarding a contract to Perselay Associates, Inc. to perform the necessary services for a period commencing March 1, 2014 and terminating February 28, 2015; and

WHEREAS the County issued a new solicitation for the services described above for calendar year 2015; and

WHEREAS the responses to said public solicitation were received on January 16, 2015 and reviewed by the Committee previously established for that purpose by resolution R-06-97 adopted on February 14, 2006; and

WHEREAS the Evaluation and Review Committee has reviewed the submittals and recommends that Perselay Associates, Inc. be qualified to perform the necessary services, and the Board is desirous of awarding a new contract to the Consultant to perform said services for a term of one (1) year for an annual fee of $72,000.00, payable in equal monthly installments of $6,000.00, all as more fully described in the attached proposal; and

WHEREAS although the public solicitation referenced a contract period of “Calendar Year 2015,” the Board is desirous of awarding a contract for a term commencing March 1, 2015 and terminating on February 28, 2016 to coincide with the expiration of the previous contract term; and
WHEREAS the services involved are exempt from public bidding as “Extraordinary Unspecifiable Services,” pursuant to N.J.S.A. 40A:11-5 (1) (a) (ii); and

WHEREAS a certification is attached hereto to reflect the availability of funds for the within contemplated expenditure; and

WHEREAS the Administration and Finance Committee reviewed this matter at its meeting of January 28, 2015 and recommended this resolution to the full Board for adoption;

NOW THEREFORE BE IT RESOLVED by the Board of Chosen Freeholders of the County of Passaic that it hereby accepts the committee’s recommendation of award of contract under the Local Public Contracts Law, specifically N.J.S.A. 40A:11-5 (1) (a) (ii); and

BE IT FURTHER RESOLVED that the Clerk of the Board, the Purchasing Agent and the Director of the Board be and hereby are authorized to execute all necessary agreements on behalf of the County of Passaic as prepared by the Office of County Counsel for said purpose; and

BE IT FURTHER RESOLVED that although exempt from formal public bidding, this contract is awarded in accordance with “Fair and Open” procedures established in the “Pay-to-Play” law, N.J.S.A. 19:44A-20.4, et seq., as stated more fully above.

Dated: February 11, 2015
RESOLUTION AMENDING THE SELF-FUNDED HEALTH BENEFITS PLAN MAINTAINED BY THE COUNTY OF PASSAIC TO ELIMINATE LIFETIME HEALTH BENEFITS UPON RETIREMENT FOR ALL NON-UNION EMPLOYEES HIRED ON OR AFTER FEBRUARY 10, 2015

WHEREAS the Board of Chosen Freeholders of the County of Passaic (the "Board") is vested with all of the legislative and executive powers of the County of Passaic (the "County"), pursuant to N.J.S.A. 40:20-1, et seq.; and

WHEREAS the Board has previously established a self-funded health benefits plan for individuals employed by the County (the "Plan"), which also provides for coverage for their spouses and dependent children; and

WHEREAS the Board of Chosen Freeholders of the County of Passaic (the "Board") is committed to containing the cost of its self-funded employee benefits programs to the maximum extent practicable; and

WHEREAS under existing policy, employees who retire at age fifty-five (55) or above with a minimum of twenty-five (25) years of uninterrupted service with the County or its agencies are provided with free health coverage for themselves and their dependents, as applicable, at the level of coverage that existed on the effective date of retirement (i.e. single coverage, employee and spouse or family coverage); and

WHEREAS the Board is desirous of modifying its Plan to eliminate the provision of free health benefits at retirement for all non-union employees hired after February 10, 2015; and
WHEREAS the County Administrator has been directed to seek provisions in future rounds of collective bargaining to similarly eliminate lifetime benefits for newly-hired union employees; and

WHEREAS health benefits at retirement shall remain available to non-union employees hired prior to February 11, 2015, subject to satisfaction of the existing eligibility criteria regarding age and years of County service, consistent with the requirements of P.L. 2010, c. 78 and other applicable law in force and effect at the time of retirement; and

WHEREAS post-retirement health benefits shall remain available to employees hired prior to February 11, 2015 and represented by officially recognized bargaining units, subject to the terms and conditions of the applicable Collective Negotiations Agreements that are in effect at the time of retirement, ; and

WHEREAS the Administration and Finance Committee considered this matter at its meeting of January 28, 2015 and recommended this resolution to the full Board for adoption;

NOW THEREFORE BE IT RESOLVED by the Board of Chosen Freeholders of the County of Passaic that the County’s self-funded health benefits plan be and hereby is modified to eliminate the provision of free health benefits at retirement for all non-union employees hired on or after February 10, 2015; and
BE IT FURTHER RESOLVED that free health benefits at retirement shall remain available to non-union employees hired prior to January 1, 2015, subject to satisfaction of the existing eligibility criteria regarding age and years of County service; and

BE IT FURTHER RESOLVED that County employees that are represented by unions shall continue to be governed by the terms of their Collective Negotiations Agreements as are effective at the time of retirement, consistent with the requirements of P.L. 2010, c. 78 and other applicable law as then in force and effect.

WHEREAS the Board of Chosen Freeholders of the County of Passaic (the “Board”) is vested with all of the legislative and executive powers of the County of Passaic (the “County”), pursuant to N.J.S.A. 40:20-1, et seq.; and

WHEREAS the Board has previously established a self-funded health benefits plan for individuals employed by the County (the “Plan”), which also provides for coverage for their spouses and dependent children; and

WHEREAS the Board is committed to containing the cost of its self-funded employee benefits programs to the maximum extent practicable; and

WHEREAS the utilization of out-of-network providers by those participating in the “Traditional” option under the Plan has been a substantial factor in increasing the overall cost of medical claims paid by the County; and

WHEREAS Brown & Brown Metro, Inc., which has been retained by the County as its consultant on health insurance issues, has recommended that the Plan be amended to limit payment to out-of-network providers to an amount equal to 150% of
the rate established by the Centers for Medicare and Medicaid Services ("CMS") for a particular service; and

WHEREAS the Board is desirous of implementing the consultant’s recommendation as to non-union employees and their dependents, effective April 1, 2015; and

WHEREAS the County Administrator has been directed to seek provisions in future rounds of collective bargaining to similarly limit payments to out-of-network providers for union employees enrolled in the “Traditional” option and their dependents; and

WHEREAS the Administration and Finance Committee considered this matter at its meeting of January 28, 2015 and recommended this resolution to the full Board for adoption;

NOW THEREFORE BE IT RESOLVED by the Board of Chosen Freeholders of the County of Passaic that the County’s self-funded health benefits plan be amended to provide that the payment to out-of-network providers under the “Traditional” option shall be limited to an amount equal to 150% of the rate established by the Centers for Medicare and Medicaid Services ("CMS") for a particular service rendered to non-union employees and their dependents, effective April 1, 2015; and

BE IT FURTHER RESOLVED that the County Administrator be and hereby is authorized and directed to seek provisions in future rounds of collective bargaining to similarly limit payments to out-of-network providers for services rendered to union employees enrolled in the “Traditional” option.

