RESOLUTION TO AWARD CONTRACT TO EDMUNDS & ASSOCIATES FOR ANNUAL TECHNICAL AND MAINTENANCE ASSISTANCE WITH PASSAIC COUNTY-OWNED ACCOUNTING SOFTWARE

WHEREAS the Passaic County Finance Director reported to the Freeholder Finance & Administration Committee that several years ago the County purchased proprietary accounting software from Edmunds & Associates of Northfield, New Jersey; and

WHEREAS said Director is further recommending that an annual maintenance contract for 2016 be awarded to said Edmunds & Associates for that software and to provide technical assistance when needed in the amount of $19,635.00 (see copy of e-mail and invoice dated October 29, 2015 attached hereto and made a part hereof); and

WHEREAS the said Board by Resolution R-06-97 dated February 14, 2006 established a policy of only awarding contracts in excess of the monetary threshold set forth under the Pay to Play Law only under a fair and open process; and

WHEREAS the Board is desirous of making an exception to that policy in this case because of the fact that the maintenance of this software and the technical assistance necessary involves a propriety product; and

WHEREAS the Committee for Administration & Finance reviewed this matter at its October 28, 2015 meeting and is recommending approval by the entire Board; and

WHEREAS a certification is attached hereto that indicates the availability of funds for said expenditure.

NOW THEREFORE BE IT RESOLVED by the Board of Chosen Freeholders of the County of Passaic that it hereby authorizes a non-fair and non-open award of contract to
Edmunds & Associates of Northfield, New Jersey in the amount of $19,635.00 to provide annual maintenance and technical assistance when needed for accounting software owned by the County of Passaic in conformity with the attached request.

**BE IT FURTHER RESOLVED** that this contract is being awarded as an exception to the policy of the Board as set forth in its Resolution R-06-97 dated February 14, 2006 because of the special circumstances of this situation and the policy of the Board as set forth in this Resolution shall remain in full force and effect; and

**BE IT FURTHER RESOLVED** that the Director and Clerk of the said Board are hereby authorized to execute any necessary agreement on behalf of the County of Passaic.

PURPOSE: Resolution authorizing award of contract to Edmunds & Associates for annual technical and maintenance assistance with Passaic County-owned accounting software for calendar year 2016.

Richard Cahill, Chief Financial Officer

DATED: November 10, 2015

RC: fr

Introduced on: November 10, 2015
Adopted on: November 10, 2015
Official Resolution#: R20150812
Mr. Glovin,

I believe it would be appropriate to award a non-fair and non-open contract to Edmunds & Associates. Several years ago, the county purchased proprietary accounting software from Edmunds. The contract to be awarded to Edmunds is for the annual maintenance of that software and to provide technical support to the county. I do not believe that any other vendor could provide this service unless we were to acquire a whole new software package which would be rather expensive.

Dear Client:

Thank you for selecting Edmunds & Associates, the industry leader in commitment to innovation, support services, R&D investment and client/staff education.

Regardless of whether you are a calendar or fiscal year entity, all support and license agreements are due January 4, 2016 and cover the period of January 1, 2016 through December 31, 2016.

* All attached agreements must be signed and returned prior to December 31, 2015 to avoid delays in providing support.

* If you purchased your system sometime in calendar year 2015, your support agreements have been pro-rated to the date of purchase to account for your one year of free support. If your system was purchased in 2014, and this year there is an increase, it’s because your 2015 support agreement was pro-rated.

* The software support license agreement is mandatory and must be entered into for you to receive software support, system enhancements, mandated changes and updates.

* In 2016 there will be a major MCSJ Software release to version 4.0, please join our Virtual User Group October 20 - 22 for an advance look.

Please forward a purchase order in the amount of the enclosed invoice(s) with a signed copy of the enclosed agreements. Edmunds & Associates greatly appreciates the opportunity to serve your organization.

Best regards,

Edmunds & Associates, Inc.
2016 MCSJ Software Support & License Agreement

To receive continued Application Software Support and MCSJ System upgrades from Edmunds & Associates, Inc. (E&A), you must enter into this agreement.

1. Any defects in the E&A Application Software as determined by E&A will be corrected at no cost to the user provided the said defect is not the result of misuse, operator error, or is beyond the original requirements of the system specifications.

2. E&A is responsible for providing software support under this agreement only for its proprietary application software. This includes all MCSJ licensed products. Support for third party products, e.g., Microsoft Office, UCAARS, etc. are not covered under this agreement and all phone or on-site support is a billable service. Our minimum hourly rate is $150 with at least one-half hour billable.

3. E&A proprietary end user documentation, faq's, helpful hints, video tutorials and such are for client use only and not to be distributed.

4. Standard telephone support will be available from 8:00 am to 5:00 pm EST, Monday through Friday excluding holidays.

5. Each user of E&A MCSJ software is required to have a high-speed connection. E&A will provide support, enhancements and instruction for our application software via the Internet. Lack of compliance that requires an on-site visit from either our support or IT Engineers is billable at the rate of $150 per hour for each support person or technician.

6. E&A’s liability, damages or remedy on any claim shall not exceed the original cost of the E&A MCSJ software system. In no event shall E&A be held liable for consequential, incidental, indirect, special, punitive or exemplary damages, for loss, damage or expense directly or indirectly arising from the client’s inability to use our products.

7. No action arising from use of E&A’s MCSJ software systems may be commenced more than 3 months after the basis for such claim could reasonably have been discovered.

8. E&A reserves the right to withdraw without penalty any E&A application software package from coverage at our sole discretion upon thirty (30) days notice.

