Dated:  June 28, 2018
COUNTY OF PASSAIC

2017 ANNUAL AUDIT – CORRECTIVE ACTION PLAN

Preakness:

Finding – A cash receipts ledger is not being maintained properly. Receipts per the ledger do not agree to the amount that was deposited and do not agree to the account being deposited.

Recommendation – That a cash ledger be maintained to accurately record when receipts are received.

Corrective Action – Greater care will be exercised to ensure that amounts recorded in the cash receipts ledger agrees with amounts deposited to the bank.

Implementation Date – 12/31/2018

Finding – The balance in the Petty Cash account is not properly analyzed.

Recommendation – An accurate analysis of deposits from the Resident Trust Account should be maintained in order to return funds not distributed to outside vendors.

Corrective Action – Greater care will be exercised with respect to the Resident Trust Account Petty Cash to ensure that funds received are clearly identified by patient. This will allow funds to be returned, if need be, to the proper people.

Implementation Date – 12/31/2018

Finding – The balance of the Petty Cash account was not turned over to the State of NJ Unclaimed Property prescribed by Chapter 30B Title 46 of the Revised N.J.S.A.

Recommendation – That funds be remitted to the appropriate agency.

Corrective Action – A review of Petty Cash funds will be performed and a determination made as to what funds shall be paid to the State of NJ Unclaimed Property Fund, if any.

Implementation Date – 12/31/2018
Parks Department:

Finding – Monthly recommendations are not being performed in a timely manner.

Recommendation – Accounts should be analyzed and reconciled on a monthly basis.

Corrective Action – This finding relates to an account maintained by Parks personnel for deposits collected for use of the Parks for certain events. These deposits are typically returned to the event holders assuming they have complied with the terms designated by the County. County Finance personnel have met with the Parks personnel and reviewed the reconciliation process with them. Finance personnel will do this monthly until the reconciliation can be prepared by Parks independently.

Implementation Date – 12/31/18

Finding – Daily reports don’t agree to amounts being deposited due to additional credit cards charged but not recorded in the POS system.

Recommendation – More care be taken to ensure all credit cards charged be properly recorded in the POS system.

Corrective Action – All credit card charges are entered into the POS system. However, at a certain time each day, prior to the golf course closing, a deposit is prepared and taken to the bank. Additional transactions take place on that day. Additional credit card charges will credit the bank account when the daily batch settles which includes all credit card transactions prior to closing and transactions after closing which accounts for the difference. A review of POS reports and bank deposits will be made and a system to reconcile the two will be created.

APPROVED AS TO FORM AND LEGALITY:

Dated: June 28, 2018
RESOLUTION FOR APPRAISAL AND CONSULTING SERVICES AS IT PERTAINS TO 317 PENNSYLVANIA AVENUE IN THE CITY OF PATERSON, NEW JERSEY

WHEREAS several years ago, the Board of Chosen Freeholders of the County of Passaic by Resolution R-12-474 dated June 12, 2012 authorized that Value Research Group, LLC, Real Estate Analysts & Consultants of Livingston, New Jersey conduct appraisal reports of two County-owned properties in the City of Paterson, NJ; namely, 317 Pennsylvania Avenue and 30 Columbia Avenue in order to determine the value of both properties; and

WHEREAS the said Board of Chosen Freeholders has now determined the former County Administration Building and Garage is now no longer needed for public use and, pursuant to the Local Buildings Law, specifically N.J.S.A. 40A:12-13(a), is interested in selling that building by public auction; and

WHEREAS in furtherance of that intent, it is now necessary to get an updated appraisal of 317 Pennsylvania Avenue in Paterson, NJ to determine the current value of same; and

WHEREAS Integra Realty Resources, the successor corporation of Value Research Group, of 301 South Livingston Avenue in Livingston, NJ has submitted a proposal dated June 7, 2018 to perform the necessary updated appraisal report for the sum of $2,500.00 (a copy of said proposal is attached hereto and made part hereof); and

WHEREAS the Local Public Contracts Law, N.J.S.A. 40A:11-1, et seq., requires that the resolution authorizing the award of contract for “Professional Services” without competitive bids and the contract itself must be available for public inspection; and
WHEREAS this matter was reviewed by the Freeholders Committee for Finance & Administration at its June 13, 2018 meeting who recommended that Integra Realty Resources be retained to conduct the appraisal for this building; and

WHEREAS a certification is attached here to which indicates that funds are available for the within contemplated expenditure.

NOW THEREFORE BE IT RESOLVED by the Board of Chosen Freeholders of the County of Passaic that it hereby awards a contract for professional appraisal consulting services with regard to the County-owned property at 317 Pennsylvania Avenue in Paterson, NJ to Integra Realty Resources of Livingston, NJ pursuant to its attached proposal.

BE IT FURTHER RESOLVED that in conformity with the Local Land & Buildings Law of the State of New Jersey; specifically, N.J.S.A. 40A:12-13, it is the intention of the said Board to sell this building and land when it is no longer needed for public use.

BE IT FURTHER RESOLVED that the Director and Clerk of the Board of Chosen Freeholders be authorized to execute an agreement for these services on behalf of the County of Passaic.

BE IT FURTHER RESOLVED that this contract is awarded without competitive bidding as a “Professional Services” contract in accordance with N.J.S.A. 40A:11-5(1) of the Local Public Contracts Law because:

1. The consulting firm is authorized and regulated by the law to provide the aforementioned services;

2. The performance of the services are special in nature and require knowledge of an advanced type training, which said consulting firm possesses; and
BE IT FURTHER RESOLVED that a Notice of this Resolution be published in the North Jersey Herald & News.

Our fee for this assignment is $2,500.00, plus out-of-pocket expenses. We will require the balance due upon delivery of the report(s). The delivery date will be 30 days from your acceptance of this letter agreement, but subject to extension based upon late delivery of the requested data and scheduled access for inspection.

The fee quoted above includes one meeting or phone conference to review our findings and analysis. Subsequently, the fee for attending any meetings, court hearings or trials, depositions and pretrial conferences, whether or not testimony is actually given, and the review of any material submitted by opposing litigants, will be based on our per diem fee schedule at the time of performance. Our current hourly charges are as follows:

- Managing Directors: $225
- Directors: $200
- Analysts: $150
- Support Staff: $75

IRR-Northern New Jersey shall not provide a copy of the written report to, or disclose the results of the analysis prepared in accordance with the Agreement with any party other than the Client, unless the Client authorizes that action, except as stipulated in the Confidentiality Section of the Ethics Rules of the Uniform Standards of Professional Appraisal Practice (USPAP).

The Client may cancel this Agreement at any time prior to our final delivery of the Report upon notification to IRR-Northern New Jersey. Client shall pay IRR – Northern New Jersey for work completed on the assignment prior to written cancellation notice, unless otherwise agreed to by the parties.

IRR-Northern New Jersey cannot agree to provide a value opinion that is contingent on a predetermined amount. IRR-Northern New Jersey cannot guarantee the outcome of the assignment in advance. IRR-Northern New Jersey cannot insure that the opinion of value developed as a result of this Assignment will serve to facilitate any specific objective by the Client or others or advance any particular cause. IRR's opinion of value will be developed competently and with independence, impartiality and objectivity.

If you are in agreement with the terms set forth in this letter and wish us to proceed with the engagement, please sign below and return one copy to us. Thank you for this opportunity to be of service and we look forward to working with you.

STANDARD ASSUMPTIONS & LIMITING CONDITIONS

The appraisal report and any work product related to the engagement will be limited by the following standard assumptions:

1. The title is marketable and free and clear of all liens, encumbrances, encroachments, easements and restrictions. The Subject Property is under responsible ownership and competent management and is available for its highest and best use.

2. There are no existing judgments or pending or threatened litigation that could affect the value of the Subject Property.

3. There are no hidden or undisclosed conditions of the land or of the improvements that would render the Subject Property more or less valuable. Furthermore, there is no asbestos in the Subject Property.

4. The revenue stamps placed on any deed referenced herein to indicate the sale price are in correct relation to the actual dollar amount of the transaction.

5. The Subject Property is in compliance with all applicable building, environmental, zoning, and other federal, state and local laws, regulations and codes.

6. The information furnished by others is believed to be reliable, but no warranty is given for its accuracy.

The appraisal report and any work product related to the engagement will be subject to the following limiting conditions, except as otherwise noted in the report:

1. An appraisal is inherently subjective and represents our opinion as to the value of the Subject Property appraised.

2. The conclusions stated in our appraisal apply only as of the effective date of the appraisal, and no representation is made as to the effect of subsequent events.

3. No changes in any federal, state or local laws, regulations or codes (including, without limitation, the Internal Revenue Code) are anticipated.

4. No environmental impact studies were either requested or made in conjunction with this appraisal, and we reserve the right to revise or rescind any of the value opinions based upon any subsequent environmental impact studies. If any environmental impact statement is required by law, the appraisal assumes that such statement will be favorable and will be approved by the appropriate regulatory bodies.

5. Unless otherwise agreed to in writing, we are not required to give testimony, respond to any subpoena or attend any court, governmental or other hearing with reference to the Subject Property without compensation relative to such additional employment.

6. We have made no survey of the Subject Property and assume no responsibility in connection with such matters. Any sketch or survey of the Subject Property included in this report is for illustrative purposes only and should not be considered to be scaled accurately. No opinion is expressed as to the value of subsurface oil, gas or mineral rights, if any, and
for size. The appraisal covers the Subject Property as described in this report, and the areas and dimensions set forth are assumed to be correct.

7. No opinion is expressed as to the value of subsurface oil, gas or mineral rights, if any, and we have assumed that the Subject Property is not subject to surface entry for the exploration or removal of such materials, unless otherwise noted in our appraisal.

8. We accept no responsibility for considerations requiring expertise in other fields. Such considerations include, but are not limited to, legal descriptions and other legal matters such as legal title, geologic considerations, such as soils and seismic stability, and civil, mechanical, electrical, structural and other engineering and environmental matters. Such considerations may also include determinations of compliance with zoning and other federal, state, and local laws, regulations and codes.

9. The distribution of the total valuation in the report between land and improvements applies only under the reported highest and best use of the Subject Property. The allocations of value for land and improvements must not be used in conjunction with any other appraisal and are invalid if so used. The appraisal report shall be considered only in its entirety. No part of the appraisal report shall be utilized separately or out of context.

10. Neither all nor any part of the contents of this report (especially any conclusions as to value, the identity of the appraisers, or any reference to the Appraisal Institute) shall be disseminated through advertising media, public relations media, news media or any other means of communication (including without limitation prospectuses, private offering memoranda and other offering material provided to prospective investors) without the prior written consent of the persons signing the report.

11. Information, estimates and opinions contained in the report and obtained from third-party sources are assumed to be reliable and have not been independently verified.

12. Any income and expense estimates contained in the appraisal report are used only for the purpose of estimating value and do not constitute predictions of future operating results.

13. If the Subject Property is subject to one or more leases, any estimate of residual value contained in the appraisal may be particularly affected by significant changes in the condition of the economy, of the real estate industry, or of the Subject Property at the time these leases expire or otherwise terminate.

14. Unless otherwise stated in the report, no consideration has been given to personal property located on the Subject Property or to the cost of moving or relocating such personal property; only the real property has been considered.

15. The current purchasing power of the dollar is the basis for the value stated in the appraisal; we have assumed that no extreme fluctuations in economic cycles will occur.

16. The values found herein are subject to these and to any other assumptions or conditions set forth in the body of this report but which may have been omitted from this list of Assumptions and Limiting Conditions.

17. The analyses contained in the report necessarily incorporate numerous estimates and assumptions regarding property performance, general and local business and economic
conditions, the absence of material changes in the competitive environment and other matters. Some estimates or assumptions, however, inevitably will not materialize, and unanticipated events and circumstances may occur; therefore, actual results achieved during the period covered by our analysis will vary from our estimates, and the variations may be material.

18. The Americans with Disabilities Act (ADA) became effective January 26, 1992. We have not made a specific survey or analysis of the Subject Property to determine whether the physical aspects of the improvements meet the ADA accessibility guidelines. We claim no expertise in ADA issues, and render no opinion regarding compliance of the Subject Property with ADA regulations. Inasmuch as compliance matches each owner’s financial ability with the cost to cure the non-conforming physical characteristics of a property, a specific study of both the owner’s financial ability and the cost to cure any deficiencies would be needed for the Department of Justice to determine compliance.

19. The appraisal report is prepared for the exclusive benefit of you, your subsidiaries and/or affiliates. It may not be used or relied upon by any other party. All parties who use or rely upon any information in the report without our written consent do so at their own risk.

20. No studies have been provided to us indicating the presence or absence of hazardous materials on the Subject Property or in the improvements, and our valuation is predicated upon the assumption that the Subject Property is free and clear of any environment hazards including, without limitation, hazardous wastes, toxic substances and mold. No representations or warranties are made regarding the environmental condition of the Subject Property. IRR – Local City and/or any of its officers, owners, managers, directors, agents, subcontractors or employees (the “Integra Parties”) shall not be responsible for any such environmental conditions that do exist or for any engineering or testing that might be required to discover whether such conditions exist. Because we are not experts in the field of environmental conditions, the appraisal report cannot be considered as an environmental assessment of the Subject Property.

21. The persons signing the report may have reviewed available flood maps and may have noted in the appraisal report whether the Subject Property is located in an identified Special Flood Hazard Area. However, we are not qualified to detect such areas and therefore do not guarantee such determinations. The presence of flood plain areas and/or wetlands may affect the value of the Subject Property, and the value conclusion is predicated on the assumption that wetlands are non-existent or minimal.

22. We are not a building or environmental inspector. The Integra Parties do not guarantee that the Subject Property is free of defects or environmental problems. Mold may be present in the Subject Property and a professional inspection is recommended.

23. The appraisal report and value conclusions for an appraisal assume the satisfactory completion of construction, repairs or alterations in a workmanlike manner.

24. IRR Northern New Jersey is an independently owned and operated company, which has prepared the appraisal for the specific intended use stated elsewhere in the report. The use of the appraisal report by anyone other than the Client is prohibited except as otherwise provided. Accordingly, the appraisal report is addressed to and shall be solely for the

SUBJECT: Proposal/Authorization for Valuation and Consulting Services
317 Pennsylvania Avenue, Paterson New Jersey

Dear Mr. DeNova:

Upon your acceptance of this letter agreement, Integra Realty Resources (IRR)-Northern New Jersey, will prepare an appraisal update for the Subject Property. The purpose of the appraisal update is to provide an opinion of the market value of the fee simple value of the Subject Property. The Client and Intended User of the assignment is Passaic County. I am unaware of any other intended users. The intended use of the appraisal is for internal usage by the County. The appraisal update will be prepared in conformance with and subject to, the Code of Professional Ethics and Standards of Professional Appraisal Practice of the Appraisal Institute and the Uniform Standards of Professional Appraisal Practice (USPAP) developed by the Appraisal Standards Board of the Appraisal Foundation. The Ethics Rule of USPAP requires us to disclose to you any prior services we have performed regarding the Subject Property within a three-year period immediately preceding the acceptance of this assignment, either as an appraiser or in any other capacity. As you know, we have previously appraised the property for the County.

In accordance with our correspondence, the scope of this assignment will require IRR-Northern New Jersey to consider all relevant and applicable approaches to value as determined during the course of our research, Subject Property analysis and preparation of the report.

The appraisal will be communicated in an Appraisal Report-Standard Format. All work will be performed under the direct supervision of the undersigned, together with other staff members. The appraisal and this letter agreement will be subject to our standard assumptions and limiting conditions a copy of which is attached as Attachment I.

APPLICATION TO THE LOCAL FINANCE BOARD PURSUANT TO N.J.S.A
40A:11-4.6 AND N.J.S.A. 40A:2-52

WHEREAS, the County of Passaic (the "County") desires to make application to the Local
Finance Board for its approval of a proposed refunding bond ordinance authorizing energy
savings obligations.

