RESOLUTION AUTHORIZING PURCHASE OF LEGAL RESEARCH MATERIALS BY VARIOUS COUNTY DEPARTMENTS FROM GANN LAW BOOKS AND THOMPSON WEST FOR CALENDAR YEAR 2016, PURSUANT TO AN EXEMPTION FROM PUBLIC BIDDING (N.J.S.A. 40A:11-5 (1) (q)), FOR AN AMOUNT NOT TO EXCEED $75,000.00

WHEREAS various departments and agencies of County government have the need to purchase and maintain certain legal research materials; and

WHEREAS although the procurement of library and education goods and services is exempt from public bidding pursuant to N.J.S.A. 40A:11-5 (1) (q), the aggregate cost of said goods and services required by the County exceeds $17,500.00 and is therefore subject to the requirements of the “Pay-to-Play” law; and

WHEREAS the County has procured in the past and will continue to require books published by Gann Law Books and Thompson West, which are typically the only products available that meet the County’s needs; and

WHEREAS the said Board, by Resolution 06-97 dated February 14, 2006 established a policy of only awarding contracts in excess of the monetary threshold set forth under the “Pay to Play” Law only under a “Fair and Open” process; and

WHEREAS the Board is desirous of making an exception to that policy because of the unique circumstances of this case; and
WHEREAS the local Public Contracts Law, N.J.S.A. 40A:11-1 et seq., requires that the resolution authorizing the award of contract for exempt goods and/or services and the contracts themselves must be available for public inspection; and

WHEREAS the Administration and Finance Committee reviewed this matter at its meeting of January 27, 2016 and recommended that this agreement be awarded as an exempt service with the understanding that the recipient has not made or will make political contributions as set forth under the Campaign Contributions and Expenditures Reporting Act (N.J.S.A. 19:44A-1); and

WHEREAS a certification is attached which indicates that funds are available for the within contemplated expenditure;

NOW THEREFORE BE IT RESOLVED by the Board of Chosen Freeholders of the County of Passaic that it hereby authorizes the purchase of law books from Gann Law Books and Thompson West for various County departments and agencies for calendar year 2016, for an amount not to exceed $75,000.00; and

BE IT FURTHER RESOLVED that this contract is being awarded as an exception to the policy of the Board as set forth in its Resolution R-06-97 dated February 14, 2006 because of the special circumstances of this situation, and the policy of
the Board as set forth in this resolution shall remain in full force and effect; and

**BE IT FURTHER RESOLVED** that all affected officers and employees be and hereby are authorized and directed to take such actions and execute such documents as are necessary to effectuate the purposes of this resolution, including issuance of purchase orders as necessary; and

**BE IT FURTHER RESOLVED** that this contract is awarded without competitive bidding in accordance with N.J.S.A. 40A:11-5(1)(l) of the Local Public Contracts Law in that it concerns goods and/or services necessary to conduct an election; and

**BE IT FURTHER RESOLVED** that a Notice of this action be published in the NORTH JERSEY HERALD & NEWS.

RESOLUTION URGING NEW JERSEY STATE LEADERS TO REAUTHORIZE THE TRANSPORTATION TRUST FUND AND TO INCREASE LOCAL AID ALLOCATIONS UNDER THE STATE OF NEW JERSEY'S TRANSPORTATION CAPITAL PROGRAM

WHEREAS county and municipal roads and bridges carry an estimated 53% of the State's overall traffic, yet inequitably receive only 12% of funding for Local Aid allocations under the State's current Transportation Trust Fund; and

WHEREAS the proportionate share of Local Aid funding has dramatically decreased by 57% since the Transportation Trust Fund was established nearly three decades ago; and

WHEREAS county governments operate and maintain over 7,000 bridges and an equal amount of centerline miles of roads at a current cost share to local taxpayers of approximately $334 million each year; and

WHEREAS municipalities operate and maintain 25,765 centerline miles of roads at a current cost share to local taxpayers of approximately $318 million; and

WHEREAS it is in the best interest of local governments and taxpayers for State leaders to establish critical funding for vital transportation projects and to increase Local Aid allocations as a means to reduce the reliance on the collection of local property taxes, promote job growth and economic development and ensure a safe and reliable transportation network.

