RESOLUTION AUTHORIZING AWARD OF CONTRACT TO DOMINION VOTING SYSTEMS FOR SUPPORT SERVICES AND SPARE PARTS FOR ELECTIONS TO BE HELD IN 2015, IN AN AMOUNT NOT TO EXCEED $136,106.51

WHEREAS the Board of Chosen Freeholders of the County of Passaic (the “Board”) previously adopted a resolution dated September 27, 2005 (R-05-499) authorizing the purchase of an integrated voting system from Sequoia Voting Systems, Inc. (“Sequoia”); and

WHEREAS the voting system was to be comprised of 650 AVC Advantage Voting Machines together with associated proprietary software and related goods and services from Sequoia, including specified support services for a period of one (1) year, as more fully described in the Agreement between the parties; and

WHEREAS the Board has subsequently adopted resolutions awarding contracts to Sequoia for annual license fees, support services and spare parts required after the expiration of the initial contract term, the most recent of which pertained to elections held in 2014; and

WHEREAS the Board was advised in August, 2010 that Dominion Voting Systems, Inc. (“Dominion”) had acquired substantially all the assets of Sequoia; and

WHEREAS the Board adopted resolution (R-10-708, 09/28/10) consenting to Sequoia’s assignment to Dominion in connection with the asset acquisition; and
WHEREAS the various election offices have submitted a request to the Board for a contract award to Dominion to provide necessary support services and spare parts for elections to be held in 2015, as well as payment of the annual software licensing fee, in an aggregate amount not to exceed $136,106.51 (consisting of $50,000.00 for the Board of Elections, $65,000.00 for the Superintendent of Elections and $21,106.51 for the County Clerk); and

WHEREAS said goods and services are necessary to conduct an election, and are therefore exempt from public bidding pursuant to the Local Public Contracts Law, specifically N.J.S.A. 40A:11-5 (l); and

WHEREAS the said Board, by Resolution 06-97 dated February 14, 2006 established a policy of only awarding contracts in excess of the monetary threshold set forth under the Pay to Play Law only under a fair and open process; and

WHEREAS the Board is desirous of making an exception to that policy because of the unique circumstances of this case; and

WHEREAS the local Public Contracts Law, N.J.S.A. 40A:11-1 et seq., requires that the resolution authorizing the award of contract for exempt services and the contracts themselves must be available for public inspection; and
WHEREAS the Administration, Finance and Personnel Committee reviewed this matter at its meeting of March 11, 2015 and recommends that this agreement be awarded as an exempt service with the understanding that the recipient has not made or will make political contributions as set forth under the Campaign Contributions and Expenditures Reporting Act (N.J.S.A. 19:44A-1); and

WHEREAS a certification is attached which indicates that funds are available for the within contemplated expenditure;

NOW THEREFORE BE IT RESOLVED that the Board hereby authorizes agreements between the various election offices and Dominion Voting Systems for election support services and spare parts for 2015 in an amount not to exceed $136,106.51; and

BE IT FURTHER RESOLVED that this contract is being awarded as an exception to the policy of the Board as set forth in its Resolution R-06-97 dated February 14, 2006 because of the special circumstances of this situation, and the policy of the Board as set forth in this resolution shall remain in full force and effect; and

BE IT FURTHER RESOLVED that the Director and Clerk of the said Board are hereby authorized to execute the necessary contract on behalf of the County of Passaic; and

BE IT FURTHER RESOLVED that this contract is awarded without competitive bidding as one for goods and services necessary to conduct an election, in accordance with the Local Public Contracts Law, specifically N.J.S.A. 40A:11-5(1)(l); and
BE IT FURTHER RESOLVED that a Notice of this action be published in the NORTH JERSEY HERALD & NEWS.

