interest on the Bonds will be made directly to Cede & Co., as nominee of DTC in accordance
with the provisions of the DTC Letter of Representations to be executed by the County and
DTC. Disbursement of such payments to the DTC participants is the responsibility of DTC, and

the purchaser. The “Notice of Sale” shall comply in all respects with the applicable statutes

United States of America by check or draft mailed on such interest payment date to the
registered owner hereof as shown on the books of the County kept for such purpose by the
Director of Finance of the County (the "Bond Registrar") as of the fifteenth day of the month
preceding the month in which the payment of interest is to be made.

All of the Bonds, of which this Bond is one, shall be initially issued as one fully
registered bond for each maturity in the name of Cede & Co., as registered owner and nominee
for The Depository Trust Company ("DTC"). Notwithstanding any other provision herein to
the contrary, so long as DTC or its nominee, Cede & Co., is the registered owner of the Bonds,

Notice of Redemption shall be given by mailing by first class mail in a sealed envelope with postage prepaid to the registered owners of such Bonds at their respective addresses as they last appear on the registration books kept for that purpose by the County, at least thirty (30) but
not more than sixty (60) days before the date fixed for redemption. However, so long as DTC (or
any successor thereto) acts as Securities Depository for the Bonds, Notices of Redemption shall
be sent to such depository and shall not be sent to the beneficial owners of the Bonds, and will be
done in accordance with DTC procedures. Any failure of such depository to advise any of its
participants or any failure of any participant to notify any beneficial owner of any Notice of
Redemption shall not affect the validity of the redemption proceedings. If the County determines
to redeem a portion of the Bonds of a maturity, such Bonds shall be selected by lot. If Notice of
Redemption has been given as described herein, the Bonds, or the portion thereof called for
redemption, shall be due and payable on the date fixed for redemption at the Redemption Price,
together with accrued interest to the date fixed for redemption. Payment shall be made upon
surrender of the Bonds redeemed.

This bond is transferable only upon the books of the Bond Registrar, by the registered
owner hereof in person or by his attorney duly authorized in writing, upon surrender hereof
together with a written instrument of transfer satisfactory to the Bond Registrar duly executed by
the registered owner or such duly authorized attorney, and thereupon the County shall issue in
the name of the transferee a new bond or bonds of the same aggregate principal amount, series,
designation, maturity and interest rate as the surrendered bond. The County and any paying
agent of the County may treat and consider the person in whose name this bond is registered as
the holder and absolute owner hereof for the purpose of receiving payment of, or on account of,
the principal and interest due hereon and for all other purposes whatsoever.

This bond is one of an authorized issue of bonds of the County and is issued pursuant to
the Local Bond Law, constituting Chapter 2 of Title 40A of the Revised Statutes of the State of
New Jersey, a resolution of the governing body of the County adopted October 24, 2017 and by
virtue of certain bond ordinances referred to therein. If this bond is designated on the first page
hereof as a “County Vocational School Bond, Series 2017B (New Jersey School Bond Reserve
Act, P.L. 1980, c.72)” or “County Vocational School Bond, Series 2017C (New Jersey School
Bond Reserve Act, P.L. 1980, c.72)” then it is also issued pursuant to Title 18A, Education of the
New Jersey statutes. County Vocational School Bond, Series 2017B (New Jersey School Bond
Reserve Act, P.L. 1980, c.72) and County Vocational School Bond, Series 2017C (New Jersey
School Bond Reserve Act, P.L. 1980, c.72) are entitled to the benefits of the New Jersey School
Bond Reserve Act (constituting N.J.S.A. 18A:56-17 et seq.).

The full faith and credit of the County are hereby irrevocably pledged for the punctual
payment of the principal of and interest on this bond according to its terms. This bond shall not
be or be deemed to be a debt or liability of the State of New Jersey or a pledge of the faith and
credit of the State of New Jersey.
It is hereby certified and recited that all conditions, acts and things required by the Constitution or statutes of the State of New Jersey to exist, to have happened or to have been performed precedent to or in the issuance of this bond exist, have happened and have been performed, and that the issue of bonds of which this is one, together with all other indebtedness of the County, does not exceed any limitation imposed thereon by said Constitution or statutes.