WHEREAS the Board of Chosen Freeholders of the County of Passaic (the “Freeholder Board”) previously adopted resolutions appointing Freeholder Bruce James and Rev. Randall M. Lassiter to the Board of Trustees of the Workforce Development Center of Passaic County (the “WDC Board”), for terms commencing of even date therewith and terminating on December 31, 2015; and

WHEREAS the Freeholder Board also previously adopted a resolution (R20140299, 04/21/14) concurring with the action of the WDC Board to amend its Bylaws to provide that a second freeholder serve as a trustee, and appointing Freeholder Hector C. Lora to serve as a trustee for a term commencing of even date therewith and terminating on December 31, 2015;

WHEREAS Freeholder Lora subsequently resigned his position as a Trustee on the WDC Board, and the WDC Board is desirous of having a second public member appointed by the Freeholder Board to fill Freeholder Director Lora’s unexpired term; and
WHEREAS the WDC Board adopted a Bylaws change on February 6, 2015 to permit two public members to serve on the three-member board; and

WHEREAS the Freeholder Board is desirous of formally concurring with the action of the Trustee Board to amend the Bylaws to contain the provision described above; and

WHEREAS the Board is also desirous of appointing John Currie of Ringwood to serve as the second public member of the WDC Board to fill the vacancy created by the resignation of Freeholder Director Hector C. Lora, effective immediately and terminating on December 31, 2015; and

WHEREAS the Administration and Finance Committee considered this matter at its meeting of January 28, 2015 and recommended this resolution to the full Freeholder Board for adoption;

NOW THEREFORE BE IT RESOLVED by the Board of Chosen Freeholders of the County of Passaic that it hereby formally concurs with the action of the Board of Trustees of the Passaic County Workforce Development Center to amend the latter’s Bylaws to provide for a second public member on the three-member board; and

BE IT FURTHER RESOLVED that the Board of Chosen Freeholders hereby appoints John Currie of Ringwood as a member of the Trustee Board, for a term commencing
immediately and terminating on December 31, 2015, replacing
Freeholder Director Hector C. Lora, who has resigned.

Re: Contract No. SH13016
MODIFICATION No. 7

Dear Ms. Lepore:

The Division of Family Development (DFD) has been monitoring the SHRAP program and client needs throughout the state. Based on this review, the subsidy funding under your contract is being increased in the amount of $23,500. A summary of the modification and revised award are as follows:

<table>
<thead>
<tr>
<th></th>
<th>Previous Award</th>
<th>Revised Award</th>
</tr>
</thead>
<tbody>
<tr>
<td>Subsidy</td>
<td>$176,500</td>
<td>$200,000</td>

<td>8,000</td>
</tr>
<tr>
<td>Total SHRAP</td>
<td>184,500</td>
<td>208,000</td>
</tr>
</tbody>
</table>

As a reminder, the Governor has signed Executive Order No. 125 which mandates that all principal departments and agencies implement comprehensive and stringent safeguards to ensure integrity of the expenditure of federal reconstruction resources and make certain all such resources are utilized in an ethical and transparent manner. Executive Order No. 125 outlines the responsibilities of the Office of the State Comptroller to oversee the transparency and accountability of these funds. There will be heightened scrutiny and oversight of all Sandy activity.

Accordingly, the SHRAP program will be subject to enhanced reporting with restrictive deadlines and due dates and increased monitoring and oversight. It is essential that all necessary contracts and subcontracts are signed immediately and returned to DFD as requested and in accordance with
DHS contract policy. All final reporting of the SHRAP funds must be submitted to DFD no later than October 30, 2015. Failure to adhere to this timeframe will result in loss of funds.

Please submit a Contract Modification Form P1.10 and a revised Annex B to complete this modification. The Contract Modification forms can be downloaded from the DFD website at http://www.state.nj.us/humanservices/dfd/info. The modification package should be submitted to DFD no later than January 30, 2015.

The contract award includes federal funding from the Department of Health and Human Services, Administration for Children and Families under the Social Services Disaster Relief Grant. Details of the Grant are:

- Grant Number 2013G99WREE   CFDA Number 93.667

If you have any questions regarding the modification please contact your Contract Administrator Gim Lim at (609) 588-2262

Sincerely,

Jeanette Page-Hawkins
Director

Change Order #13 – Kappa Construction.

Members of the Board:

This Office is in receipt of Change Order #13 in the amount of $14,102.00 addition to the above referenced project.

This Change Order addresses work necessary for new ductwork in Capias 1 from the Ice Room on 3rd floor Marshall, electric wiring for new AC units requiring a single phase 115 voltage source on the 2nd floor, and the installation of one security ceiling mounted ductwork registers in the area of the shower in the vicinity outside of the officers’ cages on each of the 2nd and 3rd floors of the Main St. wing.

This Change Order was reviewed and discussed at the Public Works Committee meeting of January 26, 2015 and recommended for approval to the full Board.

Based upon the above, this Office recommends that the Board of Chosen Freeholders adopt a Resolution approving said Change Order #13 in the amount of $14,102.00 subject to the availability of funds.

Very truly yours,

Steven J. Edmond, P.E.

2. REASON FOR CHANGE

Item 1
Work necessary for new ductwork in Caplas 1 from the Ice Room on 3rd floor Marshall. As a result of existing structural conditions, the new ductwork passing through the wall from the 3rd floor Ice Room into Caplas 1 had to be widened, flattened and dropped to allow it to pass into the space. Due to the configuration of the ductwork entering Caplas 1 and through to the corridor, a soffit had to be created to enclose the ductwork. Additionally, a light fixture and two additional sprinklers heads have to be added due to the obstruction caused by the new soffit. (Proposal #43)

Item 2
The existing power feeding the old units has a 3 phase 208 voltage source without a neutral wire. The new units require a single phase 115 voltage source. New power wiring will be pulled from an existing panel, A2-2 located on the 2nd floor, to feed the new units along with associated breakers.

Item 3
At the request of the end user (PCSQ), the installation of one security ceiling mounted ductwork registers in the area of the shower in the vicinity outside of the officers' cages on each of the 2nd and 3rd floors of the Main St. wing. The purpose of these registers is to allow for return (exhaust) air in the ductwork system, previously non-existent for this space, while at the same time providing for the removal of the steam from the shower area.

Proposal #43 (rev.1)

The following proposal is associated with the work necessary and attributable to the new ductwork in Capias 1 from the Ice Room on the 3rd floor Marshall.

As a result of existing structural conditions, the new ductwork passing through the wall from the 3rd floor Ice Room into Capias 1 had to be widened, flattened and dropped to allow it to pass into the space. Due to the configuration of the ductwork entering Capias 1 and through to the corridor, a soffit had to be created to enclose the ductwork. Additionally, a light fixture and two additional sprinklers heads have to be added due to the obstruction caused by the new soffit.

Proposal # 46

The following proposal is to re-wire the new Air Handling units, AC-11 and AC-12 on the 2nd floor on Marshall St.
The existing power feeding the old units has a 3 phase 208 voltage source without a neutral wire. The new units require a single phase 115 voltage source.
New power wiring will be pulled from an existing panel, A2-2 located on the 2nd floor, to feed the new units along with associated breakers.

Proposal #49

This proposal is generated at the request of the end user (PCSO), and is associated with the installation of one security ceiling mounted ductwork registers in the area of the shower in the vicinity outside of the officers' cages on each of the 2nd and 3rd floors of the Main St wing.

The purpose of these registers is to allow for return (exhaust) air in the ductwork system, previously non-existent for this space, while at the same time providing for the removal of the steam from the shower area.

This proposal includes the necessary cutting and patching of the existing ceiling, tapping into the existing ductwork, the supply and installation of new ductwork tie-ins, ductwork transitions and security ceiling registers.

The work on the 2nd floor will be performed when Kappa mobilizes their forces for the contract work on the 2nd floor Main St.