SHAREDA SERVICES AGREEMENT BETWEEN THE
COUNTY OF PASSAIC AND THE COUNTY OF ESSEX

THIS SHARED SERVICES AGREEMENT, dated this ___ day of May, 2015, between the COUNTY OF PASSAIC, the PASSAIC COUNTY SHERIFF'S OFFICE ("Passaic County" or the "PCS0"), and the COUNTY OF ESSEX Department of Corrections ("Essex"), collectively referred to as the "Counties," hereby provides as follows:

WHEREAS the Counties recognize that it is, at times, necessary to admit county inmates and detainees in need of medical treatment and care to a secured medical unit, such as the East Orange General Hospital Secured Medical Unit ("SMU") in accordance with each County's individual contract with that facility; and

WHEREAS the Counties also recognize that the security staffing needed to oversee the medical treatment and care of inmates and detainees at the SMU requires a substantial commitment of scarce personnel and resources; and

WHEREAS the Counties wish to enter into an agreement, pursuant to the Uniform Shared Services and Consolidation, N.J.S.A. 40A:65-1, et seq., whereby Essex shall have and exercise sole responsibility and control over security for Passaic County inmates and detainees admitted as inpatients to the SMU, subject to the terms set forth in this Shared Services Agreement.

NOW, THEREFORE the Counties hereby agree as follows:
1. **Transaction** The Counties hereby agree that the County of Essex will staff and manage the Secured Medical Unit at East Orange General Hospital ("SMU") and may accept into its custody Passaic County inmates and detainees in need of hospital inpatient care based upon bed availability. Essex shall provide security to Passaic County inmates and detainees for transport within the hospital for various medical tests relative to inpatient admissions.

2. **Term** This Shared Services Agreement shall remain in effect, until terminated by either of the Counties, for a period of one (1) year, commencing with its approval by resolution of both the Passaic County and Essex Freeholder Boards, with an option to renew for an additional one (1) year term in the event both Counties renew their contracts with East Orange General Hospital for an additional year.

3. **Cost** Passaic County agrees to pay to Essex County, for the security Essex provides, a per diem rate of $335.00 per inmate and detainee admitted as an inpatient to the SMU for the first (1\textsuperscript{st}) through fifth (5\textsuperscript{th}) inmate and detainee; $167.50 for the sixth (6\textsuperscript{th}) or more Passaic County inmates/detainees admitted as an inpatient to the SMU. The rate will be charged for the day of Passaic County inmate/detainee arrival, but will not be charged for the day of the Passaic County inmate/detainee departure.

   a. If in the opinion of the Essex County Director of Corrections or his designee, a higher security level is needed for a Passaic County inmate(s)/detainee(s), an additional cost to manage such inmate(s)/detainee(s) will be assessed with Passaic County being responsible for the additional cost at a rate of forty nine dollars and fifty cents ($49.50) per hour per additional officer assigned.
b. Whenever possible, notification of the need for higher security will be made to the Passaic County Warden before implementation and, where notification is not possible prior to implementation; notification will be made within two (2) hours of such implementation.

c. Passaic County acknowledges that Essex is neither legally responsible for nor assumes any responsibility for the cost or payment of any medical bills, hospital costs or any other fees/expenses incurred by or on behalf of Passaic County inmates or detainees relating to or arising from their care and/or treatment in the SMU. Payment of all such medical/hospital expenses for or on behalf of Passaic County inmates and detainees shall legally remain the sole and exclusive obligation of Passaic County.

4. **Secured Medical Unit (SMU)** The SMU shall be a secure medical unit within East Orange General Hospital. The SMU shall consist of two (2) separate maximum security rooms with cameras; three (3) two (2)-patient medical/surgical rooms; one (1) isolation/seclusion room with camera; two (2) patient rooms dedicated to Essex County psychiatric inmates; two (2) telemetry rooms with cameras; and two (2) treatment rooms for outpatient clinic appointments. Security at the SMU shall be provided by the Essex County Department of Corrections ("ECDC") in accordance with applicable law and ECDC Administrative Directive 04-74. Passaic County shall be afforded an opportunity for input and review of changes to said Directive. However, all final determination(s) concerning security shall be made at the sole discretion of the ECDC Director or his designee.
5. **Staffing** Security staffing of the SMU shall be determined by Essex County, in accordance with recognized standards, applicable provisions of the New Jersey Administrative Code and ECDC Administrative Directive 04-74.

6. **Liaisons** Passaic County agrees to name its own medical liaison and custodial liaison. Passaic County liaison’s after hours contact information shall be made available to the SMU supervisor and the Essex Director. The custodial liaison shall be a person of the rank of captain or higher. The Passaic County medical liaison shall be the Passaic County Medical Director or designee. These liasons and Passaic County administrative staff will be permitted to visit the SMU at any time, permitted that reasonable notice is given to the ECDC.

