Dated: September 30, 2016
RESOLUTION AWARDING CONTRACT TO LAN ASSOCIATES, INC. FOR ENGINEERING AND BUILDING ASSESSMENT SERVICES AS IT PERTAINS TO 930 NORTH RIVERVIEW DRIVE, TOTOWA, NEW JERSEY

WHEREAS by Resolution R-2016-585 dated July 19, 2016 the Board of Chosen Freeholders of the County of Passaic authorized the purchase of 27,847 square feet of space that the County of Passaic currently leases from Tulfra Realty at 930 North Riverview Drive, Totowa, New Jersey as a condominium; and

WHEREAS in furtherance of that purchase there exists a need for the County of Passaic to have a professional engineer conduct a building condition assessment for those portions of the buildings the County is seeking to purchase at 930 North Riverview Drive; and

WHEREAS LAN Associates, Inc., 445 Godwin Avenue, Suite #9, Midland Park, NJ 07432 submitted a proposal dated August 30, 2016 for the necessary building assessment services to be provided for a fee of $14,650.00 in connection with the necessary building conditions assessment, and is being recommended by the Office of the Passaic County Counsel, a copy of which is attached hereto and made a part hereof; and

WHEREAS the aforesaid was reviewed by the Freeholder members of the Freeholder Finance and Administration Committee and recommended to the full Board for approval; and

WHEREAS the Local Public Contracts Law, N.J.S.A. 40A:11-1, et seq., requires that the resolution authorizing the award of
contract for “Professional Services” without competitive bids and
the contract itself must be available for public inspection; and

WHEREAS said LAN Associates, Inc. has been qualified as a
pool professional engineer in a “Fair and Open” procedure
pursuant to the resolution of the Board of Chosen Freeholders of
the County of Passaic, R-16-067, dated January 26, 2016 as set
forth in Pay to Play Law N.J.S.A. 19:44A-20.4 et seq.; and

WHEREAS a certification is attached which indicates that
funds are available for the within contemplated expenditure; and

NOW THEREFORE BE IT RESOLVED by the Board of
Chosen Freeholders of the County of Passaic that the Professional
Consultant Engineering and Building Assessment Services for
the above-mentioned building assessment review and report for
930 North Riverview Drive, Totowa, NJ, be awarded to LAN
Associates, Inc. in accordance with the terms and conditions set
forth above; and

BE IT FURTHER RESOLVED that the Director, Clerk of the
Board and County Counsel are hereby authorized to execute the
necessary contract on behalf of the County of Passaic; and

BE IT FURTHER RESOLVED that this contract is awarded
without competitive bidding as a “Professional Services” contract
in accordance with N.J.S.A. 40A: 11-5(1)(a) of the Local Public
Contracts Law because:

(1) The consulting firm is authorized and regulated
by the law to provide the aforementioned services;

(2) The performance of the services are special in nature
and require knowledge of an advanced type training, which said consulting firm possesses; and

**BE IT FURTHER RESOLVED** that a Notice of this action be published in the NORTH JERSEY HERALD & NEWS.

930 Riverview Drive,
Block 169, Lot 6
Totowa, NJ 07512
LAN Ref #2.20012.0 - #7268

Dear Mr. Edmond:

Pursuant to your Request for Quotations (RFQ), made Attachment #1, LAN Associates, Engineering, Planning, Architecture, Surveying, Inc. (LAN) is pleased to provide our proposal to perform a Building Conditions Assessment at the above-referenced property. Based on our review of the RFQ, we understand that the scope of services includes visual assessments of the following building elements:

- Site
- Building Envelope
- Interiors
- Building Structure
- Mechanical Systems
- Electrical Systems
- Plumbing Systems
- Comprehensive Assessment of the Roof
- Comprehensive Assessment of the Solar Panels

Our services would consist of a walk-through of the building with particular attention paid to the above items. The inspections will be visual in nature, and will also include the performance of roof core samples and subsequent patching. We will identify areas of concern during our inspection, and include recommendations, when possible. We will prepare a written report of our findings with a summary of any problem areas, and will estimate budgetary costs for repair work needed. The inspection will be performed by a NJ-licensed Professional Engineer or Registered Architect with experience in building evaluations. Specifically not included in our services will be review of underground or hidden systems, environmental assessments, hazardous building material identification or sampling, or land use permitting issues.
For the above services, LAN proposes a lump sum fee of $14,650.

The completed report will be submitted within three weeks of award of the contract.

We appreciate having this opportunity to present our proposal to you, and look forward to our continued relationship with Passaic County. Should you have any questions concerning this proposal please do not hesitate to contact me directly at 201-447-6400, or via email at steven.ramiza@lan-nj.com.

Respectfully submitted,

RE: 930 N. RIVERVIEW DRIVE, UNIT #1 AND #2, TOTOWA, NJ
REVIEW OF TWO PROPOSALS
DUE DILIGENCE BUILDING CONDITION ASSESSMENT

Dear Mike:

In connection with the above-referenced matter, the County of Passaic received two responses from the following companies: (1) EBI Consulting dated September 16, 2016; and (2) LAN Associates dated August 30, 2016. I have had an opportunity to review both proposals.

The EBI Consulting proposal generated a fee estimated of $9,100.00 for a due diligence report including roof assessment. Also, there were optional estimates that were also provided for mechanical, electrical, plumbing, and life safety survey for $4,275.00 and electrical equipment IR Scan for $1,925.00, for a total of $7,290.00. It is my opinion that the County should have these additional inspections. Therefore, the total fee of EBI would be $16,300.00.

On the other hand, LAN Associates proposed a lump sum of $4,650.00 for all services, including inspections concerning site, building envelope, interiors, structure, mechanical systems, electrical systems, plumbing systems, roof and solar panels.

After reviewing both reports, it is my opinion that the proposal from LAN was more thorough and comprehensive, and the lump sum fee covered all appropriate inspections concerning the structural and integrity of the property at issue. When factoring the total cost for the LAN proposal compared to the EBI proposal, the LAN proposal is $1,650.00 less. I feel that LAN will give the appropriate County officials the confidence and knowledge that will be needed to make informed decisions with regard to the purchase at issue.

Therefore, I recommend LAN Associates to perform the due diligence building condition assessment.

Request for Quotations to Perform a Building Conditions Assessment  
of 930 Riverview Drive, Totowa, NJ 07512

Part I OVERVIEW

The intent of this Request for Quotations (RFQ) is to select a qualified company that will  
prepare a Building Conditions Assessment for 930 Riverview Drive, Totowa, NJ 07512,  
Block 189, Lot 6. This 17.3 acre property is owned by 10 Clifton Associates, LLC (Tufra  
Real Estate) and is sub-divided into office suites with some storage capacity. The front  
of the property facing Riverview Drive is currently empty but will be utilized as a self-  
storage facility in the near future. Passaic County plans to purchase two condominium  
units: Suites 200 and 250. Please note attached maps and photographs in Appendix I.

The County of Passaic, Department of Engineering will oversee the work of the  
company selected.

Part II SCOPE OF WORK

The selected company will be required to prepare a Building Conditions Assessment Report  
related to the condition of major systems and critical building elements.

The selected company must perform a visual survey and site interviews, if  
possible, in accordance with ASTM Standards. The client shall provide  
reasonable access to all parts of the buildings being surveyed.

The following building elements will be included within the survey:

1. Site – Visual assessment of adjacent site infrastructure including accessibility,  
sidewalk conditions, parking lot condition, access drives, landscaping, site  
drainage and utilities.
2. Building Envelope – Visual assessment of the exterior structure  
including exterior walls, roof, windows, exterior doors, and gutters.
3. Interiors – Visual assessment of the building interiors including wall  
surfaces, ceilings, flooring, stairs, elevators, and interior doors.
condition where visible.
5. Mechanical Systems – Visual assessment of major components such  
as boilers/furnaces, air handling units, pumps, heat rejection  
equipment, ductwork, HVAC piping, terminal devices, ventilation  
systems, solar panels, and temperature controls.
6. Electrical Systems – Visual assessment of major components such  
as main panel, secondary panels, and incoming service voltage and  
size; emergency power systems; fire alarm systems and lighting  
systems.
7. **Plumbing Systems** – Visual assessment of domestic water, sanitary waste, storm, plumbing fixtures, and fire suppression systems including domestic water heaters and any pumps.

8. **Comprehensive Assessment of the Roof and its condition** –
   Provide a comprehensive assessment of the condition of the roof, identify condition of roofing materials, age of roof, amount of insulation under membrane and any potential locations for leaking such as seams, flashing locations, etc.

9. **Comprehensive Assessment of the condition of the existing solar panels located on the roof** – Provide a comprehensive assessment of the condition of the existing solar panels, status of inverters, identify if the solar panels are leased or owned by the current owner, if leased, secure a copy of the lease, age of panels, and summary of potential maintenance obligations.

**Part III: Special Provisions**

1. The assessment is visual and representative in accordance with ASTM Standards.
2. Proposal must include man lifts, bucket trucks, ladders, or other equipment needs, as applicable.
3. The intent of the study is not to evaluate code deficiencies, however, code deficiencies should be noted if found during the course of the work.

**Part IV: Report Contents**

The selected company will provide a Building Conditions Assessment Report that summarizes the observations made and identifies necessary immediate remediation measures needed to maintain the building in its current condition or to prevent further deterioration. The company will define the order of magnitude costs to implement these measures. Aesthetic improvements, technology improvements, programmatic, sustainability, or state of good repair projects should not be included.

**Part V: RFQ Response Requirements**

All companies responding to this RFQ must provide a brief description of the methodology that your company will use to plan and execute the Building Conditions Assessment.

Please provide the following cost and time of completion information:

- A lump sum cost for the completion of the Building Conditions Assessment.
- Hourly Labor Rates for each staff member that will work on the project including support, field, management staff, etc.
- Other Direct Costs including equipment, field instrumentation, travel and other supplies that would be used throughout the development of the Building Conditions Assessment.
- Copies of professional licenses.
- Estimated date of completion of the Building Conditions Assessment.
Proposed Staffing:

EXPERIENCE
As President of the corporation, Mr. Karle is responsible for overall management of 80 employees in two (2) offices in New Jersey & New York. He is also in charge of architectural design, master planning, conceptual design, feasibility planning, and project management for all of LAN's major design projects.

Mr. Karle has worked on projects which have included site plan design, new construction, major renovation, energy conservation, and planning studies for public agencies, school districts, commercial and industrial clients.

Mr. Karle has presented testimony as a Registered Architect, Professional Engineer, or Professional Planner before numerous Planning Boards and Boards of Adjustment and has also served as an expert witness in Federal and State court on construction litigation. Mr. Karle has also been retained by private parties to serve as an independent mediator in construction disputes.