Dated: February 11, 2015
RESOLUTION AWARDING CONTRACT TO REMINGTON & VERNICK ENGINEERS FOR CONSTRUCTION ENGINEERING AND INSPECTION SERVICES AS IT RELATES TO THE MORRIS CANAL GREENWAY PROJECT IN THE CITIES OF CLIFTON AND PATERSON, NEW JERSEY

WHEREAS there exists a need for Professional Consultant Construction Engineering and Inspection Services as it concerns the Passaic County Morris Canal Greenway Project in the Cities of Clifton and Paterson, NJ; and

WHEREAS Remington & Vernick Engineers, 232 Kings Highway East, Haddonfield, NJ 08033 submitted a proposal for the necessary engineering consulting services to be provided for a fee of $105,524.70, which is being recommended by the Assistant County Engineer in a letter to the Board dated January 28, 2015, a copy of which is attached hereto and made a part hereof; and

WHEREAS the aforesaid was discussed by the Freeholder members of the Public Works and Buildings & Grounds Committee at a meeting on January 26, 2015 and recommended to the full Board for approval; and

WHEREAS the Local Public Contracts Law, N.J.S.A. 40A:11-1, et seq., requires that the resolution authorizing the award of contract for “Professional Services” without competitive bids and the contracts itself must be available for public inspection; and

WHEREAS said Remington & Vernick Engineers has been qualified as a pool professional engineer in a “Fair and Open” procedure pursuant to the resolution of the Board of Chosen Freeholders of the County of Passaic, R-2014-0024, dated January 28, 2014 as set forth in Pay to Play Law N.J.S.A. 20.4 et seq.; and
WHEREAS a certification is attached which indicates that funds are available for the within contemplated expenditure; and

NOW THEREFORE BE IT RESOLVED by the Board of Chosen Freeholders of the County of Passaic that the Professional Consultant Construction Engineering and Inspection Services for the above-mentioned project be awarded to Remington & Vernick Engineers in accordance with the terms and conditions set forth above; and

BE IT FURTHER RESOLVED that the Director, Clerk of the Board and County Counsel are hereby authorized to execute the necessary contract on behalf of the County of Passaic; and

BE IT FURTHER RESOLVED that this contract is awarded without competitive bidding as a “Professional Services” contract in accordance with N.J.S.A. 40A: 11-5(1)(a) of the Local Public Contracts Law because:

(1) The consulting firm is authorized and regulated by the law to provide the aforementioned services;

(2) The performance of the services are special in nature and require knowledge of an advanced type training, which said consulting firm possesses; and

BE IT FURTHER RESOLVED that a Notice of this action be published in the NORTH JERSEY HERALD & NEWS.

Subj: FEE PROPOSAL TO PROVIDE CONSTRUCTION ENGINEERING & INSPECTION SERVICES FOR THE PASSAIC COUNTY MORRIS CANAL GREENWAY PROJECT, CITIES OF CLIFTON & PATerson, NEW JERSEY

Dear Mr. Edmond:

REMINSTON, VERNICK & ARANGO ENGINEERS OF SECAUCUS is pleased to submit this Fee Proposal to provide construction engineering and inspection services for the above-referenced project to the County of Passaic.

Our firm is one of the oldest, established consulting engineering firms in the State of New Jersey, founded in 1901 by J.C. Remington. Our professional staff represents a diverse group of public agencies. We have served some of these clients for over 100 years! The entire organization is dedicated to providing professional consulting services to each and every client we serve.

The Inspection Division specializes in providing a wide-range of inspection services for publicly funded construction projects and site development. This group prides itself in its ability to maintain first-hand knowledge of ever-changing construction practices. All inspectors are graduate engineers or NICET-certified.

Each project is completely reviewed for contract compliance – including contractor qualifications, contract documents, planning board requirements, all necessary bonds and insurance, permits and project schedules. The inspectors work closely with the project engineer to ensure strict compliance with the plans and specifications governing the project. To assist the client in the management of private developers, a sign-in sheet is maintained for inspection of developments, and a Monthly Inspection Report on both capital projects and developments is provided.

We would welcome the opportunity to provide construction engineering and inspection services for this important project. Should you have any questions or require additional information or would like to meet with us, please do not hesitate to contact Richard G. Arango, Executive Vice President, in our Secaucus office at (201) 624-2137 ext. 1301.

Sincerely,

Edward Vernick, PE, CME

PROJECT: West Milford Salt Storage Building
Township of West Milford, Passaic County
APPROVAL OF PLANS AND SPECIFICATIONS
AUTHORIZATION TO BID

Dear Members of the Board:

West Milford's design Consultant, Ferriero Engineering, Inc. of Chester, NJ, has designed and prepared the proposed West Milford Salt Storage Project in the Township of West Milford.

My office has reviewed the Plans and Specifications and find them in conformance with Passaic County and other Engineering Standards.

The above-mention Project was discussed and recommended for approval at the Public Works Committee Meeting of January 26, 2015.

Therefore, I recommend that the Board of Chosen Freeholders ADOPT the necessary RESOLUTION, approving the Plans and Specifications, and authorize the Department of Procurement to advertise and receive bids for this Project.

Very truly yours,

Steven J. Edmond, P.E.

Change Order #1 (Deduct)

Members of the Board:

Attached for your approval is Change Order #1 to be issued to the Contractor, reflecting a decrease in the contract amount due the requirement to revise the plans for the underground storm water storage system resulting from inaccurate utility location information provided by Passaic Valley Water Commission during the design phase of the project.

The total amount of the decrease is $95,460.00, resulting in a new contract amount of $932,445.91.

This matter was discussed with the Public Works and Buildings and Grounds Committee at its meeting of January 26, 2015.

I respectfully request that the Board of Chosen Freeholders ADOPT a RESOLUTION approving Change Order #1 in the amount of -$95,460.00.

Very truly yours,

RESOLUTION FOR CHANGE ORDER #2 FOR ZENITH CONSTRUCTION SERVICES INC. AS IT PERTAINS TO THE INTERSECTION IMPROVEMENTS AT BLACK OAK RIDGE ROAD & POMPTON PLAINS CROSSROAD IN THE TOWNSHIP OF WAYNE, NEW JERSEY

WHEREAS a contract was awarded to Zenith Construction Services Inc. for the project known as the Intersection Improvements at Black Oak Ridge Road & Pompton Plains Crossroad in the Township of Wayne, NJ; and

WHEREAS it is now necessary that a change order be made reflecting an increase in the contract amount due to as-built quantities as well as other issues, as evidenced in attached letter dated January 28, 2015; and

WHEREAS this Change Order also includes a time extension of 120 calendar days resulting in a new completion date of April 26, 2014; and

WHEREAS this matter was discussed and reviewed by the Freeholder Committee for Public Works and Buildings & Grounds at a meeting on January 26, 2015 who recommended that it be approved by the entire Board; and

WHEREAS a certification is attached to reflect the availability of funds;

NOW THEREFORE BE IT RESOLVED by the Board of Chosen Freeholders of the County of Passaic that the following proposed Change Order No. 2 in connection with the above-mentioned project and recommended for approval by the Office of the Passaic County Engineer by letter dated January 28, 2015 and attached hereto, be and the same is hereby approved:

Reference: Intersection Improvements Black Oak Ridge Road & Pompton Plains Crossroad Township or Wayne Change Order #2 (Add)

Members of the Board:

Attached for your approval is Change Order #2 to be issued to the Contractor, reflecting an increase in the contract as follows:

- As-built quantity of 12” thick Reno Mattress
- Additional tree removal beyond that identified in the plans
- Redesign of the underground storm water storage system resulting from inaccurate utility location information provided by Passaic Valley Water Commission during the design phase of the project.

This change order also includes a time extension of 120 calendar days, necessitated by the redesign and permitting of the underground storage system. The delay pushed the construction into the winter shut-down period. The contractor also awaits utility relocation by Verizon.

The total amount of the increase is $140,694.16, resulting in a new contract amount of $1,073,139.16 and a new completion date of April 26, 2014.

This matter was discussed with the Public Works and Buildings and Grounds Committee at its meeting of January 26, 2015.

I respectfully request that the Board of Chosen Freeholders ADOPT a RESOLUTION approving Change Order #2 in the amount of +$140,694.16 and a time extension of 120 calendar days.

2. REASON FOR CHANGE

Item 46
As-built quantity

Item S-1
Additional growth of trees not identified on the plans were required to be removed and disposed of.

Item S-2
Due to faulty information from PVWC about the location of a large water main, a redesign and relocation of the planned underground storm water storage system was required.

Time Extension
The project was delayed approximately 70 days while the underground storm water storage system was redesigned and reviewed by NJDEP. This caused the project to extend into the winter shut-down. The project also awaits work by Verizon during the winter.