WHEREAS, County believes that:

(a) It is in the public interest to accomplish such purpose;

(b) Said purpose or improvements are for the health, welfare, convenience or betterment
    of the inhabitants of the local unit or units;

(c) The amounts to be expended for said purpose or improvements are not unreasonable
    or exorbitant;

(d) The proposal is an efficient and feasible means of providing services for the needs of
    the inhabitants of the local unit or units and will not create an undue financial burden
    to be placed upon the local unit or units;

NOW THEREFORE, BE IT RESOLVED BY THE BOARD OF CHOSEN
FREEHOLDERS OF THE COUNTY OF PASSAIC, NEW JERSEY AS FOLLOWS:

Section 1. The application to the Local Finance Board is hereby approved, and the
County’s Bond Counsel, and other representatives of the County, are hereby authorized to
prepare such application and to represent the County in matters pertaining thereto.

Section 2. The Clerk of the Board of Chosen Freeholders is hereby directed to
prepare and file a copy of the proposed refunding bond ordinance and this resolution with the
Local Financial Board as part of such application.

Section 3. The Local Finance Board is hereby respectfully requested to consider such

RESOLUTION AWARDING A PROFESSIONAL SERVICES CONTRACT TO ABDELMAGEID A. ABDELHADI FOR LEGAL SERVICES ON BEHALF OF PASSAIC COUNTY AS PLANNING BOARD ATTORNEY FOR A PERIOD OF AUGUST 1, 2018 THROUGH JULY 31, 2019

WHEREAS the County of Passaic (the “County”) has a Planning Board before whom several matters concerning the construction and zoning of the county are heard; and

WHEREAS the Board of Chosen Freeholders (the “Board”) are desirous of professional advice from an attorney to represent the interest of said Planning Board; and

WHEREAS the said Board by Resolution R-2017-0586 dated July 18, 2017 appointed Abdelmageid A. Abdelhadi, Esq., to be Counsel for a one (1) year period from August 1, 2017 to July 31, 2018 for an annual fee of $15,000.00 per year billable monthly; and

WHEREAS the said Board is desirous of reappointing said Abdelmageid A. Abdelhadi, Esq., for another year to serve as Passaic County Planning Board attorney for the period of August 1, 2018 to July 31, 2019;

WHEREAS the Freeholder Administration & Finance Committee at its June 13, 2018 meeting reviewed this matter and recommends this resolution to the full Board for adoption; and

WHEREAS the Local Public Contracts Law, N.J.S.A. 40A: 11-1, et seq., requires that the resolution authorizing the award of contract for “Professional Services” without competitive bids and the contracts itself must be available for public inspection; and

WHEREAS a certification is attached indicating that funds are available for the within contemplated expenditure;
NOW THEREFORE BE IT RESOLVED by the Board of Chosen Freeholders of the County of Passaic that it hereby awards a professional Services contract to Abdelmageid Abdelhadi, Esq., to perform services as an Attorney at the Passaic County Planning Board for a flat fee of $15,000.00 for a period of August 1, 2018 through July 31, 2019; and

BE IT FURTHER RESOLVED that this contract is awarded as one for a “Professional Service” in accordance with N.J.S.A. 40A: 11-5 (1) (a) of the Local Public Contracts Law because:

(1) The recipients are authorized and regulated by the law to provide the aforementioned services;

(2) The performance of the services are special in nature and require knowledge of an advanced type training, which the recipients possess; and

BE IT FURTHER RESOLVED that a Notice of this action be published in the NORTH JERSEY HERALD & NEWS.

Re: Request to Renew Contract
Position—County Planning Board Attorney

Dear Mr. La Place:

Please accept this correspondence as a request to renew my contract to serve as Counsel for the Passaic County Planning Board. I will agree to serve under the same terms and conditions as set forth in my current contract, which is scheduled to expire July 1, 2018. I hope that after a review of my record as Counsel for the Passaic County Planning Board during the last two years, you will recommend a renewal of my contract to the Passaic County Freeholders.

I thank you in advance for your attention to this matter. Should you have any questions or concerns please feel free to contact my office.

Very truly yours,

REVIEWED BY:

APPROVED AS TO FORM AND LEGALITY:

Approved By:

Dated: June 28, 2018
RESOLUTION AUTHORIZING THE DISTRIBUTION OF $450,000 TO THE FRIENDS OF PASSAIC COUNTY PARKS, INC. FOR THE GOFFLE BROOK PARK ATHLETIC FIELD IMPROVEMENT PROJECT

WHEREAS the Board of Chosen Freeholders of the County of Passaic, by Resolution R-2016-1106 dated December 29, 2016, authorized its not-for-profit corporation, Friends of Passaic County Parks, Inc. (Friends), to apply for a grant from the New Jersey Department of Environmental Protection (NJDEP), Green Acres Program for a grant for a Project at the Passaic County-owned Goffle Brook Park known as the Improvement of the Goffle Brook Park Athletic Field; and

WHEREAS as part of that Resolution, the said Board also agreed that if the grant was approved, the County of Passaic would provide the matching funds needed to award and complete the Project; and

WHEREAS in July of 2017 a letter was received from the NJDEP Commissioner informing the Friends that it had been awarded a grant in the amount of $200,000 and that a minimum of 50% in matching funds would be needed; and

WHEREAS as a consequence of that award, the said Board by Resolution R-2017-0924 dated November 21, 2017 authorized the County of Passaic to enter into a Project Management Agreement to manage the Goffle Brook Athletic Field Improvement Project which called for the Project to be bid and managed by Passaic County staff; and

WHEREAS on June 6, 2018 bids were received by the Passaic County Purchasing Department on behalf of the Friends and by
Resolution 18-07 dated June 11, 2018, the Friends awarded the bid for the Project in the amount of $709,065 to the lowest responsible bid, who was Thomas & Sons, LLC of Hackensack, NJ; and

WHEREAS in conformity with the Freeholder Resolution R-2016-1106 dated December 29, 2016, the Friends are requesting, through the Passaic County Administration, that the sum of $450,000 be distributed to the Friends of Passaic County Parks, Inc. in order to execute and complete the Project Agreement; and

WHEREAS the Freeholder Committee for Finance & Administration at its June 13, 2018 meeting reviewed this matter and is recommending it to the full Board; and

WHEREAS a certification is attached which indicates the availability of funds for said expenditure.

NOW THEREFORE BE IT RESOLVED by the Board of Chosen Freeholders of the County of Passaic that it hereby authorizes the Passaic County Chief Financial Officer to release and distribute the sum of Four Hundred Fifty Thousand ($450,000) Dollars to the Passaic County-owned Friends of Passaic County Parks, Inc. for them to execute the Agreement on behalf of the County of Passaic with Thomas & Sons, LLC to complete the Goffle Brook Park Athletic Field Improvement Project.

BE IT FURTHER RESOLVED that Passaic County staff is hereby authorized to do whatever is necessary to effectuate this Resolution.

RESOLUTION QUALIFYING A POOL OF FIRMS FOR THE
RESTORATION OF HISTORIC MONUMENTS LOCATED IN
FRONT OF THE PASSAIC COUNTY COURTHOUSE IN
PATERSON, NJ RFQ-18-067 AS PER QUALIFICATIONS

WHEREAS, there exists a need to qualify a pool of firms for
restoration of historic monuments in the County of Passaic; and

WHEREAS, the County issued public solicitation RFQ-18-067
for qualified organizations to perform these services, in accordance
with “Fair and Open” procedures as established in the”Pay-to-Play”
Law, N.J.S.A. 19:44A-20.4, et seq.; and

WHEREAS, the responses to said public solicitation were
received on May 30, 2018 and reviewed by the Committee
previously established for that purpose by resolution R-06-97
adopted on February 14, 2006; and

WHEREAS, the Evaluation and Review Committee has found
the following firms are qualified to perform the necessary services,
on an as-needed basis:

- Smith Art Conservation, LLC
- Evergreene Architectural Arts
- Kuzman Construction
- B.R. Howard & Associates, Inc.

WHEREAS, the Board will make specific assignments to the
qualified firms on an as-needed basis by subsequent resolution of
the Board; and

WHEREAS, the Finance, Administration and Personnel
Committee has reviewed this matter at its June 13, 2018 meeting
and recommended this resolution to the full Board for adoption;
and

NOW THEREFORE BE IT RESOLVED by the Board of Chosen
Freeholders of the County of Passaic that the above-referenced
firms be qualified to provide the referenced service; and

BE IT FURTHER RESOLVED that the Board will make
specific assignments to the qualified firms on an as-needed basis by
subsequent resolution of the Board; and
BE IT FURTHER RESOLVED that the Clerk of the Board, the Purchasing Agent and the Director of the Board are hereby authorized to execute all necessary agreements on behalf of the County of Passaic as prepared by the Office of County Counsel for said purpose.

BE IT FURTHER RESOLVED that although exempt from formal public bidding, this contract is awarded in accordance with "Fair an Open" procedures as established in the "Pay-to-Pay" Law, N.J.S.A. 19:44A-20.4, et seq. as stated more fully above.

Agenda: RESOLUTION CONSENTING TO THE CLOSURE OF GARRETT MOUNTAIN RESERVATION ON SUNDAY, JULY 1, 2018 IN CONNECTION WITH A FIREWORKS DISPLAY, ALL AS NOTED IN THE RESOLUTION

THIS RESOLUTION WAS REQUESTED BY:

REVIEWED BY:

Approved as to form and legality:

Dated: June 28, 2018
RESOLUTION CONSENTING TO THE CLOSURE OF GARRET MOUNTAIN RESERVATION ON SUNDAY, JULY 1, 2018 IN CONNECTION WITH A FIREWORKS DISPLAY

WHEREAS the Board of Chosen Freeholders of the County of Passaic (the “Board”) has adopted resolutions and ordinances concerning the use and operation of the Passaic County Parks; and

WHEREAS pursuant to those resolutions and ordinances, the use of fireworks or pyrotechnic devices is prohibited within the County Parks; and

WHEREAS The City of Paterson (hereinafter known as the applicant) has requested that the Board and the County Parks Director allow the applicant a permit and allow the Garret Mountain Reservation to remain open the evening of Sunday July 1, 2018 to hold a fireworks display; and

WHEREAS the City of Paterson has agreed and submitted a security plan for staffing the Reservation that evening with assistance from the Passaic County Sheriff’s Department (copies of both attached hereto and made a part hereof); and

WHEREAS the fireworks display would be operated by Garden State Fireworks, Inc.; and

WHEREAS the Board has been advised that the applicant and/or Garden State Fireworks, Inc. has secured insurance for the event in the amount of Two Million Dollars ($2,000,000.00) and named the County of Passaic as an
additional insured under its policy, in order to hold the County harmless from any and all liability whatsoever as a result of the fireworks display (submission of an insurance certificate is a condition precedent for this approval); and

WHEREAS the applicant and/or Garden State Fireworks, Inc. have agreed that the fireworks display shall be conducted in accordance with all Federal, State and Local regulations for activities of this type including but not limited to the obtaining of all necessary permits; and

WHEREAS this year the City has requested that the Garret Mountain Reservation remain open on the evening of July 1, 2018 as the host of this fireworks display; and

WHEREAS the local municipal authorities of the surrounding communities as well as the State Police shall be advised of the nature and scope of activities to be conducted on that date; and

WHEREAS approval of this request is also conditioned upon the applicant arranging for necessary security through the Passaic County Sheriff's Department and/or the Paterson Police Department and the posting of the above-referenced certificate of insurance; and

WHEREAS the Freeholder Committee for Finance & Administration considered this request at its June 13, 2018 meeting and recommended this resolution to the full Board for adoption;
NOW THEREFORE BE IT RESOLVED that the Passaic County Board of Chosen Freeholders approves waiving the restriction on the use of fireworks or other pyrotechnic displays on Garret Mountain on Sunday, July 1, 2018 subject to the receipt of a proper permit, insurance certificate, and appropriate paperwork for that date for the purposes of staging a fireworks display in honor of Independence Day.

BE IT FURTHER RESOLVED that Garret Mountain shall be open to the general public for the early evening on July 1, 2018 to accommodate the fireworks display subject to the terms and conditions set forth above.

Dear Administrator and County Freeholders:

This is to confirm the specifics of the City of Paterson Fireworks Display which is being held at Garrett Mountain on Sunday, July 1st 2018. The display will be shot-off at 9:30PM from the area of Overlook Park.

1) Garden State Fireworks will be arriving at Garrett Mt. approximately 1:30pm.
2) The Police Dept. will also be arriving Garrett Mt. approximately 1:30pm.
3) The Fire Inspector and DPW are approximately arrive at the same time.
4) For your information, the City will not contract with any vendors.

SET UP LOGISTICS:

It will take several hours to organize and set up for the event. Security/Police will be present at all times. So will DPW and the Fire Inspector.

Throughout the day the area "Overlook Park" will be barricaded so that no one will be able to enter the area. Yellow Caution tape will also be visible. As the day progresses DPW will make sure the immediate area of the fireworks display will be kept clean. NO one will be allowed to enter the display area without the permission of the Police.

The Fireworks will begin dispersing into the air at 9:30pm. Meanwhile, we will be vigilant on controlling the site. We would also appreciate if the Passaic County Sheriff officers can be monitoring the area.

Immediately after the event has concluded, Garden State Fireworks will start cleaning up their space and DPW will assist them. Our DPW will make sure that area is left clean.

Please be aware that our Police Dept. will make sure that everyone has dispersed the site before they leave the Mountain.

If you have any questions or concerns, please do not hesitate to contact me at (201)274-4548 Cell.

Thank you,

DRAYTON INSURANCE BROKERS, INC.

A.J. STRINGER, PRESIDENT
THIS AGREEMENT is made on the 30th day of May 2018 between GARDEN STATE FIREWORKS, INC., hereinafter known and designated as "The Party of the First Part", CITY OF PATerson, as the designated Party of the Second Part.

WITNESSETH: For and in consideration of all mutual covenants and agreements hereinafter entered into, the Party and Parties heretofore agree as follows:

1. The Party of the First Part agrees to furnish to the Party of the Second Part on Garrett Mountain Reservation Grounds the 1st day of July 2018, in a location to be designated by the Party of the Second Part and approved by the Party of the First Part, an exhibition of fireworks.

2. The Party of the First Part agrees to pay all expenses for the freight and carriage for the said display, all necessary labor and equipment, and experienced Pyrotechnic Operators to discharge the said display.

3. The Party of the First Part and The Party of the Second Part agree to a postponement date of the ___ day of July 2018, excluding July 3rd and 4th, at an additional cost of TEN PERCENT of the total contract amount. Postponements may be scheduled only within the period terminating NINETY days after the original scheduled date of the display, thereafter the display will be considered to be canceled. In the event of cancellation, the Party of the Second Part agrees to additional payment of FIFTY PERCENT, to bring the total of payments to ONE HUNDRED PERCENT of the total contract amount.

4. The Party of the First Part agrees to supply to the Party of the Second Part, insurance coverage in the amount of FIVE MILLION DOLLARS for liability and property damage. The Party of the Second Part agrees to hold harmless the Party of the First Part of all and any claims, legal fees incurred outside the operations or the control of the Party of the First Part. The Party of the First Part agrees to hold harmless the Party of the Second Part from any claims, legal fees incurred from the operations of the Party of the First Part.

5. The Party of the Second Part agrees to furnish ample security or police protection and barricades to prevent any persons from coming into the safety zone area designated for discharging said fireworks display. With the exception of conditions stated in paragraph 4 above, the Party of the Second Part also agrees to assume sole responsibility for special safety, including seating, lighting, and ground surfaces, and agrees to conduct an inspection of the site approximately 24 hours in advance of the display to ensure a safe spectator environment.

6. The Party of the Second Part agrees to purchase any and all permits which may be required by municipal Authorities for the discharging of the said fireworks display at their own expense.

7. The Party of the Second Part agrees that any and all publicity, media coverage, announcements, and advertising shall name GARDEN STATE FIREWORKS, INC., as the primary contractor for the said display.

8. Upon signing of this document a deposit of FIFTY PERCENT of the total contract price shall be paid to the Party of the First Part.

9. Upon delivery of the said display, the full balance for the contract amount shall be paid to the Pyrotechnic Operator in a sealed envelope either before or immediately following the discharging of the display.