Mr. Karle serves as architect, engineer, or planner of record for:

Educational K-12: Mr. Karle serves as architect or engineer of record for more than two (2) dozen school districts. Current or recent major projects include the new Monroe School at Edison, NJ ($32M), Alpine School Performing Arts Center ($4M); Manasquan: NY school renovations, two phases ($41M); Ridgefield, NJ additions and renovations ($49M); Prospect Park Elementary School additions, three phases ($15M); North Haledon new Elementary School and Middle School addition ($83M); Fair Lawn School additions and renovations ($32M); Verona School additions and renovations ($38M); Cranford School District renovations and additions ($50M); Manasquan School renovations ($19M); Bernards new elementary school and renovations, two phases ($37M); Demarest and New Milford School additions ($20M); Passaic High School science wing addition ($7M); Bloomfield Schools renovations ($12M). The above represents major renovation, addition or construction of new schools at 55 separate sites. All school projects have never required relocation of students even though two elementary schools have been replaced on the same site and four separate projects have added a second floor over existing classrooms.

Senior Housing: Recently completed was the $20 million replacement of the building exterior and interior renovation of a 26 story condominium senior living building in Asbury Park, NJ. MEP system design for a new 9 story luxury senior living building in Red Bank, NJ, twice (2) assisted living self-contained buildings (130 units in Hawthorne; 95 units in Wyckoff; 42 units in North Haledon) including all site planning. The combined construction cost of these projects was $29.5 million. Currently in design is a new $50 million senior living continuing care retirement community in northern New Jersey.

Condominium & Housing: Mr. Karle has designed numerous renovations for condominium projects ranging out of defects and leakages for issues such as water infiltration, roofing, EIFS, and MEP systems for low rise and high rise buildings. Projects for the NJ Housing and Mortgage Finance Agency have included chiller and boiler replacements, domestic hot water systems, windows, and roof replacements at low and high rise residential buildings in Newark, Jersey City, and elsewhere.

Site Planning & Planning Board: Mr. Karle has served as engineer of record for the Watchung Park, Prospect Park, and Leafshine Plant Boards. Mr. Karle has been consulted on site development issues for the State of New Jersey, Department of Parks & Recreation and the State of New Jersey, Juvenile Justice Commission.

Commercial: Computer facilities, office space, and commercial design for such Fortune 500 companies as Nestle’’s Spring Group, Panasonic Pictures, Gulf & Western, Bedford, Git Sours of America, Executive Jet Aviation, Delta Air Lines, and others.

Roofing: Mr. Karle serves as architect of record for many large roof replacements each year and has served as an expert witness for several failed roofing system failures. One project of note was the replacement of the Bowersham School roof. Paramus, NJ while the building remained occupied by severely handicapped students.

Building Conditions Assessment
930 Riverview Drive,
Block 169, Lot 6
Totowa, NJ 07512
LAN Ref #2.20012.0 - #7268

Dear Mr. Edmond:

Pursuant to your Request for Quotations (RFQ), made Attachment #1, LAN Associates, Engineering, Planning, Architecture, Surveying, Inc. (LAN) is pleased to provide our proposal to perform a Building Conditions Assessment at the above-referenced property. Based on our review of the RFQ, we understand that the scope of services includes visual assessments of the following building elements:

- Site
- Building Envelope
- Interiors
- Building Structure
- Mechanical Systems
- Electrical Systems
- Plumbing Systems
- Comprehensive Assessment of the Roof
- Comprehensive Assessment of the Solar Panels

Our services would consist of a walk-through of the building with particular attention paid to the above items. The inspections will be visual in nature, and will also include the performance of roof core samples and subsequent patching. We will identify areas of concern during our inspection, and include recommendations, when possible. We will prepare a written report of our findings with a summary of any problem areas, and will estimate budgetary costs for repair work needed. The inspection will be performed by a NJ-licensed Professional Engineer or Registered Architect with experience in building evaluations. Specifically not included in our services will be review of underground or hidden systems, environmental assessments, hazardous building material identification or sampling, or land use permitting issues.

RE: Equipment Use Agreement for Fiscal Year FY17 (2016-2017)

Attached, please find an Equipment Use Agreement and a list of equipment assigned to your county mosquito control agency/division/department/commission through the NJ State Mosquito Control Commission's Equipment Use Program. This agreement needs to be signed and returned to my office along with the accompanying "Location Schedule" and additional required items, listed below. The past policy requires the return of the above-mentioned documents to the Office of Mosquito Control Coordination within 45 days as required by the NJ State Mosquito Control Commission. Please return the completed packets, signed and dated, to the Office of Mosquito Control Coordination by August 15, 2016.

1. Location Schedule – please list the projects, by location, where this equipment will be used during the upcoming year. New this year, please fill out and return for each piece of Water Management Equipment (Equipment that digs or moves soil) the new "Water Management Permit Compliance Checklist for LUR Permits." Any questions on this new checklist please contact Joe or Steve. (Return)

2. Insurance statement. (Return)

3. Schedule A – the list of SMCC equipment assigned to your county. (Keep for your office)

4. Permits – copy of each water management permit relating to the planned projects requiring equipment. (Return)

5. Certified Pesticide Applicator registration – for pesticide application equipment. (Send list)

6. NJMVC Boaters license for all operating a NJ State Mosquito Control Commission Boat. (Send list)

Once the Equipment Use Agreement has been signed by all parties, a copy will be sent to you.

Also enclosed is a copy of the "Guidelines for Use and Repairs to State-Owned Equipment" for your information. Please keep this for your records, and please follow these guidelines when any repair is required. The "Affidavit for Repairs of the State Mosquito Control Commission-Owned Equipment" needs only to be signed and returned to this office when repairs are made to the equipment. If you have any questions concerning the Equipment Use Agreements, please call me at (609) 292-3649, call (609) 292-3649 or email me at steve.georgo@dep.nj.gov.

Thank you.

STATE EQUIPMENT USE AGREEMENT

THIS AGREEMENT is made and entered into this 1st day of JULY by and between the STATE MOSQUITO CONTROL COMMISSION hereafter referred to as the LESSOR, and the PASSAIC COUNTY MOSQUITO CONTROL DIVISION, hereinafter referred to as the LESSEE.

WHEREAS, THE LESSOR is submitting to the LESSEE a request to use the State Mosquito Control Commission-assigned equipment as listed and described in the attached Schedule A, for purposes of mosquito control, for a period of time to commence as of July 1, 2016 and continue in full force and effect until June 30, 2017.

WHEREAS, THE LESSOR has agreed to provide said equipment to the LESSEE for said purpose;

WHEREAS, THE LESSEE agrees to follow the procedures and guidelines for the use, maintenance and repair of said mosquito control equipment as outlined in the Guidelines Regarding the Use and Repairs to State Owned Mosquito Control Equipment (the "Guidelines") (attached as Exhibit 2);

WHEREAS, THE LESSEE further agrees to complete the Location Schedule Per State Mosquito Control Commission Equipment (the "Location Schedule") (Exhibit I) and this Agreement along with Schedule A, and return the completed forms to the Lessor within forty-five (45) days of receipt of the forms by the Lessor;

AND WHEREAS, the Lessee further agrees to follow the terms and conditions of this Agreement and the Location Schedule as well as the Guidelines;

AND, WHEREAS, THE LESSEE agrees to complete the State Mosquito Control Commission, Affidavit Per Repair of State Mosquito Control Commission-Assigned Equipment ("Affidavit of Repair") (Exhibit 3), and follow its terms and conditions when purchasing parts and/or services for the equipment listed on Schedule A;

NOW THEREFORE, in consideration of the mutual promises, terms and conditions as contained herein, the LESSOR and the LESSEE (the "Parties") covenant and agree as follows:

LESSEE'S LIABILITY:

1. The LESSEE for itself, its agents, representatives, employees, and insurers, hereby assumes liability for any and all claims that may arise from the transportation, use, storage, or any other occasion relating to the equipment, and covenants to indemnify, protect and hold harmless the LESSOR, the State of New Jersey, its agents, representatives and/or employees, from any and all liability, claims and/or actions, for personal injury and/or injury to real property, which may in any manner arise out of, or result from the use, transportation, storage or any other circumstance relating to this equipment by the LESSEE, its agents, employees, and/or third-parties, as long as the equipment is within the possession and/or control of the LESSEE.

2. The LESSOR shall assume liability in accordance with this Agreement, immediately upon assuring physical possession of the equipment, regardless of the location of the equipment.

Intended on: September 27, 2016
Adopted on: September 27, 2016
Official Resolution #: R20160774
3. The LESSEE specifically covenants to reimburse the LESSOR in the amount of the equipment's replacement value, or replace the equipment, at the sole option of the LESSOR, should such equipment be destroyed, lost, or abandoned by reason of any or all causes, excepting acts of God, during the term of the Agreement, regardless of the location of the equipment.

MAINTENANCE, REPAIRS AND DAMAGES:

1. The LESSEE agrees to assume responsibility for all routine maintenance of the equipment, as described in the Guidelines (Exhibit 2), maintain written records of said routine maintenance in accordance with reasonable maintenance practices, and furnish said records to the LESSOR upon request.

2. The LESSEE also agrees to pay for all damages or individual repairs made upon such equipment, up to and including the deductible amount of $1,000.00. The LESSOR will reimburse the LESSEE for all amounts expended in excess of $1,000.00 for such repairs, if the LESSOR determines, at its sole discretion, that said repairs are not the result of the LESSEE's negligence and/or failure to follow procedures for routine maintenance in accordance with the Guidelines (Exhibit 2).

3. The LESSEE agrees to follow the procedures for major repairs in excess of $1,000.00 to Commission-owned equipment as outlined in the LESSOR Guidelines.

4. Reimbursement to the LESSEE for such major repairs will be dependent upon a determination by the LESSOR, at its sole discretion, that the LESSEE followed the procedures outlined in the Guidelines, and upon receipt by the LESSOR of a signed notarized Affidavit of Repairs (Exhibit 3), stating that repairs have been made and that all work was accomplished pursuant to the purchasing regulations applicable to public agencies.

TERM/TERMINATION OF AGREEMENT:

1. This Agreement shall remain in effect for a period of time to commence as of July 1, 2016 and continue until June 30, 2017, unless otherwise terminated by the LESSOR in accordance with the terms of this agreement.

2. Upon termination of this Agreement, the LESSEE, by its agent, representative or assign, must present the LESSOR with a signed statement certifying the equipment to be in good repair and operational.

3. This Agreement may only be terminated after a designated representative of the LESSOR has inspected the equipment, found same to be in good repair and the LESSOR agrees, in writing, to the termination of the Agreement. Should said equipment be found not to be in good repair, the LESSEE will continue to assume liability and the Agreement will continue in effect.

4. This Agreement may be terminated upon the sole action of the LESSOR should the LESSOR find misuse, abuse, neglect, failure to follow procedures for routine maintenance as described in the Guidelines and/or negligence with respect to the equipment, or should the LESSOR find that an emergency need for the equipment exits elsewhere.
5. It is specifically understood that upon termination of this Agreement the LESSEE will store the equipment until such time as arrangements have been made and agreed upon, by and between the LESSOR and the LESSEE, for transportation of the equipment to another location, and that liability in accordance with the terms of this Agreement shall not shift from the LESSEE until such time as physical possession, custody and/or control is assumed by the LESSOR or a subsequent LESSEE of the same equipment.

6. It is further understood by the LESSEE that the equipment may be inspected annually by the LESSOR, and that the LESSOR retains the right, at its own discretion, to inspect the equipment at any time and/or location, during the course of this Agreement. The LESSEE retains no option for renewal of the Agreement. Such renewal is at the sole option of the LESSOR, and shall be made through an agreement signed by both parties.

