2016 "CAP" RESOLUTION TO EXCEED INDEX RATE

N.J.S.A 40A:45:15

WHEREAS the Local Government Cap Law, N.J.S.40A:4-45.1 et seq., provides that in the preparation of its annual budget, a county shall limit any increase in said budget to 0.0% unless authorized by resolution to increase it to 3.5% over the previous year's final appropriations, subject to certain exceptions; and

WHEREAS N.J.S.A. 40A:4-45.15applies that a county may, when authorized by resolution, appropriate the difference between the amount of its final appropriation and the 3.5% percentage rate as an exception to its final appropriations in either of the next two succeeding years; and

WHEREAS the Board of Freeholders in the County of Passaic finds it advisable and necessary to increase its 2016 budget by up to 3.5% over the previous year's final appropriations, in the interest of promoting the health, safety and welfare of the citizens; and

WHEREAS the Board of Chosen Freeholders hereby determines that a 3.5% increase in the budget for said year, amounting to $8,326,938.65 in excess of the increase in the final appropriations otherwise permitted by the Local Government Cap Law, is advisable and necessary; and

WHEREAS the Board of Chosen Freeholders in the County of Passaic hereby determines that any amount authorized hereinabove that is not appropriated as part of the final budget

RESOLUTION AWARDING A CONTRACT TO PERSELAY ASSOCIATES, INC. FOR CONTRACT ADMINISTRATION AND MONITORING SERVICES FOR THE COUNTY OF PASSAIC AND THE PASSAIC COUNTY SHERIFF’S DEPARTMENT RELATIVE TO CONTRACTED MEDICAL SERVICES AT THE PASSAIC COUNTY JAIL FOR A PERIOD OF ONE (1) YEAR, COMMENCING MARCH 1, 2016 AND TERMINATING ON FEBRUARY 28, 2017, PURSUANT TO REQUEST FOR QUALIFICATIONS

WHEREAS the Board of Chosen Freeholders of the County of Passaic (the “Board”) has previously entered into an agreement with Corizon Health (formerly known as CHS) for the provision of medical services to inmates at the Passaic County Jail, pursuant to a duly adopted resolution (R-11-259, 04/12/11); and

WHEREAS the Board is committed to ensuring that the contract between the County and Corizon is administered and performed in an appropriate and efficient manner, and believes that these goals would be served by retaining a consultant to monitor performance of the contract in several areas, including quality control, regulatory compliance and the identification of areas of potential cost savings; and

WHEREAS the County issued a public solicitation for qualified organizations to perform these services, in accordance with “Fair and Open” procedures as established in the “Pay-to-Play” law, N.J.S.A. 19:44A-20.4, et seq; and
WHEREAS the Board previously adopted a resolution (R2015 083, 02/10/15) awarding a contract to Perselay Associates, Inc. to perform the necessary services for a period commencing March 1, 2015 and terminating February 29, 2016; and

WHEREAS the County issued a new solicitation for the services described above for calendar year 2016; and

WHEREAS the responses to said public solicitation were received on February 11, 2016 and reviewed by the Committee previously established for that purpose by resolution R-06-97 adopted on February 14, 2006; and

WHEREAS the Evaluation and Review Committee has reviewed the submittals and recommends that Perselay Associates, Inc. be qualified to perform the necessary services, and the Board is desirous of awarding a new contract to the Consultant to perform said services for a term of one (1) year for an annual fee of $72,000.00, payable in equal monthly installments of $6,000.00, for the services as more fully described in the attached proposal; and

WHEREAS although the public solicitation referenced a contract period of “Calendar Year 2016,” the Board is desirous of awarding a contract for a term commencing March 1, 2016 and terminating on February 28, 2017 to coincide with the expiration of the previous contract term; and
WHEREAS the services involved are exempt from public bidding as “Extraordinary Unspecifiable Services,” pursuant to N.J.S.A. 40A:11-5 (1) (a) (ii); and

WHEREAS a certification is attached hereto to reflect the availability of funds for the within contemplated expenditure; and

WHEREAS the Administration and Finance Committee reviewed this matter at its meeting of February 24, 2016 and recommended this resolution to the full Board for adoption;

NOW THEREFORE BE IT RESOLVED by the Board of Chosen Freeholders of the County of Passaic that it hereby accepts the committee’s recommendation of award of contract under the Local Public Contracts Law, specifically N.J.S.A. 40A:11-5 (1) (a) (ii); and

BE IT FURTHER RESOLVED that the Clerk of the Board, the Purchasing Agent and the Director of the Board be and hereby are authorized to execute all necessary agreements on behalf of the County of Passaic as prepared by the Office of County Counsel for said purpose; and

BE IT FURTHER RESOLVED that although exempt from formal public bidding, this contract is awarded in accordance with “Fair and Open” procedures established in the “Pay-to-Play” law, N.J.S.A. 19:44A-20.4, et seq., as stated more fully above.

SECTION 3: SUBMISSION REQUIREMENTS

3.1 General Requirements.

It is understood that the Qualification Statement submitted by PAI must meet or exceed the professional, administrative and financial qualifications set forth in Section 2 and shall also incorporate the information requested in Section 3 of the Request for Qualifications.

PAI will submit supplemental information that it feels may be useful in evaluating its Qualification Statement. The information will be presented in a clear, factual and concise manner.

PAI notes that some overnight delivery services are now offering guaranteed delivery of packages by 7 am and that the county offices are not open that early. PAI intends to hand deliver this response to the RFO that was issued.

3.2 Administrative Information Requirements

PAI, as part of its Qualification Statement, hereby provides the following information:

1. Executive Summary.

Perselay Associates, Inc. was founded in 1996 by Geoffrey S. Perselay Esq.; President of Perselay Associates, Inc. Mr. Perselay formed the company to provide government relations for businesses and management consulting for governmental units, drawing on his many years of experience in County and State government. Over the past 20 years, either directly or thru client firms that he has represented, Mr. Perselay has consulted for several county governments as well as several State departments on assignments ranging from financial consulting to intergovernmental relations between state agencies and county governments. During the past two years, Perselay Associates, Inc. has been engaged by several counties to provide consulting services. In addition to Passaic County, where Perselay Associates has been engaged as the Medical Contract Administrator, the company has contracted with Cumberland County and Union County to provide management review services for the Cumberland County Jail and Union County Jail, respectively. Most recently, the company was engaged by Monmouth County to assist with the sale of two county nursing homes and Middlesex County, in conjunction with Pino Consulting Group, for a management review of the County Adjuster’s office.

Mr. Perselay’s significant experience in both the public and private sectors makes this firm unequaled in qualifications for performing the function of Contract Monitor. Mr. Perselay has spent over 20 years in New Jersey State and County government. In each position that he has held, from Acting Commissioner of Human Services for the State of New Jersey to County Administrator of Hudson County, he has been responsible for many health care functions and facilities. In Hudson County, as the County Administrator, he assumed the responsibilities of running the Hudson County Correctional Center as the Acting Warden in addition to his responsibilities of County Administrator. In the private sector, Mr. Perselay was the CEO of a 150 bed psychiatric facility in Summit, New Jersey, owned by Charter Behavioral Health Systems of New Jersey.

For fifteen years Mr. Perselay has been involved in providing county governments with an opportunity to contract out their correctional health care services. From 1996 until 2002, Mr. Perselay represented Correctional Health Services, LLC (CHS) developing client relationships for the company with many county governments.

In 2002, Mr. Perselay became the President/CEO of CHS. In this capacity, Mr. Perselay was responsible for all operations of the company as well as client relations, strategic planning and business development. As the CEO, Mr. Perselay often met with clients to discuss their continuing clinical needs and ways that CHS could be helpful in addressing those needs.

As a result of his extensive experiences in leadership roles and executive positions in both the public and private sector, Mr. Perselay has developed a unique perspective that has served his governmental clients well when they sought advice on how to enhance their provision of correctional health care services.

For the past four years, Perselay Associates has been the Contract Administrator for the medical operations in the Passaic County Jail. During this critical period of time, Mr. Perselay has worked in conjunction with the Warden, his command staff and Corizon to ensure that the services required under the medical management contract were provided to the County Jail. In this regard, there has been a cooperative relationship, and Corizon has provided, essentially, the services that they were contracted to provide.

However, in 2014 there were instances of extended staff vacancies that have required the imposition of Liquidated Damages. This was the first time that this has occurred since Corizon has held the contract. The use of off-site services has been closely monitored and the transition from the use of St. Joseph’s Hospital to the use of East Orange General Hospital has occurred in a relatively short timeframe.
County of Passaic  
Contract Administrator and Monitoring  
For Passaic County Jail Health Care Services  
Calendar Year 2016

This has resulted in a more cost effective arrangement where the County not only benefits from the lower cost for services to the inmate patients rendered in East Orange General, but also in a lower cost of custody, since the hospital has a locked secure unit operated and secured by the Essex County Department of Corrections.

One of the most significant challenges met last year was to fully incorporate a Mental Health program into the jail that met the standards required under the consent decree. This was initiated subsequent to the resignation of the County’s Psychiatrist, in 2013, as she continued to provide services on a limited basis to the patients in the Jail. This was accomplished thru the relationship with Corizon, when they provided a proposal that met the needs of the jail, satisfied the Consent Mental Health Monitor and provided for enhanced mental health services, utilizing the existing county mental health staff.

However, with the new contract procurement in 2014, the County staff was shifted to Corizon as the successful proposer for the healthcare services contract. With the hiring of the former County staff as well as the hiring of a new psychiatrist, the Mental Health program has substantially met all but one of the requirements of the Consent Order by the end of 2015. They have also continued to maintain NCCHC accreditation. One challenge for 2016 will be the reaccreditation process for NCCHC towards the end of the year.

Perhaps one of the most challenging financial issues in 2014 has been the implementation of the Medicaid Expansion option, provided under the Affordable Care Act (ACA), as authorized by the Governor and State Legislature. The State Department of Human Services and in particular, the Division of Medicaid and Health Services has failed to live up to the terms of the expansion. They failed to recognize the importance to the Counties of shifting the financial responsibility for inpatient care from the County taxpayers to the federal Medicaid program that, for the years of 2014-2016, would assume 100% of the costs. Rather, they belatedly developed a program that took effect on September 1, 2014, to allow for processing Presumptive Eligibility forms on inmates who need inpatient care. However, the only way that Medicaid would pay for a hospital stay prior to September 1, 2014, would be if the hospital repaid the County those funds that the County had paid and the hospital then billed the Medicaid program.

In Passaic County, PAI advised the Warden and his staff to not process any hospital payments in 2014 until Medicaid issued its rules and regulations or directions on how they were going to implement the Medicaid expansion as it related to County inmates. No payments were made to either East Orange General or St. Josephs for inpatient cases. In late November, payments were made to both hospitals for outpatient and emergency room
visits, since they are not eligible for Medicaid payment. PAI estimates that the County will save approximately $200,000 due to this strategy, as the Passaic County Board of Social Services is processing each case of inpatient care thru Medicaid.

The challenges for 2016 are significant. The Jail must continue to meet the standards of the accreditation and, as mentioned previously, get the facility reaccredited by NCCHC. It will be up to the monitor to ensure with the vendor, that on a monthly basis there are statistics that are reviewed to ensure continued compliance. This will be very important to document prior to the revisit of the Court Monitors in March 2016. It is a goal to comply fully with the MOU conditions and provisions by the end of 2016.

As noted earlier, the Mental Health Program is progressing well in the Jail. However, there still remain concerns about selected off-site mental health providers and their responsiveness to the needs of the jail. This is an issue that should be addressed in 2016.