RESOLUTION AUTHORIZING A SHARED SERVICES AGREEMENT BY & BETWEEN THE COUNTY OF PASSAIC AND THE CITY OF CLIFTON TO SHARE IN RETAINING S. MAURICE RACHED, P.E., P.T.O.E. OF MASER CONSULTING, P.A. TO ASSIST THE COUNTY OF PASSAIC IN LITIGATION KNOWN AS MONTCLAIR STATE UNIVERSITY V. COUNTY OF PASSAIC

WHEREAS the County of Passaic has been sued by Montclair State University (MSU) in the Superior Court of New Jersey Law Division in an action entitled Montclair State University v. County of Passaic (PAS-L-2866-14) requesting that the Court order the County to allow MSU to convert Yogi Berra Drive (formerly Quinn Road) that leads into Valley Road, a Passaic County-owned roadway in the City of Clifton, into a two-way road; and

WHEREAS the Board of Chosen Freeholders of the County of Passaic has been opposing this conversion inasmuch as it believes, among other things, that MSU's current plans have some serious safety problems; and

WHEREAS after a hearing before the Court, it was ordered that all of the parties, including the City of Clifton who has intervened in the action, conduct updated traffic studies addressing the impact of MSU's proposal on surrounding roadways in the vicinity of Yogi Berra Drive; and

WHEREAS it has been suggested that since the interests of the County of Passaic and the City of Clifton are closely linked in this matter, the two entities jointly hire an expert traffic engineer to conduct a study; and
WHEREAS by Resolution R-2014-1006 dated December 30, 2014 the said Board of Chosen Freeholders authorized the retaining of S. Maurice Rached, P.E., P.T.O.E. of Maser Consulting, P.A., Professional Engineers of Mt. Arlington, NJ; and

WHEREAS the said Board is now desirous of authorizing a Shared Services Agreement pursuant to N.J.S.A. 40A:65-1 et seq. between the County of Passaic and the City of Clifton for the two public entities to jointly utilize the services of Maser Consulting, P.A. Engineers with regard to expert services needed in the litigation known as Montclair State University v. County of Passaic; and

WHEREAS this matter has been reviewed by the Freeholder members of the Freeholder Committee for Public Works and Buildings & Grounds who are recommending that it be approved by the full Board.

NOW THEREFORE BE IT RESOLVED by the Board of Chosen Freeholders of the County of Passaic that it hereby authorizes a Shared Services Agreement by and between the County of Passaic and the City of Clifton to share in the retaining of S. Maurice Rached, P.E. of Maser Consulting, P.A. Professional Engineers of Mt. Arlington, New Jersey for services needed in Montclair State University v. County of Passaic.

BE IT FURTHER RESOLVED that the Director and Clerk to the Board as well as the County Counsel be authorized to execute a Shared Services Agreement in conformity with the Resolution.

RESOLUTION APPROVING AND AUTHORIZING A GRANT OF EASEMENT TO PUBLIC SERVICE ELECTRIC & GAS CO. FOR INSTALLATION OF 36 UTILITY POLES IN GARRET MOUNTAIN RESERVATION AS A SECONDARY SOURCE OF ELECTRIC POWER AS REQUIRED BY HOMELAND SECURITY

WHEREAS with the permission of the Board of Chosen Freeholders of the County of Passaic the New Jersey State Police under a Homeland Security Grant is performing updates and improvements to the Passaic County Communications Tower at the Garret Mountain Reservation, a Passaic County Park; and

WHEREAS pursuant to the terms and conditions of the Grant, the facilities being constructed at the said Tower needed to have an additional alternate source of electric service besides the current one that enters the Reservation from Mountain Avenue in Paterson, NJ; and

WHEREAS Public Service Electric & Gas Co. (PSE&G) agreed to install the necessary utility poles along the Garret Mountain Park road (Benson Drive) from Weasel Drift Road in Woodland Park to the existing pole line near the Communication Tower as long as the County of Passaic grants them an easement for the installation of the poles; and

WHEREAS since Garret Mountain Reservation is part of the County’s Reserve Open Space Inventory (ROSI), it was necessary to gain the approval of the New Jersey Department of Environmental Protection, Green Acres, which has been obtained; and

WHEREAS the Passaic County Engineer has reviewed the proposed Grant of Easement from PSE&G and is recommending
by letter dated January 29, 2015 that it be approved (copy of letter and attachments annexed hereto and made a part hereof); and

WHEREAS this matter was reviewed by the Freeholder Committee for Public Works and Buildings & Grounds at its January 26, 2015 meeting at which time it was recommended for approval by the entire Board.

NOW THEREFORE BE IT RESOLVED by the Board of Chosen Freeholders of the County of Passaic that it hereby approves and authorizes a Grant of Easement to Public Service Electric & Gas Co. to enable the installation of utility poles alongside the Park road (Benson Drive) in the Garret Mountain Reservation, a Passaic County Park, to provide a secondary source of electric power as required by Homeland Security.

BE IT FURTHER RESOLVED that the Director and Clerk to the Board as well as the County Counsel be authorized to execute the Grant of Easement on behalf of the County of Passaic.

   Grant of Easement – PSE&G

Members of the Board:

Public Service Electric and Gas Company (PSE&G) is requesting permission to install utility poles in Garret Mountain along Park Road (Benson Drive) from Weasel Drift Road to the existing pole line to provide an alternate circuit feed to the communication tower. As this pole line is being constructed within the Reservation, an easement for the pole line is required.

The County did contact NJDEP Green Acres regarding the construction of the pole line and granting of an easement as Garret Mountain Reservation is part of the County’s Reserve Open Space Inventory (ROSI). Green Acres has made the determination that this is not considered to be a diversion of Parkland. Please see e-mail dated 12/11/2014 from David Smith, Green Acres.

This matter was discussed at the Public Works Committee meeting of January 26, 2015 and recommended for approval to the full Board.

Based upon the above, this Office recommends that the Board of Chosen Freeholders adopt a Resolution authorizing the Director and Clerk of the Board to execute the attached Grant of Easement to allow PSE&G to install and maintain a pole line in Garret Mountain Reservation.

Steve,

The Green Acres Program discussed the County’s request to allow approximately 36 poles to be constructed alongside Benson Drive in Garrett Mountain Reservation in order to provide the existing Emergency Management tower a secondary source of power, as required by Homeland Security.

This office will permit the installation of the new poles and has determined that this use will not be considered a diversion of parkland. Our only concern is the loss of many trees along Benson Drive. We would ask that the County keep the tree loss at a minimum and monitor all tree cutting activities associated with this project.

Thank you for contacting Green Acres.

I will be out of the office until the first week in January so here’s to wishing you a Happy Holidays and a Great New Year!

Dave

Dave:

Here is the print from PSE&G showing the requested pole line along the Garret Mountain Reservation park road (Benson Drive). The County will receive benefits from this new pole line, we will be able to re-power the two comfort stations that lost power during Hurricane Sandy and will be able to add lighting on the poles for security purposes.

Please review and advise how the County needs to proceed.

Dear Mr. Edmond:

As part of the Energy Strong program, PSE&G is requesting to install poles in the Township of Woodland Park at Garret Mountain to provide an alternate feed to the communication tower at the north end of the park. Because these poles would be installed outside of any utility right-of-way, an easement from the property owner, which in this case is Passaic County, will be required. The poles will be installed starting at the park entrance on Weasel drift Rd. and continue along the park path to the tower at the north end of the park. All of the poles will all be installed 3-feet behind the curb line.

The Energy Strong Program will make PSE&G's electric infrastructure to our customers stronger and more resilient. To help achieve this, we would like to begin installing these poles as soon as possible.

If you desire additional information please contact Steven Pokrywa at 973-365-6931.

GRANT OF EASEMENT

THIS INDENTURE, made this 23 day of December, 2014, between Passaic County, NJ, with an office at 401 Grand Street Paterson, NJ 07505, (hereinafter called “Grantor”), and PUBLIC SERVICE ELECTRIC AND GAS COMPANY, a corporation of the State of New Jersey, having its office at 80 Park Plaza, Newark, New Jersey 07102 (hereinafter called “Grantee”).

