RE:   Additional Parking Spaces at the Center City Mall

Dear Mr. Perez:

As you know, on May 15, 2015 the County of Passaic (hereafter "County") and the Paterson Parking Authority (hereafter "PPA") executed an agreement with respect to parking spaces leased by the County at PPA sites in the City of Paterson. In recitation of our phone conversation last week, the County seeks to add additional spaces for employees of the Division of Weatherization and Home Energy under the following terms and as an addendum to the aforementioned lease:

1. Eight (8) spaces at the Center City Mall Parking Garage located at 301 Main Street, Paterson, New Jersey 07505;
2. The County shall remit payment in the amount of one hundred dollars ($100.00) per space, for a total of eight hundred dollars ($800.00) per monthly invoice;
3. The addendum shall take effect March 1, 2017;
4. The PPA shall direct invoices to Sam Yodice, Director, Passaic County Division of Weatherization and Home Energy, 930 Riverview Drive, Suite 250, Totowa, New Jersey 07512;
5. If feasible, the PPA shall reserve the eight (8) spaces for exclusive use by the County employees; and
6. This addendum to the PPA and County’s original lease shall terminate concurrently on May 31, 2018.

This matter was approved by the Board’s Finance and Administration Committee on January 25, 2017 and will be presented to the full Board for ratification on February 14, 2017. If the terms set forth herein are acceptable, please execute in the space indicated below and return to my attention. Thank-you as always for your cooperation and continued friendship to the County.

Sincerely,

Dated: February 15, 2017
AMENDED
RESOLUTION IN OPPOSITION TO THE EXECUTIVE ORDER ISSUED BY THE PRESIDENT OF THE UNITED STATES ON JANUARY 27, 2017 AND RE-AFFIRMING PASSAIC COUNTY’S COMMITMENT TO BE A PLACE WHERE ALL ARE WELCOME

WHEREAS the County of Passaic is proud to be a community where immigrants from all ethnic and religious backgrounds are welcomed and embraced for helping to build our rich history and bright future; and

WHEREAS the Board of Chosen Freeholders of the County of Passaic adopted a resolution on November 24, 2015, acknowledging the nation’s long-standing tradition and policy of welcoming immigrants and refugees, and reaffirming the County's historic and moral mandate to remain a place where all are welcome and where those fleeing persecution may find safe refuge; and

WHEREAS the County of Passaic remains committed to upholding these principles, despite the Executive Order signed on January 27, 2017 by the President of the United States; and

WHEREAS multiple Federal Courts have since halted enforcement of the Order in response to constitutional challenges against its over-broad, discriminatory, negative impact on the families of United States citizens and residents, as well as professionals, students, and visitors from predominantly Muslim countries; and

WHEREAS the Constitution of the United States acknowledges the supremacy of the federal government in the
field of foreign affairs, including power over immigration, naturalization, and deportation; and

WHEREAS the Immigration and Nationality Act of 1965 banned all discrimination against immigrants on the basis of national origin, in order to eliminate prejudice and bias from the immigration process and to ensure equal access to immigration for all countries; and

WHEREAS the Refugee Act of 1980 declared it to be "the historic policy of the United States to respond to the urgent needs of persons subject to persecution in their homelands" and gave the President the power to respond to an "unforeseen emergency refugee situation" such as one involving "grave humanitarian concerns"; and

WHEREAS the United States already implements strict, intensive national security vetting procedures for international visa applicants, visa holders, and prospective refugees and asylees, and these procedures can be reviewed and improved without imposing a categorical travel ban which discriminates against people based on national origin, promotes prejudice against Muslims, and runs contrary to the national interests and humanitarian commitments of the United States; and

WHEREAS the County of Passaic embraces the diversity of all of its residents and its commitment to protecting the rights of all people to be treated with dignity and humanity; and

WHEREAS the so-called “ban” contained in the President’s Executive Order shall not deter the efforts the County of Passaic
has made and shall continue to make to be an inclusive public
entity dedicated to the founding principles of this nation that we
accept all those who wish to join and participate in the American
endeavor here, be they weary, tired, or poor, and whatever their
race, creed, religion, or national origin; and