The full implementation of the ACA Medicaid Expansion will also be important to the County in general and the Jail in particular. The State Division of Medicaid and Health Services still has not advised the Counties as to their "permanent fix" for the inmate population. While it was promised to be in place by January, 2015, it is not. While Passaic has benefitted from PAI’s advice so far, we will continue to monitor what the State is planning on implementing. To date, the Warden and PAI have communicated on a regular basis when information is released from the State and PAI has been included on all correspondence from the Executive Director of the New Jersey Association of Counties.

The County has the opportunity now to coordinate with the Board of Social Services, on the processing of inmates for Medicaid Eligibility upon their discharge from the Jail. They are working together to implement a web-based system that will include pre-filing Presumptive Eligibility Forms for all inmates who are admitted to the Jail. This information, which will be taken from the Jail Management System (JMS) will then be processed over to the Board of Social Services for their use upon the discharge of the inmate. The expanded use of this system will provide for a communication platform for reintegration into the community and tracking necessary services that community providers render.

Another significant issue is the full implementation of the Electronic Medical Record (EMR) as called for under the Corizon contract. There has been some significant progress made in 2015, but this has to be expedited and completed in 2016. With the recent hiring of a new Medical Director, and the Health Services Administrator, both of whom have significant
experience with EMRs, it is expected that there will be significant progress in this regard. This is critical for the Consent Order as well.

The final major issue that will be faced in 2016, is the Lab contract, which expired in December, 2015. We are looking at alternatives, in order to determine if there is an opportunity to achieve savings. PAI is working with Corizon in order see if there is a cost effective alternative solution to the current situation.

Finally, PAI is working with the North Hudson Community Action Corporation, which is an FQHC to see if there is the potential to achieve savings on pharmacy by collaborating with the FQHC to be able to achieve 340(b) pricing.

3.3 Professional Information Requirements

1. Overall Experience

Perselay Associates, Inc. has twenty (20) years of experience providing management consulting to both public and private entities. In addition, Geoffrey S. Perselay, Esq., the founder and President of the firm, has over 23 years of experience in the public sector, having served in increasingly responsible positions in County and State Government. In addition, Mr. Perselay has spent the past 18 years in the private sector, consulting to public entities as well as running a correctional health care firm for nine years.

Virtually all of Mr. Perselay’s professional career has been involved with improving and enhancing the delivery of services in the public sector, while managing and decreasing costs wherever possible.

Mr. Perselay has monitored the delivery of health care services to inmates in County Jails for 10 years. When he did that as the President and CEO of Correctional Health Services, LLC, (CHS) he brought a unique perspective to his practice of monitoring contracts. Given his governmental experience, especially his tenure as Hudson County Administrator and Acting Warden of the Hudson County Correctional Center, Mr. Perselay consistently monitored his contracts from the vantage point of his previous experience. In that regard, he knew what his clients expected in terms of service and attention, whether strictly covered in the contract terms or not, and he saw his job as making sure that their expectations were met. Where there were clinical, administrative or financial issues and the client was not pleased with CHS, Mr. Perselay would meet with the client and the CHS staff to work out arrangements to meet the client’s expectations, where legitimate and reasonable.

This experience will continue to serve the County of Passaic well. The mixture of public sector experience as a procurer of services and user of services, and private sector experience as a vendor/provider of services, places Mr. Perselay in a special position with unique experience to provide the requested scope of services.

a) Description and Scope of Work

While Passaic County had in the past privatized several functions in the County Jail that were part of the healthcare delivery system, the outsourcing of the management and staffing of a significant portion of the jail medical function has been a major...
accomplishment for the County. For the past four and a half years, the jail has moved through a steady transition with its medical vendor in this regard. During the past year, a new contract was entered into with Corizon that has placed the mental health operation fully within the purview and responsibility of Corizon. This is a significant accomplishment for the County and should serve the county well. This follows the transition in the lab contract, pharmacy contract and other ancillary services.

Each of these transitions has, overall, been handled well, with the largest internal contract transition being the move from Diamond Pharmacy to Maxor Pharmacy. This was accomplished and last year was extended under a new contract with Maxor. There have been very few issues and the contract has resulted in lower costs and enhanced services.

The transition of providing in-patient off-site care has also occurred between St. Joseph’s Hospital and East Orange General Hospital. While the non-emergency cases and patients that do not require mental health screening services are going to East Orange, the remaining populations mentioned above continue to go to St. Joseph’s for clearance. This will continue in the future, as long as St. Joseph’s is designated as the Trauma Center and Mental Health Screening Center for Passaic County. However, the price premium that St. Joseph’s has insisted upon has recently been renegotiated. With the guidance from Perselay Associates, the County is now entering an agreement that has reduced the cost to the County by 17%, saving the County over $150,000. In the past year, the savings have increased as well with the full implementation of the provisions of the ACA. Perselay Associates looks forward to continuing to analyze the savings achieved due to the ACA/ Medicaid Expansion in the state.

The Utilization Management Program, offered by the County’s healthcare vendor, continues to be critical to the success of monitoring the use of both of these hospitals as well as other off-site providers. The coordination between the Jail Medical Director, the contractor’s Utilization Management nurse, the St. Joseph’s Hospital staff and the East Orange General Hospital Staff will continue to be critical to realizing these anticipated results.

County of Passaic
Contract Administrator and Monitoring
For Passaic County Jail Health Care Services
Calendar Year 2016

As noted earlier, a significant role of the contract monitor will be monitoring compliance with the standards of the NCCHC Accreditation. This will be significant in terms of continuing to demonstrate compliance with the Consent Order and hopefully releasing the medical operation from the Monitor's oversight. Therefore, continued documentation of the progress in compliance with the requirements of the Consent Order becomes important for the Contract Administrator as well.

Specific Duties of the Contract Monitor

In addition to the Scope of Services found in Section 2 of this RFO, all of which have been acknowledged and agreed to in that section and repeated here, there is further enunciation of the County's expectations as it relates to the role of the contract monitor. These expectations may be found in the RFP issued by the County of Passaic to procure the services of the vendor whose contract with the County is the subject of this Contract Monitoring RFO.

The RFP specifications issued by Passaic County for the procurement of the provision of healthcare services in the Passaic County Jail and the proposal submitted by the successful healthcare vendor specifically provide for and acknowledge the position of a Contract Monitor. Section XXII of the specifications, found on page 38, provides for the independent contract monitor to "ensure compliance with the contract, including accreditation standards and compliance with Memorandums of Understanding, ensuring staffing and hour requirements are being properly maintained, reviewing grievances and reviewing all costs associated with the contract." In addition, that section calls for the contract monitor to "focus much attention on staffing, on/off site care and pharmacy utilization." The vendor is required to "work closely with the Contract Monitor, including providing reports, clinical and statistical information as required/requested and with timely response to all inquiries."

Pursuant to the provisions of Section V (Scope of Services), Section 16 entitled "Off-Site Care", there is Section 16 (e) (iv) (5) which covers "Bill Processing Procedures" for Off-Site Care and requires that "prior to payment of all invoices for on-site and off-site care, all charges for services provided will be submitted to the contract monitor for review and approval. Only after Contract Monitor approval will Medical Billing staff issue
payment for on-site and off-site services. Care/service charges will be forwarded to the Contract Monitor weekly in batches for review in spreadsheet format.” While this provision has not been enforced, in order to avoid unnecessary delays in processing bills and trying to achieve prompt pay discounts, Perselay Associates has monitored the utilization on a monthly basis through the MAC meetings.

In section 16 (e) (iv) (6), it is mandated that the vendor communicate routinely/timely concerning all off-site utilization with the Contract Monitor representing the interests of the County.” In addition, it requires that the “contract monitor have accessibility to site management, site medical director, corporate medical director and the corporate utilization management staff to discuss utilization and to participate in concurrent reviews”, and that the vendor is further required to participate in weekly conference calls with the Contract Monitor, and that the Contract Monitor will receive daily calls on inpatient status.

Finally, Section V (17) (d) provides for the Medical Audit Committee (MAC), monthly reviews of medical practices/protocols, and states that the Contract Monitor is included as a required member of the Medical Audit Committee which is required to meet monthly and “conduct reviews of individual charts and medical records; deliberations, recommendations and actions taken as a result all of which shall be documented.”

The other major area where continuous monitoring of the contractor’s performance will be required, involves the provisions of Section XX of the Specifications entitled “Adjustments to Fee for Service.” Section XX (1) provides for the assessment of liquidated damages for failure to meet contract requirements. However, these liquidated damages will only be assessed if the vendor does not correct the areas of contract noncompliance within 10 days of the date of notice of the noncompliance.

Obviously, it is desired that the vendor will comply with all contractual requirements. However during 2014 Corizon has had several issues that have been subject to the assessment of liquidated damages. These instances were self-reported violations [as required in Section XX (1) (d)], and as the Contract Monitor PAI followed up on corrective actions taken and their timeliness which will affect the assessment of
County of Passaic

liquidated damages. This was done on a monthly basis and eventually the positions were filled and a final liquidated damage assessment was determined. In 2015, there were issues with staffing early in the year, but they appear to have been corrected by the third quarter of the year.

It is understood that there may be other additional duties and requirements for the Contract Monitor to perform, as other issues may arise. Since the County had not previously outsourced this function, there may be a need for additional services, meetings and reports.

RESOLUTION AUTHORIZING A SHARED SERVICES AGREEMENT
BY AND BETWEEN THE COUNTY OF PASSAIC AND COUNTY OF
BERGEN TO ALLOW THE HOUSING OF PASSAIC COUNTY
JUVENILES AT THE BERGEN COUNTY DETENTION CENTER

WHEREAS the County of Passaic entered into a long term
Shared Services Agreement with the County of Essex to house
juveniles who enter the criminal justice system and who the New
Jersey Superior Court determines need to be detained; and

WHEREAS from time to time the said Court determines that a
juvenile should not be housed at the Essex County Juvenile
Detention Center; and

WHEREAS the County of Bergen operates a Juvenile Detention
Facility in Teterboro, New Jersey, which is a high quality facility
providing necessary and appropriate services and amenities to
detained juveniles; and

WHEREAS the County of Bergen has offered the use of its
Juvenile Detention Facility to those juveniles who the Court
determines should not go to the said Essex County Juvenile
Detention Center for the reasonable daily fee of $225.00 per day for
the period March 1, 2016 to December 31, 2017; and

WHEREAS the two Counties are desirous of entering into a
Shared Services Agreement to set out the terms and conditions of the
housing of Passaic County juveniles at the Bergen County Detention
Center (see copy of proposed Agreement attached hereto and made a
part hereof); and

WHEREAS this type of agreement is authorized by the Uniform
Shared Services and Consolidation Act; specifically, N.J.S.A. 40A:65-
4(a); and
WHEREAS the Freeholder Committee for Administration and Finance at its February 24, 2016 meeting reviewed this matter and is recommending it to the full Board for approval; and

WHEREAS a certification is attached hereto indicating the availability of funds for said expenditure.

NOW THEREFORE BE IT RESOLVED by the Board of Chosen Freeholders of the County of Passaic that it hereby authorizes a Shared Services Agreement by and between the County of Passaic and County of Bergen to allow juveniles that enter the criminal justice system who the Court orders detained and who cannot be accommodated at the Essex County Juvenile Detention Center to be detained at the Bergen County Detention Center under the terms and conditions set forth in the proposed attached Agreement.

BE IT FURTHER RESOLVED that this Agreement shall only be used on an as-needed basis and shall be effective upon execution by all parties through December 31, 2017.

BE IT FURTHER RESOLVED that the Director and Clerk to the Board as well as the County Counsel are authorized to execute this Agreement on behalf of the County of Passaic.

AGREEMENT

THIS AGREEMENT ("Agreement"), dated this ______ day of ______ 2016, by and between the County of Bergen, a body politic and corporate of the State of New Jersey ("Bergen"), and the County of Passaic, a body politic and corporate of the State of New Jersey ("Passaic").