WHEREAS, Grantor is the owner in fee simple of a certain tract of real property situate in the Township of Woodland Park, County of Passaic and State of New Jersey, commonly known as Block 48.01, Lot 1,2,3,15 (hereinafter the “Property”); and

WHEREAS, Grantee is a public utility of the State of New Jersey, engaged in furnishing utility service to subscribers in the State of New Jersey; and

WHEREAS, the Grantor does agree to convey an easement in perpetuity to Grantee for its use, occupancy and enjoyment and the use, occupancy and enjoyment of its licensees, successors in interest and assigns, in connection with the provision of utility service thereto and for the conduct of its business, all in accordance with and for the purposes set forth in this Grant of Easement, for the mutual benefit of both Grantor and Grantee;

NOW THEREFORE, WITNESSETH: In consideration of these premises and the sum of ONE ($1.00) DOLLAR, paid to the Grantor by the Grantee, the receipt of which is hereby acknowledged, and in further consideration of the mutual conditions, covenants, promises and terms hereinafter contained, it is agreed that:

1. Grantor does hereby grant and convey unto Grantee an easement in perpetuity, in, under, through, upon, over and across the hereinafter described Property of Grantor, with full rights, privileges and authority for Grantee to enter upon same from time to time, for the purpose of inspecting, locating, relocating, installing, altering, extending, constructing, repairing, replacing, rebuilding, removing and perpetually operating, maintaining and using underground and overhead electric and telecommunications facilities and other fixtures, including but not limited to wires and cables, poles, guy wires, anchors, conduits and manholes (hereinafter the “Facilities”), which Grantee may deem necessary or proper in its sole judgment for the conduct of its business; together with such free and unlimited access to, egress and ingress in, from and over all points of said Property, as is reasonable or necessary for the full use, occupancy and enjoyment of said easement. Said easement area and the Facilities to be installed therein are more particularly shown on Drawing No. DM 11-05820 attached hereto and made a part hereof.

2. Grantor does further grant and convey to Grantee the right, privilege and authority to trim, cut and remove such tree branches, roots, shrubs, plants, trees and vegetation which might, within the exclusive discretion and sole judgment of Grantee, interfere with or threaten the safe, proper or convenient use, occupancy or enjoyment of operation of the Facilities within the easement area. Grantee shall not be responsible for any damage to any trees or other vegetation due to the installation of the Facilities.

3. Grantor shall have the right to use, occupy and enjoy the surface and air space around the easement area for any purpose which does not interfere or threaten the safe, proper or convenient use, occupancy or enjoyment of same by Grantee. Grantor agrees, however, that that no buildings or structures shall be erected over or within ten (10) feet of the Facilities of Grantee.

4. Grantor shall have the right to allow other utilities to use the said easement area for any purpose that does not in any way interfere with the accessibility and safe operation of the Facilities of Grantee, and subject to the consent of Grantee. Grantor’s right to allow other
utilities to use the easement area does not include the right to allow other utilities to use the Facilities that Grantee has installed in the easement. Grantor’s right to allow other utilities to use the easement area shall in no way limit the rights granted to Grantee in this Easement.

5. Grantee shall perform all work in connection with the rights, privileges and authority herein granted and conveyed in a workmanlike manner and with a minimum of inconvenience to the Grantor; and any damage done to the land or premises of Grantor shall be promptly repaired and restored to its condition immediately prior to damage, at the sole cost and expense of Grantee.

6. If Grantor shall, at any time after the initial installation of the Facilities, request Grantee to relocate the Facilities to a different location or locations, it shall do so at such location or locations as shall be mutually satisfactory to the parties hereto, at the sole cost and expense of Grantor, Grantee to have the same rights and privileges in the new location or locations as in the former location or locations.

7. Grantor covenants to warrant generally the rights above granted, will execute such further assurance of the same as may be required, and that Grantee shall have the quiet possession thereof free from all encumbrances.

8. Grantee shall defend and indemnify Grantor against, and shall save Grantor harmless from, and shall reimburse Grantor with respect to, any and all claims, demands, actions, causes of action, injuries, orders, losses, liabilities (statutory or otherwise), obligations, damages, fines, penalties, costs and expenses (including without limitation, reasonable attorneys’ fees and expenses) incurred by, imposed upon or asserted against Grantor by reason of any accident, injury (including death at any time resulting therefrom) or damage to any person or property arising out of or resulting from any acts or omissions of Grantee or by any employee, licensee, invitee or agent of Grantee.

9. This Grant of Easement shall be governed by and construed in accordance with the laws of the State of New Jersey and recorded on the title to the Property.

10. By the acceptance of this instrument, Grantee agrees to abide by the terms and conditions herein on its part to be performed and shall be deemed signatory hereto, and the provisions of this indenture shall inure to the benefit of and be obligatory upon the respective parties hereto and their successors and assigns.

IN WITNESS WHEREOF, Grantor has duly signed these presents the day and year first above written.

RESOLUTION CONSENTING TO THE ADOPTION OF ORDINANCE NO. 1205 FOR THE TOWNSHIP OF LITTLE FALLS, NJ

WHEREAS the Township of Little Falls adopted Ordinance No. 1205 on December 29, 2014 which establishes truck restrictions for ingress/egress at 228 Browertown Road; and

WHEREAS the County of Passaic is in receipt of a request for a consenting Resolution in light of the fact that Browertown Road is a Passaic County road; and

WHEREAS said Ordinance No. 1205 was discussed by the Freeholder members of the Public Works and Buildings & Grounds Committee at their meeting on January 26, 2015 and recommended to the full Board for approval; and

WHEREAS based upon the recommendation of the said Committee and provided that the Township of Little Falls bears the cost and maintenance of all signs and equipment, the Board of Chosen Freeholders of the County of Passaic is desirous of consenting to the adoption of Ordinance No. 1205.

NOW THEREFORE BE IT RESOLVED by the Board of Chosen Freeholders of the County of Passaic that pursuant to the terms and conditions set forth above, it does hereby consent to the adoption of Ordinance No. 1205, as specified in the attached letter from the County Traffic Engineer dated January 29, 2015.

Re: Township of Little Falls – Ordinance No. 1205
   Truck Restrictions for ingress/egress at 228 Browertown Road

Dear Members of the Board:

Our office received from the Township of Little Falls the final copy of the referenced Ordinance. It establishes the following restrictions for WB-50 tractor trailer access at 228 Browertown Road:

- No right turn onto Browertown Road from site
- No right turn into site from Browertown Road
- No left turn into site from Browertown Road

This Ordinance was reviewed and recommended for approval at the January 26, 2015 Public Works Committee meeting. Based upon the above, it is my recommendation that the Board of Chosen Freeholders adopt a consenting Resolution, provided the cost and maintenance of all signs and equipment be borne by the Township of Little Falls.

Re: Township of Little Falls, Ordinance No. 1205

Dear Mr. Silverstein:

As you know, this office represents the Township of Little Falls ("Township"). On December 29, 2014, the Township finally adopted Ordinance No. 1205 ("Ordinance," enclosed herewith as Exhibit A). The Ordinance was adopted to fulfill certain conditions of the County of Passaic, Department of Planning with respect to site approval for development of 228 Browertown Road, Little Falls (per the terms of correspondence dated July 15, 2014 from Elizabeth Newton, PP, attached hereto as Exhibit B).

By its terms, the Ordinance has been made conditional upon approval by the Passaic County Board of Chosen Freeholders ("Board"). As previously discussed, the Township requests that the Ordinance be submitted to the Board for a consenting resolution. The Ordinance will be concurrently sent to the State Department of Transportation for similar approval.

When possible, please advise when the requested Board resolution may be considered. Please contact me in the interim with any concerns.