In the event the County determines that the beneficial owners of the Bonds (the actual purchasers of the Bonds) shall be able to obtain certificated bonds, the County shall notify DTC of the availability of bond certificates. In such event, the County will appoint a paying agent and the County will issue, transfer and exchange bond certificates in appropriate amounts as required by DTC and others. DTC may determine to discontinue providing its services with respect to the bonds at any time by giving a reasonable amount of notice in writing to the County. In the event of such determination, if the County fails to identify another qualified securities depository as successor to DTC, the County will appoint a paying agent and the County will issue and deliver replacement bonds in the form of fully registered certificates. Whenever DTC requests the County to do so, the County will cooperate with DTC in taking appropriate action (a) to make available one or more separate certificates evidencing the bonds to any DTC participant (participants of DTC) having bonds credited to its DTC account or (b) to arrange for another securities depository to maintain custody of certificates evidencing the bonds.
IN WITNESS WHEREOF, THE COUNTY OF PASSAIC has caused this bond to be executed in its name by the manual or facsimile signatures of its Director of its Board of Chosen Freeholders and its County Director of Finance, and its corporate seal (or facsimile thereof) to be affixed, imprinted or reproduced hereon, and this bond and said seal to be attested by the manual or facsimile signature of the Clerk or Deputy Clerk of the Board of Chosen Freeholders, and this bond to be dated the 6th day of December, 2017.

Optional Redemption Provisions

The Bonds maturing on or prior to December 1, 2027 shall not be subject to redemption prior to their respective maturity dates. The Bonds maturing on or after December 1, 2028 shall be subject to redemption prior to their respective maturity dates, on or after December 1, 2027, at the option of the County either in whole or in part at any time, at par (the "Redemption Price") and accrued interest thereon to the date of redemption.

Notice of Redemption shall be given by mailing by first class mail in a sealed envelope with postage prepaid to the registered owners of such Bonds at their respective addresses as they last appear on the registration books kept for that purpose by the County, at least thirty (30) but not more than sixty (60) days before the date fixed for redemption. However, so long as DTC (or...
any successor thereto) acts as Securities Depository for the Bonds. Notices of Redemption shall be sent to such depository and shall not be sent to the beneficial owners of the Bonds, and will be done in accordance with DTC procedures. Any failure of such depository to advise any of its participants or any failure of any participant to notify any beneficial owner of any Notice of Redemption shall not affect the validity of the redemption proceedings. If the County determines to redeem a portion of the Bonds of a maturity, such Bonds shall be selected by lot. If Notice of Redemption has been given as described herein, the Bonds, or the portion thereof called for redemption, shall be due and payable on the date fixed for redemption at the Redemption Price, together with accrued interest to the date fixed for redemption. Payment shall be made upon surrender of the Bonds redeemed.

New Jersey School Bond Reserve Act

The County Vocational School Bonds, Series 2017B (New Jersey School Bond Reserve Act, P.L. 1980, c.72) and County Vocational School Bonds, Series 2017C (New Jersey School Bond Reserve Act, P.L. 1980, c.72) also will be secured by the School Bond Reserve (the "School Bond Reserve") established in the Fund for the Support of Free Public Schools of the State of New Jersey (the "Fund") and in accordance with the New Jersey School Bond Reserve Act, P.L. 1980 Ch. 72, approved July 16, 1980 (the "New Jersey School Bond Reserve Act").

Book-Entry-Only System

As long as DTC or its nominee, Cede & Co., is the registered owner of the Bonds, payments of the principal of and interest on the Bonds will be made directly to Cede & Co., as nominee of DTC, which will credit payments of principal of and interest on the Bonds to the DTC participants as listed in the records of DTC as of each next preceding May 15 and November 15 (the “Record Dates” for payment of interest on the Bonds), which participants will in turn credit such payments to the beneficial owners of the Bonds.

All bidders of the Bonds must be participants of The Depository Trust Company, New York, New York (“DTC”) or affiliated with its participants. The Bonds will be issued in fully registered form, and when issued will be registered in the name of and held by Cede & Co., as the registered owner thereof and nominee for DTC, an automated depository for securities and clearinghouse for securities transactions.

Individual purchases of beneficial ownership interests in the Bonds will be made in book-entry form (without certificates) in the denomination of $5,000 each or any integral multiple thereof. It shall be the obligation of the successful bidder to furnish to DTC an underwriter’s questionnaire and the denomination of the Bonds not less than seventy-two (72) hours prior to the delivery of the Bonds and to furnish to bond counsel, referenced below, the initial public offering prices of the Bonds not less than forty-eight (48) hours prior to delivery of the Bonds.

In the event that either DTC determines not to continue to act as securities depository for the Bonds or the County determines that the beneficial owners of the Bonds be able to obtain
bond certificates, the County will appoint a paying agent and will issue and deliver replacement Bonds in the form of fully registered certificates.