10. Total contract amount $7,000.00 United States (Excluding permit fee)

Dated: June 28, 2018
RESOLUTION ACCEPTING ANNUAL AUDIT REPORT FOR COUNTY FISCAL YEAR 2017 AND AUTHORIZING THE EXECUTION AND FILING OF THE REQUIRED "GROUP AFFIDAVIT" WITH THE LOCAL FINANCE BOARD

WHEREAS N.J.S.A. 40A:5-4 requires the governing body of every local unit to have made an annual audit of its books, accounts and financial transactions; and

WHEREAS the Annual Report of Audit for the year 2017 has been filed by a Registered Municipal Accountant with the Clerk of the Board of Chosen Freeholders of the County of Passaic as per the requirements of N.J.S.A. 40A:5-6, and a copy has been received by each member of the governing body; and

WHEREAS the Local Finance Board of the State of New Jersey is authorized to prescribe reports pertaining to the local fiscal affairs, as per R.S. 52:27BB-34; and

WHEREAS the Local Finance Board has promulgated a resolution requiring that the governing body of each municipality shall by resolution certify to the Local Finance Board of the State of New Jersey that all members of the governing body have reviewed, at a minimum, the sections of the annual audit entitled:

General Comments
Recommendations;

and

WHEREAS the members of the governing body have personally reviewed as a minimum the Annual Report of Audit, and specifically the sections of the Annual Audit entitled:
General Comments

Recommendations

as evidenced by the group affidavit from of the governing body; and

WHEREAS such resolution of certification shall be adopted by the Governing Body no later than forty five (45) days after the receipt of the annual audit, as per the regulations of the Local Finance Board; and

WHEREAS all members of the governing body have received and have familiarized themselves with, at least, the minimum requirements of the Local Finance Board of the State of New Jersey, as stated aforesaid and have subscribed to the affidavit, as provided by the Local Finance Board; and

WHEREAS failure to comply with the promulgations of the Local Finance Board of the State of New Jersey may subject the members of the local governing body to penalty provisions of R.S. 52:27BB-52 – to wit:

R.S. 52:27b – “a local officer or member of a local governing body who, after a date fixed for compliance fails or refuses to obey an order of the director (Director of Local Government Services), under the provisions of this Article, shall be guilty of a [Disorderly persons offense] and, upon conviction, may be fined ... or imprisoned ... in addition shall forfeit his office.”
NOW THEREFORE BE IT RESOLVED that the Board of Chosen Freeholders of the County of Passaic hereby states that it has complied with the promulgation of the Local Finance Board of the State of New Jersey and does hereby submit a certified copy of this resolution and the required affidavit to said Board to show evidence of said compliance.

I HEREBY CERTIFY THAT THIS IS A TRUE COPY OF THE RESOLUTION PASSED AT THE MEETING HELD ON JUNE 26, 2018.

Dated: June 28, 2018
RESOLUTION AUTHORIZING THE PASSAIC COUNTY DIVISION OF WEATHERIZATION AND HOME ENERGY TO ACCEPT THE LIHEAP WEATHERIZATION 2018 GRANT FROM THE NEW JERSEY DEPARTMENT OF COMMUNITY AFFAIRS FOR APPROXIMATELY $233,419.00 TO CARRY OUT THE WEATHERIZATION ASSISTANCE PROGRAM (WAP), THE GRANT TERM WILL BE DURING THE PERIOD OF APRIL 1, 2018 THROUGH SEPTEMBER 30, 2019

WHEREAS the Passaic County Division of Weatherization desires to accept a grant from the New Jersey Department of Community Affairs for approximately $233,419.00 (LIHEAP WEATHERIZATION 2018) to carry out the Weatherization Assistance Program (WAP);

WHEREAS the purpose of the WAP is to install energy efficiency measures in the homes of income-eligible persons, especially homes occupied by the elderly, persons with disabilities, and children. Funds are targeted to the most cost-effective conservation measures, determined from an on-site energy audit of the building. The program is intended to reduce energy consumption and to reduce the impact of higher energy costs on low-income families; and

WHEREAS the grant term will be 18 months; the grant term will cover the period of April 1, 2018 through September 30, 2019; and

WHEREAS this matter was reviewed and approved by the Human Services Committee; and

NOW THEREFORE BE IT RESOLVED 1) that the Board of Chosen Freeholders of the County of Passaic hereby authorizes the acceptance of such a grant; and, 2) recognize and accepts that the Department may offer a lesser or greater amount and therefore, upon
receipt of the grant agreement from the New Jersey Department of Community Affairs, does further authorize the execution of any such grant agreement; and also, upon receipt of the fully executed agreement from the Department, does further authorize the expenditure of funds pursuant to weatherization contract services between the Passaic County Division of Weatherization and Home Energy and its contractors; and

**BE IT FURTHER RESOLVED** that the persons whose names, titles and signatures appear below are authorized to sign the application, and that they or their successors in said titles are authorized to sign the agreement, and any other documents necessary in connection therewith:

Dear Sam,

it was a pleasure to meet you at your Council meeting on April 9. As you know Regina Parks invited me to the meeting as a representative from Wayne Township.

For your information, I am the co-chair of the Mayor’s Senior Advisory Committee and president of my Church’s senior group.

I request to be a member of your Council and feel that it will help to provide greater communication among the County, the Township and the Church.

Thank you for your consideration to be a member of the Council.

Dear Mr. Yoder,

I am requesting to become a member of the Passaic County Senior Advisory Council to further my education of the services available to seniors of Passaic County and to inform others of the services available.

Yours sincerely,

Ms. Lillian Branch
Dear Sam -

Please consider me for membership on the Passaic County Dept. of Senior Services Senior Advisory Committee.

At our recent meeting, I was impressed by your enthusiasm, and by your plans for networking with others. In my working career, I was assistant vice president of a large bank. It was my responsibility to manage the people in my sector, correlating their activities with corporate overall goals. I feel that I can contribute toward the goals of the committee.

My good friend, your assistant, Pat Ring, was marvelous in arranging for a memorial bench in Goffle Brook Park, in honor of our daughter. I would like to pay it forward, in appreciation for blessings bestowed upon us by Pat and others. I will volunteer to use my talents wherever they can help.

I have some friends who are active in other agencies involving Seniors, and I am sure that I can use some of their input, for the Committee's benefit.

Hope to hear from you soon.

Dear Mr. Yodice,

I am writing this email to express my interest in becoming a member of the Passaic County Senior Advisory Council. I come with a vast amount of experience along with knowledge of Passaic County (lifelong resident) to which I can bring expertise in moving the Senior Advisory Council forward. I would like to be given the opportunity to share my ideas and passion of initiating new endeavors for the Council. With my background as a Retired Educator and currently as a Legislative Aide for Senator Nellie Pou, I have come across many instances that involve the Senior Citizen population. After taking a tour of the Department of Senior Services which is under your domain, I have become very enthused in hopes of becoming a part of the process.

If you have any questions, please feel free to reach out to me through my contact information listed below. I am looking forward to hearing from you and thank you in advance for your consideration.

Have a wonderful day and a great Memorial Day Weekend,

Subject: Senior Advisory Committee

Dear Sam -

I wish to be considered for membership on the Passaic County Dept. of Senior Services Senior Advisory Committee.

I am a longtime County resident, and will be turning 80 this year. My wife and I have several friends and family members, in the borough of Hawthorne, where we have resided for the past half-century. We also have remained close to many former co-workers and other acquaintances. In short, we are well aware of the problems and concerns of our fellow seniors.

In recent years, we have become interested in the care and maintenance of Goffle Brook Park. Thanks to our good friend and your able assistant, Pat Ring, we've become involved with the Friends of the Park organization. We live minutes from the Park, and I visit there on my early morning walks all the time. I would readily volunteer for any projects which include time spent in the Park.

Additionally, I could probably assist in contacts with legislators, and other State authorities. Although it has been many years, I was a Certified Public Manager, and liaison with the Office of Administrative Law, during my career with the N J Dept. of Labor.

I look forward to hearing from you, and, hopefully, to working with you.

Very truly yours,

Dear Sam,

It was a pleasure meeting with you yesterday. I felt we had a very interesting meeting and you enlightened me on many issues regarding the senior citizens of Passaic County.

Even though, as I mentioned, my schedule may be hectic at times, I believe I can contribute ideas and suggestions to the committee in a positive manner.

If you can clear the time of the meetings with Darryl Sparta and if it is not a conflict of interest, I would very much be interested in being considered for the Senior Advisory Council. As previously discussed perhaps I can even be considered as a liaison. Either way, I look forward to hearing from you.

Sincerely,

Dear Mr. Cervine:

I would like to be considered for representation on the Passaic County Senior Advisory Council. I am currently the Secretary for the West Milford Senior Advisory Committee. I have been either a member or a Municipal Council Liaison to our West Milford Committee. I have attached my 6 page resume for your review. Feel free to email or call me. Thank you for your consideration.

Dear Mr. Yodice,

I’m writing to let you know that I would like to serve on The Passaic County Senior Advisory Council. I would consider it a privilege to represent the Pompton Lakes Community. I am an active senior in my community.

I am a member of three senior groups; one I am the President of. I served over 32 years for the Federal Government as an Architect retiring from the General Services Administration (GSA). I studied Architecture at Pratt Institute. Being disabled myself, I believe I can communicate the needs of the Disabled Community on issues such as Transportation etc. Because I am very active in our Community I could also serve as a resource to them once I am up to speed on the services you offer.

I look forward to meeting you and serving on the Council.

Thank you for your consideration,

Anne Marie Michael
Dear Mr. Yodice,

I am a retired Paterson School Teacher and looking to fill some of my time in a proactive way by giving back to the community. I have a busy schedule but I have had several conversations with Jan Northrop and Pat King regarding all the great events that are planned for the seniors this year and it sounds like something I would like to get involved in. I would very much like to be considered for a position on the Senior Advisory Council as I believe I can contribute some thoughts and ideas to the process.

I look forward to your response. I will be out of the country from May 27th until June 4th.

Thank you in advance for your consideration,

Dear Mr. McGill:

I am pleased to forward to your attention the County of Passaic proposed SFY 2019 NJ-JARC (Job Access Reverse Commute) Round 5 (July 1, 2018 – June 30, 2019) award in the amount of $200,000. As a reminder, this funding is contingent on available/approved state funds and your local 50% match.

Our annual board item is scheduled for approval at NJ TRANSIT’s Executive Board meeting set for July 2018. Our board item authorizes Community Mobility to enter in contracts for 2018-2019 funding with our subrecipients. Once we have this board approval we will send out the NJ-JARC Round 5 agreements for signature.

If you have any questions about the review and evaluation of your NJ-JARC Round 5 application, please do not hesitate to contact me at (973) 491-8569.

Again, congratulations and thank you for your continued dedication to community transportation.

Sincerely,

Contract Renewal
Contract #: 19ABRR
Contract Term: 7/1/18-6/30/19

Dear Ms. Vince:

The Department of Children and Families (DCF), Division of Children’s System of Care (CSOC) is pleased to inform you of its intent to renew the contract between your agency and CSOC which is due to expire on June 30, 2018. To affect this contract by July 1, 2018, kindly submit a completed renewal package to CSOC for review and approval by May 28, 2018. Please refer to the attached checklist to access the appropriate documents and/or forms associated with this renewal. Also please note that several contract documents require signatures and must be dated.

The SFY 2019 award amount is reported in the attached funding award letter. Please carefully review this document as some program component amounts may have been adjusted. The total dollar amount on your CSOC contract renewal must be consistent with the CSOC funding award for your agency. If you are uncertain about or have questions related to the funding award, please call your Contract Administrator. (Please see enclosed funding award with Schedule of Estimated Claims). A detailed basis of allocation must be provided for each budgeted line item.

Please note, this renewal package indicates Fiscal Year 2019 contract funding based on your previously approved contract. Actual amounts for your contract are subject to change according to the funding appropriated to DCP in the State budget for FY 19.
Annex A
If your agency's Annex A will require extensive revision and negotiation, a revised Annex A showing the agencies proposed changes which are being made should be submitted. Otherwise, you may submit a signed Annex A attestation form in lieu of a new Annex A.

Annex B
The Annex B on the department's website must be utilized for the contract components. During the contract negotiation phase we may require additional budgetary detail.

Periodic Reporting
- Reports of Expenditure (ROE) are to be submitted two times throughout the contract year. The interim ROE is due 15 days after the end of the first sixth months, while the final ROE is due within 120 days of the end of the contract term. Please email scanned copies with signed cover page to the following email address:
  
  ChildrensSystemofCare.BusinessOffice@DCF.NJ.gov

- Your monthly progress reports shall be emailed directly to your CSOC Service Line Manager at the following address:
  
  Kelly.Pfeiffer@DCF.NJ.gov

Please be aware that we will ONLY be accepting documents electronically. Please do not send any documents via regular mail. The attached checklist contains clickable links, which will connect you to the exact location of each required checklist item. Once completed, documents may be scanned in PDF format to transmit through our email system. The maximum email size currently accepted by our servers is 10MB. If your attachments make your email larger than this, please make sure to send them in separate emails to avoid confusion.

All contract documents are to be submitted to both of the following email addresses:

  ChildrensSystemofCare.BusinessOffice@DCF.NJ.gov
  Jarrett.Quick@DCF.NJ.gov

Any questions regarding this communication may be directed to me at 609-888-7351 or by email: Jarrett.Quick@DCF.NJ.gov.

Thank you for your continued commitment to the children and families of New Jersey.

Sincerely,

Dated: June 28, 2018
RESOLUTION AUTHORIZING THE COUNTY TO REFUND THE DEPARTMENT OF LABOR AND WORKFORCE DEVELOPMENT THE AMOUNT OF $563,215.00 FOR UNEXPENDED WORKFIRST NEW JERSEY FUNDS FOR SPY 2017

WHEREAS the Passaic County Workforce Development Center provides training for unemployed, unskilled and displaced individuals so they can effectively operate in the workplace; and

WHEREAS by letter dated May 11, 2018 to the Passaic County Board of Freeholders, the State of New Jersey, Department of Labor and Workforce Development, issued a Notice of Obligation (NOO) to revise funding for fiscal year 2017 (July 1, 2016 through June 30, 2017), the NOO dated June 30, 2016 and October 2, 2017 that allocated these funds required that the funds must be fully obligated by June 30, 2017 and liquidated by December 31, 2017. An unspent balance of $563,215.00 for SPY 2017; and therefore, these funds are being rescinded; and

WHEREAS the Passaic County Board of Chosen Freeholders is desirous of issuing the refund to the Department of Labor & Workforce/DLWD; and

WHEREAS this matter was reviewed and approved by the Freeholder’s Human Services Committee meeting and was recommended to the full Board for approval;
NOW THEREFORE BE IT RESOLVED that the Passaic County Board of Chosen Freeholders hereby authorizes the refund to the Department of Labor & Workforce Development/DLWD in the amount of $563,215.00 for WorkFirst New Jersey for State Fiscal Year 2017 (July 1, 2016 through June 30, 2017); and

BE IT FURTHER RESOLVED that the Director and Clerk of the Board are hereby authorized to execute any and all necessary documents on behalf of the County of Passaic.

County Administration Building
401 Grand Street, Room 417
Paterson, New Jersey 07505-2023

RE: Notice of Obligation – State Fiscal Year 2017 – WorkFirst New Jersey Rescission

Dear Mr. Best:

The enclosed Notice of Obligation (NOO) is to revise your Workforce Development Area funding authority for WorkFirst New Jersey for State Fiscal Year (SFY) 2017 (July 1, 2016 through June 30, 2017). The NOOs dated June 30, 2016 and October 2, 2017 that allocated these funds required that the funds must be fully obligated by June 30, 2017 and liquidated by December 31, 2017. Upon review of the financial records, your Workforce Development Area has an unexpended balance of $563,215 for SFY 2017. Therefore, these funds are being rescinded. Please incorporate this rescission into the next modification to your Program Year 2016 Workforce Development Area Contract.

If you have any questions regarding the issuance of this NOO, please contact Donald Forsythe, Chief, Employment and Training, at 609-292-2246.

Sincerely,

Hugh Bailey
Assistant Commissioner

Dear Transportation Provider:

The Federal Transit Administration is making funding available for the federal fiscal year 2017 for the Section 5310 Grant Program. The intent of this program is to improve mobility for seniors and individuals with disabilities by providing financial support, through programs planned, designed, and carried out to meet the special transportation needs of these populations.