Very truly yours,

ORDINANCE NO. 1205

ORDINANCE OF THE TOWNSHIP COUNCIL OF THE TOWNSHIP OF LITTLE FALLS IN THE COUNTY OF PASSAIC, STATE OF NEW JERSEY, AMENDING THE TOWNSHIP CODE TO REGULATE TRACTOR TRAILER TRUCK INGRESS AND EGRESS AT 228 BROWERTOWN ROAD

WHEREAS, the Township of Little Falls ("Township") is a public body corporate and politic of the State of New Jersey; and

WHEREAS, the Township entered a developers' agreement with developer DH Little Falls, LLC ("Developer") dated June 20, 2014 to establish the respective obligations of the parties as to Developer's construction of a retail pharmacy at the real property located at 228 Browertown Road ("Property," also known on the Township tax maps as Block 202, Lots 1, 1.01, 2 and 3; Block 203, Lots 4-6) in the Township; and

WHEREAS, as a condition of granting its approvals to Developer, the Passaic County Planning Board requires that the Township adopt a municipal ordinance which (1) requires that tractor trailer trucks (i.e., WB-50 trucks) only access the Property from the Route 46 westbound ramp across Browertown Road, (2) requires that tractor trailer trucks only egress the Property to access the Route 46 eastbound and westbound ramps and (2) makes applicable to the Property the provisions of Title 39 of the Revised Statutes, N.J.S.A. 39:1-1 et seq., to provide for the municipal enforcement of the tractor trailer access restrictions stated herein; and

WHEREAS, the municipal council ("Municipal Council") of the Township has determined to amend the Little Falls Township Code ("Code") to accommodate the commercial development of the Property by amending the Code to prohibit tractor trailer trucks from making certain traffic movements in accessing and exiting the Property; and

WHEREAS, the Code at Chapter 7, Subchapter 7-22 prohibits the making of certain traffic movements on Township roads; and

WHEREAS, the Municipal Council has determined to amend Subchapter 7-22 of the Code to read as follows (additions are underlined and deletions are in [brackets]):

Gentlemen,

The above captioned site plan revised June 16, 2013 and Wall plans revised May 22, 2014 have been reviewed for the Passaic County Planning Board pursuant to the provisions of the Passaic County Site Plan Resolution.

Passaic County Standards and Requirements (all submissions must consist of 2 paper copies plus a PDF digital file of the plans on a standard compact disc media)

This plan has been reviewed and the following must be received:

1) A developer's agreement between the County and the applicant setting forth the conditions for deliveries by tractor trailer trucks (WB-50 trucks) to the site. The applicant has agreed that there will only be three such deliveries each week, that these deliveries will be made by Walgreens trucks only and that the deliveries will take place when the pharmacy is closed. Further, these trucks will only use the delivery route outlined in the circulation plan and a copy of the diagram must be included in the agreement. Drivers will be instructed that they can only access the site from the Route 46 ramp directly across Browertown Road from the site and that all egress from the site must be to the Route 46 ramps: Tractor trailers will not be permitted on Browertown Road in either Little Falls or Woodland Park except to access the Route 46 eastbound ramp. Drivers exiting the site must not block the common driveway. They will be instructed to stop at the stop bar in the Walgreens driveway and wait for the light at the common driveway to turn green, using the pedestrian call button if necessary. The applicant will seek Title 39 coverage to make these restrictions enforceable and will agree to maintain all signage.

Introduced on: February 10, 2015
Adopted on: February 10, 2015
Official Resolution #: R20150104
2) Copies of the necessary ordinances from both municipalities implementing the turn restrictions.

3) Revised construction plans for the proposed retaining wall adjacent to the Browertown Road right-of-way in accordance with the attached memo prepared by the County Engineer's office.

Once all of these conditions have been satisfactorily and completely addressed, the project will be considered for unconditional approval. Subsequent submissions must include a cover letter indicating how each of these conditions was addressed. Plans submitted without a cover letter will be returned without review or comment.

Prior to the drainage connection being made in Browertown Road, the applicants will need a storm drain connection permit. The necessary form will be sent to them once an unconditional approval has been granted. They will also be advised as to the types of permits needed from and amount of bonds to be posted with the Passaic County Road Department to do work within the County right-of-way once an unconditional approval has been granted.

Elizabeth Newton, P.E.

Re:  *City of Clifton – Ordinance No. 7193-14
 Adds NO TURN ON RED from Madison Avenue onto Main Avenue*

Dear Members of the Board:

Our office received from the City of Clifton the final copy of the referenced Ordinance. It prohibits a right turn on red from both directions of Madison Avenue onto Main Avenue. Since Main Avenue is a County road, a consenting Resolution is required.

This Ordinance was reviewed and recommended for approval at the January 26, 2015 Public Works Committee meeting. Based upon the above, it is my recommendation that the Board of Chosen Freeholders adopt a consenting Resolution, provided the cost and maintenance of all signs and equipment be borne by the City of Clifton.

Dated: February 11, 2015
RESOLUTION AUTHORIZING THE PUBLIC SALE OF FOUR SURPLUS PASSAIC COUNTY-OWNED PROPERTIES AND ADJOINING LOT IN WAYNE AND PATERSON, NEW JERSEY

WHEREAS the Board of Chosen Freeholders of the County of Passaic owns two properties, each being occupied by a single-family residence; one at 296 Church Lane in the Township of Wayne and the other at 153 New Street in the City of Paterson, with each property having an adjacent vacant lot; and

WHEREAS the said Board had determined that both of these properties were no longer needed for public use; and, consequently, had appraisal reports performed on the market value of each and declared its intention to offer each of them for public sale to the highest bidder pursuant to the requirements of N.J.S.A. 40A:12-13(a); and

WHEREAS in conformity with N.J.S.A. 40A:12-13.5, which is a portion of the Local Land and Buildings Law applicable to counties, the said Board commissioned separate environmental reports by T & M Associates on each of the properties which concluded that there would be little or no environmental and recreational impact if either of the properties were sold; and

WHEREAS after the reports were received by the Board, public hearings were scheduled and held by the Board on July 15, 2008 at the Passaic County Administration Building in the City of Paterson, New Jersey and on August 8, 2008 at the Passaic County Community College Public Safety Complex in the
Township of Wayne at which time the Board solicited comment on the reports and the proposed sale; and

WHEREAS thereafter both properties were offered for sale and inasmuch as the offers for the properties were far below the market values, as appraised at the time, the offers were rejected by the said Board as permitted by Resolution R-10-218 dated March 23, 2010 and postponed until such time as the real estate market improved in this area of New Jersey; and

WHEREAS because of the improvement of the real estate market, the Board had these properties reappraised in July of 2014 and these appraisals were substantially less than the values established in 2008; and

WHEREAS in order to assist the County of Passaic in disposing of these two properties, the said Board by Resolution R-09-1025 dated December 22, 2009 authorized the retaining of Max Span Real Estate & Auction Company of Annandale, New Jersey, a certified and licensed real estate auctioneer; and

WHEREAS pursuant to their November 17, 2009 proposal, the fee for these services would be for a percentage of the sale price in accordance with the Local Land and Buildings Law (N.J.S.A. 40A:12-13(c) only if the properties are sold; and

WHEREAS the Board is now desirous of again retaining the services of Max Span Real Estate & Auction Company essentially along the same lines that the County contracted with them in 2010 (copy of January 29, 2015 proposal attached hereto and made a part hereof); and
WHEREAS this matter was reviewed by the Freeholder Committee for Public Works and Buildings & Grounds at its January 26, 2015 meeting at which time the sale and retaining of said Max Span Real Estate was recommended to the full Board.

NOW THEREFORE BE IT RESOLVED by the Board of Chosen Freeholders of the County of Passaic that it hereby authorizes a public sale of four (4) surplus Passaic County-owned properties at 296 Church Lane, Wayne, New Jersey and the adjoining lot and 153 New Street, Paterson, New Jersey and the adjoining lot by the Max Span Real Estate & Auction Company on behalf of the County of Passaic.

BE IT FURTHER RESOLVED that the said Board authorizes the retaining of said Max Span Real Estate & Auction Company by the County of Passaic.

BE IT FURTHER RESOLVED that the Director and Clerk to the Board as well as the County Counsel be authorized to execute an agreement to that effect.