9. This agreement must be signed and returned by December 31, 2015 for continued support. The effective date of this agreement is January 1, 2016 through December 31, 2016.

2016 Minimum Recommended Back-up Procedures

Edmunds & Associates strongly recommends the installation of a tape back up in the fileserver, utilizing third party back up software in addition to any cloud back up. The fileserver should have a high speed internet connection. If this is not possible, a pc on the network with a high-speed connection will suffice.

If you do not install as recommended we will not be able to view the tape stats or restore files remotely. This would result in an unnecessary delay restoring files if we do not have remote access. All on site visits and phone consultations will be billable at our current hourly rate of $150 per hour regardless of hardware maintenance coverage.

As a reminder we would like to review the minimum suggested back up procedures.

✓ Daily back up of data files. Five different tapes should be used, one for each day of the week.
✓ Tapes should be rotated and stored off site on a daily basis.
✓ Complete MCSJ/SBa/UAr system back up should be done at least weekly.
✓ Monthly back up tapes should be archived for at least 3 months.
✓ Tapes must be tested at least every 30 days to verify MCSJ is being successfully backed up. These test restores must be done to alternate locations, not in your live MCSJ location.

The MCSJ applications verify that Edmunds data files have been successfully backed up every 3 days. It is the responsibility of each client to insure other files/databases, such as pdf's and word processing are being properly backed up.

Re: Case 6H Farmall 105U Tractor With Alamo Machete, Bid No. SB-15-041

Dear Mr. Maricello:

Please be advised that I have reviewed the bids received by your department for the above referenced Case 6H Farmall 105U Tractor with Alamo Machete (Flail Mower), which is to be purchased for the Passaic County Road Department. I have discussed same with the Public Works Committee at their meeting of June 15, 2015 and I am therefore recommending that the bid be awarded to the only responsible bidder who is going to provide the equipment as described in the specifications contained in the advertised Bid, Star Tractor Company, 3191 U.S. Highway NO. 22, Branchburg, New Jersey, 08876, in the amount of $124,513.00. The two other bidders did not bid an equipment equal to the specifications outlined in the bid.

If you should have any question with respect to this matter, or I can be of additional assistance, please feel free to contact me.

Very truly yours,

Re: Case/IH Farmall 105U Tractor with Alamo Machete
   56-15-041

Dear Mr. Marinello,

Below, please find a detailed explanation of the bid items provided by PowerPlace, which identify how they did not provide equipment equal to the specifications outlined in the bid:

1) PowerPlace—Submitted a bid for a John Deere tractor with 16x16 power reverse transmission with creeper; The bid specifications asked for a 20x20 power shuttle transmission with adjustable aggressive control with creeper. This option was chosen to provide more gear ranges.

2) PowerPlace—Submitted a bid for tires that are for agricultural use; The bid specifications asked for a tire for road use. This option was chosen to meet the needs of the Road Department Operations.

3) PowerPlace—Submitted a bid for a gear driven hydraulic system that requires a 45 gallon tank mounted behind the left front wheel, which may obstruct the operators view; The bid specifications asked for a hydrostatic load sensing piston pump system with front mounted 18 gallon hydraulic tank. This option was chosen because it generates less heat, requires minimal service, and does not obstruct the operators view.

If I can be of further assistance or if you should have additional questions, please feel free to contact me.

Very truly yours,

Kenneth A. Simpson
Passaic County Supervisor of Roads

Interest on the Bonds shall be calculated on the basis of a 360-day year of twelve 30-day calendar months.

Notwithstanding any other provision herein to the contrary, so long as DTC or its nominee, Cede & Co., is the registered owner of the Bonds, payments of the principal of and interest on the Bonds will be made directly to Cede & Co., as nominee of DTC in accordance with the provisions of the DTC Letter of Representations to be executed by the County and DTC. Disbursal of such payments to the DTC participants is the responsibility of DTC, and

Date of Maturity: December 1, 20__
Interest Rate: __%

The COUNTY OF PASSAIC, a municipal corporation of the State of New Jersey, (the "County") hereby acknowledges itself indebted and for value received promises to pay to Cedco & Co., or registered assigns, the sum specified above as the Principal Amount on the date specified above as the Date of Maturity, upon presentation and surrender of this bond, and to pay to the registered owner hereof interest on such sum, from the Date of Bond specified above until the Date of Maturity specified above, at the Interest Rate specified above payable on June 1, 2016 and thereafter semi-annually on the first day of December and June in each year. Principal of this bond will be paid in lawful money of the United States of America, at the administration office of the County. Interest on this bond will be payable in lawful money of the United States of America by check or draft mailed on such interest payment date to the registered owner hereof as shown on the books of the County kept for such purpose by the Director of Finance of the County (the "Bond Registrar") as of the fifteenth day of the month preceding the month in which the payment of interest is to be made.

All of the Bonds, of which this Bond is one, shall be initially issued as one fully registered bond for each maturity in the name of Cedco & Co., as registered owner and nominee for The Depository Trust Company ("DTC"). Notwithstanding any other provision herein to the contrary, so long as DTC or its nominee, Cedco & Co., is the registered owner of the Bonds, payments of the principal of and interest on the Bonds will be made directly to Cedco & Co., as nominee of DTC in accordance with the provisions of the DTC Letter of Representations executed by the County and DTC relating to the Bonds. Disbursal of such payments to the DTC participants is the responsibility of DTC, and disbursal of such payments to the beneficial owners of the Bonds is the responsibility of the DTC participants.
The Bonds maturing on or prior to December 1, 2025 shall not be subject to redemption prior to their respective maturity dates. The Bonds maturing on or after December 1, 2026 shall be subject to redemption prior to their respective maturity dates, on or after December 1, 2025, at the option of the County either in whole or in part at any time, at par (the "Redemption Price") and accrued interest thereon to the date of redemption.