7. **Notification** Passaic County agrees to notify Essex prior to dropping off any inmate or detainee for admission into the SMU. Paperwork (medical, classification and criminal) along with photo identification must accompany each inmate and detainee. If these procedures are not adhered to, admission to the SMU may be denied at the discretion of the Essex Director or his designee.

8. **Transfers Out of East Orange General Hospital** In the event that a procedure is required at a level of care that is not available at East Orange General Hospital, the Hospital will contact the Passaic County Medical Director at 973-881-4623 for authorization and guidance as to which facility the inmate or detainee should be transferred. Passaic County is to take over security for Passaic County inmates and detainees being transferred from the SMU to another facility upon their leaving the SMU. Passaic County shall also arrange transportation (except when emergent) for Passaic County inmates and detainees being transferred and provide
security for them at the facility to which they are transferred.

From:      Matthew P. Jordan, Esq., Deputy County Administrator

Date:      March 5, 2015

RE:        RFP 15-008 GRANT WRITING AND COMMUNICATION SERVICES

On January 28th, 2015, the Purchasing Agent solicited a request for proposals ("RFP") for
grant writing and communication services. Under N.J.S.A. 40A:11-4.1, et seq., a local
unit is allowed to use competitive contracting to procure certain services. In a letter dated
January 6th, 2014, the Assistant Purchasing Agent requested to utilize competitive
contracting for the services listed herein. Said request was granted on January 9th, 2015.

As outlined in the RFP and January 6th letter, the following methodology was used to
score the proposals:

I.  Technical. Total value 35%. Evaluation of the prospective contractor’s ability to
    meet the standards set forth in the RFP under the scope of services.

II. Management. Total value 30%. Evaluation of the prospective contractors
    experience as defined in the scope of services.

III. Cost. Total value 35%. Evaluation of the financial impact on the County of
     Passaic ("County"), with the most points going to the firm who is the lowest
     responsible respondent.

Three respondents submitted proposals: (1) Millennium Strategies, LLC; (2) Bruno
Associates, Inc.; and (3) Insight Grants Development. Each respondent’s proposal is
scored below as outlined in the criteria described herein.
MILLENNIUM STRATEGIES, LLC

I. Technical. Since 2008, Millennium Strategies, LLC ("Millennium") has provided the services outlined in the RFP to the County. In that seven year span, Millennium has secured $6,547,622 in grant monies, including grant awards totaling more than $1,000,000 in 2014. The proposal contained a clear delineation of responsibilities, including ongoing monitoring of existing grant opportunities, accountable objectives and deliverables, frequent notification of new grant opportunities, and detailed monthly reports of ongoing grant applications and rewards. Furthermore, Millennium’s proposal establishes a team of employees assigned to the County, sufficiently conveying each employee’s responsibilities and time committed to the scope of services outlined in the solicitation. Finally, the Millennium proposal establishes a communications plan in its partnership with Gateway Media, an organization that has a long and tested relationship with the County and a demonstrated track record of success in accomplishing the objectives as outlined in the solicitation. In sum, with Millennium’s long track record of success as a vendor for the County, there is a strong probability that all of the objectives outlined in the proposal can be accomplished.

TECHNICAL SCORE = 30/35 POINTS

II. Management. Millennium’s Staff consists of 9 grant writers, a full-time research associate, and an extensive support staff to serve the County’s needs. Additionally, Gateway Media – Millennium’s partner handling the communication services in the proposal – has a long track record of success in delivering media relations services in New Jersey. With experience on all levels of government, and a depth of experience in grant writing and communication services, Millennium is fully equipped to handle all of the services outlined in the request for proposal.

MANAGEMENT SCORE = 28/30 POINTS

III. Cost. A monthly retainer of $13,000, for a total yearly price of $156,000.

COST SCORE = 25/35

TOTAL SCORE = 83/100
BRUNO ASSOCIATES, INC.

I. **Technical.** Bruno Associates, Inc. ("Bruno") establishes a defined grant writing proposal, but the details regarding the communications plan are less clear. Specifically, it is unclear which staff member at Bruno would handle day-to-day spokesman duties with the press, respond to media inquiries, and develop a communications plan. It is also unclear whether any member of Bruno's staff has media relations experience outside of the Principal.