**AMENDMENT/MODIFICATION OF AGREEMENT:**

1. Upon request of the LESSEE, the LESSOR may amend or modify the list of equipment described in the attached Schedule A during the term of this Agreement, without having to obtain signatures from the parties.

2. No amendments or modifications may be made to this Agreement or the attached Exhibits 1 through 3 (except for the attached Schedule A as indicated in paragraph 1, above) unless made in writing and signed by the Parties to the Agreement.

This Agreement may be signed in counterparts, each original signed page to become part of the original document.

GUIDELINES REGARDING THE USE AND REPAIRS TO
STATE OWNED MOSQUITO CONTROL EQUIPMENT

I. PURPOSE

To establish mandatory guidelines and procedures to be followed by Lessees of State-
owned mosquito control equipment, for its use, maintenance, authorization for repair and
reimbursement for repair. Use refers to the proper and authorized utilization of the
equipment, for mosquito control purposes only.

II. DEFINITIONS

"Commission" shall mean State Mosquito Control Commission.

"Program Director" shall mean the representative of the Commission designated to manage State-
owned mosquito control equipment.

"Lessees" shall mean any County commission, government or agency, its representatives, agents,
and/or employees, or the New Jersey Agricultural Experiment Stations, its representatives, agents
and/or employees, who have entered a State Equipment Use Agreement for use of State-owned
mosquito control equipment.

"Routine Maintenance" shall mean the performance of service to State-owned equipment, as
required at regular intervals, in order to minimize or prevent the loss of, or to prolong the use of
such equipment, by replacement and/or repair of any of its wearable or component parts.

"Repair" shall mean the restoration of impaired State-owned equipment to good or sound
condition, after loss, damage or normal use, but not resulting from neglect or failure to perform
routine maintenance.

III. POLICY

Lessees are responsible for making all repairs (including routine maintenance as defined
herein) to State-owned equipment assigned for their use. Payment for these repairs is
subject to a deductible amount as specified in form ADM-038. Lessees shall pay for all
repairs costing an amount equal to or less than the deductible amount of $1,000. The
Commission will pay the cost of repairs over and above the deductible amount,
providing the following conditions are met:

1. The repairs are not a result of negligence on the part of the Lessee, its representatives,
   agents, employees and/or assigns or any third-party while in the Lessee's custody or
   control, and/or the result of failure to follow procedures for routine maintenance of the
   equipment in accordance with these Guidelines.

2. The Lessee must obtain approval from the Commission prior to making any repairs
   (excluding emergency repairs).

Introduced on: September 27, 2016
Adopted on: September 27, 2016
Official Resolution#: R20160774
3. The Lessee, upon approval of the Commission, shall assume the initial cost of the repairs and then submit receipts for these repairs to the Commission for reimbursement.

The Commission is under no obligation to pay for any repairs if the Lessee fails to follow the provisions of these Guidelines.

IV. APPROVAL PROCEDURE FOR NON-EMERGENCY REPAIRS

Lessee

1. Send a letter to the Program Director indicating the repairs needed. Send a written estimate, along with the letter. If repairs total $2,500 or more, obtain three (3) written estimates, prepared by vendors, and send them along with the letter.

Program Director

2. Make an on-site inspection of the equipment and make your recommendation regarding the repairs in writing.

3. Submit your recommendations along with the Lessee’s letter and estimate(s) to the Commission Secretary.

Commission Secretary

4. Review the Program Director’s recommendations, the Lessee’s letter, and the estimate(s) with the Commission at the next meeting.

5. Send a letter to the Lessee stating the Commission’s approval or disapproval to proceed with the repairs.

V. PROCEDURE FOR NON-EMERGENCY REPAIRS AND REIMBURSEMENT

Lessee

1. Upon approval from the Commission, make the necessary repairs. Request reimbursement for repair costs over or above the $1,000 deductible amount by completing Form ADM-04 and NJ Department of Treasury Form PV693. Send Forms PV693 and ADM-041 along with receipts for repairs to the Commission Secretary.

Program Director

2. Make a follow up inspection of the repairs made and report your findings to the Commission at the next meeting.

Commission

3. If repairs have been made satisfactorily, approve reimbursement to the Lessee for the amount over the $1,000 deductible.

Commission Secretary

4. Upon approval by the Commission, prepare NJ Department of Treasury Form AC899 and send it along with Forms PV693 and ADM-041 and receipts to the Chief, Bureau of Central Services and Property Management.
VI. **PROCEDURE FOR EMERGENCY REPAIRS** (Applies Only When Repairs Total Less Than $2,500)

**Lease**

1. Contact the Program Director indicating the emergency nature of the repairs needed.

   **NOTE:** If repairs total $2,500 or more, this procedure does not apply. Section IV. **PROCEDURE FOR NON-EMERGENCY REPAIRS** must be followed.

2. Proceed with the repairs and complete Forms PV6/93 and ADM-041 for reimbursement. Send Forms PV6/93 and ADM-041 along with receipts for repairs to the Commission Secretary.

**Program Director**

3. Make an inspection of the repairs made. Prepare a written report of the emergency nature of the repairs and submit it to the Commission Secretary.

**Commission Secretary**

4. Review Form PV6/93 and the Program Director’s report with the Commission at the next meeting to determine whether to reimburse the Lessee.

5. If reimbursement is approved, process Forms PV6/93 and Form ADN-0193 to reimburse the Lessee for the amount over the $1,000 deductible.

   **NOTE:** If reimbursement is disapproved, send a letter to the Lessee advising of this decision.

Dear Mr. Pegorelec,

SUBJECT: LETTER OF INTENT

The New Jersey Department of Health, Division of Epidemiology, Environmental, and Occupational Health intends to process your Grant application for 2017 Right to Know Letter of Agreement in the amount of $15,213.00. The award is contingent upon the fully executed award signed by the Department's Approval Officer and the availability of funds. This award will be effective for the grant period 7/1/2016 through 6/30/2017.

Please consider this letter as notice of the Department's Intent to fund in accordance with the legal provisions of such grant, and that the Notice of Grant Award document will be processed as soon as possible.

The Department will not be able to provide cash payments for any costs incurred by carrying out the items in this grant application until a fully executed Notice of Grant Award has been processed. Upon completion of this process, payment will be made in accordance with the grant provisions.

The Grantee recognizes and agrees that funding under a grant agreement is expressly dependent upon the availability of funds to the Department, appropriated by the State Legislature from State or federal revenue, as well as other funding sources as may be applicable. The Department shall not be held liable for any breach of this agreement, resulting from the absence of available funding appropriations.

The grant award will further be contingent upon the fiscal and programmatic completeness of your application, as well as the fulfillment of any current grant objectives, if applicable. Grant applications are to be completed on-line via the System for Administering Grants Electronically (SAGE). “Terms and Conditions” as well as Cost Controlling Initiatives will apply and may be found under “Management Activities” within each application. SAGE can be accessed at www.sage.nj.gov. Paper applications will not be accepted. SAGE will be open for the 2017 RTK LOA applications on 3/24/2016 and close on 4/14/2016.

If you have any questions or are in need of assistance, contact Eva McGovern, Program Management Officer at (609)-984-2202 or Laura Colizzo, Grant Management Officer at 609-984-4605.

Sincerely,

Funding under a grant agreement is expressly dependent upon the availability of funds to the Department, appropriated by the State Legislature from State or Federal revenue or such other funding sources as may be applicable. The Department shall not be held liable for any breach of this agreement, resulting from the absence of available funding appropriations.

The grant award will further be contingent upon the fiscal and programmatic completeness of your application, as well as the fulfillment of the current grant objectives. Attachment C negotiations with your Program Management Officer regarding the specific objectives/deliverables for your grant should begin simultaneously with the preparation of this application. These specific will be added to the official/Attachment C, and utilized to monitor and evaluate grant performance.

The Department will not be able to provide cash payment until a fully executed Notice of Grant Award is in place.

Grant amendments are to be completed on-line via the System for Administering Grants Electronically (SAGE). “Terms and Conditions” as well as Cost Controlling Initiatives may be found under “Management Activities” within each application. SAGE can be accessed at njspo.intelligrants.com. Paper applications will not be accepted.

RESOLUTION AUTHORIZING THE AMENDMENT OF RESOLUTION R-2016-0525, DATED JUNE 28, 2016 TO INCLUDE MANDATORY INFORMATION WITHIN THE RESOLUTION

WHEREAS pursuant to Resolution R-2016-0525, dated June 28, 2016 the Board of Chosen Freeholders authorized the Passaic County Division of Weatherization to apply for and obtain a grant from the New Jersey Department of Community Affairs for approximately $357,316.00 (DOE WEATHERIZATION 2016) to carry out the Weatherization Assistance Program (WAP); and

WHEREAS the purpose of this Resolution is to include mandatory language, which reads as follows:

WHEREAS the Passaic County Division of Weatherization desires to apply for and obtain a grant from the New Jersey Department of Community Affairs for approximately $357,316.00 (DOE WEATHERIZATION 2016) to carry out the Weatherization Assistance Program (WAP); the purpose of the WAP is to install energy efficiency measures in the homes of income-eligible persons, especially homes occupied by the elderly, persons with disabilities, and children. Funds are targeted to the most cost-effective conservation measures, determined from an on-site energy audit of the building. The program is intended to reduce energy consumption and to reduce the impact of higher energy costs on low-income families; and

WHEREAS the grant term will be one year; the grant term will cover the period of January 1, 2016 through June 30, 2017; and

WHEREAS this matter was reviewed and approved by the Human Services Committee;
BE IT FURTHER RESOLVED 1) that the Passaic County Division of Weatherization does hereby authorize the application for such grant; and 2) recognize and accepts that the Department may offer a lesser or greater amount and therefore, upon receipt of the grant agreement from the New Jersey Department of Community Affairs, does further authorize the execution of any such grant agreement; and also, upon receipt of the fully executed agreement from the Department, does further authorize the expenditure of funds pursuant to the terms of the agreement between the Passaic County Division of Weatherization and the New Jersey Department of Community Affairs; and

Dated: September 30, 2016
RESOLUTION AUTHORIZING AN INCREASE TO THE EXISTING PURCHASE ORDER (16-01082) FOR DELTA T. GROUP NORTH JERSEY, INC., IN THE AMOUNT OF $10,000.00 FOR THE ESTIMATED COSTS OF CNA's

WHEREAS on December 8, 2015 by Resolution R-2015-0904 (l-11) a qualifying list of providers of nursing staffing agencies was established; and

WHEREAS on February 9, 2016 by Resolution R-2016-0079 (n-9), the Board of Chosen Freeholders of the County of Passaic authorized an award of contract to Delta T. Group North Jersey, Inc., of Woodbridge, NJ, for Nursing Staff for Preakness Healthcare Center for the estimated costs for the first quarter of 2016 within the parameters of the established temporary budget on an as-needed basis in the amount of $15,000.00; and

WHEREAS there is a need for increasing said funds for the estimated costs of CNA's through December 31, 2016; and

WHEREAS the Freeholder Board is desirous of authorizing said increase to $25,000.00; and

WHEREAS this matter was reviewed and approved by the Human Services Committee; and

WHEREAS a certification is attached hereto which indicates the availability of funds for said expenditure;

NOW THEREFORE BE IT RESOLVED that the Board of Chosen Freeholders of the County of Passaic hereby authorizes said increase to Delta T. Group North Jersey, Inc., of Woodbridge, NJ, for Nursing Staff for Preakness Healthcare Center for the estimated costs of CNAs through December 31, 2016 in the
amount of $25,000.00 as recorded in Purchase Requisition R6-00916; and

**BE IT FURTHER RESOLVED** that the Director and Clerk of the said Board are hereby authorized to execute any necessary agreement on behalf of the County of Passaic.