Notice of Redemption shall be given by mailing by first class mail in a sealed envelope with postage prepaid to the registered owners of such Bonds at their respective addresses as they last appear on the registration books kept for that purpose by the County, at least thirty (30) but not more than sixty (60) days before the date fixed for redemption. However, so long as DTC (or any successor thereto) acts as Securities Depository for the Bonds, Notices of Redemption shall be sent to such depository and shall not be sent to the beneficial owners of the Bonds, and will be done in accordance with DTC procedures. Any failure of such depository to advise any of its participants or any failure of any participant to notify any beneficial owner of any Notice of Redemption shall not affect the validity of the redemption proceedings. If the County determines to redeem a portion of the Bonds of a maturity, such Bonds shall be selected by lot. If Notice of Redemption has been given as described herein, the Bonds, or the portion thereof called for redemption, shall be due and payable on the date fixed for redemption at the Redemption Price, together with accrued interest to the date fixed for redemption. Payment shall be made upon surrender of the Bonds redeemed.

This bond is transferable only upon the books of the Bond Registrar, by the registered owner hereof in person or by his attorney duly authorized in writing, upon surrender hereof together with a written instrument of transfer satisfactory to the Bond Registrar duly executed by the registered owner or such duly authorized attorney, and thereupon the County shall issue in the name of the transferee a new bond or bonds of the same aggregate principal amount, series, designation, maturity and interest rate as the surrendered bond. The County and any paying agent of the County may treat and consider the person in whose name this bond is registered as the holder and absolute owner hereof for the purpose of receiving payment of, or on account of, the principal and interest due hereon and for all other purposes whatsoever.

This bond is one of an authorized issue of bonds of the County and is issued pursuant to the Local Bond Law, constituting Chapter 2 of Title 40A of the Revised Statutes of the State of New Jersey, a resolution of the governing body of the County adopted November 10, 2015 and by virtue of certain bond ordinances referred to therein. If this bond is designated on the first page hereof as a "County Vocational School Bond, Series 2015B (New Jersey School Bond Reserve Act, P.L. 1980, c.72)" then it is also issued pursuant to Title 18A, Education of the New Jersey statutes. County Vocational School Bond, Series 2015B (New Jersey School Bond Reserve Act, P.L. 1980, c.72) is entitled to the benefits of the New Jersey School Bond Reserve Act (constituting N.J.S.A. 18A:56-17 et seq.).

The full faith and credit of the County are hereby irrevocably pledged for the punctual payment of the principal of and interest on this bond according to its terms. This bond shall not be or be deemed to be a debt or liability of the State of New Jersey or a pledge of the faith and credit of the State of New Jersey.
It is hereby certified and recited that all conditions, acts and things required by the Constitution or statutes of the State of New Jersey to exist, to have happened or to have been performed precedent to or in the issuance of this bond exist, have happened and have been performed, and that the issue of bonds of which this is one, together with all other indebtedness of the County, does not exceed any limitation imposed thereon by said Constitution or statutes.

In the event the County determines that the beneficial owners of the Bonds (the actual purchasers of the Bonds) shall be able to obtain certificated bonds, the County shall notify DTC of the availability of bond certificates. In such event, the County will appoint a paying agent and the County will issue, transfer and exchange bond certificates in appropriate amounts as required by DTC and others. DTC may determine to discontinue providing its services with respect to the bonds at any time by giving a reasonable amount of notice in writing to the County. In the event of such determination, if the County fails to identify another qualified securities depository as successor to DTC, the County will appoint a paying agent and the County will issue and deliver replacement bonds in the form of fully registered certificates. Whenever DTC requests the County to do so, the County will cooperate with DTC in taking appropriate action (a) to make available one or more separate certificates evidencing the bonds to any DTC participant (participants of DTC) having bonds credited to its DTC account or (b) to arrange for another securities depository to maintain custody of certificates evidencing the bonds.
IN WITNESS WHEREOF, THE COUNTY OF PASSAIC has caused this bond to be executed in its name by the manual or facsimile signatures of its Director of its Board of Chosen Freeholders and its County Director of Finance, and its corporate seal (or facsimile thereof) to be affixed, imprinted or reproduced hereon, and this bond and said seal to be attested by the manual or facsimile signature of the Clerk or Deputy Clerk of the Board of Chosen Freeholders, and this bond to be dated the 14th day of December, 2015.

**Optional Redemption Provisions**

The Bonds maturing on or prior to December 1, 2025 shall not be subject to redemption prior to their respective maturity dates. The Bonds maturing on or after December 1, 2026 shall be subject to redemption prior to their respective maturity dates, on or after December 1, 2025, at the option of the County either in whole or in part at any time, at par (the "Redemption Price") and accrued interest thereon to the date of redemption.

Notice of Redemption shall be given by mailing by first class mail in a sealed envelope with postage prepaid to the registered owners of such Bonds at their respective addresses as they last appear on the registration books kept for that purpose by the County, at least thirty (30) but not more than sixty (60) days before the date fixed for redemption. However, so long as DTC (or any successor thereto) acts as Securities Depository for the Bonds, Notices of Redemption shall be sent to such depository and shall not be sent to the beneficial owners of the Bonds, and will be done in accordance with DTC procedures. Any failure of such depository to advise any of its participants or any failure of any participant to notify any beneficial owner of any Notice of Redemption shall not affect the validity of the redemption proceedings. If the County determines to redeem a portion of the Bonds of a maturity, such Bonds shall be selected by lot. If Notice of Redemption has been given as described herein, the Bonds, or the portion thereof called for redemption, shall be due and payable on the date fixed for redemption at the Redemption Price, together with accrued interest to the date fixed for redemption. Payment shall be made upon surrender of the Bonds redeemed.

