RESOLUTION OUTLINING PROCEDURE TO BE FOLLOWED WHEN
HIRING OF OUTSIDE COUNSEL IS NECESSARY AND SPECIFYING
NEW HOURLY RATE FOR OUTSIDE COUNSEL

WHEREAS from time to time it is necessary, because of
conflicts and the County of Passaic’s Employee Indemnification
Policy, for County of Passaic Constitutional and Statutory Officers as
well as Department Heads, to hire outside counsel at the expense of
the County of Passaic; and

WHEREAS the Board of Chosen Freeholders of the County of
Passaic believes that at this time it would be appropriate to outline
the procedure to be followed when the hiring of outside counsel is
necessary and specify a new hourly rate for outside counsel from
$120.00 per hour to $150.00 per hour; and

WHEREAS all such requests shall be forwarded to the Office of
the Passaic County Counsel outlining the need for outside counsel,
the attorney who is being considered to be retained and, if the hourly
rate is different than the $150.00 per hour rate (set forth in this
Resolution), why that should be permitted; and

WHEREAS that request shall then be transmitted with the
comments and recommendation of the County Counsel or his
designee, to the appropriate Freeholder standing committee who
shall have the authority to agree, modify or reject the request; and

WHEREAS that Freeholder standing committee will then
instruct the Office of the County Counsel whether or not the request
should be referred to the full Board to authorize the hiring of that
counsel by way of a Resolution; and

WHEREAS this procedure, including the increase of
compensation to $150.00 per hour, was reviewed by the Freeholder
Committee for Finance and Administration at its June 14, 2017 meeting at which time it was recommended to the full Board for approval.

**NOW THEREFORE BE IT RESOLVED** by the Board of Chosen Freeholders of the County of Passaic that it hereby authorizes the above-referenced procedure for the hiring of outside counsel for all Constitutional and Statutory Officers of the County of Passaic and Department Heads of the County of Passaic.

**BE IT FURTHER RESOLVED** that this procedure shall not apply to those employees of the County of Passaic who may hire counsel pursuant to the County of Passaic's Indemnification Policy wherein an employee can retain counsel of their choice as long as that counsel agrees to abide by the hourly rate set forth herein.

**BE IT FURTHER RESOLVED** that effective July 1, 2017 the hourly rate for outside counsel employed by the County of Passaic shall be increased from $120.00 per hour to $150.00 per hour.

Hi Mr. Pascrell:

I am pleased to announce that Mobile Diagnostic Services is combining with MobilexUSA, the pre-eminent provider of portable x-ray services in the United States.

All of the MDS x-ray and ultrasound techs will continue to service the MDS accounts and the MDS Account Executive, Beth Zeccola, and myself will be joining MobilexUSA.

The combination of MDS and Mobilex will create a company with greater resources, staffing and the latest technology and equipment. The turn-around-time on completed reports will be faster. So, we are excited about this opportunity.

We wish to continue to provide our services to Preakness Healthcare Center. I spoke with Lucinda Corrado at the facility and she, having worked with both companies and being satisfied with both companies, is willing to have MobilexUSA fulfill the remainder of our contract. There will be no change in pricing.

The County may have to consent to the assignment of our contract to MobilexUSA. Attached is a form that the attorneys have furnished.

It would be great if we can get the paperwork entailed in allowing the assumption of our contract by MobilexUSA signed off on quickly. MobilexUSA is scheduled to takeover the MDS accounts on Monday February 1, 2016.

Let me know if you need anything additional from me.

Thank you for your assistance.

Re: Content to Assignment of that certain ______________________ agreement, between Mobile Diagnostic Services, Inc. ("MDS"), and ______________________ as amended, restated, or supplemented from time to time (the "Agreement").

Dear Mr. Pastrell:

Thank you for choosing MDS to be your provider of X-ray, ultrasound, EKG, and related services.

We are pleased to announce that MDS anticipates consummating a transaction with Symphony Diagnostic Services No. 1, LLC, a California limited liability company, and American Diagnostics Services, Inc., a Pennsylvania corporation (collectively, "Trident"), pursuant to which MDS will sell to Trident substantially all of its assets, including, without limitation, the Agreement (the "Transaction"). The parties are currently working towards consummating the Transaction on or about February 1, 2016 (the "Closing Date"), at which time MDS will assign all of its right, title and interest in and to the Agreement to Trident, and Trident will assume the obligations of MDS under the Agreement (the "Assignment").

MDS and Trident will ensure a smooth transition with no lapse in providing the high quality services that you have come to expect from MDS. Accordingly, we are requesting your consent to the Assignment. By signing below, you hereby consent to the Assignment, and agree that the Agreement will remain in full force and effect, in accordance with its terms, following the Assignment.

We would appreciate receiving your signed consent as soon as possible, but no later than January 29, 2016. If you have any questions regarding this letter, please do not hesitate to contact me at [_____] or [email]. Thank you in advance for your prompt attention to this request.

Sincerely,

Dear Mr. Best:

The enclosed Notice of Obligation (NOO) is to revise your Workforce Development Area funding authority for WorkFirst New Jersey for State Fiscal Year (SFY) 2016 (July 1, 2015 through June 30, 2016). The NOO’s dated June 12, 2015 and July 29, 2016 that allocated these funds required that the funds must be fully obligated by September 30, 2016 and liquidated by December 31, 2016. Upon review of the financial records, your Workforce Development Area has an unexpended balance of $166,413 for SFY 2016. Therefore, these funds are being rescinded. Please incorporate this rescission into the next modification to your Program Year 2015 Workforce Development Area Contract.