BE IT FURTHER RESOLVED that the said Board hereby authorizes the Passaic County Administration to set a minimum price for the properties in consultation with Max Span, which will not be published, but specifically reserves the right to reject all bids including the highest one for any and all of the four properties, as permitted by law.

January 29, 2015

Mr. Matthew Jordan
Deputy County Administrator
County of Passaic
401 Grand Street, Room 205
Paterson, NJ 07505-2023

Dear Mr. Jordan:

In response to your Request for Qualifications for Auction Services, thank you for the opportunity to present this Real Estate Marketing & Auctioneering Proposal for the sale of your two county owned properties at public auction.

Max Spann Real Estate & Auction Company has specialized in the auction, brokerage, and sale of real estate in New Jersey for over 40 years. The Max Spann Government Auction Program provides not only Auctioneering Services but also a complete Marketing Plan. We are sure our properly executed marketing campaign will result in spirited bidding. The program was designed for municipalities and includes:

- A Multi-Media Marketing Campaign - Expanded geographic pool of potential Buyers - Achieve highest sales prices
- Max Spann Auctions handles all inquires – non-cumbersome to municipal staff

Our unique perspective of understanding the intricacies of real estate in New Jersey along with marketing real estate at auction has enabled our Company to be the largest auctioneers of government real estate (as measured by both units sold and dollar volume realized by taxpayers). Based on these years of experience we have an excellent familiarity of Chapter 40 in Municipalities and Counties Local Lands and Building Law.

We look forward to your comments and to assist County of Passaic with the sale of your properties.

Very truly yours,

[Signature]

Robert L. Dann.
Executive Vice President
The following Proposal is presented by the Max Spann Real Estate & Auction Company. This Proposal is designed to meet the following basic objectives:

- To sell surplus real property on behalf of the County of Passaic at the highest competitive values.
- Through Max Spann Real Estate & Auction Company's unique familiarity with marketing government properties at auction, educate the marketplace in an expedited and succinct manner as to what is entailed.
- In a thorough and professional manner, market the Subject Property(s) to the appropriate marketplaces.

This Proposal attempts to address our team's qualifications and approach to achieving these goals. We have outlined our recommendations for the sale of the Property below, including the marketing and auction budget required to conduct an auction of the Property.

Having represented dozens of New Jersey municipalities, Counties and other government entities over its 40 year history, Max Spann R.E. & Auction Company is uniquely qualified to assist the County of Passaic in the sale of its surplus properties. Our Company is the largest provider of such services in the State of New Jersey and its rich experience and expertise has been widely lauded throughout the State.

Max Spann Real Estate & Auction Company Comprehensive Marketing Plan
A successful real estate auction is dependent upon an experienced team of professional auction planners who have carefully and methodically orchestrated all of the many details that are involved in planning and producing a successful real estate auction.

The Max Spann Real Estate & Auction Company specializes in designing comprehensive auction marketing plans, which appeal to a broad-based market. Our ultimate aim is to obtain the highest possible price for our client’s real estate holdings. In addition to establishing promotional strategies, our marketing plan clearly identifies and incorporates the myriad of components that make up the rather complicated procedure that we refer to as the “auction marketing process.”

We begin by meticulously plotting out the entire Auction Process on a time line, from the important preliminary pre-auction tasks through the critical post-auction follow-up details.

The auction marketing process can be divided into four major categories. Each of these categories is further broken down so that all the specific requirements necessary to produce a successful auction can be carefully identified. Clear-cut responsibilities are then assigned for each member of the Auction Management Team, deadlines are determined, and a plan is put into place.

The four major Auction Marketing Process categories are as follows:

1. Pre-Auction Planning (approximately 3 week period)
   - Upon signing of Professional Services Agreement preview properties for preparation of advertising material
   - Prepare property fact sheet
   - Sign layout and installation
- Layout ad for papers secure pricing and confirmation from papers
- Prepare press releases highlighting the offer
- Prepare schedule for advertising – 3 & 1/2 to 4 Week Period
- Design customized brochure
- Take pictures of property (ground & aerial shots)
- Compile history of property
- Gather zoning and tax maps
- History of area and profile of community
- Compile soil maps, easement language, back title, environmental reports, etc.
- Design custom signs, advertising, brochures, and, website for Property
- Coordinate the preparation of the sales contract, and, terms and conditions with City’s attorney.
- Make recommendations to City for site improvements/cleanup.
- Arrange for third party financing lender to pre-approve Subject property(s)
- Compile a detailed Property Information Package containing all known facts regarding the Property(s). “The better educated a bidder is, the more aggressive they can be in their bidding”.

2. Advertising & Promotional Campaign (four week period)

- Mail 10,000 to 12,000 custom brochures out four weeks prior to auction using the extensive Max Spann database

Auction Sale Methodology Suggestions

The Company would propose a public cry-out auction to take place in the Spring of 2010, or other mutually agreeable date. This time frame allows for the best participation of all potential bidders. Said Auction will be presented as an auction subject to the City’s confirmation, meaning there is an undisclosed reserve price. When handled correctly and in the context of a government ordered sale, a confirmation or undisclosed reserve auction will create a sense of opportunity for the marketplace without exposing the City to a downside risk. The successful purchaser will be required to deposit a bank cashier’s check in a pre-determined amount and the balance of 10% of the contract purchase amount in the form of a personal check, and, sign a Contract to Purchase at the conclusion of bidding. As the Contract of Sale will be prepared by City Counsel and be available to prospective bidders well in advance of the auction, no attorney review period will be allowed. We are recommending that the contract provide for a 45 day closing thereafter subject only to delivering free and clear title excluding any pre-disclosed exceptions.

Max Spann Auction Company undertakes and bears all costs of marketing outlined herein including the creation, printing and mailing of approximately 12,000 custom color brochures, four (4) weeks of intensive advertising, Auction Day arrangements and rentals, etc. Max Spann Auction Company will utilize its full time staff of 15 full-time auction marketing professionals to assure that the county’s objectives are fully accomplished. As
with all of our public and private clientele, we are compensated through buyer's premium which is a commission paid by the purchaser. Whatever is bid at the auction is net to the County of Passaic. From the buyer's premium the auctioneer covers all the advertising, brochure and other marketing costs, auctioneers team and staff are compensated, and, pays any third party real estate brokers who have properly registered successful bidders. Said buyers premium will be 10%. In the event that the county does not accept the sales price obtained at the auction, or, if the net buyer's premium is not at least double what the out of pocket expenses occurred are, then the auctioneer will be entitled to the payment of such budgeted amount from the county. All budgets will be quoted prior to the auctioneer's retainment by the County of Passaic and said budgets will be on a not to exceed basis. For purposes of this RFP, said budget cannot be quoted without a better understanding of the size and scope of the anticipated offering of properties.

Other factors that will benefit the County of Passaic

- Max Spann's experienced and dedicated staff of Licensed Real Estate professionals will ensure that all New Jersey laws will be followed, Zoning and Building uses will be properly described and that The City of Trenton will be represented in the most ethical and professional manner.
- Max Spann's database of New Jersey, Pennsylvania, and New York Buyer's of Real Estate is unmatched in the industry. Database segmentation allows for target marketing.
- Max Spann will arrange for third party financing to be available.
- Max Spann is a member of the Tri-State Commercial Alliance with access to the entire membership.
- Max Spann is a subscriber to both Loopnet and Coast Star, the premier advertising websites for Commercial Real Estate.