**New Jersey School Bond Reserve Act**

The County Vocational School Bonds, Series 2015B (New Jersey School Bond Reserve Act, P.L. 1980, c.72) also will be secured by the School Bond Reserve (the "School Bond Reserve") established in the Fund for the Support of Free Public Schools of the State of New Jersey (the "Fund") and in accordance with the New Jersey School Bond Reserve Act, P.L. 1980 Ch. 72, approved July 16, 1980 (the "New Jersey School Bond Reserve Act").
Book-Entry-Only System

As long as DTC or its nominee, Cede & Co., is the registered owner of the Bonds, payments of the principal of and interest on the Bonds will be made directly to Cede & Co., as nominee of DTC, which will credit payments of principal of and interest on the Bonds to the DTC participants as listed in the records of DTC as of each next preceding May 15 and November 15 (the "Record Dates" for payment of interest on the Bonds), which participants will in turn credit such payments to the beneficial owners of the Bonds.

All bidders of the Bonds must be participants of The Depository Trust Company, New York, New York ("DTC") or affiliated with its participants. The Bonds will be issued in fully registered form, and when issued will be registered in the name of and held by Cede & Co., as the registered owner thereof and nominee for DTC, an automated depository for securities and clearinghouse for securities transactions.

Individual purchases of beneficial ownership interests in the Bonds will be made in book-entry form (without certificates) in the denomination of $5,000 each or any integral multiple thereof. It shall be the obligation of the successful bidder to furnish to DTC an underwriter's questionnaire and the denomination of the Bonds not less than seventy-two (72) hours prior to the delivery of the Bonds and to furnish to bond counsel, referenced below, the initial public offering prices of the Bonds not less than forty-eight (48) hours prior to delivery of the Bonds.

In the event that either DTC determines not to continue to act as securities depository for the Bonds and the County determines that the beneficial owners of the Bonds be able to obtain bond certificates, the County will appoint a paying agent and will issue and deliver replacement Bonds in the form of fully registered certificates.

Electronic Bidding Procedures

Bids may be submitted electronically via PARITY in accordance with this Notice of Sale, until 11:00 a.m., New York City time, on December 1, 2015, but no bid will be received after the time for receiving bids specified above. To the extent any instructions or directions set forth in PARITY conflict with this Notice of Sale, the terms of this Notice of Sale shall control. For further information about PARITY, potential bidders may contact PARITY at (212) 849-5021. In the event that a bid for the Bonds is submitted via PARITY, the bidder further agrees that:

1. The County may regard the electronic transmission of the bid through PARITY (including information about the purchase price of the Bonds, the interest rate or rates to be borne by the various maturities of the Bonds, the initial public offering price of each maturity and any other information included in such transmission) as though the same information were submitted directly to the County and executed by a duly authorized signatory of the bidder. If a bid submitted electronically by PARITY is accepted by the County, the terms of the Proposal for Bonds and this Notice of Sale and the information that is electronically transmitted through
PARITY shall form a contract, and the successful bidder shall be bound by the terms of such contract.

2. PARITY is not an agent of the County, and the County shall have no liability whatsoever based on any bidder's use of PARITY, including but not limited to any failure by PARITY to correctly or timely transmit information provided by the County or information provided by the bidder.

3. The County may choose to discontinue use of electronic bidding via PARITY by issuing a notification to such effect via TM3 News Services, or by other available means, no later than 3:00 p.m. (New York City Time) on the last business date prior to the bid date set forth above.

4. Once the bids are communicated electronically via PARITY to the County as described above, each bid will constitute a Proposal for Bonds and shall be deemed to be an irrevocable offer to purchase the Bonds on the terms provided in this Notice of Sale. For purposes of submitting all Proposal for Bonds, the time as maintained on PARITY shall constitute the official time.

5. Each bidder choosing to bid electronically shall be solely responsible to make necessary arrangements to access PARITY for purposes of submitting its bid in a timely manner and in compliance with the requirements of this Notice of Sale. Neither the County nor Parity shall have any duty or obligation to undertake such registration to bid for any prospective bidder or to provide or assure access to any qualified prospective bidder, and neither the County nor Parity shall be responsible for the proper operation of, or have any liability for any delays or interruptions of, or any damages caused by PARITY. The County is using PARITY as a communication mechanism, and not as the County's agent, to conduct the electronic bidding for the Bonds. By using PARITY, each bidder agrees to hold the County harmless for any harm or damages caused to such bidder in connection with its use of PARITY for bidding on the Bonds.

Bid Specifications

Each Proposal submitted must name the rate or rates of interest per annum to be borne by the Bonds bid for and the rate or rates named must be multiples of one-eighth or one-twentieth of one per centum. Not more than one rate may be named for Bonds of the same maturity. The difference between the highest and lowest rates of interest named in the Proposal shall not exceed three percent (3%). There is no limitation on the rates that may be named. Each Proposal submitted must be for all of the Bonds and the purchase price specified in the proposal must be not less than one hundred percent (100%) or for more than one hundred and two percent (102%) of the aggregate par value of the Bonds.