SUBJECT: 2017 Area Plan Contract Update
- Advance Planning Document
- Intent to Fund/Initial Distribution of Title III and Related State Match, State Funded and other Federal Programs for Execution of the 2017 Area Plan Contract (APC)
- 2017 Area Plan Contract Funding Allocations Services
- 2017 APC Instruction Guide

EFFECTIVE: Immediately

APPLICABILITY: Executive Directors, Area Agencies on Aging (AAA)

BACKGROUND: Pursuant to the Older Americans Act (OAA) of 1965 (42 U.S.C. §§ 3001 et seq.) as amended, specifically the Older Americans Act amendments of 2000 (Pub. L. No.106-501) and the OAA amendments of 2006 (Pub. L. No. 109-365), and the Older Americans Act Reauthorization Act of 2016 (P.L. 114-144, enacted April 19, 2016), each Area Agency on Aging (AAA) is required to submit for approval to the Division of Aging Services (DoAS), an Area Plan Contract (APC). The Area Plan provides a comprehensive and coordinated system of support services for seniors in its planning and service area as a requirement to receive OAA funds.

All New Jersey Department of Human Services’ applications for contract funding, including the 2017APC must be completed and submitted online via the Department’s System for Administering Grants Electronically (SAGE).

POLICY: The 2017APC Update contract application shall be prepared as per guidelines in this Policy Memorandum, documents attached to this memo, as well as documents located in the SAGE portal including:
- Terms and Conditions
- 2017 Administrative Requirements, Supplemental Provisions, and Subcontract Requirements
- 2017 Area Plan Contract Application Forms
- 2017 APC Instruction Guide
2017 APC Contract Application Provisions:

Completed APC contract applications must be submitted in SAGE by 4:00 PM on October 17, 2016. (Please note that SAGE cannot accommodate due date extensions). Deficient or incomplete APC contract applications will be recorded as overdue and returned to the AAA for correction. Late applications may impact payments. The Department will not provide cash payments for any costs incurred in carrying out the terms of this contract until a fully executed Notice of Grant Award from DoAS has been processed. Upon completion of this process, payments will be made in accordance with the Contract provisions.

The 2017 APC represents the second year of the 2016-2018 APC cycle. It is necessary for AAs to submit new applications, schedules, certification forms, and other documents as specified. With the inception of SAGE, each APC is a one-year contract; therefore, effective dates of this contract period are January 1, 2017, through December 31, 2017.

DoAS will be processing the APC contract applications to provide continued support to AAs for the provision of comprehensive services for senior citizens. The formula utilized for the distribution of FFY17 Title III funds and related State match is detailed in our State Plan on Aging and in PM 92-13, III-6 “Funding Formula”, PM 93-4, III-2 “Supplemental Funding Formula”, and PM 2001-8, III-7, “Title III B, National Family Caregiver Support Program.” Non-Title III funds are distributed based upon funding formulas established through policy memoranda issued at the inception of each program.

All APC funds shall follow the protocol for OAA Title III protocol as the funds leverage services provided under the contract. These requirements shall apply to every service funded in total or in part under the APC regardless of whether the service is provided by the AAA, by a governmental source or by a subcontracted agency. AAs shall ensure compliance with APC funds.

All programs and services funded in total or in part under the APC, January 1, 2017, through December 31, 2017, must be included in an Integrated Program Summary (IPS). Only the official name of an agency, as written on its business registration certificate, is permitted in APCs. DoAS will accept a minimal number of “To Be Determined” IPSs if a service or provider has not been determined by the APC submission due date. (Please note that TBD IPSs must include: funding source, funding amount, and either a provider or taxonomy service and service code. Omission of both a provider and taxonomy service on the TBD IPS will cause the APC application to be rejected and returned to the AAA for revision and may impact payments).

If circumstances warrant a waiver from Federal and/or State Guidelines for the 2017 APC contract period, new direct service, priority, and/or proprietary waivers must be submitted in compliance with PM 91-9, III-4 “Waiver Forms & Procedures for Area Agencies on Aging”. All new waiver requests shall be submitted on DoAS waiver forms online in SAGE as part of the 2017 APC application. Waiver requests must be submitted with all required substantiating documents and include original signatures of all parties. If a waiver is needed after submission of the 2017 APC, the AAA is required to promptly notify DoAS Office on AAA Administration in order to clarify the need for the waiver and submit completed waiver forms with signatures and required documents without delay prior to the AAA contracting with the provider. The AAA will be notified of waiver approval. Unless otherwise specified, approved waivers will remain in effect for the remainder three-year contract period ending December 31, 2018, as long as no changes under which the original waiver was granted. (AAs can obtain blank waiver forms online in SAGE grants management portal. Details on obtaining and completing the forms along with submission in SAGE are included in the 2017 APC Application Instruction Guide.)
When the AAA proposes to contract with another Government Agency (such as a State, county, municipal agency) the AAA is required to submit a completed signed Request for Governmental Agency Service Provider with all required substantiation to DoAS. The AAA must receive DoAS approval prior to the contracting with the governmental provider. Unless otherwise stated, approved governmental providers are valid for the remainder of the 2016-2018 area plan cycle, as long as there are no changes in circumstances under which the original governmental agency services request was approved and no additional services will be provided. Changes in circumstances affecting service provision include but are not limited to administrative and fiscal oversight, capacity to serve the anticipated number of clients, cost of service and/or proposals to add services. A change in circumstance necessitates AAs to submit a new Request for Governmental Agency Service Provider with all required justifications and must be approved by DoAS prior to the AAA contracting with the provider and provision of services. The AAA must submit the signed Request for Governmental Agency Service Provider forms in SAGE with the 2017 APC Contract Application. (Details on obtaining and completing the forms along with submission in SAGE are included in the 2017 APC Contract Application Instruction Guide.)

The AAA shall make every effort to maintain the privacy of personal and confidential information that may be provided by participants in the course of accessing services and supports. The AAA shall require all current users and future users of SAMS to sign a confidentiality agreement promulgated by DoAS prior to accessing SAMS and shall notify DoAS when SAMS user IDs must be deactivated upon a user’s departure. The AAA shall review the confidentiality agreements signed by SAMS users as part of its monitoring/auditing process. Further details are outlined in 2017 Administrative Requirements, Subcontract Requirements and Supplemental Provisions document.

Intent to Fund:
This Policy Memorandum serves as the DoAS formal intent to fund AAs for the 2017 APC Contract Year, contingent upon DoAS approval and as outlined in the approved APC.

Attachments:
This memorandum also includes Advance Planning Document attachments and establishes the initial allocation for APC 2017. Based upon 2014 - 2017 New Jersey State Strategic Plan on Aging, census figures are to be updated every two years using the American Community Survey (ACS) demographic updates. For the 2017 Advance Planning Document, we are using the 2009-2013 ACS figures. Please note that the required Maintenance of Effort (MOE) figure will be calculated for your county for the 2017 APC based on the AAs certification amounts from the prior year. (Procedures for the 2017 APC Funding Sources are also attached to this Policy Memorandum.)

Attachments A-1 and A-2 are the advance planning figures at the anticipated 100% Federal Funds and State funding level. These amounts may vary depending upon the actual allocation of federal and State dollars. Please note that the top row of Attachment A indicates the allocation code for each program. Be sure to use the correct codes when preparing all IPS documents as well as the Quarterly Program Reports (QPR A and B). County contracts with providers can be executed using the 100% funding level if allowed by your county.

Attachments B-1 and B-2 show the initial APC allocations at the anticipated 50% Federal Funds and 100% State funding level and are based upon the availability of funds. The balance of FFY17 funds will be included in the following year amendment when a grant award is received from AoA. SPY18 funds will not be included in the 2017-2018 payment once a signed State budget is in effect after July 1, 2017. Any FFY17 funds due in this contract period will be allocated upon the availability of these funds.
Initial IPS documents in SAGE must be established at the level included on attachment B1 and B2. Local, other, and participant contributions can be included at a percentage equivalent to the initial allocation or higher. Full MOE and match requirement must be allocated by the time the AAA processes the mid-year amendment.

When completing an IPS for services to be delivered by the AAA, the Agency Name field on the IPS must begin with the letters “AAA” followed by the AAA’s agency name. For example, services provided by Hunterdon County Area Agency on Aging should be entered in the Agency Name field on the IPS as follows: AAA Hunterdon. See instruction booklet for additional details.

Included is a spreadsheet showing 50% of anticipated Federal Title III B, C1, C2, D, E and related State Match, and 100% anticipated State funding, which includes State Weekend Home Delivered Meals (SWHDM), Safe Housing and Transportation (SHTP), Adult Protective Services (APS), Social Service Block Grant (SSBG), Care Management Quality Assurance (CMQA), Supplemental Funds (formerly known as COLA-Cost of Living Adjustment), Community Based Senior Program (CBSF), and State Home Delivered Meals (SHDM). Also included are the initial allocation of the Nutrition Services Incentive Program (NSIP) and 100% allocation of the anticipated Medicaid reimbursement amount. The balance of the Title III, State Match, and NSIP funds will be distributed to AAAs in the mid-year and final amendments once the notice of grant award is received from the Administration on Aging.

The NJ Division of Local Government Services is cognizant of these authorizations and will approve corresponding county budget appropriations for those counties receiving funds under this PM.

The 2017 APC Procedures for Funding Sources and Instruction Guide for APC submission are also attached to this Policy Memorandum.

Contract Application Review:
2017 APC contract applications will be accepted for review once the county and AAA agree to comply with all Federal, State, local and other laws, regulations, and policies during the term of the 2017 APC contract year. As part of the review process, AAAs will be notified through SAGE of any required changes to the APC application. APC approval is based on complete, accurate and substantive information per instructions. Notification of the Department’s final acceptance of the plan will also be communicated via SAGE.

Notice of Grant Award:
An executed Notice of Grant Award will be available in SAGE upon approval by DoAS. AAAs will be notified by a message in SAGE when the application is fully approved. AAAs will then be able to print a copy of the signed contract documents located in SAGE. Paper copies of contracts will no longer be mailed. Please be advised that the Department will not provide cash payments for any costs incurred in carrying out the terms of this contract until a fully executed Notice of Grant Award from DoAS has been processed. Upon completion of this process, payments will be made in accordance with the contract provisions.