Funding is available for the following:

<table>
<thead>
<tr>
<th>Request Type</th>
<th>Match Required</th>
</tr>
</thead>
<tbody>
<tr>
<td>Capital Assistance</td>
<td>20% match provided by NJ Transit*</td>
</tr>
<tr>

<td>20% match required-provided by applicant</td>
</tr>
<tr>
<td>Mobility Management</td>
<td>20% match required-provided by applicant</td>
</tr>
<tr>
<td>Acquisition of Transportation Services</td>
<td>20% match required-provided by applicant</td>
</tr>
<tr>
<td>Operating Assistance</td>
<td>50% match required-provided by applicant</td>
</tr>
</tbody>
</table>

*Please note this is subject to the availability of funds, all applicants should be prepared to provide the match if required or needed.

You must be an active participant in the county transportation coordination planning process referred to as the Coordinated Human Services Transportation Plan (CHSTP). Be sure that your local designated planning lead (see Exhibit in Application) is aware of your intent to apply.

The grant process consists of four phases. The first phase is completion of an application to NJ TRANSIT. The second phase is the review process at NJ TRANSIT for inclusion in the statewide federal grant submission. The third phase is federal review and approval. In phase four, NJ TRANSIT enters into an agreement with the approved applicants. Be advised that the entire process from application to receipt of award may take eighteen months to two years.

On Friday, May 11, 2018 NJ TRANSIT will begin accepting applications from organizations who wish to apply. The closing date to return applications to NJ TRANSIT is by Friday, June 29, 2018 at 3:00 pm. To complete a grant application all organizations must go to the following website: [http://s-rides.njtransit.com](http://s-rides.njtransit.com).

Existing S-RIDES users may enter the system using your current login information. New users can register directly in the system to submit an application. You may start an application, save your information, and exit the system in order to complete the application at your leisure. Review all the information that is necessary and upload all required documents. You will not be able to submit the application until all of the required fields and documents are completed. Please note incomplete applications will not be reviewed.

For more information on how NJ TRANSIT administers the Section 5310 Grant, please click on the Section 5310 State Management Plan on the S-RIDES website which describes how NJ TRANSIT administers the grant.

Thank you for your interest in the program. If you have any questions, call 973-491-8767 or email us at GRANT5310@NJTRANSIT.COM and you will be directed to the appropriate staff person.

Sincerely,

Janelle Rivera
Manager, Local Programs

Official Resolution #: R20160509
PUBLIC NOTICE

NJ TRANSIT administers the Federal Transit Administration’s (FTA) Section 5310 Enhanced Mobility of Seniors and Individuals with Disabilities Grant Program in the State of New Jersey. The intent of this program is to improve mobility for seniors and people with disabilities by providing financial support, through programs planned, designed, and carried out to meet the transportation needs of these populations. Funding is available for FFY 2017 for operating, mobility management and capital transportation projects. Information on eligible projects can be found online in the application.

Be advised that there is a monetary match requirement for all FTA projects. Subrecipients applying for operating projects must provide a 50% match, mobility management projects require a 20% match and depending upon funding availability capital projects may require a 20% match.

It is the intention of NJ TRANSIT to submit a statewide grant application to the federal government by December 2018. In order to be selected, your organization must be an active participant in the Coordinated Human Services Transportation Planning process. Information on this process is contained in the application.

It is a competitive grant process. If an application is selected for inclusion in the statewide grant and the FTA approves the grant, then NJ TRANSIT enters into an agreement with the approved applicants for the purposes detailed in your application.

NJ TRANSIT encourages minority based organizations to apply under the Section 5310 Program.

On Friday, May 11, 2018 NJ TRANSIT will begin accepting applications from organizations who wish to apply. The closing date to return applications to NJ TRANSIT is by Friday, June 29, 2018 at 3:00 pm. To complete a grant application all organizations must go to the following website: http://s-rides.njtransit.com.

There you will find the application cover letter, application guidelines and the program’s State Management Plan which describes the purpose of the grant program and NJ TRANSIT’S management of the program. NJ TRANSIT is also inviting the public to review the current State Management Plan revised for this year’s program and welcomes your comments.

If you have any questions or comments, call (973) 491-8767 or email us at GRANT5310@NJTRANSIT.COM.

EXHIBIT 1
SCOPE OF WORK for
FY2017 COMPETITION
(funding 1 project in CoCs with multiple recipients)

1. The project listed on this Scope of Work is governed by the Act and Rule, as they may be amended from time to time. The project is also subject to the terms of the Notice of Funds Availability for the fiscal year competition in which the funds were awarded and to the applicable annual appropriations act.

2. HUD designations of Continuums of Care as High-performing Communities (HPCS) are published in the HUD Exchange in the appropriate Fiscal Years’ CoC Program Competition Funding Availability page. Notwithstanding anything to the contrary in the Application or this Grant Agreement, Recipient may only use grant funds for HPC Homelessness Prevention Activities if the Continuum that designated the Recipient to apply for this grant was designated an HPC for the applicable fiscal year.

3. Recipient is not a Unified Funding Agency and was not the only Applicant the Continuum of Care designated to apply for and receive grant funds and is not the only Recipient for the Continuum of Care that designated it. HUD’s total funding obligation for this grant is $8,463,325 for project number NJ0365L2F111703. If the project is a renewal to which expansion funds have been added during this competition, the Renewal Expansion Data Report, including the Summary Budget therein, in e-snaps is incorporated herein by reference and made a part hereof. In accordance with 24 CFR 578.105(b), Recipient is prohibited from moving more than 10% from one budget line item in a project’s approved budget to another without a written amendment to this Agreement. The obligation for this project shall be allocated as follows:

   a. Continuum of Care planning activities $ 0
   b. UFA costs $ 0
   c. Acquisition $ 0
   d. Rehabilitation $ 0
   e. New construction $ 0
   f. Leasing $ 73687
   g. Rental assistance $ 0
   h. Supportive services $ 0
   i. Operating costs $ 6025
   j. Homeless Management Information System $ 0
   k. Administrative costs $ 4921
1. Relocation Costs

m. HPC homelessness prevention activities:
   - Housing relocation and stabilization services $0
   - Short-term and medium-term rental assistance $0

4. The performance period for the project begins _04-01-2018_ and ends _03-31-2019_.
   No funds for new projects may be drawn down by Recipient until HUD has approved site
   control pursuant to §578.21 and §578.25 and no funds for renewal projects may be drawn
   down by Recipient before the end date of the project's final operating year under the grant
   that has been renewed.

5. If grant funds will be used for payment of indirect costs, the Recipient is authorized to
   insert the Recipient's federally recognized indirect cost rates on the attached Federally
   Recognized Indirect Cost Rates Schedule, which Schedule shall be incorporated herein and
   made a part of the Agreement. No indirect costs may be charged to the grant by the
   Recipient if their federally recognized cost rate is not listed on the Schedule.

6. The project has not been awarded project-based rental assistance for a term of fifteen (15)
   years. Additional funding is subject to the availability of annual appropriations.

RE: Notice of Award – State Fiscal Year 2019 – WorkFirst New Jersey Allotments

Dear Mr. Best:

I am pleased to announce that a total of $7,044,613 in WorkFirst New Jersey (WFNJ) funds has been provided to the Passaic Workforce Development Area for State Fiscal Year 2019 (July 1, 2018 through June 30, 2019). The enclosed Notice of Award (NOA) reflects the allocation of these funds. Final determination for funding is contingent upon authorization and availability from the state.

These funds must be fully obligated by June 30, 2019 and fully expended by December 31, 2019. There is a minimum requirement of 75% of the funding that must be committed by December 31, 2018. If the requirement is not met by the committed date, it may result in a recapture of uncommitted funding.

The WFNJ funds must be used in accordance with the Strategic Five-Year Unified Workforce Investment Plan and must be incorporated into your Program Year 2018 Workforce Development Area Contract. Failure to submit your signed contract within 90 days of receipt may result in a suspension of your cash drawdowns. Instructions for the appropriate use of WFNJ funding and an explanation of procedures are enclosed.

If you have any questions regarding the issuance of this NOA, please contact Donald Forsythe, Chief, Employment and Training, at 609-292-2246.

Sincerely,

Acceptance and Final Payment
Dutchman Contracting LLC

Members of the Board:

The Preakness Valley Golf Course Golf Cart Storage Structure project has been completed and conforms to the as-built documents.

Final payment and acceptance for this contract was discussed at the Public Works Committee meeting of June 13, 2018 and recommended for approval to the full Board. The final contract amount was $184,569.00 with no change orders.

Based upon the above, this Office recommends that the Board of Chosen Freeholders adopt a Resolution authorizing the acceptance of the Preakness Valley Golf Course Golf Cart Storage Structure project and directing the Director of Finance to issue Final Payment in the amount of $16,352.98 subject to any requirements deemed necessary by County Counsel.

Dear Members of the Board:

This Office has reviewed the Construction Plans and Specifications for the Repairs of Lakeside Ave. Bridge and the Rehabilitation of Lakeside Ave. Culvert located in the Borough of Pompton Lakes as prepared by the County Consultant KS Engineers, and found them to be in accordance with the County Engineering Standards.

The project consist of the repairs of Lakeside Ave. Bridge and the rehabilitation of Lakeside Ave. Culvert by widening the road and provide a new sidewalk and parapet on the south side.

The above referenced project was discussed at the Public Works & Buildings and Grounds Committee meeting of June 13, 2018 and recommended for approval to the full Board.

Based upon the above, this office recommends that the Board of Chosen Freeholders adopt necessary resolution approving Plans and Specifications and authorizing the Department of Purchasing to advertise and receive bids.

RESOLUTION AUTHORIZING CONTRACT MODIFICATION #1 FOR REMINGTON & VERNICK ENGINEERS AS IT CONCERNS THE MORRIS CANAL GREENWAY – PHASE II PROJECT ON BROWERTOWN ROAD IN THE TOWNSHIP OF LITTLE FALLS AND BOROUGH OF WOODLAND PARK, NEW JERSEY

WHEREAS a professional design engineering consultant services contract was awarded to Remington & Vernick Engineers by Resolution R-2015-914 dated December 8, 2015 as it concerns the Morris Canal Greenway – Phase II Project on Browertown Road in the Township of Little Falls and Borough of Woodland Park, NJ; and

WHEREAS this amendment is required primarily to meet new NJDOT requirements for designing ADA ramps which require the designer to complete detailed surveys of each ramp in the Project; and

WHEREAS additional minor changes were also required after review by the State Historic Preservation Office; and

WHEREAS the amount of this additional work is $25,800.00 and the construction for this Project is funded through a grant from the North Jersey Transportation Planning Authority through the FHWA Transportation Alternative Program, and the design for this Project is funded by Passaic County Trust Funds; and

WHEREAS the Assistant Passaic County Engineer by letter dated June 15, 2018 is recommending that said Remington & Vernick Engineers be awarded a contract modification for the purpose of designing and preparing construction documents for the Morris Canal Greenway – Phase II Browertown Road Project for an amount of $25,800.00 (copy of letter attached hereto and made a part hereof) resulting in a total contract amount of $53,600.00; and
WHEREAS the matter was reviewed by the members of the Freeholder Committee for Public Works and Buildings & Grounds at their meeting on Jun 13, 2018 and is recommended for approval by the entire Board; and

WHEREAS a certification is attached hereto and made a part hereof indicating the availability of funds for this expenditure.

NOW THEREFORE BE IT RESOLVED by the Board of Chosen Freeholders of the County of Passaic that it hereby authorizes an amendment to the original professional design engineering consulting services contract for Remington & Vernick Engineers for the design and preparation of construction documents for the Morris Canal Greenway – Phase II Project on Browertown Road in the Township of Little Falls and Borough of Woodland Park, NJ for additional work outside the original scope of the project as set forth above and in its additional contract modification request attached hereto.

BE IT FURTHER RESOLVED that the Director and Clerk to the Board are authorized to sign an amendment on behalf of the County of Passaic.

Professional Services Contract — Remington & Vernick Engineers
Amendment 3

Members of the Board:

We respectfully request that the Board of Chosen Freeholders authorize an amendment to a Professional Services Contract with Remington & Vernick Engineers, 232 Kings Highway East, Haddonfield, NJ 08033, in the amount of $25,800.00, for the purpose of Designing and preparing Construction Documents for the Morris Canal Greenway - Phase II – Browertown Road.

This amendment is required primarily to meet new NJDOT requirements for designing ADA Ramps, requiring the designer to do detailed surveys of each ramp in the project. Other minor changes were required after review by the State Historic Preservation Office.

Construction for this project is funded through a grant from North Jersey Transportation Planning Authority through the FHWA Transportation Alternatives Program. Design for the project is funded by Passaic County Trust Funds. This amendment will result in a contract amount of $99,825.00.

This Contract Amendment was discussed at the Public Works Committee Meeting of June 13, 2018 and recommended for approval to the full Board.

Therefore, it is recommended that the Board of Chosen Freeholders ADOPT a RESOLUTION amending this Professional Services Contract with Remington & Vernick Engineers in the amount of $25,800.00.

Mr. Steven J. Edmond, PE, County Engineer
Passaic County Administration Building

Paterson, NJ 07505

Re: Morris Canal Greenway Browertown Road Project
Our File No.: 1600X020

Dear Mr. Edmond:

We are writing to provide you with our additional scope and fee for the above-referenced project. We recently met with the NJDOT regarding the project’s Categorical Exclusion Document (CED), as well as the project’s PS&E submission. As a result of the meeting, as well as comments received from the PS&E submission, there are items needing to be completed to obtain the CED and PS&E approvals from FHWA through the NJDOT that were not within our original scope of work.

We propose to provide the following additional engineering services with the lump-sum fee indicated:

- Conventional ground survey, base plan preparation and individual plan preparation for approximately 25 ADA-curb ramps. The original scope of work utilized existing aerial survey mapping with only limited conventional ground survey. Additionally, ADA ramps were simply field verified to ensure they could be constructed where the NJDOT/FHWA is now requesting individual plan views of each ADA curb ramp with existing and proposed grades - $23,600.00

- Plan revisions to reflect elimination of the separate bike path from Stewart Avenue in order to have the CED approved by the NJDOT/FHWA - $800.00

- Plan revisions to reflect shared bike lanes in certain areas where the roadway width precludes a separate bike lane in order to obtain NJDOT/FHWA approval - $1,200.00

- Plan revision to reflect the separate bike path from Browertown Road being complaint for NJDOT/FHWA approval - $800.00

Accordingly, we respectfully request an increase to the project fee lump sum in the amount of $25,800.00 for the proposed services. This will be a separate phase, invoiced on a percent-complete basis.

Professional Services Contract -- Remington & Vernick Engineers
Amendment 8

Members of the Board:

We respectfully request that the Board of Chosen Freeholders authorize an amendment to a Professional Services Contract with Remington & Vernick Engineers, 232 Kings Highway East, Haddontfield, NJ 08033, in the amount of $25,800.00, for the purpose of Designing and preparing Construction Documents for the Morris Canal Greenway - Phase II – Browertown Road.

This amendment is required primarily to meet new NJDOT requirements for designing ADA Ramps, requiring the designer to do detailed surveys of each ramp in the project. Other minor changes were required after review by the State Historic Preservation Office.

Construction for this project is funded through a grant from North Jersey Transportation Planning Authority through the FHWA Transportation Alternatives Program. Design for the project is funded by Passaic County Trust Funds. This amendment will result in a contract amount of $93,825.00.

This Contract Amendment was discussed at the Public Works Committee Meeting of June 13, 2018 and recommended for approval to the full Board.

Therefore, it is recommended that the Board of Chosen Freeholders ADOPT a RESOLUTION amending this Professional Services Contract with Remington & Vernick Engineers in the amount of $25,800.00.

Re:  City of Clifton Ordinance 7454-18
No Parking at 1229-1231 Van Houten Ave (For 30 feet west of Driveway)

Dear Members of the Board:

Our office received from the City of Clifton the final copy of the referenced Ordinance.
It prohibits parking at the referenced location, where parking is already permitted. Since Van Houten Avenue is a County road, a consenting Resolution is required.

This Ordinance was reviewed and recommended for approval at the June 13, 2018 Public Works Committee meeting. Based upon the above, it is my recommendation that the Board of Chosen Freeholders adopt a consenting Resolution, provided the cost and maintenance of all signs and equipment be borne by the City of Clifton.