Award, Delivery and Payment

The Bonds will be awarded to the bidder on whose bid the total loan may be made at the lowest true interest cost. Such true interest cost shall be computed, as to each bid, by doubling
the semiannual interest rate (compounded semiannually) necessary to discount the debt service payments from the payment dates to the date of the Bonds and the price bid, excluding accrued interest to the delivery date. No Proposal shall be considered that offers to pay an amount less than the principal amount of Bonds offered for sale or under which the total loan is made at an interest cost higher than the lowest true interest cost to the County under any legally acceptable proposal. If two or more such bidders offer to pay the lowest true interest cost, then the Bonds will be sold to one of such bidders selected by lot from among all such bidders. The bidder to which the Bonds are awarded (in the manner specified above) is herein referred to as the "Successful Bidder."

It is expected that delivery of the Bonds to DTC and payment for the Bonds will take place on or about, December 14, 2015 at the offices of Gibbons P.C., bond counsel to the County ("Bond Counsel"), in Newark, New Jersey or at such other place as may be agreed upon with the Successful Bidder. The Bonds will be delivered to DTC in single denominations for each maturity of each type of bond. PAYMENT FOR THE BONDS AT THE TIME OF ORIGINAL ISSUANCE AND DELIVERY SHALL BE IN IMMEDIATELY AVAILABLE FUNDS.

Change of Bid Date and Closing Date

The County reserves the right to postpone, from time to time, the date established for the receipt of bids and will undertake to notify registered prospective bidders via notification published on Thomson Municipal Market Monitor ("TM3") (www.tm3.com). Prospective bidders may request notification by facsimile transmission of any such changes in the date or time for the receipt of bids by so advising, and furnishing their teletyper numbers to the Director of Finance of the County at (973) 881-4440 by 12:00 Noon, New York City time, on the day prior to the announced date for receipt of bids. In addition, the County reserves the right to make changes to this Notice of Sale. Such changes will be announced via the TM3.

A postponement of the bid date will be announced via TM3 not later than 11:00 a.m., New York City time, on the last business day prior to any announced date for receipt of bids, and an alternative sale date and time will be announced via TM3 by Noon, New York City time, not less than forty-eight (48) hours prior to such alternative date for receipt of bids.

On any such alternative date and time for receipt of bids, the County will accept electronic bids for the purchase of the Bonds, such bids to conform in all respects to the provisions of this Notice of Sale, except for the changes in the date and time for receipt of bids and any other changes announced via TM3 at the time the date and time for receipt of bids are announced.

Right To Reject Bids; Waive Irregularities

The right is reserved to reject all bids, and any bid not complying with the terms of this Notice of Sale will be rejected. The County reserves the right to reject any or all Proposals and so far as permitted by law, to waive any irregularity or informality in any or all Proposals.
Good Faith Deposit

A good faith deposit (the "Deposit"), in the form of an electronic transfer of immediately available federal funds in accordance with the wiring instructions contained in the immediately succeeding paragraph, in the amount of $272,000 is required for each bid for the Bonds to be considered. A bidder shall transmit such funds to the following:

Wells Fargo Bank, N.A.
ABA No.: 121000248
Account No.: 200004566894
Account Name: Passaic County Current Fund
Contact: Richard Cahill, Director of Finance
Phone: (973) 881-4440

Such funds must be received in the account identified immediately above no later than 11:00 a.m. New York City time on the date for receipt of bids, and must be accompanied by detailed wiring instructions for the return thereof in the event that such bidder is not the Successful Bidder. Please note that the contact information provided immediately above should be used by bidders for the purposes of confirming receipt of electronic transfer of funds and the transmittal of instructions for the return of such electronic transfers of funds in the event such bidder is not the Successful Bidder. Electronic transfers of funds of unsuccessful bidders for the Bonds will be returned upon award of the Bonds. It is the intent of the County that electronic transfers of funds will be returned via wire transfer to the unsuccessful bidders not later than 5:00 p.m. on the date for receipt of bids, provided that wiring instructions have been provided by such unsuccessful bidder at the time of transmission of the Deposit to the County. The County shall not bear any liability for any delay that may occur in the return of an electronic transfer of the Deposit to an unsuccessful bidder. Interest earned on the Deposit will be credited to the County and will not be available to the Successful Bidder for the Bonds.

The Deposit of the Successful Bidder will be collected and the proceeds thereof retained by the County to be applied in partial payment for the Bonds and no interest will be allowed or paid upon the amount thereof, but in the event the Successful Bidder shall fail to comply with the terms of its respective bid, the proceeds thereof will be retained as and for full liquidated damages. Award of the Bonds to the Successful Bidder or rejection of all bids is expected to be made within five hours after opening of the bids, but such Successful Bidder may not withdraw its Proposal for Bonds until after 5:00 p.m. of the day of such bid-opening and then only if such award has not been made prior to the withdrawal.

Bond Insurance

If the Bonds qualify for issuance of any policy of municipal bond insurance, any purchase of such policy shall be at the sole option and expense of the Successful Bidder. If the Bonds are to be insured, the Successful Bidder shall pay the premium therefor prior to the delivery of the Bonds. Any failure of the Bonds to be so insured or of any such policy of
insurance to be issued shall not in any way relieve the Successful Bidder of its contractual obligations arising from the acceptance of its Proposal for Bonds for the purchase of the Bonds.