A resolution accepting the obligations of the APC is not required by DoAS for execution of this contract. AAAs planning on submitting resolutions should ensure they comply with county requirements for local resolution procedures, with language that allows the county to accept any and all funding. A sample is
Any proposed changes to the APC as well as changes in AAA staff, office location, phone, fax, or email, should be communicated in writing to the Assistant Division Director, Office of AAA Administration, as soon as possible.

Questions regarding the APC programmatic documents should be directed to Stephanie Rietze at (609) 588-6530 or Stephanie.Rietze@dhs.state.nj.us. For questions regarding this Policy Memorandum or fiscal matters, contact either Anthony Garofalo, Contract Administrator, at (609) 588-6529 or Anthony.Garofalo@dhs.state.nj.us or Bruce Sutton, Supervising Contract Administrator, at (609) 588-6789 or Bruce.Sutton@dhs.state.nj.us.

Thank you for your cooperation in the APC process.

WDB/CHIEF ELECTED OFFICIAL AGREEMENT

WHEREAS the Governor of the State of New Jersey has designated the County of Passaic, hereinafter referred to as "County", a local workforce investment area in compliant with the Workforce Innovation and Opportunity Act of July 2014, hereinafter referred to as "WIOA";

WHEREAS WIOA requires that the County establish a Workforce Development Board, hereinafter referred to as the "WDB", and the Passaic County Board of Chosen Freeholders, hereinafter referred to as the Local Board, following WIOA and in the best interest of the County, have appointed the members;

WHEREAS for purposes of administering the WIOA and for entering into and implementing agreements in accordance with WIOA, the Chief Local Elected Official is the Freeholder Director;

WHEREAS the County of Passaic, a designated workforce area, has created and continues to maintain a One-Stop delivery system that enhances the range and quality of workforce development services; and

WHEREAS Section 107 of WIOA requires that the WDB and County enter into an agreement that sets forth the respective roles and
responsibilities of each party as partners in the administration of workforce development programs operated in the local workforce investment area; and

WHEREAS the WDB and the County are willing to work in partnership to foster the implementation of the ACT, its regulations and guidelines, as mandated by WIOA;

NOW THEREFORE BE IT AGREED UPON that each party involved will be responsible for specific duties as follows:

1. **Passaic County**:

   - The Chief Elected Official in the local area shall serve as the Fiscal Agent/local grant recipient for, and shall be liable for any misuse of, the grant funds allocated to the local area under Section 3 (9) of the Workforce Innovation and Opportunity Act of 2014.

   - The local grant recipient or an entity designated as the fiscal agent shall disburse such funds for WIOA activities at the direction of the local board pursuant to the requirements of this title, if the direction does not violate a provision of WIOA. The local grant recipient or entity designated as fiscal agent shall disburse the funds immediately on receiving such direction from the local board.

   - Consistent with WIOA and with guidelines prepared and issued by the State Employment and Training Commission, appoint individuals to the WDB that represent the following entities:

     - Private Sector (Business)
     - The County Economic Development Agency
     - County Vocational/Technical School
     - County Superintendent of Schools
     - County Division of Social Services
Workforce New Jersey Manager
County College
Vocational Rehabilitation
One-Stop Operations
Adult Education/Literacy Representative
Community Based Organizations
Organized labor

Membership appointments will be made by the Board of Chosen Freeholders. Recommendation for membership is a joint effort of local elected officials, the business community, the local community, labor federations, and current WDB members.

Provisions for Removal of Members:
(1) Unacceptable attendance record
(2) Moving their business or residence (either one must remain in the County) out of the Passaic County Workforce Area, or
(3) A change in employment that affects the required sector they represent on the WDB.

- Have approval authority over all plans and grant applications, and modifications that are prepared by the WDB for submission to a State, Federal or private funding authority.

- Utilize funds available to the workforce area through WIOA and other workforce development grants to provide the WDB with adequate financial support and in-kind resources in order to adequately perform the mandated responsibilities.

- Freeholder Director to designate a member of the Board of Chosen Freeholders to act as a liaison to the WDB.

- In cooperation with the WDB, provides guidance to assist in the ongoing operation of One Stop Career Center, including but not limited to, developing memorandums of understanding with WIOA partners, and conducting oversight of the One-Stop Career Center.
• The CEO retains the rights as the overseer of the activities of the Workforce Development Board to have said WDB report all plans and activities to the CEO.

• The CEO retains the right in accordance with applicable laws and regulations directly and by way of delegation to designated personnel:
  • To direct all operations of the County;
  • To direct all employees of the County;
  • To hire, promote, transfer, assign and retain employees in positions within the County, and to suspend, demote, discharge, or take other disciplinary action against employees;
  • To determine the methods, means, and personnel by which operations are to be conducted;
  • Approve designation or certification of the operator of the One-Stop Career Center;
  • To contract and/or sub-contract work including but not limited to professional and other specialized services;
  • To take whatever action may be necessary to comply with State and Federal law and regulations;
  • To maintain the efficiency of the government operations entrusted to it.

• Rights, Benefits, and Privileges of Employees: A full time Workforce Development Board staff shall adhere to and be covered by the terms and conditions of employment as set forth by the Passaic County Board of Chosen Freeholders. All matters affecting the wages, hours, and other terms and conditions of employment which are not specifically governed by this agreement, remain with the discretion of the County.
2. **Workforce Development Board**

In accordance with WIOA section 107 (a) the local Workforce Development Board is responsible for:

- Developing workforce development plans and conducting oversight of the four core programs at/of the One-Stop Career Center, youth activities, and employment and training activities under Title I, II, III, and IV of WIOA in partnership with the Chief Elected Official.

- Perform oversight of programs operated under WIOA and other workforce development programs serving a similar purpose thereto.

- Developing a budget for the purpose of carrying out the duties of the WDB, subject to the approval of the Chief Elected Official.

- Negotiating and reaching agreement on local performance measures with the Chief Elected Official and the Governor.

- Assisting the Governor in developing the State-wide employment statistics system under the Wagner-Peyser Act.

- Coordinating workforce investment activities with economic development strategies and developing employer linkages.

- Promoting private sector involvement in the State-wide workforce investment system through effective connecting, brokering and coaching activities through intermediaries such as the One-Stop operator in the local area or through other organizations to assist such employers in meeting hiring needs.

- Create strategic planning and workforce investment system; prioritize with other Workforce Development Boards that serve a similar purpose.
WDBs which are part of State designated region for regional planning must carry out the regional planning responsibilities required by the State in accordance with WIOA statewide rapid response activities, as described in section 134(a)(2)(A); A description of the replicated cooperative agreements (as defined in section 107(d)(11) between the local board or other local entities described in section 101(a)(11)(B) of the Rehabilitation Act of 1973 (29 U.S.C. 721(a)(11)(B) and the local office of a designated State agency or designated State unit administering programs carried out under title I of such Act (20 U.S.C. 720 et seq.) (other than section 112 or part C of that title (29 U.S.C. 732, 741) and subject to section 121 (f) in accordance with section 101(a)(11) of such Act (20 U.S.C. 721(a)(11) with respect to efforts that will enhance the provisions to individuals with disabilities and to other individuals, such as cross training of staff, technical assistance, use and sharing of information, cooperative efforts with employers, and other efforts at cooperation, collaboration, and coordination.

The WDB must conduct business in an open manner as required by WIOA 107(e), by making available to the public, on a regular basis through open meetings, information about the activities of the WDB, including information about the local plan before submission of the plan, and about membership, the designation of the One-Stop Operator, and the award of grants or contracts to eligible providers of youth activities, and on request, minutes of formal meetings of the WDB (WIOA Section 107(e)).

NOW THEREFORE after the above responsibilities have been delineated for each party involved, the Chief Elected Official of the County and the Passaic County WDB, enter into this Agreement on this ___ day of __________, 2016.

It is understood that this Agreement shall in no way limit or otherwise infringe upon Passaic County’s or the WDB’s ability to exercise options available under WIOA or the applicable regulations.

RESOLUTION ADOPTING A CONSENTING RESOLUTION AUTHORIZING 15-MINUTE PARKING ON EAST 33RD STREET (BETWEEN BROADWAY AND 13TH AVENUE, WEST SIDE, FROM 8:00 A.M. TO 6:00 P.M.) IN THE CITY OF PATERSON, NEW JERSEY

WHEREAS the City of Paterson adopted Ordinance 16-057 that establishes a 15-minute parking zone on East 33rd Street (between Broadway and 13th Avenue, West Side, from 8:00 a.m. to 6:00 p.m.), where parking is already permitted; and

WHEREAS the County of Passaic received the final copy of the referenced Ordinance and a request for a consenting Resolution, in light of the fact that East 33rd Street is a County road; and

WHEREAS said Resolution was discussed at the September 12, 2016 Public Works and Buildings & Grounds Committee meeting and recommended to the full Board for approval; and

WHEREAS based upon the recommendation of the said Committee, the Board of Chosen Freeholders of the County of Passaic is desirous of adopting a consenting Resolution establishing a 15-minute parking zone on East 33rd Street (between Broadway and 13th Avenue, West Side, from 8:00 a.m. to 6:00 p.m.), where parking is already permitted.

NOW THEREFORE BE IT RESOLVED by the Board of Chosen Freeholders of the County of Passaic that, pursuant to the terms and conditions set forth above, it does hereby authorize a consenting Resolution, as specified in the attached letter from the County Traffic Engineer dated September 14, 2016.

Re: City of Paterson Ordinance 16-057  
15 Minute Parking on East 33rd Street (Between Broadway and 13th Avenue, West Side)  
(8:00 AM to 6:00 PM)  

Dear Members of the Board:  

Our office received from the City of Paterson the final copy of the referenced Ordinance. It establishes a 15-minute parking zone at the referenced location (8:00 AM to 6:00 PM), where parking is already permitted. Since East 33rd Street is a County road, a consenting Resolution is required.  

This Ordinance was reviewed and recommended for approval at the September 12, 2016 Public Works Committee meeting. Based upon the above, it is my recommendation that the Board of Chosen Freeholders adopt a consenting Resolution, provided the cost and maintenance of all signs and equipment be borne by the City of Paterson.

TITLE: ORDINANCE ESTABLISHING 15 MINUTE
PARKING SPACES ON EAST 33RD STREET
BETWEEN BROADWAY AND 13TH AVENUE

Date Submitted to
Council: JULY 26, 2016

COUNCILPERSON - AMRE SAYEGH

WHEREAS, there is a need for 15 minute parking spaces in front of the merchants located on
the westerly side of East 33rd Street immediately south of Broadway; and

WHEREAS, N.J.S.A. 39:4-197(1)(f) authorizes a municipality to enact an ordinance regulating
street parking; and

WHEREAS, it is deemed that the need for 15 minute parking spaces is feasible and warranted
based on the field physical and engineering situation at the location and the surrounding area, and
is therefore so recommended by the City Traffic Engineer.

NOW, THEREFORE, BE IT ORDEAED BY THE MUNICIPAL COUNCIL OF THE
CITY OF PATerson, NEW JERSEY AS FOLLOWS:

SECTION 1. No person shall park a vehicle upon any of the following streets or parts of streets
during the time described for longer than the time limit as specified:

<table>
<thead>
<tr>
<th>STREET</th>

</tr>
</tbody>
</table>

SECTION 2. Unless another penalty is expressly provided by state law, including but not
limited to N.J.S.A. 39:4-203, any person convicted of a violation of this Ordinance or any supplement
therein, shall be liable to a penalty of not less than fifty ($50.00) dollars or more than two hundred
($200.00) dollars or imprisonment for a term not exceeding fifteen (15) days or both.