WHEREAS the County of Passaic currently owns and leases land known as the Passaic County Aquatic Park consisting of land in the Borough of Pompton Lakes in the Township of Wayne, NJ and a small portion of land in the Borough of Riverdale, NJ; and

WHEREAS several months ago, the County of Passaic learned that approximately 5.64 acres of land at 2267 Hamburg Turnpike in Wayne, NJ, which is immediately south of the said Aquatic Park, might be available for purchase; and

WHEREAS with the partial use of funds through the Department of Environmental Protection Green Acres Program funds, the said County of Passaic had two appraisals completed by two Green Acres-approved appraisers who determined that the property was worth approximately $820,000, which has been certified to by the said Green Acres Program; and

WHEREAS the property owner, Mountainview Terrace Associates, LLC, has, through its realtor, Sitar Realty Company of Iselin, NJ, offered to sell the property at 2267 Hamburg Turnpike for the sum of $990,000 (see copy of written proposal dated April 24, 2018 attached hereto and made part hereof); and

WHEREAS the Passaic County Administration is recommending this purchase because of its proximity to the Passaic County Park and that it can be incorporated into the Aquatic Park; and

WHEREAS the Freeholder Committee for Administration & Finance at its May 23, 2018 meeting reviewed this matter and is
recommending that the full Board authorize County staff, Counsel to proceed with this proposed purchase and generally agree to the terms set forth in the proposal.

WHEREAS a certification is attached which indicates the availability of funds for said expenditure.

NOW THEREFORE BE IT RESOLVED by the Board of Chosen Freeholders of the County of Passaic that it hereby authorizes the purchase of approximately 5.64 acres of land at 2267 Hamburg Turnpike in Wayne, NJ for the sum of Nine Hundred Ninety Thousand ($990,000.00) Dollars subject to the terms and conditions set forth in the attached proposal and subject to the negotiation of an acceptable Purchase & Sale Agreement.

BE IT FURTHER RESOLVED that the Office of the Passaic County Counsel and Office of the Passaic County Administrator are authorized to negotiate a Purchase & Sale Agreement for these premises subject to the final approval of the Board of Chosen Freeholders.

Reference: Additional Work - Change Orders
Camp Hope Swimming Pool and Spray Park

Dear Mr. Thompson,

As we have discussed throughout the project, there were a number of items that were outside of our scope, or not included in the contract documents, that were vital and necessary to the completion of the project. All of these items were discussed with the county during the course of the project, and several of them were formally submitted as Change Orders. You directed us to complete the work and submit our change orders for review upon project completion. As per your instruction, please find below a description of the extra work completed on the project, as well as our associated pricing for the aforementioned work.

Item #1: Spray Cage/Water Fence Modifications  PAID

Scope: The original spray cage/Water fence due to the ambition of the project. This item is now needed as a last cost part of the machine. By the public works department avoiding any cost for future spray nights. A small fee associated with this cost.

Background: The original design was not captured in the contract documents and the spray cage was not included in the scope. The addition of the spray cage increases the efficiency and effectiveness of the spraying process, ensuring a thorough and effective coverage.

that showed that the approved sizing would not fulfill his design intent. This background was explained in an email after our meeting prior to the pour of the footings. As per our meeting, I was able to modify the manifolds of the spray cage feature as per our conversation and to the specifications I discussed with Acalan. These units have been modified by a specialist in stainless steel fabrication and they have been pressure tested. I have also carefully inspected each unit. During our meeting I quoted a cost to modify of $7,500. I was able to contract the modification for $6,400.

| Units @ $400 | $6,400 |
| 10% overhead | $640 |
| 10% profit | $704 |

Item #2: Reconnecting Unforeseen Waterlines

Scope: Reconnecting unforeseen waterlines that were severed during excavations. This includes reconnecting and replacing approximately 300 LF of water line. This includes all materials and labor. This waterline is currently in place and services both water fountains, a hose bib by the old pavilion, and the manhole irrigations connections.

Background: We requested markouts of the sub surface utilities within the project footprint early on. When Buildings and Grounds visited the site they were only able to give a line of action for the electrical line for the stadium lighting, these irrigation and water lines were not identified. They were severed when excavating for the pool forms and were noticed shortly before the project was shut down for the season. In order to reconnect the two new fountains on the project as well as the water service to the eventual pavilion, we will needed to run approximately 300 LF of new lines.

Lump Sum: $3,450

Labor: $1,800.00
Materials: $1,650.00

Item #3: Install Junction Boxes

Scope: Repair and reconnect unforeseen electrical lines that were severed when excavating behind the filter room and near the light posts, a total of three were needed. Pull new wire from the panel to new junction boxes which were furnished and installed. Junction boxes are rated for outdoor use, and are buried flush with the grade in those locations. Severed connections to the light poles on site were reconnected and tested. All lights are operational. After digging three test pits, we encountered another electrical line which was severed. Its trajectory was not linear and was curved in multiple directions outside of our test pits. This was verified in the field by the County Inspector.

Cyproco has negotiated this amount to $2,750.00

Henry Becco: We conducted additional trenching to accommodate new conduit needed in several locations.

Background: We requested identification of water, gas, and electrical lines within the project boundaries prior to and during work on several occasions. Buildings and Grounds visited the site on at least two occasions to attempt to identify sub surface utilities within the project footprint. We called for markings from the utility companies, but there were only markings outside the project boundaries. John from Camp Hope along with Building and Grounds were only able to provide a line of action for the electrical connections to the light poles overlooking the pool. This line of action was approximate and ran from the restroom area of the filter room towards the light poles on both sides. We avoided these areas but when excavating behind the filter room to conduct the penetrations through the wall we severed the lines. It was found that the lines did not run in a straight line but were curved in several locations.

**Item #4: Install New Valves Not Shown in Contract Documents**

**Scope:** Due to the elevation of the surge tank relative to the recirculation pumps for the Spray Park, special check valves were needed for all pump suction drawing from the surge tank. There are two 2" recirculation suction which feed the smaller recirculation pumps, and one larger 6" suction which feeds the feature pump. Without the installation of these check valves, priming and operating the pumps would be impossible, because the water would fall out of the pipe back into the surge tank and thus the pumps would be sucking dry. After several attempts to prime prior to the opening of the park, it was discovered these were absolutely necessary for the park to be able to operate at all.

We installed (2) 2" ball type check valves, which were acceptable for the lower flow recirculation pumps. The only acceptable type of check valve to accommodate the high flow of the much larger feature pump was a swing type check valve, as the much cheaper ball type valve would restrict the flow too much. We had to rush order one over night, which also required a flange kit, as well as all stainless steel threaded rod and hardware. We also had to install two check valves on the overflow (4") and sump pump (2") lines leaving the surge tank and running into the sanitary sewer in front of the filter room. These valves were not shown in the contract documents, but are required by code to prevent back flow from the sanitary sewer in the event of flooding or clogging etc. All valves were schedule 80 PVC and all hardware was stainless steel. Arsalan also requested the installation of a float valve on the 2" fill line coming from the filter room. We installed a 2" brass float valve as well as a brass float.
Labor: $2,400

Lump Sum: ................................................................. $5,150

Item #5: Grounding and Bonding Certificate

Scope: Provide the county with a bonding and grounding testing certificate. This was not included in the contract documents but was necessary for the pool to become operational.

Cost: ................................................................. $1750
Overhead: ............................................................ $175
Profit: ................................................................. $192.5
Total: ................................................................. $2,117.50

Item #6: Damage and Modification Due to Undisclosed/Unmarked Red Leg Service

Scope: The contract documents showed products to be designed for a standard 208V three phase electrical service. No notes existed disclosing the potential for the existence of a "red leg" electrical service. Further, the panel was not marked as required by code. The existence of this "red leg" service could only be tested after the meter and before the panel. This service should have been disclosed and discovered during the design phase so that the modular recirculation system and other electrical components could be designed accordingly. Due to the lack of disclosure, several electrical components were fried, many of these components were purchased or ordered prior to our mobilization on the site. Because the service was not clearly marked on the panel, our electricians were not aware of this condition. We did not realize there was an anomalous condition until several electrical components were destroyed. Extensive modifications also had to be made to the electrical systems of the modular recirculation system to isolate the 110V legs of the service onto the 110V components, which had not been the case out of the factory. The electrical service on site should have been 3 legs of service, with 110V to ground each, instead there were three legs of service where two legs were 110V to ground, and one leg was 208 to ground. If this "red leg" crossed over into any areas of the electronics that were meant to draw 110V, they would be instantly destroyed. The chemical controller, several transformers, and several other electrical components were not designed for this service and were thus destroyed. These components were integrated into the recirculation skid at the factory. As per your directive we employed an electrician on an emergency basis to investigate and correct all problems.

Item #7: Provide Motor Starter for Main Pool Pump

Scope: A motor starter was not shown on the contract documents for the main pool recirculation pump. The old starter was extremely corroded and was not acceptable for use or compatible with the new pump. Thus, a new motor/starter was necessary for the new pump to function properly. We had a starter custom designed for this project and installed it on the wall of the recirculation system. We connected it to the panel with new wiring, installed new wall-mounted conduit, the old wiring was in extremely poor condition and exhibited a hazard.

Lump Sum: $1,045.44
Labor: $4,299
Material: $4,935.44

Item #8: Install Backwash Lines for Iron/Sediment Filter

Scope: Backwash lines for the Iron and Sediment filters were not shown on the contract documents. The need for these lines was not taken into consideration during the design phase, and it was not shown where these lines should drain to. We installed two backwash lines, one for each filter, and we ran them back along the wall and over to the drainage pit in front of the recirculation system for the spray park to avoid any trip hazard. The alternative would have been to run them overhead which would have cost double.

Lump Sum: $585

Labor: $360
Materials: $225

Item #9: Replace Existing Emergency Shutoff/Install Extra Shutoff

Scope: The existing emergency shutoff switch for the pool recirculation pump was in extremely poor condition and was not compatible with the use of two shutoff switches on the same pump. The electrical inspector required that there exist two shutoffs for the...
pump within a line of sight. 50 LF from each life guard stand. We replaced the existing shut-off and installed a new shut-off. The new unit required drilling through the CMU walls, as well as new conduit and wiring to the panel and the pump. We also had to install new wire on the old unit due to corrosion and the incompatibility with the use of two units on one pump. Both units were installed in outdoor rated enclosures and were tested in the presence of the electrical inspector.

Item #10: Install Water Bonding Lug

Scope: No water bonding lug was shown in the contract documents. This lug connects the bonding and grounding loop to the actual water of the recirculation system, thus grounding the water supply. Although it was not shown in the contract documents, this is now required by code. The electrical inspector requested its installation, and we complied to offer the safest possible installation to the County. A 4" schedule 80 Tee was needed, and we needed to cut the existing return line for the pool pump and install the T, with the lug installed in the T.

Item #11: Additional Life Guard Stand

Scope: Sheet 9/11 of the blue prints shows a pool equipment schedule, on this schedule only one lifeguard chair is shown. We used this schedule when bidding this project and ordering the necessary equipment. After discussion with Arsalan, we ordered a second chair for installation.

Item #12: Extend Footings to 42" Below Grade

Scope: The drawings show footings of varying sizes, none of which extend to below the frost line. After the construction official visited the site early in the project, he commented that all footings for all water features had to extend to at least 42" below the surface to prevent heaving of the features in the winter months. Had these footings not

Introduced on: June 26, 2019
Adopted on: June 26, 2019

been extended this far down, nozzles of the in ground features could have heaved out of the concrete and the same goes for the above ground features. A total of 16 footings had to be extended from an average depth shown on the drawings of 20" below the surface including the haunch. This required a great deal of extra excavation and form work, and in some areas we encountered the floor of the old pool as it was not expected we would have to go that low. In the instances when we encountered the old floor (2), we drilled and epoxied rebar into the old floor as per discussions with the building department and poured the footings on top of that reinforced tie-in.

Lump Sum: $7500

Labor: $5,760
Material: $1,740

**Item #13: Install Additional Electrical Outlets**

**Scope:** To provide power for the new chemical controller for the main pool as well as the iron and sediment filters, it was required that we install two new outlets in the filter room. These outlets were not shown in the contract documents. We had our electrician run new wall mounted conduit and install two new commercial grade outdoor rated outlets in the filter room in two locations.

Lump Sum: $1,250

Labor: $1,080
Material: $170

**Item #14: Super Plasticizer Addition to Concrete Mix**

**Scope:** Specifications required an excessively high slump that would cause excessive color variations in colored concrete due to increased difficulty with applying high slump material. Super P increases workability for 45 minutes while not affecting compressive strength of mix. It was necessary for us to use Super P for all concrete on the project, which totaled approximately 175 Yards.

PROJECT: Conversion of Camp Hope Swimming Pool and Wading Pool to a Water Spray Park
Township of West Milford, Passaic County
Change Order #5 (FINAL) – Cypreco Industries Inc.

Members of the Board:

This Office is in receipt of Change Order #5 (FINAL) in the amount of $27,740.50
addition to the above referenced project.

This Change Order addresses an agreement between Cypreco Industries and the County of Passaic as
per the attached Change order proposal document from Cypreco Industries.

This Change Order was reviewed and discussed at the Public Works Committee meeting of June 13,
2018 and recommended for approval to the full Board.

Based upon the above, this Office recommends that the Board of Chosen Freeholders adopt a
Resolution approving said FINAL Change Order #5 in the amount of $27,740.50 subject to the
availability of funds.

PROJECT: Replacement of Structure No. 1600-367
Ratzer Road over Tributary to Pompton River
Township of Wayne, Passaic County

AWARD OF CONSULTING DESIGN SERVICES

Dear Members of the Board:

The County of Passaic requested proposal for the Replacement of Structure No. 1600-367, Ratzer Road over Tributary to Pompton River in the Township of Wayne. The work included under this proposal includes the inspection, design and preparation of the construction contract documents and construction phase services for the replacement of this structure.

One proposal was requested and received from Maser Consulting P.A. of Red Bank, New Jersey in the amount of $247,040.00.

This matter was discussed at the Public Works Committee meeting on June 13, 2018, and an award of contract to Maser Consulting P.A. is recommended to the full Board.

Based upon the above, this Office recommends that the Board of Chosen Freeholders adopt a Resolution awarding a contract to Maser Consulting P.A. in the amount of $247,040.00 for the Replacement of Structure No. 1600-367, Ratzer Road over Tributary to Pompton River to the availability of funds.

Re: Professional Engineering Services for
the Replacement of Culvert No. 1600-367 Ratzer Road Over Tributary to Pompton River,
Wayne Township, Passaic County, New Jersey
MC Proposal No. 18002727P

Dear Mr. Pera:

Maser Consulting P.A. is pleased to submit our proposal for professional engineering services in
connection with the above referenced project. It is our understanding that the County is seeking
professional engineering services for the development of contract plans and specifications for the
replacement of the Replacement of Culvert No. 1600-367 Ratzer Road Over Tributary to Pompton River,
Wayne Township, Passaic County, New Jersey.

We thank you for this opportunity to submit this proposal and look forward to performing the
work. If you should have any questions regarding this proposal, please do not hesitate to contact
the undersigned.

Very truly yours,

MASER CONSULTING P.A.

Based on our understanding of the project, we offer the following clarifications on the County's Scope of Work dated May 9, 2018 (attached herewith in Section 4 of this Proposal):

Field Survey

Maser Consulting will perform a detailed Route Survey along a portion of Ratzer Road (County Route 504) for a minimum distance of 400 feet in each direction beyond the edges of the existing culvert. All of the work associated with this survey will take place under the direct supervision of a New Jersey Licensed Professional Land Surveyor and will include the following:

1. Survey traverse and level runs will originate and terminate on Control Monuments and Bench Marks that have been established by an approved agency.

2. Horizontal control will be tied to the NAD 83 New Jersey Plane Coordinate System.

3. Vertical Control will be tied to North American Vertical Datum – NAVD 1988. If NJDEP permit drawings require conversion to the National Geodetic Vertical Datum (NGVD), a conversion equation between the two vertical datums will be provided.

4. The Project/Bridge Centerline (CL) will be established as the right-of-way (ROW) CL where possible and the Bridge CL. The Project CL will be tied to ROW through station/offsets. Control points will be established as necessary to reference the project baseline.

5. A Project Base Map will be prepared to depict existing site conditions, limits of work, and means of access. Field survey will be performed detailing planimetric features and ROW pertinent to the preparation of base mapping and ROW plans for the proposed project. The base mapping will extend a minimum of 50 feet from the edge of the roadway on both sides of Ratzer Road.