WHEREAS it is the duty of all free people, including this
Board, to be advocates for the increase of liberty and against
discrimination which is at odds the best ideals our great nation;

NOW THEREFORE BE IT RESOLVED, in recognition of our
common humanity, and of the many communities of faith and
common interest in Passaic County who may have been
negatively affected by the President’s Executive Order on
immigration, Passaic County reaffirms its commitment to stand
with all people and shall voice opposition against any attempt to
discriminate against community members based on, inter alia,
religious affiliation or national origin; and

BE IT FURTHER RESOLVED that the County of Passaic
Board of Chosen Freeholders calls upon the President of the
United States to immediately revoke his January 27, 2017
Executive Order, as it appears biased in its application, may
weaken our national security, and is at odds with the American
principles of malice towards none but charity and opportunity for
all; and

BE IT FURTHER RESOLVED that the County of Passaic
urges its departments, local businesses, and charitable
organizations to work with those organizations, where possible,
that lawfully advocate for the rights of immigrants and refugees or provide support for immigrant and refugee families in Passaic County; and

**BE IT FURTHER RESOLVED** that the Clerk of the Board is hereby instructed to convey copies of this Resolution to the offices of the President of the United States, the Governor of the State of New Jersey, the fourteen members of New Jersey’s Congressional Delegation, and the 20 other Freeholder Boards in the State of New Jersey.

Re: RFP-15-013 Inmate Telephone System for the Passaic County Jail

I am recommending that RFP-15-013 be cancelled, as the RFP specifications need to be substantially revised to comply with recently enacted New Jersey Law (P.L. 2016, chapter 37), as well as the FCC’s November 2015 Order, regarding call rates, deposit fees, and commissions.

Feel free to contact me with any questions or concerns.

Willowbrook Mall
GENERAL POLICY
FOR PUBLIC COMMUNICATION ACTIVITY

Willowbrook ("Mall") is an important part of this community. We invite members of the community to shop at our Mall and to take advantage of the merchandise and services offered at our Mall. We also respect the rights of the public to access our private Mall property to engage in certain Public Communication Activity in accordance with applicable law.

Our merchants pay rent for the opportunity to do business at the Mall, and we work hard to provide a positive environment for our shoppers and merchants. The Mall is private property. Your presence at the Mall, whether as a shopper or as a member of the public wishing to engage in certain expressive activities as required by applicable law, is welcome, provided that you recognize and respect our right to maintain a clean, orderly, pleasant, peaceful, family-friendly and harassment-free environment for everyone at the Mall. Please be advised that we will not permit our shoppers or merchants to be harassed or pressured, and that we will not permit the business activities that are the purpose of the Mall to be interrupted or disturbed. To assure that these conditions are maintained by all, we have adopted rules and regulations and an application procedure for obtaining a permit in accordance with applicable law to be followed by groups or individuals desiring access to the Mall's private property to engage in public communication activities. It is very important that you carefully read our rules and regulations and follow the application procedures for obtaining a permit, and that you comply with them at all times.

The Community Table or appropriate space(s) within the Mall ("Community Area(s)") will be made available only for the activities specifically permitted, and only when used pursuant to our rules and regulations. Individuals and groups may not use the Community Area(s) for any purpose other than "Public Communication Activity," i.e. soliciting signatures for petition or referendum, or discussion with shoppers that necessarily accompanies similar activity. You may not use any other portion of the Mall for Public Communication Activity, or for any other activity not authorized by the Mall. Permission to use the Community Area(s) for Public Communication Activity should not be construed as a waiver of any of the rights or restrictions, as an authorization to engage in any communication with the public or any other activity not stated in the permit and registration form, or as an endorsement by the Center or its merchants of the position taken by your group.

The Application Form must be submitted to the Management Office at the Mall no less than two weeks prior to the desired date. Subject to availability, certain areas of the Mall will be reserved for members of the public who have been granted a permit to engage in Community activity on a first-come, first-served basis. The fourteen day requirement may be waived on a case-by-case basis due to unusual circumstances. If a group or individual wishes to be considered for such a waiver, it should attach to the application an explanation of why its application should be expedited and not subject to the two week policy.