**TECHNICAL SCORE = 24/35 POINTS**

II. **Management.** Bruno's managerial team bring together an impressive mix of experience on the local, state, and federal levels of government, representing over 44 years of experience in providing grant writing services to government units. However, a review of the client list and references provided by Bruno indicates there is no other work being done for county governments. As a unique form of government, it is disconcerting that there is no demonstrated work being done for other county governments. Consequently, Bruno brings together a strong team of respected professionals with a wide array of experience, but lacks experience in the most important area: grant writing and communication services for a county government.

**MANAGEMENT SCORE = 20/30**

III. **Cost.** A monthly retainer of $5,000 for a total yearly price of $60,000.

**COST SCORE = 32/35**

**TOTAL SCORE = 76/100**

INSIGHT GRANTS DEVELOPMENT

I. **Technical.** Insight Grants Development ("Insight") sets forth a defined proposal for grant writing services, but vaguely defines how the communications services will be managed. Moreover, there it is not defined in the proposal whether Insight would provide monthly reports, as requested in the scope of services. With no presence in New Jersey, coordination and execution of grant applications could become a challenge. Grant opportunities could be missed because of the geographic distance between the respondent and the county. As a New York based company, the expert knowledge in New Jersey specific grants is lacking. Based on the scope of services and the three requests, this was the weakest in terms of meeting the needs of the County.

**TECHNICAL SCORE = 19/35 POINTS**

Introduced on: March 24, 2015
Adopted on: March 24, 2015
Official Resolution#: R20150199
II. Management. Insight offers the smallest staff of the three respondents, with no staff member representing any experience in New Jersey government at any level. Moreover, only one client reference is from New Jersey. Although it is stated that one of the employees can service the County's communications needs, his experience or a detailed communications plan is not set forth. Finally, and as stated previously, there is no substantial New Jersey experience by Insight and no representation of familiarity with media outlets in the greater Passaic County region.

MANAGEMENT SCORE = 15/30 POINTS

III. Cost. Insight offers a fee plan driven by the size of grants and a menu of services at a monthly cost. This type of fee driven structure would make projecting costs for budget purposes unreliable and place the County in the untenable position of weighing grant requests based upon the size of the proposal instead of the merit of the grant.

COST SCORE = 20/30 POINTS

TOTAL SCORE = 54/100 POINTS

CONCLUSION

Based upon the scoring methodology established in the January 6th letter to the New Jersey Department of Community Affairs and approved by same, and the scoring as outlined herein, it is recommended that RFP-15-008 for grant writing and communication services be awarded to Millennium Strategies, LLC. The term of the contract will be for three years commencing April 1, 2015 to March 31, 2018, Passaic County can exercise one two-year renewal option, extending the contract from April 1, 2018 to March 31, 2020. The award amount is $13,000.00 per month by retainer, totaling $156,000.00 annually. The budget account # to be utilized is 5-01-20-103-001-233.

Re: North Sixth Street, Prospect Park
Goffle Road to Haledon Avenue
Discontinuance of Roadway

Members of the Board:

Passaic County in 1928 acquired North Sixth Street in Prospect Park from the Borough of Prospect Park from the westerly right-of-way line of Goffle Road to the easterly right-of-way line of Haledon Avenue for a distance of 2085 feet in length and sixty feet in width.

The County has received Resolution 2015-48 from the Borough of Prospect requesting transfer of the ownership of North Sixth Street from Passaic County back to Prospect Park.

This matter was discussed at the Public Works Committee meeting of March 9, 2015 and the Committee is recommending that the Board agree to Prospect Park’s request.

Based upon the above, this Office recommends that the Board of Chosen Freeholders adopt a Resolution to discontinue ownership of North Sixth Street and the control, ownership and jurisdiction be returned to Prospect Park.

Very truly yours,

Steven J. Edmond, P.E.

WHEREAS by Resolution R-2014-145 dated February 25,
2014 the Board of Chosen Freeholders of the County of Passaic
authorized a one (1)-year agricultural tenancy lease between the

Re: FFY14 Victims of Crime Act (VOCA) Victim Assistance Grant Program
County Sexual Assault Response Team/Sexual Assault Nurse Examiner
(SART/SANE) Program
Grant Number: VS-37-14

Dear Prosecutor Valdes:

The New Jersey Division of Criminal Justice (DCJ) is accepting applications for the 2014 County SART/SANE Program under the Victims of Crime Act (VOCA) Grant Program. This year, $2.44M has been allocated for the Statewide SART/SANE Program. The allocation for each county was derived from a formula which includes a base amount plus a graduated increase based on a three-year average of examinations conducted in counties with more than 50 examinations per year.