6. A survey of existing features will be performed. It will include existing roadway elements, utility poles, drainage structures, guide rail, fences, signs and limits of wooded areas. Individual trees and specimen shrubs will be located within easement and taking parcel areas, and with the entire project survey area. Topography will be shown with 1-foot contour intervals.

7. Station and offset from centerline to existing drainage structures will be shown on the plan. The type of structure, type of casting, size and types of pipes entering the structure and invert on accessible pipes will be recovered by field survey.

8. Roadway cross-sections will be taken at 50-ft intervals and will be provided for a minimum distance of 800' on each culvert approach and will extend a minimum of 50 feet from the edge of existing pavement on each side of the roadway. Additional cross sections will be taken at 25-ft intervals adjacent to each side of the culvert within 100 feet of the culvert and cross sections will be taken at 50-ft intervals along the side streets.

9. A separate cross section will be taken at each driveway. Spot grades will be taken to establish the centerline profile of the driveways from the road centerline extending 50 feet up the driveway.

10. The project baseline will be established in the field by placement of PKs at every 50 feet along the existing roadway. Ties will be established at the beginning and ending station and the PI of each survey. The project baseline will be established along the physical centerline alignment or at the centerline of the ROW after positions are ascertainment.

11. The existing culvert and existing water opening at the culvert will be detailed and measured for flood hazard area purposes, development of permit documents and for demolition and construction plan purposes.

12. Stream cross sections will be taken at 100-ft intervals for a minimum distance of 500 feet upstream and downstream, 25-ft intervals for the first 100 feet and at the upstream and downstream faces of the culvert to develop the hydraulic model for the hydraulic analysis of the affected waterway.

13. Wetland area limits will be located and mapped as delineated by other Maser Consulting staff.

14. Horizontal and vertical baseline control points will be established in the field for Contractor’s reference during construction. One permanent benchmark will be established on each side of the culvert.
16. Geotechnical test borings will be located in the field.

**Right-of-Way**

1. Existing ROW lines will be determined through deed and map research and field surveys of existing evidence. Property corners will be located along the adjacent roadways extending 500 feet beyond the beginning and end of the project.

2. We will determine if any additional ROW and/or Easements (temporary or permanent) are required due to the Project work. If ROW and/or Easements are required, the necessary documentation will be prepared.

3. Alignment Maps and General Property Parcel Maps, if required, will be prepared in accordance with NJDEP "Manual for the Preparation of Right-of-Way Maps and Agreements" and in accordance with Passaic County’s Standards. We will provide information and documents (maps, descriptions, etc.) to the County to secure the necessary easements (permanent or temporary) and/or right-of-way takings for the project.

4. The information/documentation for up to six (6) easements/Right-of-Way takings is included in this Proposal.

**Geotechnical Investigation**

1. Based on our understanding of the scope of work, Maser Consulting will be observing four (4) test borings, two (2) at each end of the proposed culvert, performed by the County’s drilling contractor.

2. The subsurface exploration program will be performed under the full-time observation of our geotechnical specialist, who will observe and log the explorations, collect soil samples, and will be acting under the direction of a licensed Professional Geotechnical Engineer. Explorations will be field-located by our representative by measuring from existing site features using conventional taping methods.

3. Representative samples obtained from the explorations will be subjected to limited laboratory testing to evaluate general engineering characteristics. Such testing will likely include moisture contents, grain-size analysis, Atterberg Limits. We will coordinate with the County’s Geotechnical consultant to perform the laboratory testing.

4. We will prepare a Geotechnical Report, summarizing the subsurface conditions encountered at the site. The report will include the results of the subsurface exploration programs and laboratory testing, and geotechnical recommendations including:
   a. Recommended foundation types and corresponding capacity;
   b. Bearing strata;
   c. Seismic design Parameters (based on SPT-N values only);
   d. Lateral earth pressure coefficients;
   e. Subgrade modulus for the design of slab-on-grade, if required;
   f. Excavation support systems;
   g. Construction dewatering, if required;
   h. Considerations for construction, such as for subgrade preparation.

**Permitting**

1. **FRESHWATER WETLAND DELINEATION AND THREATENED AND ENDANGERED SPECIES REVIEW**

   To clarify the Freshwater Wetland and Flood Hazard Area permit requirements, Maser Consulting will prepare and submit to the NJDEP a request for a pre-application meeting, which will include the following:
   a. A project description;
   b. A plan view of the project;
   c. A tax lot and block designation of the site;
   d. The location of the project site, including the municipality and county;
   e. The general or surveyed location of freshwater wetlands, transition areas, and State open waters;
   f. A copy of the appropriate United States Soil Conservation Service map(s); and
g. A United States Geological Survey quadrangle map showing the site.

Two (2) staff from Maser Consulting, including an engineer and environmental permitting professional, will attend the pre-application meeting.

Maser Consulting will delineate freshwater wetlands within 150 ft. of the culvert replacement using the three-parameter approach (vegetation, soils, hydrology) described in the Federal Manual for Identifying and Delining Jurisdictional Wetlands. This work will involve flagging the freshwater wetland boundary with numbered surveyor's ribbon (to be located by survey under a separate task) and will include the following information:

a. Characterizing the soils of the wetland and upland areas including a statement on their hydric or non-hydric nature based upon Munsoll Soil Color Chart readings.
b. Characterizing the upland and wetland communities based upon vegetation and compiling a general list of plant species on the property with an indication of their associated abundance in the wetland and upland communities.
c. Characterizing the hydrology of the wetland and upland areas on the property.

The replacement of the culvert is eligible for authorization under the New Jersey Department of Environmental Protection's Freshwater Wetland General Permit No. 10 (Minor road crossing). Maser Consulting will prepare an application for a Freshwater Wetland General Permit No. 10 for the proposed culvert replacement. This application will be prepared in accordance with subchapters 7 and 16 of the Freshwater Wetlands Protection Act Rules at N.J.A.C. 7:7A. The application will include a letter report regarding the wetland delineation that was prepared for the project. The letter report will include information on soils, vegetation and hydrology, background mapping, site description, photographs, technical data sheets and qualifications of preparers.

Information on threatened and endangered species will be derived from NJDEP databases and will include a Natural Heritage Program database search. Information on cultural resources will be derived from information contained in the NJDEP NJ-GeoWeb database and from studies or investigations (e.g. Phase 1A survey) if available.

2. FLOOD HAZARD AREA PERMIT

Maser Consulting P.A. will prepare supporting documents for initial submission of an application package for a Flood Hazard Area (FHA) permit for the project in accordance with N.J.A.C. 7:13. This will include FHA Application and Engineering Reports, site photographs, checklist, and associated data required for a Flood Hazard Verification application.

The un-named tributary to Pompton River is not a studied waterbody. To determine the flood hazard area limit, the culvert will need to be hydraulically modeled utilizing 125% of the peak flow for the 100-yr storm event. Should the culvert not have capacity for this peak flow, the backwater effect (or other approved method) will be modeled to establish the regulated flood hazard area. This method has been utilized and approved by the NJDEP for similar situations where the tributary is restricted by a culvert and embankments. Formal hydrologic and hydraulic calculations utilizing HEC-RAS (or other approved program) are anticipated and are included as part of this scope of services.

A scour analysis will be conducted utilizing HEC-RAS of HEC-21 to determine the anticipated future scour potential at the culvert. Minimum depth of permanent sheeting will be calculated based on the results.

3. FLOOD HAZARD AREA – ENVIRONMENTAL REPORT

Maser Consulting will prepare a Flood Hazard Area Environmental Report to be included in the application for a Flood Hazard Area Individual Permit. The Environmental Report will be prepared in accordance with the requirements at N.J.A.C. 7:13-18.8 and will include a narrative, background maps, assessment of potential impacts on regulated waters, channels, riparian zones, fishery resources, and threatened or endangered species, analysis of alternatives and description of avoidance and minimization measures. Detailed mitigation plans (if required) and site-specific studies related to threatened or endangered species (if required) are excluded and will be the subject of a separate proposal.
SCOPE CLARIFICATIONS

A Flood Hazard Area Environmental Report is only required as part of an application for an Individual Permit. If the project design is eligible for a Permit-By-Rule or a General Permit, an Environmental Report is not required.

4. HIGHLANDS WATER PROTECTION AND PLANNING ACT EXEMPTION

We confirm that Culvert No. 1600-367 is not located within the Preservation Area of the New Jersey Highlands Water Protection and Planning Area.

5. GREEN ACRES

According to our preliminary research, Culvert No. 1600-367 is not located within the jurisdiction area of Green Acres.

6. STORMWATER MANAGEMENT PERMIT

This Proposal assumes that the project will not be a Major Development and, therefore, the Stormwater Management permit will not be required.

Traffic

1. DATA COLLECTION AND TRAFFIC ANALYSIS

Maser Consulting will collect traffic volumes on Ratzer Road at the Culvert No. 1600-367 for an entire week using Automatic Traffic Recorders (ATRs). These volumes will be collected and broken down into 15 minute intervals to determine the various Peak Hours and the Average Daily Traffic along the roadway and presented in a memorandum report. Also, accident reports will be obtained and analyzed to understand any safety issues within the project limits. This information will be utilized as design criteria for the culvert and roadway design in addition to developing the appropriate maintenance of traffic scheme.

2. CONSTRUCTION SEQUENCING ANALYSIS

The traffic volume collected along this roadway will be used to develop a Synchro/SimTraffic model of Ratzer Road. This model will be utilized to determine the most effective construction staging scheme. The following traffic schemes will be considered at a minimum:

- Full road closure with a vehicular detour and a temporary pedestrian bypass bridge;
- Two-Stage Construction with a one-way detour, maintaining one-way traffic on the exiting road, and a temporary pedestrian bypass bridge;
- Two- to Four-Stage Construction maintaining two-way traffic and pedestrian access;

The traffic engineering team will present our findings to our structural design team, and we will recommend the most appropriate solution for traffic control during construction. Our results and recommended scheme will be presented to the County.

3. TRAFFIC CONTROL AND TRAFFIC SIGNAL DESIGN

Once the preferred construction sequencing has been agreed upon by the County, Maser Consulting will move forward with detailed Maintenance of Traffic Control and Detour Plans. The traffic control will be designed to minimize the impacts to the motoring public and maximize the safety of the work zone. Traffic safety in the work zone is a critical element of maintenance and protection of traffic. All work zones will be designed in strict conformance to the MUTCD. The speed limits in the work zone and through any lane transitions will be developed to ensure that the proper speed will be maintained. Signing and pavement markings/striping within the work zone and along the detour routes will be designed in accordance with the NJDOT Standard Traffic Control Details and the MUTCD.

For the purposes of this Proposal, it is assumed that a temporary traffic signal system will not be necessary.
Cultural Resources (If & Where Directed)

If requested by SHPO, Richard Grubb and Associates, Inc. (RGA), a sub-consultant to Maser Consulting, will prepare a Phase IA Archaeological and Reconnaissance-level Historic Architectural Survey in connection with the proposed replacement of the Raker Road Culvert (No. 1600-367) over a tributary to the Pompton River. A review of New Jersey GeoWeb and LUCY, the New Jersey Historic Preservation Office's CRGIS online viewer, indicates that there are no resources listed in or previously determined eligible for listing in the New Jersey and National Registers of Historic Places in the vicinity of the culvert. The culvert is not located within or proximate to a NJHPO Archaeological Site Grid. The project archaeologist and architectural historian will meet the Secretary of the Interior’s Professional Qualifications and Standards for their respective disciplines (36 CFR Part 61). The project archaeologist will conduct a field visit to examine the topographic setting, record prior disturbance, and assess the sensitivity for prehistoric and historic archaeological resources. The project architectural historian will photograph all buildings and structures of greater than 50 years of age in the immediate project vicinity. A preliminary review of historic aerial photography suggests that two houses flanking the tributary on the north side of Raker Road are approximately of fifty years in age. They, along with Culvert No. 1600-367, will be surveyed at the Reconnaissance-level in order to determine if further historic architectural investigations and evaluation (such as intensive-level survey) will prove necessary. No other historic architectural resources of greater than fifty years in age are located in the vicinity of the culvert. Coordination with the New Jersey Historic Preservation Office will determine if a Phase IB Archaeological and/or Intensive-level Historic Architectural survey would be necessary under state and/or federal regulations.

PROJECT: Replacement of Structure No. 1600-367
Ratzer Road over Tributary to Pompton River
Township of Wayne, Passaic County

AWARD OF CONSULTING DESIGN SERVICES

Dear Members of the Board:

The County of Passaic requested proposal for the Replacement of Structure No. 1600-367, Ratzer Road over Tributary to Pompton River in the Township of Wayne. The work included under this proposal includes the inspection, design and preparation of the construction contract documents and construction phase services for the replacement of this structure.

One proposal was requested and received from Maser Consulting P.A. of Red Bank, New Jersey in the amount of $247,040.00.

This matter was discussed at the Public Works Committee meeting on June 13, 2018, and an award of contract to Maser Consulting P.A. is recommended to the full Board.

Based upon the above, this Office recommends that the Board of Chosen Freeholders adopt a Resolution awarding a contract to Maser Consulting P.A. in the amount of $247,040.00 for the Replacement of Structure No. 1600-367, Ratzer Road over Tributary to Pompton River to the availability of funds.

RESOLUTION AWARDING CONTRACT TO CME ASSOCIATES FOR DESIGN SERVICES AS IT PERTAINS TO THE FORMAL DAM INSPECTION FOR THE APSHAWA MAIN AND AUXILIARY DAMS IN THE TOWNSHIP OF WEST MILFORD, NEW JERSEY

WHEREAS there exists a need for Professional Consultant Design Services as it concerns the formal dam inspection for the Apshawa Main and Auxiliary Dams in the Township of West Milford, NJ; and

WHEREAS CME Associates of Parlin, NJ submitted a proposal dated May 29, 2018 (a copy of which is attached) for the necessary consulting services to be provided for a total fee of $39,950.00 and is being recommended by the Office of the Passaic County Engineer in a letter to the Board dated June 20, 2018, a copy of which is attached hereto and made a part hereof; and

WHEREAS the aforesaid was discussed with the Freeholder members of the Public Works and Buildings & Grounds Committee at their meeting on June 13, 2018 and recommended to the full Board for approval; and

WHEREAS the Local Public Contracts Law, N.J.S.A. 40A:11-1, et seq., requires that the resolution authorizing the award of contract for "Professional Services" without competitive bids and the contract itself must be available for public inspection; and

WHEREAS said CME Associates has been qualified as a pool professional engineer in a "Fair and Open" procedure pursuant to the resolution of the Board of Chosen Freeholders of the County of Passaic, R-2018-0022, dated January 23, 2018 as set forth in Pay to Play Law N.J.S.A. 19:44A-20.4 et seq.; and
WHEREAS a certification is attached which indicates that funds are available for the within contemplated expenditure; and

NOW THEREFORE BE IT RESOLVED by the Board of Chosen Freeholders of the County of Passaic that the Professional Consultant Design Services for the above-mentioned project be awarded to CME Associates in accordance with the terms and conditions set forth above; and

BE IT FURTHER RESOLVED that the Director, Clerk of the Board and County Counsel are hereby authorized to execute the necessary contract on behalf of the County of Passaic; and

BE IT FURTHER RESOLVED that this contract is awarded without competitive bidding as a "Professional Services" contract in accordance with N.J.S.A. 40A: 11-5(1)(a) of the Local Public Contracts Law because:

(1) The consulting firm is authorized and regulated by the law to provide the aforementioned services;

(2) The performance of the services are special in nature and require knowledge of an advanced type training, which said consulting firm possesses; and

BE IT FURTHER RESOLVED that a Notice of this action be published in the NORTH JERSEY HERALD & NEWS.

PROJECT: Formal Dam Inspection for the
Apshawa Main and Auxiliary Dams
Township of West Milford, Passaic County

AWARD OF CONSULTING DESIGN SERVICES

Dear Members of the Board:

The County of Passaic requested a proposal for the Formal Dam Inspection for the Apshawa Main and Auxiliary Dams located in West Milford Township. The Apshawa dams are classified as Class II. As required by New Jersey Dam Safety regulations, all Class II dams are required to have a Formal Dam Inspection performed every 10 years. The work included under this proposal includes the review of existing drawings and studies, perform field inspection, prepare the Formal Dam inspection reports, and address any of NJDEP Dam Safety's review comments.