WILLOWBROOK MALL
COMMUNITY AREA RULES AND REGULATIONS

PLEASE DETACH AND KEEP FOR YOUR FILES AND INFORMATION.

These rules are promulgated in accordance with applicable law and will govern your use of our property, Willowbrook Mall owned and managed by General Growth Properties, Inc. ("Mall"), for the purposes defined in Rule 1 below. In these rules, the words "you," "your" and "yours" refer to people engaging or desiring to engage in the type of activity described in Rule 1. The words "we," "our" and "us" refer to the Mall and the management of the Mall. The purpose of these rules is to reasonably regulate the time, place and manner of the activity defined in Rule 1 below at the Mall for the benefit of all of our patrons and merchants. These rules shall not be construed to permit you to use any portion of the Mall for Public Communication Activity other than as defined in Rule 1 below under the terms and conditions set forth in the Rules and Regulations.

1. **Permitted Activity.** The Community Area(s) may be used by individuals or groups granted a permit to carry out Public Communication Activity on a specified date and time in (a) specified area(s) of the Mall. No Public Communication Activity may be carried out in any area of the Mall other than (the) designated Community Area(s), or without a permit issued pursuant to the Mall's policies. For purposes of these rules and regulations, "Public Communication Activity" is defined as the handing of written materials such as leaflets, handbills, or pamphlets regarding causes, candidates or parties to shoppers, the solicitation of signatures for petition or referendum, and verbal communication with shoppers that necessarily accompanies the same. The speech may only be conducted at a normal volume and in a normal tone of voice to attract passersby to the cause and to the fact that leaflets or petitions are available. Shoppers must approach the Community Table and request information. They are not to be actively solicited. No other form of Public Communication Activity will be permitted.

2. **Registration Required.** Before engaging in Public Communication Activity, you must register with Mall management office by timely submitting an Application Form, and obtaining a permit from the Mall approving your application.

3. **Location Restrictions.** You may not use any other part of the Mall other than the designated Community Area(s) specified on your permit, either indoors or outdoors, for Public Communication Activity.

4. **Harassment and Following Prohibited.** You are not permitted to actively approach, follow, pressure, harass or pester shoppers in any way. You must respect a shopper's decision to decline leaflets, to refuse approaching the Community Area(s) or to not be interested in hearing the message you seek to convey. You must not interfere with or impede the free flow of traffic and free passage of shoppers and other persons through the Mall.
5. **Non-Commercial Purposes.** You may not use the Community Area(s), or any other portion of the Mall, for any commercial purpose, including the sale of goods or services, the sale of literature, whether or not that sale is conducted for profit, or for communication to the effect that shoppers should not patronize the Mall or its merchants. The distribution of literature containing a request for contributions to a nonprofit organization is permitted. To ensure compliance with this rule, the Mall reserves the right to view materials to be distributed before you are granted a permit to use the Community Area. On-site solicitation of funds will only be permitted for bona fide non-profit organizations with the manager’s written permission, and will not be permitted if it interferes with the commercial activities of the Mall or its merchants.

6. **Orderly Activities Only. No Interference.** You may not interfere with the Mall’s business, or the business of any of the Mall’s merchants. You must communicate only in a normal tone of voice. You may not speak from a soapbox or other raised platforms. You may not give speeches, carry placards, or conduct pickets, parades or demonstrations. You may not have any type of visual display other than the identification sign referenced below. You may not use amplification equipment of any kind, musical instruments, tape or video recorders or players, other devices for the production, reproduction or broadcast of sound or images, or other types of electrical or mechanical equipment. You may not engage in physical force, obscene language or gestures, physical or verbal threats or fighting, or create any disturbance that is disruptive of the Center, its business or its patrons. You must conduct yourself in an orderly manner. No eating or drinking is permitted within the Community Area.

7. **Materials.** No written materials or signs shall be permitted if they interfere with the commercial purpose of the Mall or its merchants, or contain or depict “fighting words,” obscenities, highly inflammatory slogans likely to provoke a disturbance, or racial, religious, or ethnic slurs, all of which would be harmful to our commercial interests and those of our merchants.