CUSIP Numbers

It is anticipated that CUSIP identification numbers will be printed on the Bonds, but neither the failure to print such number on any Bond nor any error with respect thereto shall constitute cause for the failure or refusal of the Successful Bidder to accept delivery of and pay for the Bonds. The CUSIP Service Bureau charges for the assignment of CUSIP numbers on the Bonds shall be the responsibility of and shall be paid for by the Successful Bidder. **TWO SERIES OF CUSIP NUMBERS WILL BE ASSIGNED TO THE BONDS AS FOLLOWS:** (1) ONE SERIES OF CUSIP NUMBERS WILL BE ASSIGNED TO THE COUNTY VOCATIONAL SCHOOL BONDS, SERIES 2015B (NEW JERSEY SCHOOL BOND RESERVE ACT, P.L. 1980, C.72); AND (2) A SEPARATE SERIES OF CUSIP NUMBERS WILL BE ASSIGNED TO THE GENERAL IMPROVEMENT BONDS, SERIES 2015A.

Undertakings of the Successful Bidder

THE SUCCESSFUL BIDDER SHALL MAKE A BONA FIDE PUBLIC OFFERING OF THE BONDS AT THEIR RESPECTIVE INITIAL REOFFERING PRICES AND SHALL PROVIDE THE RELATED CERTIFICATION DESCRIBED BELOW.

The successful bidder shall within thirty (30) minutes after being notified of the award of the Bonds, advise the County in writing (via facsimile transmission) of the Bonds initial reoffering prices to the public of each maturity of the Bonds (the “Initial Reoffering Prices”). The successful bidder must, by facsimile transmission or delivery received by the County within twenty-four (24) hours after notification of the award, furnish the following information to the County to complete the Official Statement in final form, as described below:

A. Selling compensation (aggregate total anticipated compensation to the underwriters expressed in dollars, based on the expectation that all the Bonds are sold at the prices or yields at which the successful bidder advised the County that the Bonds were initially offered to the public).

B. The identity of the underwriters if the successful bidder is part of a group or syndicate.

C. Any other material information that the County determines is necessary to complete the Official Statement in final form,

After the award of the bonds, the County will prepare copies of the final Official Statement and will include therein such additional information concerning the reoffering of the bonds as the successful bidder may reasonably request. The successful bidder will be responsible to the County in all aspects for the accuracy and completeness of information provided by such successful bidder with respect to such reoffering.

Introduced on: November 10, 2015
Adopted on: November 10, 2015
Official Resolution#: R20150817
SIMULTANEOUSLY WITH OR BEFORE DELIVERY OF THE BONDS, THE SUCCESSFUL BIDDER SHALL FURNISH TO THE COUNTY A CERTIFICATE ACCEPTABLE TO BOND COUNSEL (A COPY OF THE FORM OF SUCH CERTIFICATION IS AVAILABLE UPON REQUEST FROM BOND COUNSEL AT TELEPHONE NO. (973) 596-4777) TO THE EFFECT THAT (I) THE SUCCESSFUL BIDDER HAVE MADE A BONA FIDE PUBLIC OFFERING OF BONDS AT THE INITIAL REOFFERING PRICES, (II) AS OF THE DATE OF THE SALE OF THE BONDS, THE SUCCESSFUL BIDDER REASONABLY EXPECTED TO SELL A SUBSTANTIAL AMOUNT OF THE BONDS TO THE PUBLIC (EXCLUDING BOND HOUSES, BROKERS AND OTHER INTERMEDIARIES) AT THEIR RESPECTIVE INITIAL REOFFERING PRICES, AND (III) SUBSTANTIAL AMOUNTS OF THE BONDS WERE SOLD TO THE PUBLIC (EXCLUDING BOND HOUSES, BROKERS AND OTHER INTERMEDIARIES) AT THEIR RESPECTIVE INITIAL REOFFERING PRICES. Bond counsel advises that (i) such certificate must be made on the best knowledge, information and belief of the successful bidder, (ii) the sale to the public of 10% or more in par amount of the bonds of each maturity at the initial reoffering prices would be sufficient to certify as to the sale of a substantial amount of the bonds, and (iii) reliance on other facts as a basis for such certification would require evaluation by bond counsel to assure compliance with the statutory requirement to avoid the establishment of an artificial price for the Bonds.

Legal Opinions

The obligations hereunder to pay for and to accept delivery of the Bonds shall be conditioned on the availability and the delivery at the time of delivery of the Bonds of the approving opinion of the law firm of Gibbons P.C., Newark, New Jersey, bond counsel to the County, which will be furnished without cost to the Successful Bidder, substantially in the form set forth in the Official Statement distributed in preliminary form in connection with the sale of the Bonds. Such opinion shall state to the effect that the Bonds are valid and legally binding obligations of the County, and that all the taxable property therein will be subject to the levy of ad valorem taxes, without limitation as to rate or amount, to pay the principal of the Bonds and the interest thereon; and will also state that under existing law, interest on the Bonds is excluded from gross income for purposes of Federal income taxation. The obligations hereunder to pay for and to accept delivery of the Bonds shall be further conditioned on the availability and delivery to the Successful Bidder(s), at the time of delivery of the Bonds, of (i) certificates from the County Finance Director in form satisfactory to Bond Counsel evidencing the proper execution and delivery of the Bonds, the receipt of payment therefor and the fact the Bonds will not be arbitrage obligations within the meaning of the Code; (ii) a certificate from the County Attorney, in form and tenor satisfactory to Bond Counsel and dated as of the date of such delivery, to the effect that there is no litigation pending or (to the knowledge of the signer or signers thereof) threatened affecting the validity of the Bonds; and (iii) a certificate from the County Finance Director, in form and tenor satisfactory to Bond Counsel and dated as of the date of such delivery, to the effect that to the best of his knowledge of such and belief, and after reasonable investigation: (1) neither the Official Statement relating to the Bonds nor any amendment, or supplement thereto contains any untrue statement of a material fact or omits to state any material fact necessary to make the statements therein, in the light of the circumstances
in which they were made, not misleading; (2) since the date of the Official Statement (or the date of the most recent amendment or supplement thereto) no event has occurred which would make the statements therein untrue or, in the light of the circumstances in which they were made, misleading, and (3) there has not been any material adverse change in the operation or financial affairs of the County since the date of such Official Statement.