RECITAL

1. The County of Bergen ("Bergen") is a body politic and corporate of the State of New Jersey with its main offices located at One Bergen County Plaza, Hackensack, New Jersey 07601; and

2. The County of Passaic ("Passaic") is a body politic and corporate of the State of New Jersey with its main offices located at XXXXX, XXXXX, New Jersey 07XXX; and

3. Bergen recognizes the essential purpose of promoting public safety while providing the best care and conditions for the youth that enter the juvenile court system; and

4. Passaic does not currently operate a Juvenile Detention Center. Passaic seeks to use the Bergen County Juvenile Detention Center, located at 200 North Street, Teterboro, New Jersey 07608 for Passaic juveniles who cannot be accommodated at the Essex County Juvenile Detention Center; and

5. Bergen owns and operates a Juvenile Detention Center ("BCJDC"), which is a high quality facility providing necessary and appropriate services and amenities; and

6. Bergen has the capacity to periodically house one or more juveniles who cannot be detained at the Essex County Juvenile Detention Center; and

7. Providing for the detention of Passaic juveniles in the BCJDC will result in a cost savings to Passaic, through the sharing of the facility and the payment of reasonable fees for the juveniles detained; and

8. N.J.S.A. 40A:65-1 et seq., specifically authorizes local government units, including counties and municipalities, to enter into agreements.

NOW, THEREFORE, in consideration of the mutual promises, agreements and considerations made by and between the parties, Bergen and Passaic do hereby agree as follows:
TERMS OF THE AGREEMENT

A. DESCRIPTION OF THE PROJECT AND SCOPE OF SERVICES

1. Consistent with the terms of this Agreement, the Passaic County Sheriff’s Department will transport to the BCJDC and the BCJDC may accept from Passaic, at its discretion, when there is available bed space, juveniles for secure care at the BCJDC, located at 200 North Street, Teterboro, New Jersey 07608. Bergen shall accept, house, feed, educate, medically treat and guard Passaic juvenile placements in accordance with all applicable laws, rules and regulations concerning the maintenance and operation of the BCJDC.

2. Pursuant to the BCJDC Admission Policy, it is expressly understood that the JDC reserves the absolute discretion to decline a request by Passaic to admit one or more of its juveniles into the BCJDC. Some of the reasons that a particular juvenile may be denied admission into the facility include, but are not limited to: when it is determined that the juvenile has a pre-existing medical, mental, psychiatric or psychological condition that would make him or her unfit to be housed within the facility; or when it is determined that the juvenile would otherwise pose a threat to safety and security of other juveniles being housed by the BCJDC or its staff.

3. Prior to admission of any juvenile to the BCJDC, Passaic will contact the BCJDC Administration to discuss the available space and the appropriateness of the placement. Bergen will provide to all Passaic juveniles all services which it provides to Bergen juveniles detained in the BCJDC.

4. The use of personal property and funds in the possession of Passaic juveniles when admitted to the BCJDC will be administered and controlled in accordance with BCJDC procedures.

5. Any Passaic juveniles housed at the BCJDC shall be subject to the same rules and regulations governing other juveniles and shall be disciplined in accordance with the same rules and regulations governing other juveniles.

6. Bergen may, without the prior approval of Passaic, move Passaic juveniles from the BCJDC to another suitable location for housing in the event of an emergency such as fire, earthquake, other catastrophe, or conditions presenting imminent danger to the safety of the juveniles. Bergen agrees to notify Passaic as soon as possible of the location at which the Passaic juveniles are being held.

7. In the event that any Passaic juvenile shall escape from the BCJDC, Bergen shall use all reasonable means to recapture the juvenile. The escapee shall be reported to Passaic immediately.

8. Passaic shall have access to the BCJDC at all reasonable times for the purpose of inspecting the facilities and visiting any of the Passaic juveniles confined therein under
the terms of the Agreement. Passaic will be provided with the opportunity to inspect the facility prior to signing the Agreement.

9. The parties hereto agree to observe all federal, state and local laws, ordinances and regulations in meeting their obligations under the terms of this Agreement.

10. The Board of Chosen Freeholders of Passaic County agrees to be bound by all rules and regulations promulgated regarding the BCJDC with respect to all juveniles from Passaic who are accepted for secure care at the BCJDC.

B. FEES AND COSTS

1. Passaic shall pay to Bergen a per diem fee for each housed juvenile in the amount of $225.00 per day, or any part of a day, for which secure care is provided, for the years 2016 and 2017.

2. Passaic will reimburse Bergen for the cost of repair for any and all physical damage done to the BCJDC by Passaic juveniles. Bergen will provide Passaic with all incident reports related to damage caused by a Passaic juvenile.

3. Bergen will submit an invoice to Passaic each month for the housing fee plus any reimbursable expenses incurred by Bergen that are applicable to the Passaic juveniles. Passaic juveniles will be listed individually with their length of stay, along with any additional charges for that monthly billing cycle on a Passaic voucher. Payment in accordance with this Agreement shall be rendered within sixty (60) days of the receipt of an acceptable invoice for payment. If Passaic disputes any invoice, it must do so in writing within fifteen (15) days stating with specificity the reason(s) for any such dispute.

C. MEDICAL TREATMENT

1. Bergen shall provide Passaic juveniles all ordinary medical treatment as part of the services provided pursuant to this Agreement.

2. Bergen shall also provide to Passaic juveniles necessary care from hospitals and/or emergency providers. To that end, Bergen will notify Passaic of any medical problems encountered by Passaic juveniles.

3. Standard, ordinary, non-hospital, non-emergency care provided by Bergen in the BCJDC to Passaic juveniles will not be charged separately to Passaic. Medical costs incurred for emergency care, non-ordinary medical care or medical care for pre-existing conditions shall also be provided to Passaic juveniles in the same manner as such care is provided to Bergen juveniles. All psychiatric evaluations, including but not limited to those necessary for residential placements or to begin new medications are not considered ordinary medical treatment and will be provided for outside of the BCJDC by independent providers arranged by Passaic. Passaic will reimburse Bergen for all emergency, non-
ordinary medical care and/or medical care for pre-existing conditions not covered by Medicaid or other third party payors including, but not limited to, the cost of medications and provision of transportation and security, including any overtime incurred as a result of such medical care, to Passaic juveniles who require treatment and/or hospitalization outside of the BCJDC.

4. Bergen will notify the designated Passaic representative by telephone of any occurrence of a medical emergency or other crisis situation (such as suicide attempt; escape or escape attempt; illness; or the like) involving a Passaic juvenile. Bergen will thereafter provide a written report of the incident to the designated Passaic representative.

D. PROVISION OF NECESSARY INFORMATION

1. Passaic will furnish to Bergen, on such forms as Bergen may require, all information reasonably necessary for Bergen to admit and process the Passaic juveniles. Bergen shall be entitled to two (2) hours advance notice of delivery of a Passaic juvenile to the BCJDC, if possible.

2. Bergen agrees to name its own custodial liaison and Passaic also agrees to provide contract information for the Passaic liaison. The Passaic liaison will provide or arrange for all case management services required for the care and coordination of appointments outside of the BCJDC, including but not limited to medical appointments and court appearances.

E. TRANSPORTATION

1. Passaic shall be responsible for transporting Passaic juveniles from Passaic to and from the BCJDC;

2. When Passaic juveniles require out-of-facility medical, psychiatric or dental care, Passaic will, if practicable, provide all transportation and security while such juveniles are outside of the BCJDC. In the alternative, Passaic will reimburse Bergen for the provision of such transportation by Bergen.

3. In the event of a medical emergency, Bergen will provide transportation to a hospital or medical facility if necessary. Passaic will reimburse Bergen for the transportation and security costs incurred.

F. VISITATION

Visitation with Passaic juveniles will be permitted by Bergen in accordance with its rules and regulations governing visitation of juveniles in the BCJDC.
G. DURATION AND TERMINATION OF AGREEMENT

1. This Agreement will be effective commencing on or about March 1, 2016 until on or about December 31, 2017.

2. Either party may terminate this agreement for any reason by providing sixty (60) days written notice to the other party.

All Notices required herein shall be delivered to the following address:

As to Bergen County: Dominic J. Novelli, County Administrator
Office of the Bergen County Executive
One Bergen County Plaza, Room 580
Hackensack, New Jersey 07601.

As to Passaic County: XXXXXX YYYYYY
Office of the Passaic County Administrator,
123 XXXXX Avenue,
Passaic, New Jersey 07XXX

H. LIMITATION OF DELEGATION

1. To the extent that this Agreement constitutes a delegation of authority by Passaic, this Agreement shall not be construed to delegate any authority other than the authority to provide the services described in this Agreement.

2. However, the parties acknowledge and agree that Bergen will stand in loco parentis and will have the express authority to make all decisions related to the normal operations governing the care of the Passaic juveniles placed in its custody pursuant to this Agreement, as they are applied to Bergen juveniles.

3. Neither Passaic nor Bergen intend by this Agreement to create any agency relationship other than which may be specifically for the limited purpose of the provision by Bergen County pursuant to this Agreement.
I. COMPLIANCE WITH LAWS AND REGULATIONS

1. Bergen and Passaic agree that they will, at their own cost and expense, promptly comply with, or cause to be complied with, all laws, rules, regulations and other governmental requirements which may be applicable to its performance of the services described in this Agreement.

2. Bergen agrees to cooperate and coordinate with Passaic in securing approval of the Juvenile Justice Commission for the implementation and continuation of this Agreement.

J. INSURANCE

Passaic will, during the term of this Agreement, maintain all necessary and appropriate insurance policies with respect to the services to be performed pursuant to this Agreement, and will cause Bergen to be named as an additional insured and will deliver to Bergen a certificate of such insurance prior to the commencement of services.

K. INDEMNIFICATION

Passaic shall indemnify and hold harmless Bergen from any claims made and costs incurred, including the costs of reasonable attorney fees incurred in defense of any claim, brought by a current Passaic employee or collective bargaining representative of the current employees regarding the housing of Passaic juveniles in Bergen.

Bergen shall indemnify and hold harmless Passaic from any claims made and costs incurred, including the costs of reasonable attorney fees incurred in defense of any claim, brought by a juvenile or the legal representative of a Passaic juvenile to any services required by the terms of the agreement to be provided to that juvenile by Bergen.

L. REMEDIES

1. In the event of a controversy or dispute between the parties every effort will be made to resolve the controversy or dispute. The dispute will be presented to the Boards of Chosen Freeholders for both Bergen and Passaic and good faith attempts at resolution will include discussions between the two parties or their attorneys, without the intervention of a third party.
If the dispute cannot be settled through direct discussions, the parties agree to endeavor to
next attempt to settle the dispute by mediation administered by the State of New Jersey
Board of Mediation before resorting to any other remedy at law or equity.

3. In the event that mediation of a dispute fails, the parties would be permitted to pursue any
remedies available to either of them in law or equity. Attorney fees
will be awarded to the prevailing party in any enforcement action.

M. NO ADDITIONAL WAIVER IMPLIED BY ONE WAIVER

In the event that any agreement which is contained in this Agreement is breached by either party
and thereafter such breach is waived by the other party, such waiver will be limited to the
particular breach so waived and will not constitute a waiver of any other breach hereunder.

N. NO PERSONAL LIABILITY

No covenant, condition or agreement contained in this Agreement, will be deemed to be the
covenant, condition or agreement of any past, present or future officer, agent or employee of
Bergen or Passaic, in his or her individual capacity, and neither the officers, agents or employees
of either Bergen or Passaic, nor any official executing this Agreement will be liable personally
on this Agreement by reason of the execution hereof by such person or arising out of any
transaction or activity relating to this Agreement.

O. MISCELLANEOUS

1. Amendment. This Agreement may not be amended or modified for any reason without
the express prior written consent of the parties hereto.