Your county is offered a federal grant in the amount of $75,225. There is a required match of 20% of the total project cost. If the county applies for the full amount, the required match will be $18,806. The grant period will be October 1, 2014 through September 30, 2015.

All required reports for your previous grant must be current and on file with the State Office of Victim Witness Advocacy (SOVWA) prior to the start of your continuation grant.
An application package will be emailed to Todd Stanley, CPA. The completed application, including the required Freeholder Resolution and grant certifications, should be submitted to the SOVWA by November 21, 2014.

Please contact Connie Schwedes at (609) 984-6765 should you require further assistance.

Ms. Kathleen Caren  
Open Space Coordinator  
Passaic County Planning Department  
930 Riverview Drive  
Totowa, NJ 07512

Dear Kathleen,

Pursuant to today’s telephone conversation regarding North Haledon’s 2011 and 2012 Passaic County Open Space grants, I am respectfully requesting, on behalf of the Borough of North Haledon, that the remaining balance of $11,755.57 of the 2011 grant be reallocated for a rubberized safety surface to replace the mulch in the Yahn’s Pond playground. The playground equipment at Yahn’s Pond is handicap-accessible, but the mulch which is installed to protect the children if they fall off the equipment poses a challenge for wheelchairs to access the open space area of the playground. The remaining funds would cover the expense of the rubberized safety surface – thus making the entire playground area handicap-accessible.

The 2012 Open Space grant, which was generously allotted to the Borough of North Haledon will not be needed, since the Borough will not go through with the construction of a dam because the DPW came up with an innovative manner to manage the water in the pond at a great cost savings, making a dam unnecessary.

Thank you for all your past support.

Very truly yours,

Borough of North Haledon

Randy George, Mayor

Dated: March 26, 2015
RESOLUTION AMENDING R2015-166 DATED MARCH 10, 2015 AWARDING CONTRACT FOR GOOSE CONTROL SERVICES TO TRI-STATE GEESE POLICE

WHEREAS by Resolution R2015-166 dated March 10, 2015 the Board of Chosen Freeholders of the County of Passaic awarded a one year contract with a one (1) year option to Tri-State Geese Police of Dingmans Ferry, Pennsylvania to provide goose control services for Goffle Brook Park in Hawthorne, NJ and Weasel Brook Park in Clifton, NJ for the contract period March 1, 2015 to February 29, 2016 for the sum of $25,400.00; and

WHEREAS there was an error in the award inasmuch as the bid submitted by said Tri-State Geese Police on February 19, 2015 was for the rate of $2,600 per month for twelve (12) months for a total of $33,200.00; and

WHEREAS it is now necessary to amend the original award Resolution to reflect the actual amount of the bid submitted by Tri-State Geese Police; and

WHEREAS this matter was reviewed by the Freeholder members of the Public Works and Buildings & Grounds Committee who have recommended that the original award be amended; and

WHEREAS a revised certificate is attached indicating that the funds needed in 2016 will be available.

NOW THEREFORE BE IT RESOLVED by the Board of Chosen Freeholders of the County of Passaic that it hereby authorizes an amendment to its Resolution R2015-166 dated March 10, 2015 awarding goose control services to Craig’s Goose...
Cops LLC D/B/A Tri-State Geese Police of Dingmans Ferry, Pennsylvania to clarify that the compensation for the one (1) year contract with a one-year option should be $33,200.00 instead of the $25,400.00 set forth in the original Resolution.

BE IT FURTHER RESOLVED that the Clerk of the Board, the Purchasing Agent and the Director of the Board are hereby authorized to execute all necessary Agreements on behalf of the County of Passaic as prepared by the Office of the County Counsel to amend this contract award.

Dated: March 24, 2015
Good Afternoon Freeholders,

Requesting your approval by form of email authorizing change to resolution to read as follows:
One year estimated price of $33,200.00 with the breakdown of $23,400.00 this year and $9,800.00 future budget.

The purpose for this request is because the contractor for the geese control is refusing to do the work he was under the impression that he was going to be paid for 12 months. We need to issue payment for the full amount of money so that the contractor can begin right away. Time is of the essence because geese are pairing up, nesting and laying eggs now and we need to start before this happens.

Presented as an add on at full Freeholder board meeting March 24, 2015