8. **Signs.** Signs may only be used for identification of the group or its cause in textual format. Pictures or physical displays are discouraged. You may use one identification sign measuring 8.5 x 11" which shall be placed in the sign holder. You shall not use nails, screw-in hooks, thumbtacks or scotch tape on any surfaces. Repair or replacement of damaged areas will be at your expense. We require that the sign you use be either professionally made or professional in appearance. The content of any signs must comply with Rule 7 and be stated in the Application Form for review prior to a permit being granted.

9. **Insurance.** We require that all users of the Community Areas carry liability insurance coverage that provides appropriate limits (e.g., up to $1,000,000.00) to cover injuries caused by you, the other person(s) named above or anyone you permit to use the Community Area(s) and that lists the following as additional insured:
Willowbrook Mall, LLC, General Growth Properties, Inc., GGP Limited Partnership and their Directors, Officers, Direct and Indirect Members, Partners, Employees, Agents, Subsidiaries and Affiliates, as previously, currently or hereafter exist as their ownership interest may appear harmless from and against any and all claims, damages, actions, liability, loss of life, and expenses caused by you, the other person(s) named above or anyone you permit to use the Community Area.

Please ensure the certificate of liability insurance includes the wording, “This insurance is primary, non-contributory and not excess.” You must provide the Mall manager with a valid certificate of insurance reflecting this coverage prior to your use of the Community Area(s). If you do not have, or are unable to obtain an insurance policy, the Mall will provide you with an application for insurance coverage issued by the insurance company that insures the Mall. We cannot guarantee that you will be accepted for the insurance coverage, which is issued at the discretion of the insurance company.

10. **Availability.** The Community Area(s) are available only on the dates and times specified in the permit issued by the Mall. Applications to use the Community Area(s) may be made up to three months in advance, and must be made at least seven days before the proposed date for use of the area(s). The Community Area(s) are available only during the Mall’s normal business hours. Use of the Community Area(s) by a particular individual or group is generally limited to two days per calendar quarter. You may request up to four days per quarter by providing a statement which sets forth the need for such extended access to the Community Areas.

11. **Peak Traffic Days.** Because of increased demands on space in the Mall during the Christmas season and related safety considerations, Community Area(s) are not available between November 1st and January 2nd.

12. **Nonassignable.** Only the individual or group that fills out the Application Form and is issued a permit may use the Community Area(s). You have no right whatsoever to assign the permit to any other individual or group. A competent, responsible adult must be designated as on-site supervisor and will at all times be in direct control of the activity. The identity of this person must be made known to the Mall’s management office prior to commencement of the activity. The persons who will be permitted to engage in the Public Communication Activity will be limited to the persons listed on the Application Form and as authorized on the permit.

13. **Denial or Revocation of Permit.** We reserve the right to decline your request to use the Community Area, or to revoke your permit to use the Community Area without prior notice, if the activity either as planned, or as carried out: (a) is other than Public Communication Activity as defined in Rule 1; (b) is or will be carried...
out in a noisy, disorderly or inflammatory manner as opposed to a neat, orderly and courteous manner; (c) threatens to (I) interfere with the conduct of business or the customary uses of the property, either by its form, its size, its location or its timing (e.g., coinciding with peak business hours or days); (II) impedes the movement of customers or tenants; or (III) blocks access to facilities and businesses; (d) the manner of presentation is confrontational to a degree that it probably will create a disturbance; (e) threatens personal safety, in that it blocks the flow of traffic or creates a hazardous degree of congestion; or (f) fails to conform to these Rules and Regulations in any other respect. If you are issued a permit, which is revoked for any of the foregoing reasons, we reserve the right to refuse to issue a new permit to you or your group.

Ordinance of the City of Paterson, N.J.

No. 25, 1st Reading, No. 36-300

Title: Ordinance Establishing No Parking Zones on East 33rd Street at 14th Avenue

WHEREAS, the accident history has shown a remarkably high traffic crash rate at the intersection of East 33rd Street and 14th Avenue; and

WHEREAS, the analysis of the accident record and the field geometrical investigation prove that the limited sight distance, due to parked vehicles on East 33rd Street at or close to the corner at 14th Avenue, is a major factor to the high crash rate; and

WHEREAS, in order to improve the sight distance for better traffic safety at the intersection, it is necessary to prohibit parking on the East 33rd Street side of the left corner for both 14th Avenue approaches; and

WHEREAS, N.J.S.A. 39:4-197(1)(f) authorizes a municipality to enact an ordinance regulating street parking; and

WHEREAS, the proposed no parking zones will not create any major adverse impact on the existing traffic on East 33rd Street, and therefore is so recommended by the City Traffic Engineer.