Dated: February 11, 2015
RESOLUTION TO AMEND CONTRACT FOR KS ENGINEERS PC
AS IT CONCERNS THE GARRET MOUNTAIN RESERVATION
BARBOUR’S POND DREDGING AND AERATION IN THE
BOROUGH OF WOODLAND PARK, NEW JERSEY

WHEREAS a professional engineering consultant services
contract was awarded to KS Engineers PC by Resolution R-2013-
871 dated November 12, 2013 as it concerns the Garret Mountain
Reservation Barbour’s Pond Dredging and Aeration in the
Borough of Woodland Park, NJ; and

WHEREAS as part of the consultant services for the above
referenced project, KS Engineers PC has submitted a proposal for
additional work outside of the scope of the original project and
additional compensation items, as indicated in their December
12, 2014 proposal in the amount of $27,900.00; and

WHEREAS the Passaic County Engineer by letter dated
February 2, 2015 is recommending that said KS Engineers PC be
awarded a contract modification to perform these additional
services for an amount of $27,900.00 pursuant to its proposal
dated December 12, 2014 (copy of letter and proposal attached
hereeto and made a part hereof);

WHEREAS said KS Engineers PC was one of the
professional consultants qualified as a pool engineer by
Resolution R-2014-0024 dated January 28, 2014 as a result of a
fair and open process as permitted by the Pay-to-Play Law
(N.J.S.A. 19:44A-20.4 et seq.); and

WHEREAS the matter was reviewed by the members of the
Freeholder Committee for Public Works and Buildings & Grounds
at their meeting on January 26, 2015 and is recommended for
approval by the entire Board; and
WHEREAS a certification is attached hereto and made a part hereof indicating the availability of funds for this expenditure.

NOW THEREFORE BE IT RESOLVED by the Board of Chosen Freeholders of the County of Passaic that it hereby authorizes an amendment to the original professional engineering consulting services contract for KS Engineers PC for the Garret Mountain Reservoir Barbour’s Pond Dredging and Aeration in the Borough of Woodland Park, NJ for additional work outside the original scope of the project as set forth above and in its proposal attached hereto.

BE IT FURTHER RESOLVED that the Director and Clerk to the Board are authorized to sign an amendment on behalf of the County of Passaic.

Re: Garret Mountain Reservation
Barbour’s Pond Dredging and Aeration
Borough of Woodland Park, Passaic County
Contract Modification #1 – KS Engineers, PC.

Members of the Board:

KS Engineers PC has submitted a request for additional work needed for the Garret Mountain Reservation Barbour’s Pond Dredging and Aeration in Woodland Park in the amount of $27,900.00. This work includes performing analysis associated with the Barbour Pond Dam, which includes hydrology analysis update, dam breach scenario development, spillway capacity analysis and inundation analysis, HEC-RES analysis, and submission of a hydrologic and hydraulic report.

The above-mentioned matter was discussed at the Public Works Committee meeting of January 26, 2015 and a contract modification to KS Engineers PC is recommended to the full Board.

Based upon the above, this Office recommends that the Board of Chosen Freeholders ADOPT a RESOLUTION modifying the contract for design services to KS Engineers PC in the amount of $27,900.00 for additional work for the Garret Mountain Reservation Barbour’s Pond Dredging and Aeration in Woodland Park and authorize County Counsel and the Director of Purchasing to prepare and execute the necessary Agreements subject to the availability of funds.

Very truly yours,

Re: Proposal - Water Resource Engineering Services
Barbour's Pond Dam
Borough of Woodland Park
Passaic County, New Jersey

Dear George:

In response to your request, Princeton Hydro, LLC (Princeton Hydro) is pleased to submit the enclosed Scope of Services to complete a detailed spillway capacity and dam inundation analysis for Barbour's Pond Dam. Based on our meeting with you and Passaic County on November 25, 2014, we will complete the required updates to the hydrologic and hydraulic analyses completed in the mid-1990's by other consultants to comply with current NJ Dam Safety Standards and evaluate the dam to address compliance issues identified in the draft Formal Inspection Report. Once this work effort has been completed, Princeton Hydro can advise KSE and Passaic County on recommended next steps necessary to bring the dam into compliance, if any (e.g. detailed dam stability analysis, updated inundation mapping for the emergency action plan, etc.).

Please review the enclosed Scope of Services. If you have any questions, please do not hesitate to call me at our Ringoes, NJ office. Thank you in advance for this opportunity to provide the HMUA with our proposal for continued water resource engineering services.

Sincerely,

Mary L. Paist-Goldman, P.E.

Scope of Services

Understanding of the Project: As we understand, Passaic County would like assistance in bringing Barbour’s Pond Dam into compliance. In order to complete this effort, it will be necessary to progress a spillway capacity and inundation analysis. This analysis will serve to establish the current spillway capacity as well as address the inundation analysis updates requested by Dam Safety in 2006.

The following tasks are anticipated to complete the detailed hazard classification effort for this dam:

Tasks

Task 1 – Hydrology Analysis Update

Princeton Hydro will create a HEC-HMS model using data available from the survey completed by KSE and the data collected from the formal dam inspection. The analysis in HEC-HMS will be completed using standard TR-55 methodology for the runoff Curve Numbers, Times of Concentration (or Lag Time as applicable), and the required storm events for dam analysis. The hydrology for the dam will be developed using GeoHEC-HMS.

Task 2 – Breach Scenario Development

Princeton Hydro will develop breach parameters to include, but not be limited to, the following:

- A hypothetical dam breach under “Sunny Day” conditions at normal pool;
- A one-hundred year frequency, 24-hour duration, SCS Type III storm without dam failure;
- A one-hundred year frequency, 24-hour duration, SCS Type III storm with dam breach;
- A one-half (½) probable maximum precipitation, 24-hour duration, SCS Type III storm with dam overtopping;
- A one-half (½) probable maximum precipitation, 24-hour duration, SCS Type III storm with overtopping and dam breach;
- A probable maximum precipitation, 24-hour duration, SCS Type III storm with dam overtopping;
- A probable maximum precipitation, 24-hour duration, SCS Type III storm with overtopping and dam breach

The breach will be modeled using the dam breach analysis in HEC-HMS.

Task 3 – Spillway Capacity Analysis and Inundation Analysis

Princeton Hydro will progress a spillway capacity analysis to evaluate the design storm that the current spillway can pass. This analysis will be undertaken using the HEC-HMS model developed under Task 1 described above. Once determined the spillway capacity will be compared to the required spillway capacity for Class II dams to determine whether the actual capacity is reasonable given the age of the dam and the potential for impacts downstream.

In addition, as part of this task a detailed inundation analysis will be completed for the Barbour’s Pond Dam to fully assess the inundation limits under all breach scenarios described under Task 2 above. This work will include a detailed updated analysis in HEC-HMS. The HEC-HMS flood wave results will be
exported and used in a HEC-RAS model for the discharge stream below Barbour's Pond. The hydraulic model will be utilized to analyze all impacts a dam breach would have on the downstream channel and the New Street Reservoir. This analysis would include a study of the area up to a point where the flood waves are attenuated to elevations equal to or less than the non-breach scenarios.

Task 4 – HEC-RAS Analysis

To assess impacts on the road crossings and utility crossings downstream of the dam, Princeton Hydro will import the flow data from the HMS model into HEC-RAS. A detailed HEC-RAS analysis will be undertaken to determine potential impacts downstream as a result of dam failure.

Task 5 – Hydrologic and Hydraulic Report

Princeton Hydro will prepare a report summarizing the analysis completed under Tasks 1 through 4 described above. The report will be prepared to serve as a formal summary of the spillway capacity as well as the inundation analysis completed under Task 4 above.

Deliverables: One (1) version of a hazard classification report to be submitted to NJDEP Bureau of Dam Safety and Flood Control. One (1) additional copy of the report will be submitted to the client.

Schedule of Fees: The fees identified below include costs for all reimbursables and will be completed on a Fixed Price Basis, except where indicated.

Limitations –

1. The work required to be completed under Task 1 above is pending answers regarding previous hydrologic analyses completed for the downstream New Street Reservoir. Should this data become available as the work is progressed, Princeton Hydro will alert KSE and discount work under this task by $2,000.
2. This proposal is valid for a period of 60 days.
3. This proposal does not include any time for onsite meetings with the client. Should the client request any meetings or presentations, these will be completed on a Time and Materials basis at the specific request of the client.
4. All reimbursable expenses are included in the price as described in the deliverables above. Should additional copies be requested by the client or NJDEP, those will be invoiced in accordance with Attachment A.