If you have any questions regarding the issuance of this NOO, please contact Assistant Commissioner Patricia Moran, Ph.D., Workforce Development, at 609-984-9414. For program questions, please contact Donald Forsythe, Chief, Employment and Training, at 609-292-2246.

Sincerely,

Aaron R. Fichtner, Ph.D.

Further college and career trainings are offered through the One Stop System.

4. List any past experience in workforce development, economic development (e.g. Workforce Development Board membership, youth employment/training committees).

Re:  Non-Fair & Open Resolution request

At the Public Works meeting held on Monday, October 17, 2016, a Non-Fair & Open Resolution request was approved to repair a Versa Lift aerial unit. The truck was taken to Aerial-Rise LLC for what we thought was a simple repair. Aerial-Rise LLC disassembled the unit in order to determine the issues and repairs needed. The repairs turned out to be much more involved and costly than expected.

In order to reassemble the truck so we can get multiple quotes Aerial Rise gave us an estimate of $9,600.00. We therefore determined this not to be cost effective. Aerial-Rise LLC has agreed to perform the job and be the sole payee. Repairs will require shipping the upper boom to the Manufacture in Texas:  
- Repairs via Aerial-Rise LLC: $13,287.14
- Repairs via factory: $4600
- Shipping to and from Texas (factory) is $1536 ($768 each way).
Total Repair Amount $19,423.14

SkyLift, Inc. 3000 Leavitt Road Unit 6 Lorain, Ohio 44052 sent estimate of $15,341.23 without seeing the truck.

Dear Fireworks Proponent:

Thank you for informing us of your proposed fireworks display.

Although there are currently no federal regulations specific to fireworks displays, the Federal Aviation Administration (FAA) has been tasked with regulating the safe and efficient use of the navigable airspace (49 U.S.C. § 40103). In recognition of this role in promoting aviation safety, many jurisdictions require notice to the FAA as a condition of approval of a fireworks permit.

We acknowledge your notification and have no objection to the fireworks display provided it is conducted in a manner that does not create a hazard to other persons, or their property.

To enhance the safety of your event, we recommend the following actions:

- Fireworks staff should remain vigilant to ensure that no aircraft are in the area prior to beginning the fireworks display.

- If your event is within 5 miles of a public use airport, or if the display will exceed 500 feet Above Ground Level (AGL), contact Lockheed Martin Flight Service at 1-877-4-US-NTMS (1-877-487-6867) at least 24 hours (but not more than 72 hours) in advance to request a Notice to Airmen (NOTAM). You will need to provide the following information:
  - Name and address of the person filing the NOTAM
  - Date, time(s), and event location (City, State, and location in reference to the airport)
  - Maximum altitude of the display

This letter should not be construed as superseding or invalidating any existing rules or regulations promulgated by any other federal, state, county, or municipal government which may be required for this display.

If you have any questions regarding this information, please contact our office at (404) 305-3570 or 9-ATO-EOS-OG-Fireworks@faa.gov.

RE: Edward Byrne Memorial Justice Assistance Grant (JAG) Program
Megan’s Law and Local Law Enforcement Assistance
Grant Number: JAG 1-16-16

Dear Prosecutor Valdes:

The Division of Criminal Justice is accepting grant applications for the Edward Byrne Memorial Justice Assistance Grant (JAG) Program. The State’s plan has included funding to continue the Megan’s Law and Local Law Enforcement Assistance program. Funds can be used for assistance with Megan’s Law cases or for law enforcement purposes such as hiring and training of additional law enforcement and support personnel, overtime expenses, and procuring equipment and technology.

Your federal subgrant will be in the amount of $26,534 and is scheduled to run for 12 months, from 7/01/17 through 6/30/18. Please refer to the Program Guidelines regarding the allocation of salary and fringe benefits on the budget detail form. Approval for expenditures for the grant cannot be authorized until a fully executed subgrant award/contract is completed. All required reports for your previous grant must be current and on file with the Division’s Program Development Section prior to the start of your continuation grant.

A JAG application package has been emailed to Todd Stanley. Please ensure that all items on the application checklist are completed prior to submitting your application. The completed application should be submitted to the Program Development Section by July 28, 2017. Please send your completed documents to the attention of your Grant Analyst, Tom Brennan.
Federal funding for criminal justice assistance remains uncertain. Kindly review your budget carefully and identify alternate sources of funding to support future projects.

For further assistance in preparing your application or if you have any questions, please contact Tom Brennan at (609) 292-1463.

Very truly yours,

J. Peter Traum, Deputy Administrator
Office of the Attorney General

Re: Request for Funding for Traffic Control System at Intersection of
North 8th Street / Planten Avenue, Prospect Park, NJ

Dear Ms. Hoffman,

As a follow-up to discussions with the County Administrator and County Traffic Engineer regarding the intersection of North 8th Street and Planten Avenue, kindly accept this letter as a formal request for Community Development Block Grant funding for the installation of a traffic control system at the abovementioned intersection. This request is being submitted due to the dangerous conditions of this intersection and the threat created to public safety from the lack of a traffic signal. Two of the dangerous characteristics of this location include the curvature in the road and very limited line of sight. Both factors contribute to the intersection being unsafe for both pedestrians and vehicular travelers.

The addition of a traffic control system would have an immediate and positive impact on the safety and livability of this neighborhood of low and moderate income residents. Thank you in advance for understanding the need for a traffic control system and the significant benefit it would bring to the quality of life of people living in this immediate area.

Sincerely,