2. Severability. In the event that any provision of this Agreement is held to be invalid or
unenforceable by any court of competent jurisdiction, such holding will not invalidate or render
unenforceable any other provision hereof.

3. Counterparts. This Agreement may be simultaneously executed in several counterparts,
each of which shall constitute an original document and all of which will constitute one and the
same instrument.

4. Entire Agreement. This Agreement sets forth all the promises, covenants, agreements,
conditions and undertakings between the parties hereto with respect to the subject matter hereof,
and supersedes all prior or contemporaneous agreements and undertakings, inducements, or
conditions, express or implied, oral or written between the parties hereto.

5. Further Assurances and Corrective Instruments. The authorized representatives of both
Bergen and Passaic will execute, acknowledge and deliver, or cause to be executed,
acknowledged and delivered, such supplements hereto and such further instruments as may
reasonably be required for correcting any inadequate or incorrect description of the services to be provided or to correct any inconsistent or ambiguous term hereof.

6. **Headings.** The Article and Section headings in this Agreement are included herein for convenience of reference only and are not intended to define or limit the scope of any provision of this Agreement.

7. **Non-Waiver.** It is understood and agreed that nothing which is contained in this Agreement shall be construed as a waiver on the part of the parties, or any of them, of any right which is not explicitly waived in this Agreement.

8. **Governing Law.** The terms of this Agreement shall be governed by and construed, interpreted and enforced in accordance with the laws of the State of New Jersey.

**P. EFFECTIVE DATE.** This Agreement shall be effective upon the signature of this document by all parties, as authorized by the applicable Resolutions passed by the governing bodies of both Hudson and Bergen.

**Q. TERMINATION DATE.** Either party may terminate this Agreement for any reason by providing sixty (60) days advance written notice to the other party.

Dated: March 11, 2016
WHEREAS there exists a need for Professional Energy Consulting and Engineering Services as it concerns the development, planning and preparation of an Energy Savings Improvement Plan for six County-owned facility complexes in Passaic County, NJ; and

WHEREAS T&M Associates of Middletown, NJ has submitted a proposal dated February 22, 2016 for the necessary consulting services to be provided for a fee of $40,000.00 which is being recommended by the Passaic County Administrator; and

WHEREAS this matter was reviewed by the Freeholder Finance & Administration Committee at its February 24, 2016 meeting at which time it was recommended to the full Board for approval; and

WHEREAS the Local Public Contracts Law, N.J.S.A. 40A:11-1, et seq., requires that the resolution authorizing the award of contract for “Professional Services” without competitive bids and the contracts itself must be available for public inspection; and

WHEREAS said T&M Associates has been qualified as a pool professional engineer/architect in a “Fair and Open” procedure pursuant to the resolution of the Board of Chosen Freeholders of the County of Passaic, R-2016-67, dated January 26, 2016 as set forth in Pay to Play Law N.J.S.A. 19:44A-20.4 et seq.; and

WHEREAS a certification is attached which indicates that funds are available for the within contemplated expenditure; and

NOW THEREFORE BE IT RESOLVED by the Board of Chosen Freeholders of the County of Passaic that the Professional
Energy Consulting and Engineering Services for the above-mentioned project be awarded to T&M Associates in accordance with the terms and conditions set forth in their February 22, 2016 proposal attached; and

**BE IT FURTHER RESOLVED** that the Director, Clerk of the Board and County Counsel are hereby authorized to execute the necessary contract on behalf of the County of Passaic; and

**BE IT FURTHER RESOLVED** that this contract is awarded without competitive bidding as a “Professional Services” contract in accordance with N.J.S.A. 40A: 11-5(1)(a) of the Local Public Contracts Law because:

1. The consulting firm is authorized and regulated by the law to provide the aforementioned services;
2. The performance of the services are special in nature and require knowledge of an advanced type training, which said consulting firm possesses; and

**BE IT FURTHER RESOLVED** that a Notice of this action be published in the NORTH JERSEY HERALD & NEWS.

Matthew P. Jordan, Esq.
Deputy County Administrator
County of Passaic
401 Grand Street, Room 205
Paterson, New Jersey 07505-2023

Re: Proposal for Energy Consulting Services
County of Passaic
Energy Savings Improvement Program (ESIP)

Dear Mr. Jordan:

We are pleased to present our proposal for Energy Consulting Services to assist Passaic County (County) in implementing the findings of Energy Audits conducted as a part of the Local Government Energy (LGEA) Audit Program, through an Energy Savings Improvement Program (ESIP). This Proposal represents the necessary steps to create a new Request for Proposals along with Bid Period and Post Bid Review. Future steps associated with the ESIP process can be addressed at a later time.

PROJECT BACKGROUND
In the middle of 2014, the County issued a Request for Proposal (Previous RFP) for an ESIP to include the following eight (8) County facilities:

1. Administration Building, 401 Grand Street, Paterson
2. District Court House, 71 Hamilton Street, Paterson
3. County Court House, 77 Hamilton Street, Paterson
4. Board of Social Services, 80 Hamilton Street, Paterson
5. Preakness Healthcare Center Unit #3, 305 Oldham Road, Wayne
6. Sheriff’s Department Headquarters, 435 Hamburg Turnpike, Wayne
7. Prosecutors Office, 30 King Road, Totowa
8. County Parking Garage, Grand Street, Paterson

Within the Previous RFP, desired Energy Conservation Measures (ECMs) were listed along with specific areas of concern to be addressed by the Contractor or Energy Services Company. It is our understanding bids were received from Energy Services Companies for the ESIP program, however, the program did not
move forward. We now understand the County would like to issue a new Request for Proposals following the Previous RFP and they are seeking assistance from T&M to help with the process.

**ESIP BACKGROUND**

As presented by Sustainable Jersey in February, 2013 and sponsored by the New Jersey Board of Public Utilities (BPU):

> "Energy efficiency is one of the best ways public institutions can save money and tax dollars. However, to realize savings from energy efficiency it is necessary to first come up with capital to pay for building and equipment upgrades." This capital expenditure hurdle to move forward with energy savings improvements hinders the ability for governmental entities to make improvements to their facilities and/or the operations that would save money on their utility costs. Under the ESIP financing alternatives, approved by the legislature, the future value of energy savings is leveraged to pay for these upfront costs.

The law allows

> "board of education, counties, municipalities, housing authorities, and public authorities to enter into contracts for up to 15 years to finance building energy upgrades in a manner that ensures that annual payments are lower than the savings projected from the energy conservation measures; ensuring that ESIPs are cash flow positive in year one, and every year thereafter. The ESIP law allows local units to use Energy Savings Obligations as the financing method to pay for the costs (capital as well as soft costs) of these energy conservation measures."

Through the ESIP alternative, the County can help facilitate operations savings through the implementation of these ECMs. We note the County may be interested in implementing other measures that may not have been defined or found within the LGEA Audit or may choose to not install recommended measures from the LGEA Audit.
ESIP PROGRAM STEPS

To help define our scope of work, the following table provides the necessary steps in the ESIP process custom to the County’s approach utilizing an Energy Savings Company (ESCO).

Our Scope of Services follows the Sustainable Jersey Guide (attached) for the ESIP process.

SCOPE OF SERVICES

Our Scope of Services would be performed under the Tasks as described below.

Task 1: Request for ESCO Qualifications

T&M will review the Previous RFP, completed LGEA Audit reports and any past design and/or reports germane to this project, and assist County in developing a pool of projects that would be ESIP compliant. As part of this task, we will create an energy conservation measure (ECM) finance model. This model, which will be designed in conjunction with the County’s financial advisor, will be used to create the pool of projects that align with the ESIP requirements to be cash flow positive in year one and every year thereafter.

During this process, T&M will work with the County to include any specific capital improvements into the ESIP work, where possible.

We will also review the impacts of the various ECM’s in order to confirm limitations on construction (i.e., hours of work, other concerns) and long term operation (scheduled off-hour event considerations, other limitations) that should be included in the bid documents.
Utilizing the Previous RFP as a starting point, T&M will assist the County’s legal counsel with the creation of a new Request for Qualifications, following the standard BPU model for ESIP, and incorporate specific considerations/requirements as applicable. As part of this task, we shall also communicate with Board of Public Utilities (BPU) concerning their specific requirements associated with the ESIP Program.

Where applicable, we shall also include the necessary program steps associated with leveraging any financial incentives from the New Jersey Clean Energy Program (NJCEP) including Pay for Performance. T&M is an approved Program Partner for Pay for Performance Existing Buildings.

As part of this task, we anticipate that up to three (3) review meetings will be required and attended to develop the program.

**Task 2: Bid Period Support and ESCO Selection**

We will assist the County with the Competitive Contracting process for ESCO company selection. During the bid phase, we will help schedule and manage individual site visits of ESCO companies to the facilities, issue bid addenda, answer relevant questions, attend the bid opening, and assist with the selection process of the ESCO. We shall prepare a final summary report of our findings with the County along with a recommendation of an ESCO.

As part of this task, we anticipate up to two (2) meetings with the County.

*Remaining Tasks listed below are for reference only and are not part of initially contemplated work by the County.*

**Task 3: Energy Savings Plan Verification**

The Energy Savings Plan is created by the selected ESCO once they are awarded the project through the competitive contracting process. An independent third party is recommended and required to review the Energy Savings Plan. T&M will lead the effort and help the County solicit a third party to perform a thorough review of the Energy Savings Plan for compliance with ESIP requirements and law. This verification process is critical to confirm that the improvements proposed by the ESCO will result in projects and savings that were considered as part of Task 1. Where deviations and/or changes are proposed by the ESCO compared to the initial review, we will work with the ESCO to understand and verify same. We will schedule a meeting with the County and the ESCO to review the details of the proposed changes in the proposed project scope.

The final review of the Energy Savings Plan by the third party will be reviewed by T&M to confirm it contains the following:
1. The results of the energy audit;
2. A description of the energy conservation measures that will comprise the plan;
3. The cost of each energy conservation measure;
4. A detail of any available economic offset for each energy conservation measure;
5. An estimate of greenhouse gas reductions resulting from those energy savings;
6. Identification of design and compliance issues and identification of who will provide these services;
7. An assessment of risks involved in the successful implementation of the plan;
8. Identify the eligibility for, and costs and revenues associated with, the Pennsylvania Jersey Maryland (PJM) Independent System Operator (Regional Power Grid) for Demand Response and curtailable service activities. Demand Response can be defined as "Changes in electric usage by end-use customers from their normal consumption patterns in response to changes in the price of electricity over time, or to incentive payments designed to induce lower electricity use at times of high wholesale market prices or when system reliability is jeopardized";
9. Maintenance requirements necessary for continued energy savings, and describe how the maintenance services will be provided; and
10. The cost for providing a guarantee of energy savings once the projects are implemented.

Our final deliverable associated with this item will be a report of our findings for the County to review and the ESCO to address. The third party performing the review shall also provide their own report summarizing their findings. Once all items are addressed and the team is comfortable with the final Energy Savings Plan and our review, deliverable reports will be submitted to the BPU for review.

**Task 4: Energy Savings Plan Adoption**

Once the verification is complete and the BPU approves the Energy Savings Plan, the County must formally adopt the Plan. At this time, the County must decide if they will require an energy savings guarantee from the ESCO. As part of this task, we will assist, as necessary, with a meeting and/or communication required to help facilitate the approval process. After approval, the final Plan must be submitted to the BPU for posting on the BPU website.

As part of this task, we anticipate up to four (4) meetings with the County.

**Task 5: Completion of Financing Alternative**

T&M’s role in this task is limited to project management support and/or advisory services should input be requested. Significant detail on this task can be found in the attached under the heading “Completion of Financing.”

As part of this task, we anticipate up to four (4) meetings with the County.