SECTION 3. The Director of the Department of Public Works or the Director’s designee is
hereby directed to erect and maintain the regulatory signs as required by law, and the effectiveness
of this Ordinance is contingent upon such signs being erected.

SECTION 4. All ordinances or portions of Ordinances inconsistent herewith are repealed to the
extent of such inconsistency only.

SECTION 5. If any part of this Ordinance shall be declared to be invalid or inoperative, such
part shall be deemed severable and the invalidity thereof shall not affect the remaining parts of this
Ordinance.

SECTION 6. This Ordinance shall take effect upon passage, approval and publication as
required by law, subject to passage of a concuring ordinance or resolution by the Passaic County Board
of Chosen Freeholders.

SECTION 7. The City Clerk shall have this Ordinance codified and incorporated in the official
copies of the Paterson Code, but non-codification shall in no way affect the validity of the Ordinance.

SECTION 8. The City Clerk and the Corporation Counsel may change any chapter numbers,
article numbers and section numbers if codification of this Ordinance reveals a conflict between those
numbers and the existing Code, in order to avoid confusion and possible accidental repeaters of existing
provisions.

Adopted on: September 27, 2016
Official Resolution #: R20160790
ORDINANCE ESTABLISHING 15 MINUTE PARKING SPACES ON EAST 33RD STREET BETWEEN BROADWAY AND 13TH AVENUE

SECTION 9. The City Clerk and the Corporation Counsel may correct any clerical errors in the printing, publication and codification of this Ordinance, provided both concur with the correction being made and both certify in writing to the Municipal Council as to the specifics of the clerical correction no later than seven (7) days before the correction is made, or, where a legal deadline for publication applies, no later than the date of the next Regular Meeting. The said certifications shall also be prominently posted no later than the date of the next regular meeting, and thereafter shall be annexed to the corrected original Ordinance and retained by the City Clerk.

SECTION 10. All or parts of the prior resolutions which are inconsistent with this Ordinance are hereby repealed.

STATEMENT OF PURPOSE

The purpose of this Ordinance is to establish 15 minute parking spaces on East 33rd Street between Broadway and 13th Avenue.

Re: Townshio of Wayne Ordinance 34-2016
Modifications to the Signalized Intersection of Berdan Avenue/Geoffrey Way

Dear Members of the Board:

Our office received from the Township of Wayne the final copy of the referenced Ordinance. It approves the modifications to the intersection of Berdan Avenue/Geoffrey Way. Since Berdan Avenue is a County road, a consenting Resolution is required.

This Ordinance was reviewed and recommended for approval at the September 12, 2016 Public Works Committee meeting. Based upon the above, it is my recommendation that the Board of Chosen Freeholders adopt a consenting Resolution, provided the cost and maintenance of all signs and equipment be borne by the Township of Wayne.

Re: Township of Wayne Ordinance 35-2016
   Modifications to the Signalized Intersection of Ratzer Road/Valley Road

Dear Members of the Board:

Our office received from the Township of Wayne the final copy of the referenced Ordinance. It approves the modifications to the intersection of Ratzer Road/Valley Road. Since Valley Road and Ratzer Roads are County roads, a consenting Resolution is required.

This Ordinance was reviewed and recommended for approval at the September 12, 2016 Public Works Committee meeting. Based upon the above, it is my recommendation that the Board of Chosen Freeholders adopt a consenting Resolution, provided the cost and maintenance of all signs and equipment be borne by the Township of Wayne.

Dated: September 30, 2016
RESOLUTION AUTHORIZING A SECOND AMENDMENT TO THE CONTRACT FOR JOHN MILNER ARCHITECTS AS IT CONCERNS THE RESTORATION AND REHABILITATION OF THE DEY MANSION VISITORS' CENTER IN THE TOWNSHIP OF WAYNE, NEW JERSEY

WHEREAS a professional architectural consultant services contract was awarded to John Milner Architects by Resolution R-10-732 dated September 28, 2010, as it concerns the Restoration and Rehabilitation of the Dey Mansion Visitors’ Center in the Township of Wayne, NJ; and

WHEREAS by Resolution 2015-0879 dated November 24, 2015, the contract for professional services was modified to include additional out-of-scope work which was unanticipated at the time they were hired; and

WHEREAS due to mechanical, electrical, and plumbing changes in the layout of the Visitors’ Center, the consultant is again required to perform extra work not included in the original scope for the Project; and

WHEREAS John Milner Architects has submitted a proposal for revised additional consulting architectural services, which is detailed in their September 7, 2016 proposal in the amount of $11,850.00; and

WHEREAS the Passaic County Engineer by letter dated September 15, 2016 is recommending that said John Milner Architects be awarded a contract modification to perform the additional revised architectural consulting services for an amount of $11,850.00 pursuant to its proposal dated September 7, 2016 (copy of letter and proposal attached hereto and made a part hereof);
WHEREAS the matter was reviewed by the members of the Freeholder Committee for Public Works and Buildings & Grounds at their meeting on September 12, 2016 and is recommended for approval by the entire Board; and

WHEREAS a certification is attached hereto and made a part hereof indicating the availability of funds for this expenditure.

NOW THEREFORE BE IT RESOLVED by the Board of Chosen Freeholders of the County of Passaic that it hereby authorizes a second amendment to the original professional architectural consulting services contract for John Milner Architects for providing additional architectural consulting services for the Restoration and Rehabilitation of the Dey Mansion Visitors’ Center in Wayne, NJ for additional mechanical, electrical and plumbing work outside the original scope of the project as set forth above and in its revised additional services proposal attached hereto.

BE IT FURTHER RESOLVED that the Director and Clerk to the Board are authorized to sign an amendment on behalf of the County of Passaic.

Re:
Proposal for building changes
Passaic County Office of Emergency Management
Storage Shed Structure (Project C-16-008)
Haledon, NJ

Dear Mr. Thompson,

In accordance with a request from Steve Edmond, Passaic Co. Engineer, the following proposal incorporates the changes requested:

1. Revise the base bid building to a 46'x60' (in lieu of 42' x 66')...... $128,106.00 (original bid amount remains unchanged).

2. Add a second mandoor to an endwall........................Add....... $955.00

3. Extend the 46' wide building 12' (two bays) ......................Add ...$18,300.00

Total adjusted contract amount...........................................$147,355.00

Please instruct me if there is anything required by Freespan Structures to implement this change. As soon as this becomes formalized, the building order will be placed and the shop drawing and submittal stage will get underway.

If there are any questions, please call.

Very truly yours,

Freespan Structures, Inc.

PROJECT: Passaic County Office of Emergency Management
Storage Shed Structure
Haledon, NJ
Change Order #1-FreeSpan Structures Inc.

Members of the Board:

This Office is in receipt of Change Order #1 in the amount of $19,255.00 addition to the above referenced project.

This Change Order addresses additional scope requested by the County to extend the length of the building and provide two means of access with the addition of another man-door.

This Change Order was reviewed and discussed at the Public Works Committee meeting of September 12, 2016 and recommended for approval to the full Board.

Based upon the above, this Office recommends that the Board of Chosen Freeholders adopt a Resolution approving said Change Order #1 in the amount of $19,255.00 subject to the availability of funds.

RE: Restoration of the Riparian Corridor Along the Goffle Brook
And the Beautification of Goffle Brook Park
Borough of Hawthorne, Passaic County

Final Acceptance and Final Payment
Downes Tree Service, Inc.

Dear Members of the Board:

The Restoration of the Riparian Corridor Along the Goffle Brook and the Beautification of Goffle Brook Park in the Borough of Hawthorne has been completed, and conforms to the construction plans, standard specifications and County Engineer Standards.

Final Payment and Acceptance for this project was discussed at the Public Works Committee meeting of September 12, 2016 and recommended to the Full Board.

Based upon the above, this Office recommends the Board of Chosen Freeholders adopt the necessary Resolution authorizing the acceptance of the project and authorize the Director of Finance to issue the Final Payment in the amount of $61,130.90 to Downes Tree Service, Inc. subject to any requirements deemed necessary by the County Counsel.

RESOLUTION TO AWARD CONTRACT TO STORR TRACTOR
COMPANY OF SOMERVILLE, NEW JERSEY FOR SPARE
PARTS, EQUIPMENT AND SUPPLIES PURCHASED BY THE
PARKS DEPARTMENT FOR THE PREAKNESS VALLEY GOLF
COURSE IN WAYNE, NJ

WHEREAS the Passaic County Parks Department previously
purchased certain Toro equipment from Storr Tractor Company,
of Somerville, New Jersey, through the Middlesex Regional Co-Op;
and

WHEREAS the Parks Department is reporting that Storr
Tractor Company is the only vendor that is authorized to sell
parts in this area for said Toro equipment; and

WHEREAS spare parts, equipment and supplies need to be
purchased or have already been purchased from Storr Tractor
Company that is estimated to be an additional $10,000.00 which
will bring the purchase of those needed parts over the monetary
threshold established under the New Jersey Pay-to-Play Law
(N.J.S.A. 19:44A-20.3) et seq.) in 2016; and

WHEREAS the said Parks Department is requesting Board
action to ensure that it be able to pay said Storr Tractor Company
for the parts and supplies needed to operate the equipment in
Passaic County Parks and Golf Course; and

WHEREAS the said Board by Resolution R-06-97 dated
February 14, 2006 established a policy of only awarding contracts
in excess of the monetary threshold set forth under the Pay to
Play Law only under a fair and open process; and

WHEREAS the Board is desirous of making an exception to
that policy in this case in order to allow this vendor to be paid for
the supplies and equipment needed by the Passaic County Parks Department at the Preakness Valley Golf Course; and

WHEREAS the Freeholder members of the Committee for Public Works and Buildings & Grounds reviewed this matter at its September 12, 2016 meeting and are recommending approval by the entire Board; and

WHEREAS a certification is attached hereto which indicates the availability of funds for said expenditure.

NOW THEREFORE BE IT RESOLVED by the Board of Chosen Freeholders of the County of Passaic that it hereby authorizes an award of contract to Storr Tractor of Somerville, New Jersey in the amount of $10,000.00 to pay for parts and supplies purchased for repairs made to the Toro equipment in conformity with the request of the Passaic County Parks Department; and

BE IT FURTHER RESOLVED that this contract is being awarded as an exception to the policy of the Board as set forth in its Resolution R-06-97 dated February 14, 2006 because of the special circumstances of this situation and the policy of the Board as set forth in this Resolution shall remain in full force and effect; and

BE IT FURTHER RESOLVED that the Director and Clerk of the said Board are hereby authorized to execute any necessary agreement on behalf of the County of Passaic.

RE: FFY16 State Homeland Security Program (SHSP-Local Share)
(CFDA #97.067, Award #EMW-2016-SS-00052-501)

Dear County Administrator DeNova:

The New Jersey Office of Homeland Security and Preparedness (OHSP) is pleased to advise you that Passaic County has been awarded $353,237.36 for approved projects from the federal FFY16 SHSP. The main purpose of this funding is to build, maintain and sustain national preparedness capabilities.