NOW, THEREFORE, BE IT ORDAINED BY THE MUNICIPAL COUNCIL OF THE CITY OF PATERSON as follows:

SECTION 1. No person shall park a vehicle at any time upon any of the following streets or parts of streets described:

<tr>

SECTION 3. The Director of the Department of Public Works or the Director's designee is hereby directed to erect and maintain the regulatory signs as required by law, and the effectiveness of this Ordinance is contingent upon such signs being erected.

Copies of the Paterson Code, but non-codification shall in no way affect the validity of the Ordinance.

SECTION 8. The City Clerk and the Corporation Counsel may change any chapter numbers, article numbers and section numbers if codification of this Ordinance reveals a conflict between those numbers and the existing Code, in order to avoid confusion and possible accidental repeaters of existing provisions.

SECTION 9. The City Clerk and the Corporation Counsel may correct any clerical errors in the printing, publication and codification of this Ordinance, provided the correction be made and both certify in writing to the Municipal Council as to the specifics of the clerical correction no later than seven (7) days before the correction is made, or, where a legal deadline for publication applies, no later than the date of the next Regular Meeting. The said certifications shall also be prominently posted no later than the date of the next regular meeting, and thereafter shall be annexed to the corrected original Ordinance retained by the City Clerk.

This is to advise that in my capacity as county administrator of the County of Passaic, I authorized the immediate award of a contract to Silva Mechanical Services, Inc., for the replacement of a boiler at Lambert Castle at Garret Mountain Reservation in Paterson.

Taking into consideration of the imminent colder weather and extreme conditions as the winter months are currently upon us, it is necessary to replace the boiler to prevent any waterlines throughout the building from freezing. Attached, please find a copy of a memorandum from Jack Nigro, Superintendent of Buildings and Grounds, addressing this very issue.

In preparation for continuing efforts and to keep the lines from freezing at the Lambert Castle and given the urgent need for these services, I hereby authorized the immediate award of contract to Silva Mechanical Services, Inc. at 171 Midland Avenue, Kearny, NJ, in the amount of $34,438.21 for an emergency replacement of a Boiler at Lambert Castle.

Dear Mr. DeNova,

On January 17, 2017, I was called at Lambert Castle, due to lack of heat. Upon arrival, I found the boiler with a hole and water was pouring out. Shutting off all supply lines and electrical lines was needed. I contacted Silva Mechanical to survey the situation and what was needed. They found that the boiler was irreparable. They quote us for a new boiler. Attached is the invoice for the new boiler. This was an emergency, due to the fact that no heat without prolonged time. The water pipes throughout the building would freeze and staff could not occupy the facility.

AWARD OF CONSTRUCTION SERVICES FOR CADDY SHACK

Dear Members of the Board:

Passaic County requested a proposal under the Middlesex Regional Education Services Commission Co-op (MRESC) from the consultant The Gordion Group Inc. for renovation and new construction of the golf course caddy shack. The caddy shack will become a pro shop, check-in for golfers and an office for the pro-shop manager.

As per the work to be performed as per the Final Scope of Work and the Price Proposal dated 2/9/2017, and as per the terms and conditions of JOC Contract No MRESC 14/15-19 GCI, the estimated cost of the work is $149,947.28. The contractor listed to perform the work under the proposal is Lighton Industries, Inc.

This matter was discussed during the Public Works Committee meeting on January 30, 2016, and an award of contract for $149,947.28 to the Lighton Industries is recommended to the full Board.

Based upon the above, this Office recommends that the Board of Chosen Freeholders adopt a Resolution awarding a contract to Lighton Industries in the amount of $149,947.28 for the renovation and new construction of the golf course caddy shack at Preakness Valley Park subject to the availability of funds.