**Task 6: Construction Administration**

If requested, T&M will provide construction administration services on behalf of the County. Our services during construction may include the following, depending upon the services requested:
1. Provide part-time construction observation services during construction. We will advise regarding our observations;
2. If necessary, perform high level review of shop drawings to confirm that the County’s preferences have been addressed. The licensed design professional (ESIP A/E firm) will retain final technical review responsibility;
3. Attend weekly construction meetings in order to monitor construction progress and prepare/diseminate meeting minutes;
4. Monitor the construction schedule for compliance with established dates and work with the ESCO to communicate intermediate schedule changes necessary to meet the final completion date;
5. Verify that the work performed is compliant with the Energy Savings Plan presented by the ESCO and approved by the County;
6. Confirm ESCO payment requests are commensurate with the work completed;
7. Prepare a punch list regarding the County’s preferences and the general appearance of the work, and work with the ESCO to resolve open issues; and
8. Attend one (1) full day training session where the ESCO will inform the County personnel regarding the operation of the new systems.

Task 7: Verification (Commissioning)

Separate commissioning must be performed for the completed improvements. T&M will work with our strategic partner, who is NJ State Division of Property Management and Construction (DPMC) approved, to provide commissioning services on the installed improvements. We recommend the ESCO not provide these services since the purpose of this step is to verify all work was installed properly.

Task 8: Measurement & Verification

Similar to Commissioning, Measurement & Verification (M&V) is a process to confirm each improvement installed is in fact performing as designed and intended. The M&V process allows independent measurements of performance to ensure the energy reductions are in place compared to the Energy Savings Plan. T&M will work with our strategic partner to provide M&V services.

LIMITATIONS

1. We note that in the event upon receipt of bids an ESIP program is determined to not be viable and the County prefers not to move forward, our services associated with this project would cease during Task 2 once bids are received and reviewed;
2. Our services are limited to those described above and do not include scope beyond that defined unless agreed to, in writing, with the County;
3. Under the ESIP process, all design of proposed improvements is the responsibility of the selected ESCO. As such, no design services are included;
4. T&M will rely on the accuracy of any information submitted to us by the County in the performance of our services and will not be held responsible for errors or inaccuracies contained in the information provided to us;
5. The ESCO will pay all application and permit fees.
RESPONSIBILITIES OF CLIENT

1. The County shall provide copies of all relevant information for T&M to perform our services. This would include completed LGEA Reports, drawings, records or information on maintenance, etc.;
2. Access to the site and equipment as and when required, with knowledgeable escorts able to answer operational questions.

SCHEDULE

Upon authorization to proceed, T&M Associates will immediately initiate our services and work with you to refine a delivery schedule.

COMPENSATION

Our fee table below contains estimated fees for certain items where a level of effort can be determined and percentage fees for other items that will be contingent on the size of the project. Since the ESIP allows certain costs to be included in the financing of the program, we indicate what fees can be included in the ESIP costs so that the County is aware of what individual funding will be required versus what simply is paid for with the savings generated. In the event a contract is not awarded to an ESCO and the project does not move forward, our services would end during Task 2 once bids are received and reviewed.

The table presented below follows the scope of work presented herein.

Energy Savings Obligations shall not be used to finance maintenance, guarantees, or the required third party Measurement & Verification of energy conservation measures guarantees. Energy Savings Obligations, however, may include the costs of verification of energy savings as part of adopting an energy savings plan or upon Commissioning. The verification costs may be financed but may not be counted in the energy savings plan as a cost to be offset with savings.
Our fees will be billed monthly based on time expended in accordance with any existing agreement with the County. T&M is ready to begin the above mentioned work immediately upon receipt of an award from the County.

We thank you for the opportunity to submit this proposal, and we look forward to working with you on this project. Should you have any questions or require additional information, please do not hesitate to contact me.

Very truly yours,

Award of Consulting Design Services – T&M Associates

Members of the Board:

The County of Passaic requested a proposal for the development, planning, and preparation of an Energy Savings Improvement Plan (ESIP) RFP and the consultation, evaluation, review and audit of the Energy Savings Companies (ESCO) submittals for eight County owned facility complexes.

T&M has submitted a proposal in the amount of $40,000.00 for the review of the RFP for the submission to the ESCO's, assist in the development of the pool of projects, create an energy conservation finance conservation model, provide a technical review of ESCO submissions, engineering services to verify that ESIP is in accordance with DCA and BPU protocol, and provide a recommendation of an ESCO. This matter was discussed at the Administration and Finance Committee meeting of February 24, 2016.
Based upon the above, this Office recommends that the Board of Chosen Freeholders adopt a Resolution awarding a contract to T&M Associates in the amount of $40,000, for the consulting and design services for the Energy Savings Improvement Program subject to the availability of funds.

Very truly yours,

RESOLUTION AUTHORIZING THE ADDITION OF NATIONWIDE RETIREMENT SOLUTIONS, INC., AS A CONTRACTOR UNDER THE COUNTY OF PASSAIC’S EXISTING SECTION 457 DEFERRED COMPENSATION PLAN

WHEREAS County of Passaic (hereinafter referred to as the “Employer”) by resolution adopted a deferred Compensation Plan (hereinafter referred to as the “Plan”) effective September 30, 1991, for the purpose of making available to eligible employees the accrual of tax benefits under a Section 457 Deferred Compensation Plan; and

WHEREAS the Employer by resolution subsequently retained The Variable Annuity Life Insurance Company (“VALIC”), AXA and Great West Retirement Services as the contractors under the Deferred Compensation Plan and executed Service Agreements with said contractors; and

WHEREAS in order to attract and retain qualified employees, the Employer is desirous of adding to the choices currently available to employees of the County of Passaic under the 457 Plan; and

WHEREAS there is no direct financial cost to the Employer to adopt and implement both a DEFERRED COMPENSATION PLAN and Service Agreement; and

WHEREAS by Resolution R-2015-503 dated July 21, 2015, the Board of Chosen Freeholders of the County of Passaic expressed its desire to add Nationwide Retirement Solutions, Inc. (hereafter referred to as “Nationwide”) as a contractor under the DEFERRED COMPENSATION PLAN; and
WHEREAS as a consequence thereof, the Passaic County Director of Finance solicited proposals from four (4) deferred compensation providers in good standing with the State of New Jersey on or about February 12, 2016; and

WHEREAS two of the solicited providers responded to solicitation by e-mail; they were Prudential and Nationwide; and

WHEREAS after review of the two proposals, the Director of Finance found that Nationwide had the more comprehensive proposal and is recommending that they be awarded a service agreement as another deferred compensation provider (e-mail memo from Finance Director dated March 1, 2016 attached hereto and made a part hereof); and

WHEREAS it was determined that Nationwide has the ability to: (1) maintain complete records of accounts; (2) manage accounts with absolute fidelity; (3) provide advice concerning various categories of investments; and (4) provide continuing consultation to participants.

WHEREAS the Freeholder Committee for Finance & Administration reviewed this matter and is recommending that it be accepted by the full Board.

NOW THEREFORE BE IT RESOLVED by the Board of Chosen Freeholders of the County of Passaic that:

(a) effective as of the date of this resolution the DEFERRED COMPENSATION PLAN provided by Nationwide and assigned the plan document identifier: 85-PD-USCM/PEBCSO-070212P and Nationwide Service
Agreement Identifier-87-SA-USCM/PEBSCO-021913 hereby adopted and signed by the Employer. It is hereby acknowledged that the said DEFERRED COMPENSATION PLAN is substantially similar to one on which a favorable Private Letter Ruling has been previously obtained from the Federal Internal Revenue Service except for provisions added by reason of The Small Business Job Protection Act of 1996 (United States Public Law No. 104-188) and all such provisions are stated in the plan in terms substantially similar to the text of those provisions in the Code Section 457 including pertinent applicable Treasury regulations. The use of the Ruling is for guidance only and acknowledges that for Internal Revenue Service purposes, the Ruling of another employer is not to be considered precedent.

(b) The Passaic County Director of Finance is authorized to execute the Service Agreement (bearing the identifier: 87-SA-USCM/PEBSCO-021913 assigned by the New Jersey Division of Local Government) with Nationwide for the provision of administrative and investment services. There has been no collusion, or evidence or appearance of collusion, between any local official and a representative of Nationwide in the selection of Nationwide as contractor for the administration of the Service Agreement pursuant to N.J.A.C. Section 5:37-5.7., and that the rules of the Internal
Revenue Service pursuant to N.J.A.C. 5:37-3.4 or 3.5 have been complied with.

(c) The Passaic County Director of Finance is hereby designated as Local Plan Administrator for the administration of the DEFERRED COMPENSATION PLAN and authorized to execute the foregoing Service Agreement with Nationwide and a certified copy of this resolution and all necessary required documents shall be submitted to the Director of the Division of Local Governmental Services within the State Department of Community Affairs for approval.

Subject: Deferred Compensation

Mike,

I was asked to solicit proposals for a deferred compensation vendor. In order to do so, I obtained a list of deferred compensation vendors from the Division of Local Government Services. That list was updated as of 11/13/15 and was the most recent list available of deferred compensation vendors in good standing with the state of NJ. From that list, I selected 4 vendors. The vendors selected were: The Hartford, Metlife, Nationwide Retirement Solutions, Inc. and Prudential Insurance Company of America, Inc.

On February 12, 2016, I emailed each of the contacts named on the list for the selected vendors. I asked that all responses be returned to me by Friday, 2/26.

Two vendors responded to the RFP, Prudential and Nationwide. Of the two respondents, Nationwide’s appears to be a more comprehensive and better suited to meet the County’s needs.

Please prepare a resolution making Nationwide a provider of deferred compensation programs for Passaic County. Please contact me with any questions or concerns that you may have.

Dated: March 11, 2016
RESOLUTION AUTHORIZING AN INSURANCE CONTRACT BETWEEN THE COUNTY OF PASSAIC AND CHUBB INSURANCE COMPANY OF NEW JERSEY FOR MASTER PROPERTY INSURANCE COVERAGE FOR VARIOUS PASSAIC COUNTY BUILDINGS FOR A POLICY PERIOD OF JANUARY 1, 2016 TO JANUARY 1, 2017 FOR A TOTAL PREMIUM OF $360,418.55

WHEREAS the Board of Chosen Freeholders of the County of Passaic (the “Board”) is committed to taking all necessary steps to protect and preserve the assets of the County of Passaic (the “County”) to the maximum degree practicable; and

WHEREAS in furtherance of this goal, the County has long maintained Master Property Insurance Coverage protecting against losses and damage sustained to County facilities and their contents; and

WHEREAS this coverage was currently placed with the Chubb Insurance Company of New Jersey (Chubb) for the period January 1, 2015 through January 1, 2016 and has been temporarily expended; and

WHEREAS said Chubb has now offered to renew the said Master Property Insurance Policy for the period of January 1, 2016 through January 1, 2017 for the sum of $360,418.55, which is a flat renewal rate from the 2015 policy but reflects to endorsements added during the 2015-2016 term and represents an approximate 3% over the premium charged for 2015; and

WHEREAS Brown and Brown Metro, Inc., our County of Passaic agent for this policy, and the County of Passaic insurance consultant, Richard Lofberg, are both recommending that this renewal offer be accepted; and
WHEREAS the Board is desirous of accepting these recommendations and awarding the insurance contract to Chubb on the terms outlined above; and

WHEREAS the said Board by Resolution R-06-97 dated February 14, 2006 established a policy of awarding contracts in excess of the monetary threshold set forth under the “Pay to Play” Law only under the “Fair and Open” process as defined therein; and

WHEREAS the Board is desirous of making an exception to that policy because of the unique circumstances of this case as outlined above; and

WHEREAS the Finance & Administration Committee at its February 24, 2016 meeting reviewed this matter and is recommending this resolution to the full Board for approval with the understanding that the recipient has not made and will not be making political contributions as set forth under the Campaign Contributions and Expenditures Reporting Act (N.J.S.A. 19:44A-1); and

WHEREAS a certification is attached indicating that funds are available for the within contemplated expenditure;

NOW THEREFORE BE IT RESOLVED by the Board of Chosen Freeholders of the County of Passaic that an insurance contract on a non-fair and non-open basis be and is hereby authorized between the County of Passaic as insured and Chubb
Insurance Company of New Jersey as carrier for the master property insurance for Passaic County-owned facilities and contents for the period January 1, 2016 through January 1, 2017 pursuant for an annual premium of $360,418.55; and

**BE IT FURTHER RESOLVED** that the Freeholder Director, County Administrator, Clerk to the Board and all other necessary officers and employees be and hereby are authorized and directed to take such further actions and execute such further documents as are required to effectuate this resolution; and

**BE IT FURTHER RESOLVED** that this contract is awarded without competitive bidding as one for insurance and insurance-related services in accordance with the Local Public Contracts Law; specifically, N.J.S.A. 40A:11-5(l)(m); and

**BE IT FURTHER RESOLVED** that a notice of this action be published in the NORTH JERSEY HERALD & NEWS.

Should we still ask for the renewal to be at expired premium even though the increase was due to endorsements added during the policy year?

vic,

i’d recommend renewing as is with the $100k deductible. I’d request that renewal be at expired premium on basis of loss experience, current market conditions, and minor questions as to merger of ace and chubb.

wouldn’t push too hard as we might request a quotation for public official / employment practices liability cover through b&b with ace.

belated happy thanksgiving.