Preliminary Official Statement

The County has issued an Official Statement with respect to the sale of the Bonds in preliminary form (the “Preliminary Official Statement”) which the County has deemed final as of its date for purposes of paragraph (b)(1) of Rule 15c2-12 under the Securities Exchange Act of 1934 (“Rule 15c2-12”), except for certain omissions permitted thereunder and except for changes permitted by other applicable law.

The Preliminary Official Statement may be accessed via the Internet at www.idealprospectus.com. A printed version is also available upon request made to the Director of Finance of the County at the County Administration Building, Finance Department, 401 Grand Street, Paterson, New Jersey 07505 (telephone (973) 881-4440).

Official Statement

The County agrees to provide the successful bidder with up to fifty (50) copies of the final Official Statement adopted by the County in relation to the sale by the County of the Bonds within the period of time allowed under Rule 15c2-12, at the sole cost and expense of the County, with any additional copies which the successful bidder shall reasonably request to be provided at the sole cost and expense of the successful bidder.

Continuing Disclosure

In order to assist the successful bidder in complying with Rule 15c2-12, the County agrees to deliver on the Closing Date a Continuing Disclosure Certificate to be dated as of the Closing Date pursuant to which the County shall agree to provide at the times and to the information repositories and other persons described in Rule 15c2-12 the financial or operating data required to be disclosed on a continuing basis pursuant to Rule 15c2-12.

PROJECT: On-Call Concrete Testing for
Rehabilitation of Structure No. 1600-476
Crosby Avenue over Molly Ann’s Brook
City of Paterson, Passaic County

AWARD OF CONSULTING ON-CALL TESTING SERVICES

Dear Members of the Board:

As per Resolution R-2015-144, dated February 24, 2015, the County received bids for Construction & Geotechnical On-Call Testing Services for the County of Passaic on an as-needed basis for a period between March 1, 2015 and February 28, 2017. The bids from the various consultants were received on January 29, 2015 for the On-Call Testing Services.

The Rehabilitation of the Structure No. 1600-476, Crosby Avenue over Molly Ann’s Brook project requires concrete testing services and laboratory testing services. Based on the anticipated concrete testing services and laboratory services, Converse Consultants was selected to perform the work based on the lowest price of the On-Call Testing Services proposal. The work included coordination, preparation of concrete test cylinders, transportation of concrete cylinders, reports, and preparation of test results for this project. The estimated cost of the work is $2,560.00. These costs were based upon the rates submitted by Converse Consultants for Resolution R-2015-144 mentioned above.

This matter was discussed during the Public Works Committee meeting on October 26, 2015, and an initial allowance of $2,560.00 for Converse Consultants of Whippany, New Jersey is recommended to the full Board.

Based upon the above, this Office recommends that the Board of Chosen Freeholders adopt a Resolution awarding an allowance for consulting on-call testing services to Converse Consultants in the amount of $2,560.00 for the Concrete Testing and laboratory testing for the Rehabilitation of Crosby Avenue Bridge (Structure No. 1600-476) subject to the availability of funds.
Very truly yours,

Change Order #8 (Add -- Final)

Members of the Board:

Attached for your approval is Change Order #8 to be issued to the Contractor, reflecting an increase in the contract amount required to complete the project. The Change Order adjusts the quantities to reflect the As-Built Quantities as completed on this project.

The total amount of this additional work is $166,286.28 and causes the contract to exceed the original contract amount more than 20%. Attached is documentation required by N.J.S.A.C 5:30-11.9.

The Division of Engineering will include this change order in the final change order for the NJDOT County Aid for this project.

The total amount of the addition is $166,286.28, resulting in a new contract amount of $2,044,595.19.

This matter was discussed with the Public Works and Buildings and Grounds Committee at its meeting of October 26, 2015.

I respectfully request that the Board of Chosen Freeholders ADOPT a RESOLUTION approving Change Order #8 in the amount of $166,286.28.

Change Order #8 (Add) exceeding 20% of the contract

Dear Mr. DeNova:

A change order for additional work in the amount of $166,286.28 was reviewed and recommended for approval by the Public Works Committee at its meeting of October 26, 2015. Since this change order increases the contract amount by more than 20%, the procedures at N.J.A.C. 5:30-11.9 are being followed. This change can be allowed since it was not reasonably possible to issue a new contract for the additional work. Final construction was underway and the nature of the work required by this change required that the work continue under the same contract.

Very truly yours

This is to request a change order in excess of 20% of the original contract amount, in accordance with N.J.A.C. 5:30-11.9. I do hereby certify to the following:

1. **Explanation of the Factual Circumstances which necessitate issuance of the change order:**

   During the construction of the final segment of this contract, the underground drainage and resurfacing of Paterson-Hamburg Turnpike in Pompton Lakes, issues requiring multiple redesigns occurred. During the construction of the underground drainage system, several utility conflicts occurred due to mismarked or unmarked utilities. Due to the nature of drainage work, each instance required work stoppage until the Project Engineer could respond to the site and effect a redesign of the system in mid-stream. These redesigns included addition and modification of manholes to the system, relocation and addition of unplanned...
drainage inlets and, in one instance, complete removal and, redesign and reconstruction of an already constructed section of the system was required. Addition of unplanned inlets and relocation of underground pipes, necessitated replacement of a significant amount of the local curb and sidewalk system.