One proposal was requested and received from CME Associates of Parlin, N.J. in the amount of $39,950.00.

This matter was discussed at the Public Works Committee meeting on June 13, 2018, and an award of contract to CME Associates is recommended to the full Board.

Based upon the above, this Office recommends that the Board of Chosen Freeholders adopt a Resolution awarding a contract to CME Associates in the amount of $39,950.00 for the Formal Dam Inspection for the Apshawa Main and Auxiliary Dams in West Milford Township subject to the availability of funds.

Dear Mr. Pera:

Thank you for considering our Firm and providing us the opportunity to submit our proposal. Attached please find one (1) original and one (1) color hard copy of our proposal for the above-mentioned project.

Our Proposal has been organized in the following manner:

Section 1:  Introduction
Section 2:  Technical Proposal
Section 3:  Project Specific Experience
Section 4:  Organizational Chart and Resumes of Key Staff
Section 5:  Cost Proposal
Section 6:  Forms

CME Associates will serve as the prime consultant on this assignment. We believe that the Project Team we have assembled possesses the resources, experience and expertise necessary to successfully provide the services required for this project.

CME Associates has a proven record of successful performance on a variety of dam inspection projects throughout New Jersey. Our proposed Team possesses the resources, experience and expertise necessary to successfully and efficiently provide the required services for this project in a professional, efficient and responsible manner to the County, as we have demonstrated to other Client agencies on other similar projects. CME is made up of talented individuals who possess the qualifications across many different disciplines to work together on various complex projects. As you will see
in this proposal, CME is a full service company that can handle challenging projects across a wide range of disciplines.

CME Associates takes great pride in its commitment to personal service and its ability to successfully address its Client's interests. We possess a high degree of familiarity with the standards and requirements of the NJDEP Dam Safety Section and feel confident in our Firm's ability to address the concerns of the County. We have a significant amount of experience in dam inspection, design and rehabilitation that will allow us to efficiently and responsibly perform this work for the County on time and within budget. We would welcome the opportunity of providing Professional Engineering Services for this Formal Dam inspection Project.

We trust that the information contained herein addresses your requirements. If you have any questions or concerns regarding any portion of this package, please do not hesitate to contact this office. Thank you for your time and consideration!

RE: RESTORATION AND REHABILITATION OF THE WESTERVELT-VANDERHOEF HOUSE, CLIFTON
CHANGE ORDER NO. 1 - DEDUCTIONS

Members of the Board:

Attached for your approval is Change Order No. 1 to be issued to the Contractor, reflecting deductions of quantities for work items for this project.

During construction of the project, exterior mortar conditions of the Westervelt-Vanderhoef House were found to be in good condition. It was agreed upon that 100% repointing of the masonry was not necessary. The total amount of this work is computed to be $38,120.00. The Change Order was reviewed and recommended for approval by the Public Works Committee at their meeting of June 13, 2018.

Based upon the above, this office and the Public Works and Buildings & Grounds Committee recommends that the Board of Chosen Freeholders to adopt the necessary resolution to approve and issue Change Order No. 1 to Dell Tech Inc. of Trenton, New Jersey in the amount of $38,120.00, which results in an decrease to the adjusted contract amount.

Sincerely,

Kelly C. Ruffel

RE: RESTORATION AND REHABILITATION OF THE WESTERVLET-VANDERHOEF HOUSE, CLIFTON
CHANGE ORDER NO. 2 - ADDITIONS

Members of the Board:

Attached for your approval is Change Order No. 2 to be issued to the Contractor, reflecting additions of quantities for works items for this project.

During construction of the project, unforeseen conditions were revealed. It was agreed upon that rooms on the first floor of the Vanderhoef House needed immediate intervention to repair masonry deterioration and minor repairs to plaster and overall framing. The total amount of this work is computed to be $30,174.20. The Change Order was reviewed and recommended for approval by the Public Works Committee at their meeting of June 13, 2018.

Based upon the above, this office and the Public Works and Buildings & Grounds Committee recommends that the Board of Chosen Freeholders to adopt the necessary resolution to approve and issue Change Order No. 2 to Dell Tech Inc. of Trenton, New Jersey in the amount of $30,174.20, which results in an increase to the adjusted contract amount.

RE: RESTORATION AND REHABILITATION OF THE WESTERVLT-VANDERHOEF HOUSE, CLIFTON
CHANGE ORDER NO. 2 - ADDITIONS

Members of the Board:

Attached for your approval is Change Order No. 2 to be issued to the Contractor, reflecting additions of quantities for works items for this project.

During construction of the project, unforeseen conditions were revealed. It was agreed upon that rooms on the first floor of the Vanderhoef House needed immediate intervention to repair masonry deterioration and minor repairs to plaster and overall framing. The total amount of this work is computed to be $30,174.20. The Change Order was reviewed and recommended for approval by the Public Works Committee at their meeting of June 13, 2018.

Based upon the above, this office and the Public Works and Buildings & Grounds Committee recommends that the Board of Chosen Freeholders to adopt the necessary resolution to approve and issue Change Order No. 2 to Dell Tech Inc. of Trenton, New Jersey in the amount of $30,174.20, which results in an increase to the adjusted contract amount.

Sincerely,

Kelly C. Ruffel

RESOLUTION AUTHORIZING THE AWARD OF CONSTRUCTION SERVICES CONTRACT THROUGH THE EDUCATIONAL SERVICES COMMISSION OF NEW JERSEY TO MURRAY PAVING AND CONCRETE FOR THE PASSAIC COUNTY EMPLOYEE PARKING GARAGE STRUCTURE ON GRAND STREET AND JACKSON AVENUE IN THE CITY OF PATERSON, NEW JERSEY

WHEREAS the County of Passaic is a member of the Educational Services Commission of New Jersey (formerly known as the Middlesex Regional Education Service Commission (MRESC)), a purchasing cooperative who is authorized under the Local Public Contracts Law to receive bids for items on behalf of its members; and

WHEREAS the Passaic County Engineer has requested a proposal from Gardon Group Inc., a consultant for Middlesex Regional Education Services Commission, to address repairs to the Passaic County Employee Parking Garage on Grand Street and Jackson Avenue in Paterson, NJ; and

WHEREAS the contractor listed on the proposal to perform the work is Murray Paving and Concrete, of 17 Park Place, Paramus, NJ 07652 and was awarded the State Approved Co-op #65MCESCPCPS (JOC Contract No.: ESCNJ 16/17-54 GC1); and

WHEREAS pursuant to the terms of the proposal dated June 20, 2018, attached hereto and made a part hereof, the bid amount is $139,634.95 and

WHEREAS the Freeholder members of the Committee for Public Works and Buildings & Grounds reviewed this matter at its June 13, 2018, meeting and are recommending approval by the entire Board; and
WHEREAS a certification is attached hereto which indicates the availability of funds for said expenditure.

NOW THEREFORE BE IT RESOLVED by the Board of Chosen Freeholders of the County of Passaic that it hereby authorizes the Award of a Construction Services Contract for the Repairs of the Passaic County Employee Parking Garage on Grand Street and Jackson Avenue in the City of Paterson, NJ to Murray Paving and Concrete in the amount in the amount of $139,634.95 in conformity with the terms and conditions as set forth in their bid and pursuant to the Educational Services Commission of New Jersey; and

BE IT FURTHER RESOLVED that the Director, Clerk of the Board and County Counsel are authorized to execute all necessary documents on behalf of the County of Passaic.

AWARD OF CONSTRUCTION SERVICES FOR REPAIRS TO PASSAIC
COUNTY EMPLOYEE PARKING GARAGE

Dear Members of the Board:

Passaic County requested a proposal under the ESCNJ State Approved Coop #65MCESCCPS from the consultant The Gordion Group Inc. for repairs for the Passaic County Employee Parking Garage structure on Grand Street and Jackson Avenue. This is to address various leaks, failure of drainage components, and repair and repainting of structural members.

As per the work to be performed as per the Final Scope of Work and the Price Proposal dated 5/20/18 and as per the terms and conditions of JOC Contract No ESCNJ 16/17-54 GC1, the estimated cost of the work is $139,634.95. The contractor listed to perform the work under the proposal is Murray Paving and Concrete.

This matter was discussed during the Public Works Committee meeting on June 13, 2018 and an award of contract for $139,634.95 to Murray Paving and Concrete is recommended to the full Board.

Based upon the above, this Office recommends that the Board of Chosen Freeholders adopt a Resolution awarding a contract to Murray Paving and Concrete in the amount of $139,634.95 for repairs needed for the Passaic County Employee Parking Garage subject to the availability of funds.

Board of Chosen Freeholders
Passaic County Administration Building
401 Grand Street
Paterson, New Jersey 07505

PROJECT: Passaic County Employee Parking Garage
City of Paterson, NJ

AWARD OF CONSTRUCTION SERVICES FOR REPAIRS TO PASSAIC
COUNTY EMPLOYEE PARKING GARAGE

Dear Members of the Board:

Passaic County requested a proposal under the ESCNJ State Approved Coop #65MCESSCPS from the consultant The Gordion Group Inc. for repairs for the Passaic County Employee Parking Garage structure on Grand Street and Jackson Avenue. This is to address various leaks, failure of drainage components, and repair and repainting of structural members.

As per the work to be performed as per the Final Scope of Work and the Price Proposal dated 5/20/18 and as per the terms and conditions of JOC Contract No ESCNJ 16/17-54 GC1, the estimated cost of the work is $139,634.95. The contractor listed to perform the work under the proposal is Murray Paving and Concrete.

This matter was discussed during the Public Works Committee meeting on June 13, 2018 and an award of contract for $139,634.95 to Murray Paving and Concrete is recommended to the full Board.

Based upon the above, this Office recommends that the Board of Chosen Freeholders adopt a Resolution awarding a contract to Murray Paving and Concrete in the amount of $139,634.95 for repairs needed for the Passaic County Employee Parking Garage subject to the availability of funds.

Very truly yours,

RESOLUTION AUTHORIZING PURCHASE OF VARIOUS ITEMS BY
THE PASSAIC COUNTY PROSECUTOR’S OFFICE

WHEREAS the Passaic County Prosecutor’s Office (the “PCPO”) has requested the purchase of various goods and services from qualified vendors for use in furtherance of its law enforcement and/or administrative objectives and/or those of various law enforcement agencies within the County; and

WHEREAS said goods and services are being procured either through State Contract, Cooperative Purchasing Agreements and/or Federal GSA Schedules or other methods permitted by the Local Public Contracts Law, N.J.S.A. 40A:11-1, et seq., as specified below; and

WHEREAS said purchases are to be funded either directly from the County budget or from forfeited funds obtained by the PCPO and/or administered by the PCPO on behalf of the Passaic County Sheriff’s Department and/or local law enforcement agencies in accordance with applicable law; and

WHEREAS the Board of Chosen Freeholders is desirous of approving said purchases in accordance with the terms of the
applicable contracts and authorizing the Purchasing Agent to issue
the appropriate Purchase Orders; and

WHEREAS the Freeholder Law and Public Safety Committee
considered this matter on June 19, 2018 and recommended this
resolution to the full Board for adoption; and

WHEREAS a certification is attached indicating that funds are
available for the within contemplated expenditures; and

NOW THEREFORE BE IT RESOLVED by the Board of Chosen
Freeholders of the County of Passaic that it hereby authorizes the
purchase of the following goods and/or services in accordance with
the terms of the applicable State Contract, Cooperative Purchasing
Agreements, Federal GSA Schedules or other authorized contracts:

RESOLUTION AUTHORIZING THE PURCHASE OF TEN (10)
COMPUTER SPEED/SIGN TRAILERS FROM ALL TRAFFIC
SOLUTIONS FOR THE PASSAIC COUNTY SHERIFF'S
DEPARTMENT

WHEREAS the Passaic County Sheriff's Department has
requested permission to purchase ten (10) computer speed/sign
trailers, from All Traffic Solutions of 3100 Research Drive, State
College, PA in the sum of $125,085.60; and

WHEREAS this particular equipment is being requested
because of the patented software contained in it that allows the
Department to communicate with it and make it compatible with
the other traffic equipment that they currently; and

WHEREAS the purchase of equipment that supports and
maintains proprietary computer software is an exception under
the New Jersey Local Public Contract Law (N.J.S.A. 40A:11-
5(1)(dd);

WHEREAS the said Board by Resolution R-06-97 dated
February 14, 2006 established a policy of only awarding contracts
in excess of the monetary threshold set forth under the Pay to
Play Law only under a fair and open process; and

WHEREAS the Board is desirous of making an exception to
that policy in this case because of this vendor's proprietary
software which makes it compatible with the other traffic
equipment owned by the said Sheriff's Department; and

WHEREAS the members of the Freeholder Law and Public
Safety Committee considered this matter on June 19, 2018 and is
recommending approval by the entire Board; and

WHEREAS a certification is attached hereto that indicates
the availability of funds for said expenditure.
NOW THEREFORE BE IT RESOLVED by the Board of Chosen Freeholders of the County of Passaic that it hereby authorizes a non-fair and non-open purchase by and between the County and All Traffic Solutions of State College, PA in the amount of $125,085.60 to allow the Passaic County Sheriff's Department to purchase ten (10) computer speed/sign trailers and;

BE IT FURTHER RESOLVED that this contract is being awarded as an exception to the policy of the Board as set forth in its Resolution R-06-97 dated February 14, 2006 because of the special circumstances of this situation and the policy of the Board as set forth in this Resolution shall remain in full force and effect; and

BE IT FURTHER RESOLVED that the Director and Clerk of the said Board are hereby authorized to execute any necessary agreement on behalf of the County of Passaic.

CR – 35 – Other Actions
CR – 40 – Monitoring
CR – 45 – CDBG

C. Environmental Review Record (ERR) Services for FY 2019 and FY 2020

Plan activities

1. Determine the range of CDBG activities that require environmental clearance and prepare a schedule of tasks that will result in HUD’s environmental release of funds.

2. Classify project activities (i.e., as exempt, categorically excluded, or requiring an assessment) and documenting these classifications via citations from Part 58.
3. Determine the applicability of the various laws and authorities listed in Part 58.5—
historic properties, floodplains, wetlands, endangered species, noise, hazardous
materials, farmlands protection, etc. We will prepare consultation letters with the
appropriate agencies regarding these laws and regulations. Our work includes
preparing correspondence and all supporting documentation required by these
agencies.

4. Assist the County in preparing supporting documentation for the ERR, including
memorandums of agreement, HABS reports and other historic preservation
measures for annual community development activities.

5. Prepare written environmental assessments as required.

6. Undertake special environmental clearance studies or reports (e.g., noise
assessments, historic recordings, etc.) as required.

7. Determine which project activities require submissions of requests for release of
funds and securing such releases on a multi-year basis in order to minimize
client’s environmental review responsibilities in subsequent years.

8. Prepare tentative schedules for publications of notices and releases of funds.

9. Prepare notices (e.g., floodplain, intent to request a release of funds, finding of no
significant impact, etc.) as required for publication or posting.