RESOLUTION REFERRING LITIGATION ENTITLED, TO MOISES ALMANZA VS. EDDIE I, LLC, ET AL. TO FOSTER & MAZZIE, LLC TO PROVIDE OUTSIDE LEGAL SERVICES TO PASSAIC COUNTY

WHEREAS the County of Passaic (the "County") previously issued a public solicitation for qualified firms to perform services as Outside Legal Services and/or Special Litigation Counsel for the County on an as-needed basis, in accordance with "Fair and Open" procedures as established in the "Pay-to-Play" Law, N.J.S.A. 19:44A-20.4, et seq.; and

WHEREAS the Board of Chosen Freeholders (the "Board") previously established a pool of qualified attorneys to act as Outside Legal Counsel and/or Special Litigation Counsel on an as-needed basis, for calendar year 2016, by Resolution R-2015 0956 adopted on December 30, 2015, and Resolution R-2016 0137 adopted on February 23, 2016, in accordance with the recommendation of the Evaluation and Review Committee created for that purpose; and

WHEREAS the County of Passaic has recently been served with a Summons and Complaint in a litigation matter entitled Moises Almanza vs. Eddie I, LLC, et al., Superior Court of New Jersey, Docket No.: PAS-L-84-16 (the "Case"); and

WHEREAS the Board is desirous of assigning the Case to the law firm of Foster & Mazzie, LLC for defense, which firm is
included in the pool of qualified Outside Counsel and/or Special Litigation Counsel established by prior resolution, for a fee not to exceed $7,500.00; and

WHEREAS the Freeholder Administration and Finance Committee reviewed this matter and recommended this resolution to the full Board for adoption; and

WHEREAS a certification is attached indicating that funds are available for the within contemplated expenditure;

NOW THEREFORE BE IT RESOLVED by the Board of Chosen Freeholders of the County of Passaic that it hereby awards this contract as a “Professional Service” in accordance with N.J.S.A. 40A: 11-5 (1) (a) of the Local Public Contracts Law because:

(1) The recipients are authorized and regulated by the law to provide the aforementioned services;

(2) The performance of the services are special in nature and require knowledge of an advanced type training, which the recipients possess; and

BE IT FURTHER RESOLVED that although exempt from formal public bidding, this contract is awarded in accordance with “Fair and Open” procedures as established in the “Pay-to-Play” Law, N.J.S.A. 19:44A-20.4, et seq. as stated more fully above; and
BE IT FURTHER RESOLVED that a Notice of this action be published in the NORTH JERSEY HERALD & NEWS.

Dated: March 11, 2016
RESOLUTION AUTHORIZING AMENDMENT TO
RESOLUTION R-16-0154 DATED FEBRUARY 23, 2016 TO
REFLECT THE CORRECT AMOUNT OF THE GRANT

WHEREAS pursuant to Resolution R-16-0154, dated
February 23, 2016, the Board of Chosen Freeholders of the
County of Passaic passed a Resolution authorizing the
acceptance of grant funds in the amount of $183,580.00 from
the New Jersey Department of Environmental Health &
Protection Grant for the monitoring and enforcement of
environmental hazmat services in Passaic County for calendar
year 2016; and

WHEREAS R-2016-0154 incorrectly states the wrong
amount of $5,000.00 in DEP funding for equipment and the
correct amount should be $6,000.00; and

WHEREAS this matter was reviewed and approved by the
Human Services Committee meeting;

NOW THEREFORE BE IT RESOLVED that the Board of
Chosen Freeholders hereby authorizes the amendment to
Resolution R-16-0154 dated February 23, 2016 to reflect the
correct amount of $183,580.00 (which includes $6,000.00 for
needed equipment from the DEP) will be provided by the
County of Passaic by way of an in cash and/or kind match;
and

BE IT FURTHER RESOLVED that the Director and
Clerk of the said Board are hereby authorized to execute any
necessary documents on behalf of the County of Passaic.

RESOLUTION AUTHORIZING CONTRACT MODIFICATION #1
FOR REMINGTON & VERNICK ENGINEERS AS IT CONCERNS
THE DESIGN OF THE 2016 PASSAIC COUNTY ROAD
RESURFACING PROGRAM

WHEREAS a professional engineering consultant services
contract was awarded to Remington & Vernick Engineers by
Resolution R-2015-917 dated December 8, 2015 as it concerns
the design of the 2016 Passaic County Road Resurfacing
Program; and

WHEREAS as part of the consultant services for the above
referenced project, Remington & Vernick Engineers has
submitted a request for additional work due to the fact that
Passaic County chose to increase the scope of work as it pertains
to Grand Street in Paterson, NJ, which is detailed in their
February 22, 2016 letter attached hereto, in the amount of
$10,200.00; and

WHEREAS the Office of the Passaic County Engineer by
letter dated February 23, 2016 is recommending that said
Remington & Vernick Engineers be awarded a contract
modification to perform these additional engineering services for
an amount of $10,200.00 pursuant to its letter dated February
22, 2016 (copy of letter attached hereto and made a part hereof);

WHEREAS the matter was reviewed via e-mail by the
members of the Freeholder Committee for Public Works and
Buildings & Grounds and is recommended for approval by the
entire Board; and

WHEREAS a certification is attached hereto and made a
part hereof indicating the availability of funds for this
expenditure.
NOW THEREFORE BE IT RESOLVED by the Board of Chosen Freeholders of the County of Passaic that it hereby authorizes an amendment to the original professional engineering design consultant services contract for Remington & Vernick Engineers for providing engineering consulting services for the 2016 Passaic County Road Resurfacing Program for additional work outside the original scope of the project as set forth above and in its additional contract modification request attached hereto.

BE IT FURTHER RESOLVED that the Director and Clerk to the Board are authorized to sign an amendment on behalf of the County of Passaic.

Contract Modification #1 – Remington & Vernick Engineers

Members of the Board:

Attached for your approval is Contract Modification #1 to a professional engineering services contract with Remington & Vernick Engineers of Haddonfield, NJ for the purpose of modifying a contract for the design of the 2016 Road Resurfacing Program.

Subsequent to the award of contract, Passaic County chose to increase the scope of work as it pertains to Grand Street in Paterson. The change in scope will involve narrowing the roadway and reducing the length of crosswalks to improve pedestrian safety in the 300 Block of Grand Street.

The Public Works and Buildings and Grounds Committee discussed this recommendation at their meeting of February 22, 2016.

I respectfully request that the Board of Chosen Freeholders ADOPT a RESOLUTION approving Contract Modification #1 in the amount of $10,200.00. This will result in an increase to the current contract price to $134,200.00.

Re: 2016 Passaic County Roadway Resurfacing Program
Our File No.: 1600X019

Dear Mr. Edmond:

We are writing to provide you with our additional scope and fee for the above-referenced project.

The scope of this project has been increased to include the construction of traffic-calming improvements along Grand Street the City of Paterson.

The proposed traffic-calming improvements are needed to improve pedestrian safety along Grand Street, between Jackson Street and Spring Street, particularly at the crosswalks across Grand Street at Hamilton Street. The planned improvements include "bump-out" curb extensions, sidewalk widening, striping improvements and the possible installation of rapid rectangular flashing beacons.

We propose to provide the following additional engineering services for both project areas:

- Perform a controlled baseline, conventional field survey to locate the topographic features, utility and drainage structures, roadway, sidewalks and other features, as needed, to support design and preparation of construction documents. Right-of-way lines will be indicated on the plan based on tax maps.
- Prepare existing condition plans based on the survey information.
- Field-review base plans and revise them as necessary.
- Send base plans to the various utility companies and coordinate with the companies to obtain utility location information. Obtain approximate location of utilities from the companies and add the information to our base plans to support design.
- Prepare grading plans for the additional curb and sidewalk.
- Prepare drainage plans to modify the existing drainage systems along the roadways to accommodate the new or relocated curb.

Please reply to the noted office.
Update the construction plans for the resurfacing of these roadways to include the additional quantities.
- Incorporate the grading and drainage plans into the County drawings, including revisions to the distribution/estimate of quantities sheet.
- Estimate the additional quantities of work and update the construction estimate accordingly.

Accordingly, we respectfully request an increase to the project fee lump-sum in the amount of $10,200.00 for the improvements along Grand Street. This will be a separate phase, invoiced on a percent-complete basis.

If you have any questions or desire additional information, please do not hesitate to contact us at our Haddonfield office.

Sincerely,

REMINGTON, VERNICK & ARANGO ENGINEERS, INC.

APPROVAL OF PLANS AND SPECIFICATIONS
AUTHORIZATION TO BID

Dear Members of the Board:

The County has designed and prepared the proposed Construction Plans and Specifications for the Preakness Valley Golf Course, Greens Drainage – 2016 in the Township of Wayne.

My office has reviewed the Plans and Specifications and find them in conformance with Passaic County and other Engineering Standards.

The above-mentioned Project was discussed and recommended for approval with the Public Works Committee on February 22, 2016.

Therefore, I recommend that the Board of Chosen Freeholders ADOPT the necessary RESOLUTION, approving the Plans and Specifications, and authorize the Department of Procurement to advertise and receive bids for this Project.