This total, $353,237.36, will be available to you as the subrecipient for reimbursement for allowable expenditures upon the completion of the requirements listed below.

1.) Return of a signed FFY16 Grant Agreement and required attachments (A through F) by October 14, 2016, to Ms. Kathleen Wynn, Grants Management Bureau, OHSP, at the above address.

2.) The awarding of these funds is conditioned upon your county’s full participation with the OHSP Grant Tracking System (GTS). Your grant coordinator will be contacted by our grant liaison once the system is ready to accept entries for your approved projects.

Once these requirements are satisfied, spending authority will be granted and a fully executed Grant Agreement will be returned for your records. Failure to complete these requirements within the prescribed time frames may cause this award to be rescinded and any expenditure will be ineligible for reimbursement.

The attached Grant Agreement sets forth the certifications, terms, conditions and assurances required of the subrecipient before OHSP will authorize the subrecipient to make program expenditures eligible for reimbursement. Please review the Grant Agreement carefully. It is important that the Grant Agreement and required federal certifications are completed and returned to OHSP by October 14, 2016. It is extremely important to implement the activities in the approved Project Proposal and Annex in a timely manner to avoid reprogramming of any awarded funds.

Introduced on: September 27, 2016
Adopted on: September 27, 2016
Official Resolution#: R20160798
The FFY16 SHSP grant program has a thirty-six (36) month period of performance (September 1, 2016 to August 31, 2019). On or about February 1, 2018, OHSP will conduct a mid-term financial and programmatic review to determine progress in meeting stated objectives/goals and expenditure activity (at least 50% of these funds should be legally/contractually obligated). As referenced within the Grant Agreement, please note that 100% of these funds shall be legally/contractually obligated by February 1, 2019. Final reimbursement packages are to be completed and forwarded to OHSP by July 31, 2019. Reimbursement request packages are to be submitted to OHSP on a quarterly basis, reference Section IX, A in the attached Grant Agreement.

OHSP recognizes there may be extraordinary circumstances that necessitate an extension on a case-by-case basis. FEMA has informed us, however, that they will only approve extensions based upon compelling legal, policy or operational challenges. Therefore, it is critical to observe the above provided performance dates.

During the period of performance for this grant, any intended changes must be submitted to OHSP using the Project Proposal and Annex. Once the revised Project Proposal and Annex have been reviewed and approved, spending authority for the documented changes will be granted. All programmatic changes must be approved by the County Working Group (CWG) from where the project was funded.

If you have any questions regarding this agreement, please contact Brian Doering, County Grant Liaison, at 609 584-4827. Thank you for your support as we continue working collectively to ensure the safety of our citizens.

Sincerely,

Chris Rodriguez, Director
Office of Homeland Security and Preparedness

Re: STOP Violence Against Women Act (VAWA) Grant Program
Project Title: County Office of Victim Witness Advocacy - DV Advocate
Subgrant Number: VAWA-45-15

Dear Prosecutor Valdes:

The Division of Criminal Justice is accepting applications for the STOP Violence Against Women Act (VAWA) Grant Program to support funding for the County Office of Victim Witness Advocacy - DV Advocate. Pending the availability of VAWA funding, your agency will receive continued funding, contingent upon submission of an annual application, compliance with grant conditions, and performance of victim services.

The federal subgrant award will be in the amount of $32,572. Matching funds in the amount of $10,857 are required. The match may be cash or in-kind services.

Your grant is scheduled to run for twelve months, from 10/30/16 through 10/29/17. Approval for expenditures for the grant cannot be authorized until a fully executed subgrant award/contract is completed. All required reports for your previous grant must be current and on file with the Division’s State Office of Victim Witness Advocacy (SOVWA) prior to the start of your continuation grant.

A VAWA application package has been emailed to the Victim Witness Coordinator. Please ensure that all items on the application checklist are completed prior to submitting your application. The completed application, must be submitted by September 23rd, 2016. Please send your completed application to the attention of your Grants Analyst, Jessica Guglich.

Dated: September 30, 2016
RESOLUTION AUTHORIZING THE PASSAIC COUNTY PROSECUTOR’S OFFICE TO APPLY FOR CONTINUATION GRANT FUNDING FOR THE COUNTY PROSECUTOR INSURANCE FRAUD REIMBURSEMENT PROGRAM

WHEREAS the Office of Insurance Fraud Prosecutor has been designated by the New Jersey Legislature to implement funding reimbursement for anti-insurance fraud activities, pursuant to N.J.S.A. 17:33A-28 and

WHEREAS the Passaic County Prosecutor wishes to apply for continuation grant funding for the County Prosecutor Insurance Fraud Reimbursement Program in the amount of Two Hundred and Fifty Thousand Dollars ($250,000.00) for the period of January 1, 2017 through December 31, 2017; and

WHEREAS no Passaic County match funds are required for participation in this program; and

WHEREAS the project is a joint effort between the Office of Insurance Fraud Prosecutor and the Passaic County Prosecutor for the purpose described in the application; and

WHEREAS the Freeholder Law and Public Safety Committee has considered this matter at its meeting of September 20, 2016 and recommended this resolution to the full Board for approval;

NOW THEREFORE BE IT RESOLVED by the Board of Chosen Freeholders of the County of Passaic that:

(1) As a matter of public policy, the County of Passaic wishes to participate to the fullest extent possible with the Office of Insurance Fraud Prosecutor.
(2) The Attorney General has allocated funds dedicated for the purpose of reimbursing County Prosecutors for anti-insurance fraud activities.

(3) The Office of Insurance Fraud Prosecutor shall be responsible for the receipt, review and approval of the applications for said funding.

(4) The Office of Insurance Fraud Prosecutor shall indicate allocations to each applicant as authorized.

Dated: September 27, 2016
To: All County Prosecutors

Re: Availability of Funding for the County Prosecutor Insurance Fraud Reimbursement Program (January 1, 2017 to December 31, 2017 - Cycle 17)

Dear Prosecutor:

The Office of the Insurance Fraud Prosecutor (OIFP) is accepting applications for funding for anti-insurance fraud efforts under the County Prosecutor Insurance Fraud Reimbursement Program, Sec. N.J.S.A. 17:33A-28. The next program cycle will run from January 1, 2017 through December 31, 2017. Funds will be awarded to continue existing programs as well as to support new initiatives.

As in prior years, the 2017 projected maximum allocation for each County is $250,000. Primary consideration will be given to salaries/wages and fringe benefits. Due to budgetary constraints, the rates for fringe benefits are capped at the existing State of New Jersey rates, charged to Federal, dedicated and Non-State Programs, which is 45.25% for staff enrolled in the Public Employees' Retirement System (PERS) and 52.75% for staff enrolled in the Police and Firemen's Retirement System (PFRS).

Also, for Cycle 17, consideration will be given towards White Collar or Insurance Fraud Training. A County may use up to $5,000 of allocated funds for training and travel related expenses. Any training or travel related expenses in excess of $5,000 will be the responsibility of the County. A County's use of any grant funds under this program for allowable travel is controlled by the current State Travel regulations, State Circular 16-11-OMB, which can be found on the State website: http://www.state.nj.us/infobank/circulars/circindx.htm. OIFP reserved the right to deny reimbursement for any training of travel related expenses that do not comply with State Circular 16-11-OMB. Exceptions to this policy may be considered on a case-by-case basis when justified by extenuating circumstances.

OIFP will evaluate applications based upon the criteria set forth in the Reimbursement Application package, and on the productivity and effectiveness of the county program. OIFP reserves the right to allocate funds in amounts other than those requested by the applicants. Failure to submit a timely application or the submission of an incomplete application may result in rejection of the application.

Christopher S. Porrino
Attorney General

Christopher J. A.
Acting Insurance Fraud Prosecutor

RESOLUTION AUTHORIZING TO SUBMIT A GRANT APPLICATION TO THE NEW JERSEY DEPARTMENT OF TRANSPORTATION, LOCAL BICYCLE/PEDESTRIAN PLANNING ASSISTANCE PROGRAM, TO COMPLETE A BICYCLE PEDESTRIAN ELEMENT OF THE PASSAIC COUNTY MASTER PLAN

WHEREAS, the New Jersey Bicycle and Pedestrian Transportation Plan has established a vision for New Jersey as a place where the New Jersey Department of Transportation’s (NJDOT) Bikeway Grant Program provides funds to counties and municipalities to promote bicycling as an alternate mode of transportation in New Jersey in an effort to establish regionally connected bicycle networks; and

WHEREAS, The New Jersey and Pedestrian Transportation Master Plan has established a vision for New Jersey a place where people choose to walk or bicycle with confidence and a sense of security; and

WHEREAS, the Department of Transportation has taken steps to fulfill this vision through the adoption of a Complete Streets Policy through which the Department commits to the planning, design construction, maintenance and operation of facilities that will provide for the safe access and mobility of pedestrians, bicyclists and transit users of all ages and abilities; and

WHEREAS, in order to implement this policy and make New Jersey a better place to bicycle and walk, it is essential that infrastructure improvements be undertaken that address
the safety and access needs of non-motorized transportation modes; and

WHEREAS, the benefits of such improvements are maximized if they evolve from a rational planning process, in fulfilment of a local vision that complements the one expressed in the New Jersey Bicycle and Pedestrian Master Plan; and

WHEREAS, to assist in fulfilling this vision and to facilitate the implementation of capital projects that fulfill the safety and access needs of pedestrians and bicyclists, the Department of Transportation has created the Local Bicycle/Pedestrian Planning Assistance Program (LBPPAP); and

WHEREAS, the assistance program would help provide updates as well as offer an analysis of the underlying causes for crashes whether it be the types of crashes, severity of crashes and/or contributing factors for the County as whole and along priority corridors; and

WHEREAS, the complete Streets Guidelines will require a review to ensure that they include the most effective bicycle and pedestrian designs techniques and review how effective the County’s implementation efforts; and

WHEREAS, there is still an outstanding need as the bicycle and pedestrian priority corridors only provide a framework for analyzing more detailed issues related to safe
travel, safety issues, preferred routes and barriers for implementation; and

WHEREAS, one of the specific recommendations in the Bicycle/Pedestrian and River Access Section of the Passaic County Master Plan was to develop a detailed Bicycle and Pedestrian Element of the Master Plan; and

WHEREAS, the new Master Plan Element would function as an action plan for bicycle and pedestrian improvements that builds off the success of the complete Streets Program; and

WHEREAS, the Passaic County Planning Department is seeking authorization to submit a grant application to the New Jersey Department of Transportation, Local Bicycle/Pedestrian Planning Assistance Program, in order to complete a Bicycle Pedestrian Element of the Passaic County Master Plan (see attached Passaic County Bicycle Pedestrian Element Proposal); and

WHEREAS, the County of Passaic wishes to submit a grant application and execute a grant agreement with the New Jersey Department of Transportation, Local Bicycle/Pedestrian Planning Assistance Program, to complete the Bicycle Pedestrian Element of the Passaic County Master Plan; and
WHEREAS, this matter was discussed at the Freeholder Planning and Economic Development Committee meeting on September 21, 2016 and was recommended to the full Board for approval;

NOW, THEREFORE, BE IT RESOLVED, that the Board of Chosen Freeholders of the County of Passaic hereby authorizes the Passaic County Department of Planning to submit a grant application to the New Jersey Department of Transportation, Local Bicycle/Pedestrian Planning Assistance Program, to complete the Bicycle/Pedestrian Element of the Passaic County Master Plan; and

BE IT FURTHER RESOLVED that the Director and Clerk to the Board are hereby authorized to execute the grant agreement and any and all necessary documents on behalf of the County of Passaic with respect to the grant funds for the above stated project.