2. **Statement indicating why these circumstance could not have been foreseen:**

Even with legally required utility markouts prior to start of construction being performed, the age of utilities in Passaic County roadways and poor recordkeeping by the utilities often make it impossible for truly accurate locations to be identified.

3. **Statement indicating why issuance of the change order would be in the best interests of the contracting unit and would not constitute an abuse of these rules.**

Further delays in the construction of the drainage system would have caused the work to be held over a winter. Since the road had already been opened and work on the drainage started, it was considered inadvisable to stop progress and close the road up. That course of action would have increased the final cost significantly.

4. **I have reviewed the rules of the Division of Local Government Services pursuant to N.J.A.C. 5:30-11.9 et. Seq., and certify that the proposed change order may be allowed under the aforementioned rules.**

Respectfully,

Steven J. Edmond, P.E.
County Engineer

MEMORANDUM

To: All Passaic County Board of Chosen Freeholders

From: Anthony J. De Nova, County Administrator

Date: October 27, 2015

Re: Request that the Board of Chosen Freeholders, of the County of Passaic Review and Approve Change Order #8 for the 2013 Roadway Resurfacing Mid-County Project Awarded to J. A. Alexander, Inc.

In my capacity as Chief Executive Officer of the County of Passaic, I am hereby requesting that the Board of Chosen Freeholders adopt a Change Order for the above-referenced contract above the 20% increase in contract award price, which is permitted under the Local Public Contract Law. By way of background to this request, I received a letter on October 26, 2015, from Assistant County Engineer Timothy R. Mettlen, (copy attached), along with proposed and certification dated October 23, 2015 from Passaic County Engineer Steve Edmond, outlining the various facts and conditions that contributed to this project exceeding the 20% limitation on change orders.

During this construction of the underground drainage system, several utility conflicts occurred. Due to the nature of drainage work, each instance required work stoppage until the Project Engineer could respond to the site and effect, a redesign of the system. This redesign included addition and modification of manholes to the system, relocation of drainage inlets, and reconstruction.

After review, I am satisfied that this stoppage was unforeseeable and that this approval is in the best interest of the County of Passaic. Under these circumstances, I join in the recommendations of both the County Engineer and Freeholders of the Public Works Committee, that this change order in excess of 20% in the amount of $166,286.28 be taken up and adopted by the Board, bringing the final award of contract price of $2,044,595.19.

RESOLUTION AWARDING EMERGENCY CONTRACT TO CIPOLLINI ROOFING FOR THE PASSAIC COUNTY ADMINISTRATION BUILDING ROOF REPLACEMENT

WHEREAS recently the Passaic County Administrator received a report from the Superintendent of Buildings & Grounds that due to severe leaking of the roof of the Passaic County Administration Building the Building was in danger of irreparable damage from water infiltration in the event of inclement weather; and

WHEREAS as a consequence thereof, the said Administration authorized the County Engineer to solicit price quotes on an emergency basis and four (4) contractors submitted quotes on October 27, 2015; and

WHEREAS the County Engineer by letter to the Board of Chosen Freeholders of the County of Passaic dated October 28, 2015 reported that of the four (4) emergency quotes received the lowest was received from Cipollini Roofing of Dover, New Jersey in the amount of $514,000 and is recommending that they be awarded the contract to remove the ballasted roof and replace some with a single ply 60 mil EPDM roof (copy of the letter attached hereto and made a part hereof); and

WHEREAS the County Administrator by memo dated October 29, 2015 determined that this is a situation which could affect the health, safety and welfare of the employees of the State and County who work in the Administration Building and, as such, requires the award of an emergency contract to replace the roof of the Building (also attached hereto and made a part hereof).

NOW THEREFORE BE IT RESOLVED by the Board of Chosen Freeholders of the County of Passaic that it hereby ratifies the action
taken by the Passaic County Administrator in awarding an emergency contract to Cipollini Roofing of Dover, NJ in the amount of $514,000 to remove and replace the ballasted roof of the Passaic County Administration Building at 401 Grand Street in Paterson, New Jersey.

**BE IT FURTHER RESOLVED** that in conformity with the emergency provisions of the Local Public Contract Law, N.J.S.A. 40A:11-6, it hereby authorizes a contract for this emergency and payment to the contractor for all work performed in connection with this emergency.

RE: Authorization of Immediate Award of Contract for Construction to Cipollini Roofing of Dover, NJ

In connection with the above-referenced matter, this is to advise that in my capacity as Chief Executive Officer of the County of Passaic, I hereby deem it necessary to authorize immediate award of a contract to Cipollini Roofing, for the Passaic County Administration Building Roof Replacement.

The necessary work to be completed involves the removal of the ballasted roof and replacement of a single ply 60 mil EPDM roof. Failure to award this construction as an emergency would leave irreparable damage to the structure of the building, allowing infiltration of water damage during inclement weather. Of the four (4) bidders who submitted bids for RFQ to complete the necessary construction, Cipollini Roofing was the lowest bid received.

In light of the above, and the emergent need for this construction, I hereby authorize the award of contract to Cipollini Roofing of Dover, NJ, in the amount of $514,000.00, for the necessary roof removal and replacement of the Passaic County Administration Building.

Thank you for your kind and immediate attention to this matter.