WHEREAS the Administration Finance and Personnel Committee considered this matter at its meeting of January 27, 2016 and recommended this resolution to the full Board for adoption.
NOW THEREFORE BE IT RESOLVED that the Board of Chosen Freeholders of the County of Passaic does, in fact, hereby urge State leaders to reauthorize the Transportation Trust Fund with stable, dependable, and sufficient sources of funding and to increase Local Aid allocations under the State’s Transportation Trust Fund to $400 million.

BE IT FURTHER RESOLVED that certified copies of this Resolution be forwarded to the Governor of the State of New Jersey, the President of the New Jersey State Senate, the Speaker of the General Assembly and all members of the General Assembly and New Jersey State Senate representing Passaic County, and the New Jersey Commissioner of Transportation and Boards of Chosen Freeholders of the other twenty counties.

Passaic County Counsel Office
Attn: William J. Pascrell III, County Counsel

Paterson, NJ 07505

Hi Mr. Pascrell:

I am pleased to announce that Mobile Diagnostic Services is combining with MobilexUSA, the pre-eminent provider of portable x-ray services in the United States.

All of the MDS x-ray and ultrasound techs will continue to service the MDS accounts and the MDS Account Executive, Beth Zeccola, and myself will be joining MobilexUSA.

The combination of MDS and Mobilex will create a company with greater resources, staffing and the latest technology and equipment. The turn-around-time on completed reports will be faster. So, we are excited about this opportunity.

We wish to continue to provide our services to Preakness Healthcare Center. I spoke with Lucinda Corrado at the facility and she, having worked with both companies and being satisfied with both companies, is willing to have MobilexUSA fulfill the remainder of our contract. There will be no change in pricing.

The County may have to consent to the assignment of our contract to MobilexUSA. Attached is a form that the attorneys have furnished.

It would be great if we can get the paperwork entailed in allowing the assumption of our contract by MobilexUSA signed off on quickly. MobilexUSA is scheduled to takeover the MDS accounts on Monday February 1, 2016.

Let me know if you need anything additional from me.

Thank you for your assistance.

Re: Consent to Assignment of that certain agreement, between Mobile Diagnostic Services, Inc. ("MDS"), and as amended, restated, or supplemented from time to time (the "Agreement").

Dear Mr. Pascrell:

Thank you for choosing MDS to be your provider of X-ray, ultrasound, EKG, and related services.

We are pleased to announce that MDS anticipates consummating a transaction with Symphony Diagnostic Services No. 1, LLC, a California limited liability company, and American Diagnostics Services, Inc., a Pennsylvania corporation (collectively, "Trident"), pursuant to which MDS will sell to Trident substantially all of its assets, including, without limitation, the Agreement (the "Transaction"). The parties are currently working towards consummating the Transaction on or about February 1, 2016 (the "Closing Date"), at which time MDS will assign all of its right, title and interest in and to the Agreement to Trident, and Trident will assume the obligations of MDS under the Agreement (the "Assignment").

MDS and Trident will ensure a smooth transition with no lapse in providing the high quality services that you have come to expect from MDS. Accordingly, we are requesting your consent to the Assignment. By signing below, you hereby consent to the Assignment, and agree that the Agreement will remain in full force and effect, in accordance with its terms, following the Assignment.

We would appreciate receiving your signed consent as soon as possible, but no later than January 28, 2016. If you have any questions regarding this letter, please do not hesitate to contact me at (_______) or [email]. Thank you in advance for your prompt attention to this request.