Dated: September 27, 2016
Passaic County Department of Planning and Economic Development
NJDOT Local Bicycle/Pedestrian Planning Assistance Program
Passaic County Bicycle Pedestrian Element Proposal
September 13, 2016
Preliminary Scope of Work

One of the specific recommendations in the Bicycle, Pedestrian and River Access section of the master plan was to develop a detailed Bicycle and Pedestrian Element of the master plan. This still is an outstanding need as the bicycle and pedestrian priority corridors only provide a framework for analyzing more detailed issues related to safe travel, safety issues, preferred routes and barriers to implementation. The new master plan element would function as an action plan for bicycle and pedestrian improvements that builds off the success of the Complete Streets Program implemented following the completion of the Transportation Element. The consultant will be briefed on what elements of the master plan have been completed by Passaic County Planning and Economic Development as a reference for the outstanding needs to be addressed in the action plan.

The Transportation Element was completed in October 2012 and highlighted existing conditions and safety trends through a series of maps that showed bicycle and pedestrian “crash hot spots” that would allow county planning and engineering staff to further investigate priority corridors for underlying causes and solutions. This data was gathered for a three year period between 2008 and 2011 and is need of updates. The assistance program would help provide these updates as well as offer an analysis of the underlying causes for these crashes whether it be the types of crashes, severity of crashes and/or contributing factors for the county as a whole and along priority corridors. In addition, the Complete Streets Guidelines will require a review to ensure that they include the most effective bicycle and pedestrian design techniques and review how effective the County’s implementation efforts have been through field observations, discussion with local stakeholders and county staff. A specific emphasis area in reviewing the Complete Streets Guidelines will be refining the policy on using “sharrows” versus dedicated bicycle lanes. The guidance will include providing detailed preferences for each type of facility based on road profile (lane width and number of lanes), design speeds, context and Complete Streets Classification.

Bicycle stress level mapping that would assist in developing suitable routes and corridors to design, build and promote throughout the County. The analysis should focus on County roadways but can include
other jurisdictions where bicycle planning activities have been completed or have been communicated by local stakeholders. The consultant team will be provided detailed mapping and Geographic Information System (GIS) data on roadway data and locations of where Complete Streets improvements have been completed as part of the county's annual resurfacing program, local safety projects, the Morris Canal Greenway project, and other capital investments. The information will be used to provide a gap analysis along corridors highlighted through the bicycle stress level mapping task and/or other high priority bicycle and pedestrian corridors.

That consultant will be asked to provide logical routes that provide connections to and from recreational opportunities, central business districts and mass transit hubs. In some cases these corridors have already been identified or are in the process of being designed by the county and will be provided to the consultant team. The corridor planning will also include consideration of potential bikeshare locations that would realistically be utilized by residents and visitors throughout the county. A process will be developed to measure demand for bicycle and pedestrian facilities and identify parameters for selecting routes that can be designed and implemented by county staff in the future. The consultant will also provide a methodology for tracking outcomes of the action plan including the types of data to be collected, stakeholder feedback and other types of data and information that meets current industry standards. The tools provided in the study should also help promote increased public engagement in bicycle and pedestrian issues.

Finally, the consultant team will provide an action plan for funding the improvements outlined in the plan. This can include a variety of federal, state and local sources that provide efficient use of funds. This will include insights into any strategies that will help make the county eligible for various funding sources that can apply to all phases of work including design, construction and inspection.
The County of Passaic wishes to express its interest in applying to the New Jersey Department of Transportation (NJDOT) Local Bicycle/Pedestrian Planning Assistance Program. The County intends to apply for assistance in developing a comprehensive bicycle and pedestrian master plan element that builds off the Transportation Element which outlined bicycle and pedestrian priority corridors throughout the county and highlights the need for a comprehensive bicycle and pedestrian element to further refine these concepts. The comprehensive master plan element would dovetail with the county's Complete Streets Policy and Guidelines which were adopted in 2014 and has been recognized with a Complete Streets Excellence Award from the NJDOT, FHWA and Rutgers University. The comprehensive master plan element would address county roadways to identify specific efforts that address barriers to safe pedestrian and bicycle travel, priority routes that would support more active lifestyles throughout the County and recommend specific projects for design and concept development as needed. The county would support the initiative through staff participation within the departments of Planning and Economic Development and Engineering. County staff would assist in gathering detailed information on roadway dimensions and conditions, connecting the consultant with officials and stakeholders that have participated in previous planning efforts, and review all technical and policy related materials produced as part of the effort. The work that has already been completed developing the Transportation Element and the county's Complete Streets program provides a strong foundation for participation, technical design and public participation. We look forward to your response and continuing to partner on fulfilling the NJDOT's vision of developing Complete Streets throughout the State of New Jersey.

Sincerely yours,

Freeholder Director
Local Bicycle/Pedestrian Planning Assistance Program

Program Guidelines
LOCAL BICYCLE/PEDESTRIAN PLANNING ASSISTANCE PROGRAM

Background

The New Jersey Bicycle and Pedestrian Transportation Master Plan has established a vision for New Jersey as a place where people choose to walk or bicycle with confidence and a sense of security...where both activities are a routine part of the transportation and recreation systems. The Department has taken steps to fulfill this vision through the adoption of a Complete Streets Policy through which the Department commits to the planning, design construction, maintenance and operation of facilities that will provide for the safe access and mobility of pedestrians, bicyclists and transit users of all ages and abilities.

In order to implement this policy and make New Jersey a better place to bicycle and walk, it is essential that infrastructure improvements be undertaken that address the safety and access needs of non-motorized transportation modes. The benefits of such improvements are maximized if they evolve from a rational planning process, in fulfillment of a local vision that complements the one expressed in the NJ Bicycle and Pedestrian Master Plan; a process that reflects a conscious and concerted effort to create livable communities and complete streets where the needs of vulnerable roadway users such as pedestrians and bicyclists are central.

To assist in fulfilling this vision, and to facilitate the implementation of capital projects that fulfill the safety and access needs of pedestrians and bicyclists; the Department has created the Local Bicycle/Pedestrian Planning Assistance Program (LBPPAP). Under this program, the Department has retained the services of several consultants with expertise in local bicycle and pedestrian planning. The services of these consultants are provided at no cost to counties and municipalities that demonstrate a need and desire to undertake planning activities that will lead to capital improvements to benefit the non-motorized transportation modes.

Municipalities (or counties) that determine they are interested in participating in this program should develop an application in accordance with the information provided below and submit the package to:

Elise Bremer-Nei, AICP/PP
Office of Bicycle & Pedestrian Programs
New Jersey Department of Transportation
1035 Parkway Avenue
P.O. Box 600
Trenton, NJ 08625-0300
LOCAL BICYCLE/PEDESTRIAN PLANNING ASSISTANCE PROGRAM

Evaluation Process/Selection Criteria

Since applications are accepted at any time, the Department does not, strictly speaking, review and evaluate applications on a competitive basis. The program is competitive only in that there may be more applicants than resources available to accommodate them. As such, we cannot guarantee that technical assistance will be available at any particular time. The evaluation process is intended to determine whether an application is to be accepted (or not) into the program. Applications will be evaluated in terms of the following selection criteria:

- Clarity of the presentation of the planning issues to be addressed
- Inclusion of supporting data, statistics and mapping to back up narrative provided
- Evidence of commitment of local staff/resources (mapping, providing data, setting up meetings, providing meeting space, etc.)
- Evidence that a significant pedestrian or bicycle safety issue is to be addressed
- Evidence that the planning effort includes consideration of improving non-motorized access to transit stops and stations
- Evidence that the planning effort is to be directed to the needs of special populations such as senior citizens, transportation disadvantaged, school children, etc.
- Evidence that the planning effort is to be directed towards the enhancement, vitality or economic viability of downtown or central business district (CBD) areas through the improvement of bicycle and pedestrian access and safety
- Documentation that the applicant municipality or county has an existing Complete Streets Policy or a commitment of their intention to adopt one
- Documentation of local support (A resolution of support from the governing body is required. Other documentation could include letters of support from public safety officials, the school board, etc.)
- Documentation of support/involvement of the county (if a municipal application)
- Documentation of support by the Transportation Management Association (TMA) and/or the Metropolitan Planning Organization (MPO)
- Documentation that other activities or projects have been undertaken to support bicycling or walking in the county or municipality, including Safe Routes to School programs

Other Considerations

Planning efforts to be undertaken through this program are to be locally driven. It is essential that applicants understand that this assistance is to be provided under a partnership arrangement, and that applicants must commit staff and/or financial resources to these efforts.

All studies undertaken must have a strong public outreach aspect, including continuing involvement by both the official representatives of the county or municipality as well as participation by local citizens.
LOCAL BICYCLE/PEDESTRIAN PLANNING ASSISTANCE PROGRAM

It is anticipated that study recommendations will be consistent with state of the practice guidelines for bicycle and pedestrian accommodations.

Communities participating in the program will be contacted periodically after the completion of the planning effort to provide information on progress made toward implementing study recommendations resulting outcomes. Specifically, we will be asking whether there has been an increase in safety due to the changes made, whether a Complete Streets policy has been adopted, as well as whether or not the community has seen an increase in bicyclists and pedestrians. Also, we will assist in determining whether the community is eligible for inclusion in the Bike Friendly Communities Program with the League of American Bicyclists. An important part of the process will be the identification of the contact person within the local government who will sign the Local Technical Assistance Scope Approval form. This person will not only agree to the goals and objectives of the study, but will also agree to serve as our liaison for the aforementioned progress reports.

Eligible Planning Activities

Examples of planning activities that may be eligible for this technical assistance program include but are not limited to:

- Evaluation of bicycle and/or pedestrian safety issues and the development of potential solutions
- Comprehensive bicycle and/or pedestrian plans or circulation elements
- Bicycle and/or pedestrian circulation studies focusing on key corridors or activity centers in the county or municipality, e.g. downtowns, key attractors (parks and other community facilities) shopping centers, etc.
- Planning location or feasibility assessments for shared use path projects including rail-trails and rail with trail
- Complete Streets policy development and implementation plan assistance.
- Sidewalk inventories
- Walkability audits
- Inventories or audits of bicycle compatible roadways and designated bicycle facilities.
- Bicycle suitability mapping
- Deficiency analyses, in terms of bicycle and/or pedestrian travel along selected routes to schools, transit facilities, downtown areas, etc., along with recommendations for mitigating those deficiencies
- Residential neighborhood traffic calming
- Safe Routes to School travel plans