Very truly yours,

Dated: March 11, 2016
RESOLUTION AUTHORIZING CHANGE ORDER #6 (FINAL) IN EXCESS OF 20% FOR THE 2011 ROADWAY RESURFACING MID-COUNTY PROJECT IN HALEDON, LITTLE FALLS, PATERSON, TOTOWA, AND WAYNE, NJ FOR SMITH-SONDY ASPHALT CONSTRUCTION COMPANY

WHEREAS the County of Passaic did, on the date of April 24, 2012 adopt Resolution R-12-327, awarding a contract to Smith-Sony Asphalt Construction Company in the sum of $2,324,169.69 for the project known as the 2011 Mid-County Roadway Resurfacing Project in Haledon, Little Falls, Paterson, Totowa and Wayne, NJ; and

WHEREAS the County has adopted subsequent Change Orders amending the contract price; and

WHEREAS it has now been determined that the contract must be further amended to provide for an adjustment to reflect the as-built quantities for an additional amount of $109,488.15; and

WHEREAS this proposed Change Order No. 6 will result in the net sum of change orders for this project to be in excess of the 20% limit for change orders which is allowed under the Local Public Contracts Law N.J.S.A. 40A:11-1; and

WHEREAS the regulations (N.J.A.C. 5:30-11.9) of the State of New Jersey Department of Community Affairs permits change orders in excess of 20% as long as the following is present:

1) a written certification by the contractor containing the following:

i) an explanation of the factual circumstances which necessitate issuance of the change order;
ii) a statement indicating why these circumstances could not have been foreseen;

iii) a statement indicating why issuance of the change order would be in the best interests of the County and would not constitute an abuse of these rules;

iv) if the nature of the change order is technical, the certification shall include a certified statement from contractor's appropriate expert, explaining in detail the factual circumstances which necessitate the issuance of the change order;

2) a request from the chief executive officer, in this case the County Administrator, or his designee, to the governing body requesting the change order and explaining why this change order may be allowed pursuant to this provision; and

WHEREAS the County of Passaic is in receipt of a certification from the County Engineer dated February 23, 2016, see copy attached hereto; and

WHEREAS in this particular case, the Passaic County Assistant Engineer has submitted a letter dated February 23, 2016 requesting the adoption of Change Order No. 6, a copy of which is attached hereto and made a part hereof; and

WHEREAS the Passaic County Administrator has filed a memorandum with the Board of Chosen Freeholders dated March 3, 2016 requesting that the Board review this matter and consider adopting this Change Order (see copy attached); and
WHEREAS this matter was discussed via e-mail and approved by the Freeholder members of the Public Works and Buildings & Grounds Committee and said Committee specifically authorized this Change Order; and

WHEREAS a certification is attached hereto to reflect the availability of funds;

NOW THEREFORE BE IT RESOLVED by the Board of Chosen Freeholders of the County of Passaic that it hereby approves a Change Order to Smith-Sondy Asphalt Construction Company for the project known as 2011 Roadway Resurfacing Program Mid-County in the Haledon, Little Falls, Paterson, Totowa and Wayne, NJ to include the additional amounts and services specified herein; and

BE IT FURTHER RESOLVED that the Director and Clerk to the Board are authorized to execute all necessary documentation on behalf of Passaic County; and

BE IT FURTHER RESOLVED that the Clerk to the Board is authorized to publish a notice of this action in the Herald News indicating the additional amount to be expended, the original contract price, the nature of the original and additional work authorized by the within resolution and why it is necessary to expend the additional funds; and

BE IT FURTHER RESOLVED that the said Clerk to the Board shall report this action to the Division of Local Government Affairs of the Department of Community Affairs of the State of New Jersey in its annual audit.

Change Order #6 (Add - Final)

Members of the Board:

Attached for your approval is Change Order #6 to be issued to the Contractor, reflecting an increase in the contract amount required to complete the project. The Change Order adjusts the quantities to reflect the As-Built Quantities as completed on this project.

The total amount of this additional work is $109,488.15 and causes the contract to exceed the original contract amount more than 20%. Attached is documentation required by N.J.S.A.C 5:30-11.9.

The Division of Engineering will include this change order in the final change order for the NJDOT County Aid for this project.

The total amount of the addition is $109,488.15, resulting in a new contract amount of $3,004,972.91.

This change order also includes a justifiable time extension of 48 days to November 17, 2012.

This matter was discussed with the Public Works and Buildings and Grounds Committee at its meeting of February 22, 2016.

I respectfully request that the Board of Chosen Freeholders ADOPT a RESOLUTION approving Change Order #6 in the amount of $109,488.15.

Very truly yours,

Change Order #6 (Add Final) exceeding 20% of the contract

Dear Mr. DeNova:

A change order for additional work in the amount of $109,488.15 was reviewed and recommended for approval by the Public Works Committee at its meeting of February 22, 2016. Since this change order increases the contract amount by more than 20%, the procedures at N.J.A.C. 5:30-11.9 are being followed. This change can be allowed since it was not reasonably possible to issue a new contract for the additional work. Punch list work was underway and pay items had been identified during the pre-final inspection that had not been previously accomplished.

To: All Board of Chosen Freeholders, County of Passaic

From: Anthony J. De Nova, County Administrator

Date: March 3, 2016

Re: Request that the Board of Chosen Freeholders of the County of Passaic Review and Approve Change Order #6 (Add Final) Exceeding 20% - 2011 Roadway Resurfacing Mid-County

In my capacity as Chief Executive Officer of the County of Passaic, I am hereby requesting that the Board of Chosen Freeholders adopt a Change Order for the above-referenced contract above the 20% increase in contract award price, which is permitted under the Local Public Contract Law, N.J.A.C. 5:30-11.9. By way of background to the request, I received a letter dated February 23, 2016, from Assistant County Engineer Timothy R. Mettler outlining the various facts that contributed to his project exceeding the 20% limitation on change orders. The total amount of this additional work is $109,488.15, which causes the contract to exceed the original contract amount more than 20%.

Under these circumstances, I join in the recommendations of both the County Engineer and Freeholders of the Public Works and Buildings & Grounds Committee that this change order in excess of 20% of the original contract award by $109,488.15, bringing the final contract price to $3,004,972.91.

This is to request a change order in excess of 20% of the original contract amount, in accordance with N.J.A.C. 5:30-11.9. I do hereby certify to the following:

1. **Explanation of the Factual Circumstances which necessitate issuance of the change order:**

   Items in this change order are due entirely to pay items that had been overlooked during construction and were completed subsequent to the previous change order.

2. **Statement indicating why these circumstance could not have been foreseen:**

   This type of issue frequently occurs in projects of this complexity.

3. **Statement indicating why issuance of the change order would be in the best interests of the contracting unit and would not constitute an abuse of these rules.**

   This change order is due consists of pay items installed subsequent to the pre-final inspect and were required of the contractor prior to close out of the contract as well as final adjustments to the contract quantities. It would not have been cost effective nor appropriate to advertise for and award a contract for these items.

WHEREAS a professional engineering consultant services contract was awarded to Dewberry Engineers, Inc. by Resolution R-09-1001 dated December 8, 2009 and amended on July 16, 2013 by Resolution R-2013-548 as it concerns the Replacement of West Brook Road Bridge over Wanaque Reservoir, Structure No. 1600491, in the Boroughs of Ringwood and Wanaque, Passaic County, NJ; and

WHEREAS as part of the construction support services for the above referenced project, Dewberry Engineers, Inc. has submitted a request for additional out of scope work due to unforeseen complications encountered during construction of the drilled shafts, which is detailed in their January 25, 2016 letter attached hereto, in the amount of $171,499.00; and

WHEREAS the Office of the Passaic County Engineer by letter dated February 25, 2016 is recommending that said Dewberry Engineers, Inc. be awarded a second contract modification to perform these additional engineering services for an amount of $171,499.00 pursuant to its letter dated February 25, 2016 and subject to NJDOT approval (copy of letter attached hereto and made a part hereof);

WHEREAS the matter was reviewed via e-mail by the members of the Freeholder Committee for Public Works and Buildings & Grounds and is recommended for approval by the entire Board; and
WHEREAS a certification is attached hereto and made a part hereof indicating the availability of funds for this expenditure.

NOW THEREFORE BE IT RESOLVED by the Board of Chosen Freeholders of the County of Passaic that it hereby authorizes a second amendment to the original professional engineering consultant services contract for Dewberry Engineers, Inc. for providing engineering construction support services for the Replacement of West Brook Road Bridge over Wanaque Reservoir, Structure No. 1600491, Boroughs of Ringwood and Wanaque, Passaic County, NJ for additional work outside the original scope of the project as set forth above and in its additional contract modification request attached hereto.

BE IT FURTHER RESOLVED that the Director and Clerk to the Board are authorized to sign an amendment on behalf of the County of Passaic.

Construction Support Services
Contract Modification-Extra Work, Dewberry

Dear Members of the Board:

The Consultant Dewberry is providing the construction support services for the Replacement of the West Brook Road Bridge project. These services include assistance during bidding process, review of the shop and working drawings, consultation during construction, periodic field inspections. Due to unforeseen complication encountered during the construction of the drilled shafts, the Consultant had to provide additional consultation. A detailed description of the additional out of scope work is provided in the attached Dewberry’s letter dated January 25, 2016. The cost estimate for this additional work is $171,499.00.

This modification to the contract was discussed at the Public Works Committee meeting of February 22, 2016 and recommended to the full Board.

Based upon the above, this Office recommends that the Board of Chosen Freeholders adopt a Resolution amending the contract with Dewberry to include this extra work in amount of $171,499.00 and authorize the County Counsel to prepare the necessary Agreements based upon the attached proposal and subject to availability of funds and subject to NJDOT approval.

Re: West Brook Road Bridge Replacement

   Construction Services Extra Work

Dear Ms. Ionescu:

Dewberry is requesting a change order be prepared for additional efforts associated with the unforeseen complications encountered during construction of the Drilled Shafts. The additional efforts include reviewing multiple submissions of the shaft installation plan and increased construction consultation. Dewberry also expended additional efforts associated with reviewing and approving repair procedures due to fabrication errors of Structural Steel members.

**Drilled Shaft Installation**

It was anticipated that one demonstration shaft would be installed near the proposed location of Pier 1 to verify the Contractor's installation method. The Contractor began installation of the demonstration shaft according to their original work plan. As the Contractor continued to install the demonstration shaft, they encountered difficulty in advancing the steel casing to competent rock. Ultimately, the Contractor was unable to advance the casing to the required depth, and most likely damaged the casing to the point that the 114" rock core cutter could not pass below the bottom of the casing.

The Contractor made a request to abandon the first demonstration shaft and install a second demonstration shaft, which was granted. A second location for a new demonstration shaft was determined and an additional test boring was taken at the location of the new demonstration shaft in order to determine the top of rock elevation. Dewberry provided a qualified inspector to confirm the results documented by the Contractor. Once the boring had been taken, the top of competent rock was determined to be at elevation 167.5.

Due to the presence of boulders noted in the borings (which are also noted in the original borings for production shafts) and the inadequacy of the Contractor's original means and methods of installation to advance the casing through these obstructions, the Contractor was required to develop alternative means of installation once obstructions are encountered. At the request of the County, Dewberry attended a meeting at the County office to discuss alternative means of installation. Representatives from the County, the Resident Engineer, the Contractor and their drilling consultant/equipment supplier attended.
alternate installation methods were discussed which included the modification of the shaft configuration provided in the plans. Dewberry was requested to evaluate the changes to determine if the modifications would meet the required strength and performance requirements for the bridge.

Throughout this process, Dewberry provided consultation to the County and the Resident Engineer, attended meetings to discuss options for the advancement of the drilled shaft work, and continued to review installation plans. Dewberry performed multiple calculations and developed alternatives to the original drilled shaft installation plan in the event that the original installation plan was not suitable.

The following is a list of additional out-of-scope work items that have been initiated or will be performed to implement this change.

**Description/Scope of Work**

**Drilled Shaft Installation Method Review**- Due to the problems encountered while installing the drilled shaft casing, extensive review was required of submitted drilled shaft work plans. The drilled shaft work plans were fully reviewed and returned a total of thirteen times before final approval. Once this procedure was finalized, the Contractor went ahead on construction of the demonstration shaft. The installed shaft did not meet horizontal alignment requirements, so a revised work plan needed to be established. Dewberry is currently going through multiple revisions of the new work plan, which has not yet been completed. These revised work plans are required to ensure proper installation of the production shafts.

**Alternative Installation Methods**- Installation methods were reviewed and analyzed in order to help the Contractor achieve a feasible work plan for the drilled shafts. This included multiple reruns of drilled shaft analyses to account for modifications to the shaft configuration.

**Additional Field Consultation**- In order to assist in progressing the demonstration shafts, Dewberry provided consultation at field meetings to determine a course of action for the installation of the shafts.

**Additional Test Boring Consultation**- Once it was established that an additional demonstration shaft would be required, an additional test boring was required to determine parameters for the second demonstration shaft. A Geotechnical Engineer was provided in the field to observe the test boring at the new location. Additional submittal review was also required for the new test boring. Any additional guidance or review requests were provided as necessary to the Contractor and the resident engineer.