Sincerely,

RESOLUTION INCREASING THE PERMIT FEE FOR THE TELEVISION, MOTION PICTURE FILM COMMUNITY AND OTHER ENTITIES DESIROUS OF FILMING ON PASSAIC COUNTY PROPERTY AND IN PASSAIC COUNTY PARKS AND WAIVING THE PERMIT FEE FOR NON-PROFIT AND EDUCATIONAL INSTITUTIONS

WHEREAS the Board of Chosen Freeholders of the County of Passaic by Resolution R-03-318 dated June 11, 2003 set up a permit process for the television, motion picture film community and other entities desiring to film on Passaic County owned properties, including County of Passaic Parks; and

WHEREAS while the said Board continues to believe that a vibrant film permit system is in the best interest of the citizens of Passaic County, it believes that the permit fee previously set at $100.00 needs to be significantly increased to offset the costs associated with this filming process; and

WHEREAS this permit fee has not been increased in approximately thirteen (13) years; and

WHEREAS the Freeholder Committee for Finance & Administration at its January 27, 2016 meeting reviewed this matter and is recommending that the new permit fee be set at $1,000.00 and that the $25.00 fee for those non-profit and educational institutions be waived; and

WHEREAS this suggested permit fee increase is consistent with that being charged by other County and County Park Commissions in Northern New Jersey.

NOW THEREFORE BE IT RESOLVED by the Board of Chosen Freeholders of the County of Passaic that it hereby amends Article IV of its Resolution R-03-318 dated June 11, 2003 to reflect that
henceforth a permit to film on Passaic County property and in Passaic County Parks will be $1,000.00 and that the $25.00 fee for non-profit and educational institutions which was $25.00 will henceforth be waived.

**BE IT FURTHER RESOLVED** that in all other respects the Film Permit Procedure as set forth in the original R-03-318 Resolution dated June 11, 2003 shall remain in full force and effect.

**BE IT FURTHER RESOLVED** that this amendment shall take effect immediately.

February 9, 2016

Francine Vince
Passaic County Division of Mental Health and Addiction Services
401 Grand Street
5th Floor
Paterson, NJ 07505

Dear Ms. Vince:

The Governor's Council on Alcoholism and Drug Abuse (GCADA) is announcing its intention to provide a grant to Passaic County for the Fiscal Year 2017 Alliance to Prevent Alcoholism and Drug Abuse Program. The allocation for Fiscal Year 2017 per formula from the Drug Enforcement Demand Reduction (DEDR) Fund, including coordination funds, is $512,024.

The grant period will begin July 1, 2016 and continue through June 30, 2017. This letter of intent is contingent upon the availability of funds and is subject to the rules of the New Jersey Department of Treasury.

County coordination funds are included in your funding formula award. Counties may take up to 15 percent of their DEDR award with a minimum of $60,000. The total amount of coordination funds available for your county for FY 2017 is $76,804. County spending plans will be approved by the GCADA in accordance with established grant guidelines.

Up to five percent (5%) of DEDR funds up to a maximum of $20,000, may be used for countywide activities. These activities should focus on training for the Municipal Alliances and community partners. The trainings and activities chosen must benefit the county-at-large.
Counties will only be permitted to contract with Municipal Alliances that attended the required GCADA trainings on the needs assessment and strategic planning process. Refer to the enclosed “Guidelines for Distributing Funds from Non-Participating Municipalities” for assistance with reallocating funds from municipalities that are not participating for FY 2017.

All funds will be reimbursed to the counties after receipt and acceptance of the required expenditure reports, programmatic reports and vouchers.

The submission and approval of the County Alliance Plan, including a detailed budget for county coordination and countywide activities, will be required to access these funds. Plans must be submitted to GCADA by February 26, 2016. Plans received past the due date will not be assured of approval by July 2016.

Please be advised that no County Alliance Plan will be reviewed or presented to the full Council for approval if the County is not up to date with its expenditure and programmatic reports for the prior grant term.

The County’s continued cooperation and support are appreciated.

Sincerely,

Re: Farmland Preservation Easement for Eden Farms II – Name Change

In 2012 the Board of Chosen Freeholders approved the purchase of farmland preservation easements on the property known as Eden Farms II in the amount of $240,000 per resolution 12-317. The property was set to close in January 2014, but the property owner was unable due to mortgage subordination issues.

In working with the Passaic County Agriculture Development Board, John Pogorelec, and the property owner we have been able resolve all previous issues and are now ready to close. However, the farm operation has since changed names from Eden Farms II to Simply Planted, LLC. Mr. Pogorelec has requested a resolution to formalize the change so that all necessary documentation can be modified accordingly.