RESOLUTION AUTHORIZING A PUBLIC HEARING FOR
CERTAIN RECOMMENDATIONS FROM THE OPEN SPACE
FARMLAND AND HISTORIC PRESERVATION TRUST ADVISORY
COMMITTEE

WHEREAS the Board of Chosen Freeholders of the County of
Passaic created an Open Space Farmland and Historic
Preservation Trust Fund Program in conformity with the will of the
voters in the 1996 election; and

WHEREAS pursuant to the mandates of the Program, the
said Board did approve and appoint an Open Space Farmland and
Historic Preservation Trust Fund Advisory Committee (“the
Committee”) to study the open space issue and make
recommendations concerning the distribution of funds to worthy
applicants; and

WHEREAS several municipalities and non-profit
organizations submitted grant applications for funding under the
2018 Open Space Farmland and Historic Preservation Trust Fund
rounding of funding; and

WHEREAS the Committee has reviewed these grant proposals
and has made several recommendations for awards, requiring a
public hearing, totaling $1,287,950;

WHEREAS it is the intention of the Freeholder Board to make
the following awards after a public hearing is scheduled pursuant
to statutory requirements:

Dated: June 26, 2018

WHEREAS the family is the most fundamental element of any society; and

WHEREAS many families seek refugee status and asylum in the United States to escape uncontrolled violence in their native countries, including violence resulting from war and regional conflict, from criminality, and for other reasons; and

WHEREAS Passaic County has, on multiple occasions, reaffirmed that it is a place where all are welcome, and where immigrants, including refugees and asylees from around the world live, conduct business, and raise their families in harmony and peace; and

WHEREAS in April 2017 the U.S. Department of Justice implemented a “zero-tolerance” immigration policy that includes separating undocumented immigrant children from their parents indefinitely along the U.S. border and placing them in detention centers and immigrant shelters; and

WHEREAS such separation constitutes wanton cruelty towards vulnerable people, and causes severe psychological trauma for children and parents, irrespective of legal status; and

WHEREAS such separation is not necessary to ensure the border security of the United States; and

WHEREAS even in the absence of family separation, the construction of new detention facilities represents an
unnecessary expense to the American people, when more cost-effective alternatives, including the U.S. Immigration and Customs Enforcement's (ICE) Family Case Management Program, discontinued by the Trump Administration in 2017, had a 99.6% appearance rate in immigration court hearings for families enrolled in the program, which allowed asylum applicants and their children to live in the community while awaiting immigration proceedings; and

WHEREAS the rationales offered by the President of the United States for the implementation of this new family-separation policy and for the indefinite detention of immigrant families are based upon falsehoods about the association between immigration and criminality, when in fact immigration has increased more than 100% since 1980 while violent crime in the U.S. has decreased by 36% during the same period, and the U.S. incarceration rate among immigrants is barely half the incarceration rate of native-born Americans; and

WHEREAS U.S. Senate bill S.3036 entitled the “Keep Families Together Act” would prohibit any agent or officer of a designated agency from removing a child from his or her parent or legal guardian “at or near the port of entry within 100 miles of the border of the United States” unless certain court determinations regarding family separation in the interest of national security have been made or an agent or officer determines that separation would protect a child; and

WHEREAS there is bi-partisan support for U.S. Senate bill S.3036; and
WHEREAS religious groups, including the U.S. Conference of Catholic Bishops, the Presbyterian Church USA, the Union of Reform Judaism, the Islamic Society of America, and numerous secular human rights groups have condemned the practice of federal agents separating undocumented immigrant children from their parents indefinitely;

NOW BE IT THEREFORE RESOLVED that the Board of Chosen Freeholders of the County of Passaic supports passage of U.S. Senate bill S.3036 and similar legislation in the House of Representatives, and

BE IT FURTHER RESOLVED that the Board of Chosen Freeholders of the County of Passaic unequivocally condemns the practice of federal or state agents separating undocumented immigrant children from their parents indefinitely, and calls upon the Trump Administration to cease and not re-commence the practice of undocumented immigrant family separation and to reunite forthwith the more than 2,000 children separated from their parents in recent months; and

BE IT FURTHER RESOLVED that the Board of Chosen Freeholders of the County of Passaic urges the Trump Administration to adopt more practical, humane, and cost-effective alternatives than the indefinite incarceration of immigrant families seeking asylum or refugee status in the United States, including by restoring the ICE Family Case Management Program; and

BE IT FURTHER RESOLVED that no resources of the County of Passaic or any of its instrumentalities shall be used
in support of the federal government’s policy of family separation; and

    BE IT FURTHER RESOLVED that a copy of this resolution be forwarded to this County’s representatives in the United States Senate and United States House of Representatives, to the Governor of the State of New Jersey, to the President of the United States, and to the governing bodies of the 20 other counties comprising the State of New Jersey.

    Dated: June 26, 2018
RESOLUTION AUTHORIZING THE GUARANTY BY THE COUNTY OF PASSAIC, NEW JERSEY OF PAYMENT OF PRINCIPAL OF AND INTEREST ON THE GOVERNMENTAL LOAN REVENUE BOND ANTICIPATION NOTES, SERIES 2018 (PASSAIC COUNTY GUARANTEED) (CITY OF PATERSON PROJECT) OF THE PASSAIC COUNTY IMPROVEMENT AUTHORITY IN AN AGGREGATE PRINCIPAL AMOUNT NOT EXCEEDING $15,615,000

WHEREAS, the COUNTY OF PASSAIC, New Jersey (the "County"), pursuant to the Improvement Authorities Law of the State of New Jersey (the "State"), constituting Chapter 183 of the Pamphlet Laws of the State of 1960, as amended and supplemented (N.J.S.A. 40:37A-44 et seq.) (the "Act"), has heretofore duly created a body corporate and politic known as The Passaic County Improvement Authority (the "Authority"); and

WHEREAS, pursuant to Section 80 of the Act, the County is authorized to guaranty unconditionally the punctual payment of the principal of and interest on any obligations of the Authority; and

WHEREAS, the County, in order to assist the Authority with the financing of a proposed governmental loan program to be undertaken on behalf of the City of Paterson, New Jersey in order to finance or refinance various projects (the "Project"), has determined to provide for the guaranty of Governmental Loan Revenue Bond Anticipation Notes, Series 2018 (Passaic County Guaranteed) (City of Paterson Project) of the Authority (the "Obligations") under the resolution of the Authority entitled "2018 Governmental Loan Revenue Note Resolution (City of Paterson Project)" (the "Note Resolution");

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF CHOSEN FREEHOLDERS OF THE COUNTY OF PASSAIC, NEW JERSEY, (not less than two-thirds of all members thereof affirmatively concurring), AS FOLLOWS:

Section 1. This guaranty shall be adopted by the governing body of the County in the manner provided for adoption of a bond ordinance as provided in the Local Bond Law, constituting Chapter 169 of the Pamphlet Laws of 1960 of the State, as amended and supplemented (the "Local Bond Law").

Section 2. Pursuant to and in accordance with the terms of the Act, specifically Section 37 of the Act (N.J.S.A. 40:37A-80), the County is hereby authorized to and hereby shall fully, unconditionally and irrevocably guaranty the punctual payment of the principal of and interest on the Obligations in an aggregate principal amount not exceeding at any time $15,615,000, which Obligations are to be issued to finance and/or refinance the Project, on such terms and conditions as may be agreed to by and between the County and the Authority and as are reflected in this guaranty and in the guaranty certificate on the face of each Obligation. Upon the endorsement of the Obligations referred to in Section 3 below, the County shall be fully,
unconditionally and irrevocably obligated to pay the principal of and interest on the Obligations in the same manner and to the same extent as in the case of Obligations issued by the County, and, accordingly, the County shall be unconditionally and irrevocably obligated to levy ad valorem taxes upon all the taxable property within the County for the payment thereof, without limitation as to rate or amount, when required under the provisions of applicable law. This full, unconditional and irrevocable guaranty of the County effected hereby to pay the principal of and interest on the Obligations when due, in accordance with the terms hereof, shall not be abrogated for any reason. Any Obligations which are no longer considered outstanding under the Note Resolution shall not be counted for the purpose of $15,615,000 limitation contained in this guaranty.

Section 3. The Freeholder-Director, Deputy Freeholder-Director or Director of Finance of the County shall, by manual or facsimile signature, execute an endorsement on each of the Obligations evidencing this guaranty by the County as to the punctual payment of the principal thereof and interest thereon. The endorsement on each Obligation shall be in substantially the following form, and absent the fully executed endorsement in such form on any such Obligation, such Obligation shall not be entitled to the benefits of this guaranty:

GUARANTY BY THE COUNTY OF PASSAIC, NEW JERSEY

The payment of the principal of and interest on the within note according to its terms is hereby fully and unconditionally guaranteed by the County of Passaic, New Jersey for as long as such note is outstanding under the Passaic County Improvement Authority's 2018 Governmental Loan Revenue Note Resolution (City of Paterson Project).

IN WITNESS WHEREOF, the County of Passaic, New Jersey, has caused this guaranty to be executed by the signature of its Freeholder-Director, Deputy Freeholder-Director or Director of Finance.

COUNTY OF PASSAIC, NEW JERSEY

By: ____________________________
Freeholder-Director,
Deputy Freeholder-Director
or Director of Finance

The Freeholder-Director, Deputy Freeholder-Director or Director of Finance is hereby further authorized to execute such other certificates or agreements relating to this guaranty that may be required by the Authority to comply with the terms of the financing documents relating to the Obligations, including, without limitation, (i) any agreements or certificates detailing the time and method that payment under this guaranty shall be made by the County, (ii) any letters of representations or similar undertakings to be executed in connection with the sale of the Obligations, setting forth certain representations, warranties and covenants of the County as an inducement to the purchase of the Obligations, (iii) any certificates deeming "final" (for the purposes of Rule 15c2-12 of the U.S. Securities and Exchange Commission) any Preliminary or final Official Statements of the Authority in connection with the Obligations, and (iv) any note
purchase agreement or continuing disclosure agreement executed in connection with the sale of
the Obligations. Such further agreements or certificates shall not abrogate the County's
responsibilities hereunder.

The Freeholder-Director, Deputy Freeholder-Director or Director of Finance is hereby
further authorized to execute one or more continuing disclosure agreement(s) or other
instrument(s) undertaking the secondary disclosure obligations of the County required by Rule
15c2-12 of the United States Securities and Exchange Commission in connection with the
issuance of any Obligations by the Authority.

Section 4. It is hereby found, determined and declared by the governing body of the
County that:

(a) This guaranty may be adopted notwithstanding any statutory debt or other
limitations, including particularly any limitation or requirement under or pursuant to the Local
Bond Law, but the aggregate principal amount of the Obligations that shall be entitled to the
benefits of this guaranty, being an amount not to exceed $15,615,000 outstanding at any time,
shall after their issuance be included in the gross debt of the County for the purpose of
determining the indebtedness of the County under or pursuant to the Local Bond Law.

(b) The principal amount of Obligations entitled to the benefits of this
guaranty and included in the gross debt of the County shall be deducted, and is hereby declared
to be and to constitute a deduction, from such gross debt under and for all the purposes of the
Local Bond Law (i) from and after the time of issuance of the Obligations until the end of the
fiscal year beginning next after the completion of the acquisition or construction of the project to
be financed from the proceeds of the Obligations, and (ii) in any annual debt statement filed
pursuant to the Local Bond Law as of the end of said fiscal year or any subsequent fiscal year, if
the revenues or other receipts or moneys of the Authority in such fiscal year are sufficient to pay
its expenses of operation and maintenance in such fiscal year and all amounts payable in such
fiscal year on account of the principal of and interest on all such guaranteed Obligations, all
Obligations of the County issued as provided in Section 36 of the Act (N.J.S.A. 40:37A-79), and
all Obligations of the Authority issued under the Act.

Section 5. The following matters are hereby determined, declared, recited and stated:

(a) The maximum outstanding principal amount of Obligations of the
Authority that are hereby and hereunder guaranteed as to the punctual payment of the principal
thereof and interest thereon at any time is $15,615,000.

(b) The purpose described in this guaranty is not a current expense of the
County, and no part of the cost thereof has been or shall be assessed on property specially
benefited thereby.

(c) A supplemental debt statement of the County has been duly made and
filed in the office of the Clerk of the Board, and a complete executed duplicate thereof has been
filed in the office of the Director of the Division of Local Government Services in the
Department of Community Affairs of the State, and such debt statement shows that while the
gross debt of the County, as defined in the Local Bond Law, is increased by this guaranty by
$15,615,000, in accordance with the provisions of the Act, the net debt of the County is not increased, and the obligation of the County authorized by or incurred pursuant to the terms of this guaranty is permitted by an exception to the debt limitations of the Local Bond Law, which exception is contained in the Act.

(d) All other items to be contained in a bond ordinance adopted pursuant to the Local Bond Law are hereby determined to be inapplicable to the County's guaranty of the Obligations hereby.

Section 6. This guaranty shall take effect at the time and in the manner provided by law.
ENERGY SAVINGS OBLIGATION REFUNDING BOND ORDINANCE OF THE COUNTY OF PASSAIC, NEW JERSEY, PROVIDING FOR ENERGY CONSERVATION IMPROVEMENTS, APPROPRIATING NOT TO EXCEED $12,300,000 THEREFOR AND AUTHORIZING THE ISSUANCE OF NOT TO EXCEED $12,300,000 ENERGY SAVINGS OBLIGATION REFUNDING BONDS TO PROVIDE FOR SUCH IMPROVEMENTS.

WHEREAS, the County of Passaic, New Jersey (the "County") decided to investigate implementation of an energy savings improvement program and hired the firm of Concord Engineering Group ("Concord") to conduct energy audits of County facilities, and Concord conducted the audits and delivered to the County energy audit reports; and

WHEREAS, the County determined to utilize competitive contracting pursuant to N.J.S.A. 40A:11-4.6 et seq. for the selection of an energy savings company ("ESCO") to assist the County with the development and implementation of an energy savings plan; and

WHEREAS, the County hired Honeywell International Inc. ("Honeywell") to serve as its ESCO in accordance with the competitive contracting process, and Honeywell has worked with the County to develop an energy savings plan; and

WHEREAS, the County hired T&M Associates ("T&M") to verify the energy savings to be realized through the energy savings plan, and T&M issued a report, verifying the savings; and

WHEREAS, the energy savings plan and verification report were submitted to the Board of Public Utilities Office of Clean Energy (the "BPU") for their review; and BPU reviewed and approved the energy savings plan; and
WHEREAS, by resolution adopted on July 17, 2018, the County approved the energy savings plan, and the energy savings plan was posted on the County’s website and submitted to the BPU for posting on its website; and

WHEREAS the County has determined that the energy savings generated from reduced energy use from the energy savings improvement program will be sufficient to cover the cost of the energy savings improvement program’s energy conservation measures set forth in the energy savings plan, and, therefore, has determined to implement the energy savings plan pursuant to N.J.S.A. 40A:11-4.6 and to finance the energy savings improvement program through the issuance of energy savings obligations authorized as refunding bonds pursuant to N.J.S.A. 40A:4.6(c)(3) and N.J.S.A. 40A:2-52 et seq., now therefore,

BE IT ORDAINED BY THE BOARD OF CHOSEN FREEHOLDERS OF THE COUNTY OF PASSAIC, NEW JERSEY (not less than two-thirds of all members thereof affirmatively concurring) AS FOLLOWS:

Section 1. The County is hereby authorized to provide for energy conservation measures described in its approved energy savings plan and related work.

Section 2. In order to finance the cost of the improvements described in Section 1 hereof, negotiable energy savings obligation refunding bonds (the "Bonds") are hereby authorized to be issued, in one or more series, in the aggregate principal amount not to exceed $12,300,000 pursuant to N.J.S.A. 40A:4.6(c)(3) and N.J.S.A. 40A:2-52 et seq.

Section 3. An aggregate amount not exceeding $300,000 for items of expense listed in and permitted under N.J.S.A. 40A:2-53(a) has been included in the aggregate principal amount of Bonds authorized herein.
Section 4. A supplemental debt statement required by the Local Bond Law has been duly prepared and filed in the offices of the Clerk to the Board of Chosen Freeholders of the County and a complete executed duplicate thereof has been filed in the office of the Director of the Division of Local Government Services in the Department of Community Affairs of the State of New Jersey as required by law. Such statement shows that the gross debt of the County as defined in the Local Bond Law is increased by the amount of the Bond authorization set forth herein, and that an amount representing the principal amount of the Bonds authorized herein will be deductible from gross debt. The Bonds authorized herein will be within all debt limitations prescribed by the Local Bond Law.

Section 5. A certified copy of this energy savings obligation refunding bond ordinance as adopted on first reading has been filed with the Director of the Division of Local Government Services in the Department of Community Affairs of the State of New Jersey prior to final adoption, together with a complete statement in the form prescribed by the Director and signed by the Director of Finance of the County as to the indebtedness to be financed by the issuance of the Bonds authorized herein.

Section 6. The Freeholder Director, the Director of Finance, the County Administrator, the Clerk to the Board of Chosen Freeholders and other appropriate representatives of the County are hereby authorized to prepare such documents, to publish such notices and to take such other actions as are necessary or desirable to enable the County to prepare for the sale and the issuance of the Bonds authorized herein.

Section 7. This energy savings obligation refunding bond ordinance shall take effect immediately after final adoption and endorsement of the consent of the Local Finance Board.
upon a certified copy of this energy savings obligation refunding bond ordinance as finally adopted.