**Anticipated Additional Consultation for Shaft Installation**- In the case of any unforeseen conditions with the drilled shafts, additional consultation may be required. To date, the casing of the demonstration shaft has been placed, the reinforcement and concrete have been installed, and the demonstration shaft CSL tests and O-Cell load test have been conducted. We anticipate a substantial effort in providing engineering guidance throughout the remainder of the production.
shaft installation. We are also continually reviewing modifications to the approved drilled shaft work plans before a final procedure is established.

**Structural Steel**

The structural steel shop drawings were reviewed and certified in 2013. In June 2015, a RFI was submitted because the fabricator cut a web girder shorter than the contract plans specified and outside of the allowable tolerances. Several repair procedures were reviewed as a result of this unforeseen fabrication error.

The following is a description of additional out-of-scope work items that were performed to implement this change.

**Description/Scope of Work**

**Structural Steel Weld Revisions**—Due to an error during fabrication, some of the girder webs were cut shorter than the contract plans called for. Initially a repair procedure was submitted and subsequently rejected as the suggested repair may negatively affect the quality of the final product. A revised steel fabrication method was developed in order to address the error in a way that would not compromise the structural integrity of the steel members. Dewberry investigated options and recommended a repair procedure in order to ensure the girders were built to a proper structural capacity. The repair plans were submitted, reviewed, and approved.

Please see the attached fee summary sheet along with staffing estimate for a breakdown of the additional costs.

Sincerely,
Dewberry Engineers, Inc.

Fairfax, VA 22031-4666

Dear Mr. Reiner:

Based on our review of Dewberry Engineers, Inc. submitted Statement of Direct Labor, Fringe Benefits and General Overhead for the Year Ended December 31, 2014, we have determined overhead rates of 113.84 percent should be used for construction inspection projects and 131.46 percent should be used for all other projects for funding purposes on future contracts with the Department.

These rates are subject to audit verification. Our acceptance of these rates does not extend beyond contracts with the New Jersey Department of Transportation. Any other entity contracting with the firm is responsible for determining the acceptability of the overhead statement.

If you have any questions, feel free to contact Lee Ford at (609) 530-2350.

Sincerely,

RESOLUTION AUTHORIZING THE PASSAIC COUNTY PROSECUTOR'S OFFICE TO APPLY FOR FUNDING FOR A PROJECT IDENTIFIED AS "COUNTY OFFICE OF VICTIM WITNESS ADVOCACY" FOR THE PERIOD APRIL 1, 2016 THROUGH MARCH 31, 2017

WHEREAS the Attorney General has been designated by the Governor to implement the grant programs under the Victims of Crime Act (VOCA), Grant No. V-16-15; and

WHEREAS the Passaic County Prosecutor's Office wishes to apply for funding for a project named "County Office of Victim Witness Advocacy" for the period of April 1, 2016 through March 31, 2017; and

WHEREAS approximately $282,361.00 in VOCA funding is anticipated for the within project, and a $70,590.00 In-Kind Salary match is required, for a total project cost of $352,951.00, all as outlined in the attached letter dated from the Office of the Attorney General dated January 26, 2016; and

WHEREAS the Freeholder Law and Public Safety Committee has considered this matter at its March 1, 2016 meeting and recommended this resolution to the full board for adoption; and

WHEREAS a certification is attached indicating that funds are available for the required County Match of $70,590.00;

NOW THEREFORE IT BE RESOLVED by the Board of Chosen Freeholders of the County of Passaic that:
1) As a matter of policy Passaic County wishes to participate to the fullest extent possible with the Department of Law and Public Safety, Division of Criminal Justice, State Office of Victim-Witness Advocacy.

2) The Attorney General will receive funds on behalf of all prospective subgrantees.

3) The Division of Criminal Justice shall be responsible for reviewing all applications and making recommendations to the Attorney General for selection of subgrant award recipients.

4) The Division of Criminal Justice is authorized to initiate allocations to each subgrantee.

5) The Director of the Board and all necessary parties are authorized to sign and execute the application and forms necessary to receive funding under this grant.

Re: Victims of Crime Act (VOCA) Grant Program
Project Title: County Office of Victim Witness Advocacy
Subaward Number: V-16-15

Dear Prosecutor Valdes:

The New Jersey Division of Criminal Justice is pleased to announce the funding for the 2015 County Offices of Victim Witness Advocacy under the Victims of Crime Act (VOCA) Victim Assistance Grant Program.

Your federal award will be $282,361, with a required twenty percent (20%) match, for a twelve month period. A formula has been utilized that allocates $5,500,000 to the county offices. It provides for a base amount of $75,000 and the proportionate amount of the award is based on the number of indictments, accusations and victims served reported by your county to the Division of Criminal Justice in calendar years 2013 and 2014. An application package will be forwarded to your office two months prior to the expiration of your current grant award.

Please consult our VOCA Program Guidelines for direction on the appropriate use of funding. If you have any questions regarding these grant programs, please contact Isaac Junius at 609-984-1039.

Sincerely,

Phoenix Smith, Chief

RESOLUTION
AUTHORIZING THE CANCELLATION OF CERTAIN OPEN SPACE
TRUST FUND GRANTS AWARDED TO THE BOROUGHS OF
HALEDON AND TOTOWA, AS SPECIFIED BELOW

WHEREAS preserving open space and conserving natural
resources ensure a sustainable quality of life in Passaic County; and

WHEREAS the Board of Chosen Freeholders of the County of
Passaic by Resolution R-13-530 dated July 16, 2013 awarded
an Open Space Trust Fund grant in the amount of $72,960.00 to
the Borough of Totowa for a project known as Lincoln Field
Drainage Project - Phase III; and

WHEREAS as of today, a remaining balance of $23,107 is no
longer needed due the project being completed under budget; and

WHEREAS the Board of Chosen Freeholders of the County of
Passaic by Resolution R-12-791, dated September 25, 2012 and
again by Resolution R-14-584 dated July 22, 2014 awarded two
Open Space Trust Fund grants in the amounts of $75,000 and
$50,888, respectively, to the Borough of Haledon for a project
known as Ongoing Improvements to Roe Athletic Field; and

WHEREAS as of today, remaining balances in the amounts
of $12,564.56 and $25,573.40, respectively, are no longer needed
due the two projects being completed under budget; and

WHEREAS it is now necessary to cancel these three (3)
previously awarded grants to the municipalities above and
unencumber these monies from the Passaic County Open Space
Trust Fund Municipal/Non-Profit account; and
WHEREAS these matters were reviewed and approved by the Freeholder Committee of Planning & Economic Development on January 27, 2016, February 17, 2016 and March 2, 2015;

NOW THEREFORE BE IT RESOLVED that the Board of Chosen Freeholders of the County of Passaic hereby authorizes the cancellation of the previously awarded Open Space Trust Fund grants to the Borough of Totowa in the amount of $23,107, and grants to the Borough of Haledon in the amounts of $12,564.56 and $25,573.40, as more fully set forth above; and

BE IT FURTHER RESOLVED that the Director and clerk to the Freeholder Board are hereby authorized to execute any necessary documents to effectuate the above.

RE: County of Passaic Open Space & Farmland Preservation Trust Fund Grant
Lincoln Field Drainage Improvements - 2013 Phase III (Final)

Dear Freeholder Director Lora:

The Mayor and Council of the Borough of Totowa extend their thanks to you, the Freeholders and the Open Space Committee for supporting Totowa’s Open Space Grant applications in the past.

Please be advised, that pursuant to the above referenced item, there remains a balance of $23,107.00. The Mayor and Council respectfully request that the $23,107.00 balance of our 2013 Grant be rolled over to our new Tennis Court Project that is being funded with the 2014 & 2015 Open Space Grants. The Mayor and Council eagerly await your decision.

If you need additional information, please do not hesitate to contact me at the above listed address or telephone number.

Thank you for your attention to this matter.

RE: COUNTY OF PASSAIC OPEN SPACE & FARMLAND
    PRESERVATION TRUST FUND GRANT
    LINCOLN FIELD DRAINAGE IMPROVEMENTS – 2013 PHASE III (FINAL)

Dear Mr. Wassel:

This office represents the Board of Chosen Freeholders of the County of Passaic. Your written communication to Freeholder Lum dated January 14, 2016, was forwarded to this office for a response. Please be advised that the Freeholder Standing Committee on Planning and Economic Development has reviewed the Borough’s request that the $23,107.60 balance of the Borough’s 2013 Grant be rolled over to the Borough’s new Tennis Court Project that is currently being funded with the 2014-2015 Open Space Grant.

By way of background, the Freeholder Standing Committee on Planning and Economic Development had, late last year, decided to not allow for reallocation of Open Space Grant funds based on the policy that it would create disparities with those entities who fulfill their agreement and allocate the funds as originally applied for. Therefore, in light of the above, the Borough’s request is denied. Furthermore, the remaining balance of $23,107.60 will be cancelled.

We encourage the Borough to reapply in calendar year 2016 if additional funds are needed to complete the Tennis Court Project. Be advised that the projected application deadline this year is May 13, 2016. Please be guided accordingly. Thank you for your kind attention to this matter.

Dear Mr. Jordan:

RE: Unexpended Open Space Trust Fund Grants

Attached is a letter I sent the Open Space Advisory Committee last October, which requested reimbursement and notified the Committee the Roe Athletic Field project was complete. The project included two grants, a 2009 Grant totaling $200,000 and a 2012 grant totaling $75,000. We were able to complete all improvements for $262,453.44 leaving a grant balance of $12,564.36.

At this time, I am submitting to the Open Space Advisory Committee a request for reimbursement on our 2014 Grant, Tree Replacement at Roe Street Athletic Fields. This project also came in below budget. The County awarded the Borough a grant totaling $50,888. We were able to complete the tree replacement for only $25,314.60 leaving a grant balance of $25,573.40.

I will be requesting the Open Space Advisory Committee to consider transferring the balances of both grants to our 2013 Open Space Award ($50,000) for Improvements to the Tilt Street Pocket Park. We recently awarded this project to DTS Services, LLC of Hawthorne, NJ for a contract price of $94,246.00. The addition of grant balances would increase grant funds available to a total of $87,479.16.

Haledon has been extremely fortunate to receive Open Space funding in order to complete improvement projects at the Roe Street/Brenn Memorial Field. Open Space funding has now enabled the Borough to improve other areas including the Tilt Street Pocket Park and ultimately the Belmont Town Square.

Please contact me directly if further clarification of our projects is required.

ROE STREET ATHLETIC FIELD IMPROVEMENTS

Dear Mr. Susen:

This office represents the Board of Chosen Freeholders of the County of Passaic. Your written communication to Deputy County Administrator Matthew P. Jordan, Esq., dated February 9, 2016, and written communication to Open Space Coordinator Kathleen M. Caron dated February 11, 2016, were forwarded to this office for a response. Please be advised that the Freeholder Standing Committee on Planning and Economic Development has reviewed the Borough's request that balances of grants for the improvements at the Roe Street Athletic Field be transferred to the Borough's improvements to the Tilt Street Pocket Park.

By way of background, the Freeholder Standing Committee on Planning and Economic Development had, late last year, decided to not allow for reallocation of Open Space Grant funds based on the policy that it would create disparities with those entities who fulfill their agreement and allocate the funds as originally applied for. Therefore, in light of the above, the Borough's request is denied. Furthermore, the remaining balances on the Roe Street Athletic Field grants will be cancelled.

We encourage the Borough to reapply in calendar year 2016 if additional funds are needed to complete the Tilt Street Pocket Park. Be advised that the projected application deadline this year is May 13, 2016. Please be guided accordingly. Thank you for your kind attention to this matter.