Electronic Bidding Procedures

Bids may be submitted electronically via PARITY in accordance with this Notice of Sale, until 11:00 a.m., New York City time, on November __, 2017, but no bid will be received after the time for receiving bids specified above. To the extent any instructions or directions set forth in PARITY conflict with this Notice of Sale, the terms of this Notice of Sale shall control. For further information about PARITY, potential bidders may contact PARITY at (212) 849-5021. In the event that a bid for the Bonds is submitted via PARITY, the bidder further agrees that:

1. The County may regard the electronic transmission of the bid through PARITY (including information about the purchase price of the Bonds, the interest rate or rates to be borne by the various maturities of the Bonds, the initial public offering price of each maturity and any other information included in such transmission) as though the same information were submitted directly to the County and executed by a duly authorized signatory of the bidder. If a bid submitted electronically by PARITY is accepted by the County, the terms of the Proposal for Bonds and this Notice of Sale and the information that is electronically transmitted through PARITY shall form a contract, and the successful bidder shall be bound by the terms of such contract.

2. PARITY is not an agent of the County, and the County shall have no liability whatsoever based on any bidder's use of PARITY, including but not limited to any failure by PARITY to correctly or timely transmit information provided by the County or information provided by the bidder.

3. The County may choose to discontinue use of electronic bidding via PARITY by issuing a notification to such effect via TM3 News Services, or by other available means, no later than 3:00 p.m. (New York City Time) on the last business date prior to the bid date set forth above.

4. Once the bids are communicated electronically via PARITY to the County as described above, each bid will constitute a Proposal for Bonds and shall be deemed to be an irrevocable offer to purchase the Bonds on the terms provided in this Notice of Sale. For purposes of submitting all Proposal for Bonds, the time as maintained on PARITY shall constitute the official time.

5. Each bidder choosing to bid electronically shall be solely responsible to make necessary arrangements to access PARITY for purposes of submitting its bid in a timely manner and in compliance with the requirements of this Notice of Sale. Neither the County nor Parity shall have any duty or obligation to undertake such registration to bid for any prospective bidder or to provide or assure access to any qualified prospective bidder, and neither the County nor Parity shall be responsible for the proper operation of, or have any liability for any delays or interruptions of, or any damages caused by PARITY. The County is using PARITY as a
communication mechanism, and not as the County's agent, to conduct the electronic bidding for the Bonds. By using PARITY, each bidder agrees to hold the County harmless for any harm or damages caused to such bidder in connection with its use of PARITY for bidding on the Bonds.

Bid Specifications

Each Proposal submitted must name the rate or rates of interest per annum to be borne by the Bonds bid for and the rate or rates named must be multiples of one-eighth or one-twentieth of one per centum. Not more than one rate may be named for Bonds of the same maturity. The difference between the highest and lowest rates of interest named in the Proposal shall not exceed three percent (3%). There is no limitation on the rates that may be named. Each Proposal submitted must be for all of the Bonds and the purchase price specified in the proposal must be not less than one hundred percent (100%) or for more than one hundred and two percent (102%) of the aggregate par value of the Bonds.

Award, Delivery and Payment

The Bonds will be awarded to the bidder on whose bid the total loan may be made at the lowest true interest cost. Such true interest cost shall be computed, as to each bid, by doubling the semiannual interest rate (compounded semiannually) necessary to discount the debt service payments from the payment dates to the date of the Bonds and the price bid, excluding accrued interest to the delivery date. No Proposal shall be considered that offers to pay an amount less than the principal amount of Bonds offered for sale or under which the total loan is made at an interest cost higher than the lowest true interest cost to the County under any legally acceptable proposal. If two or more such bidders offer to pay the lowest true interest cost, then the Bonds will be sold to one of such bidders selected by lot from among all such bidders. The bidder to which the Bonds are awarded (in the manner specified above) is herein referred to as the "Successful Bidder."

It is expected that delivery of the Bonds to DTC and payment for the Bonds will take place on or about, December 6, 2017 at the offices of Gibbons P.C., bond counsel to the County ("Bond Counsel"), in Newark, New Jersey or at such other place as may be agreed upon with the Successful Bidder. The Bonds will be delivered to DTC in single denominations for each maturity of each type of bond. PAYMENT FOR THE BONDS AT THE TIME OF ORIGINAL ISSUANCE AND DELIVERY SHALL BE IN IMMEDIATELY AVAILABLE FUNDS.

Change of Bid Date and Closing Date

The County reserves the right to postpone, from time to time, the date established for the receipt of bids and will undertake to notify registered prospective bidders via notification published on Thomson Municipal Market Monitor ("TM3") (www.tm3.com). Prospective bidders may request notification by facsimile transmission of any such changes in the date or time for the receipt of bids by so advising, and furnishing their teletype numbers to the Director of Finance of the County at (973) 881-4440 by 12:00 Noon, New York City time, on the day
prior to the announced date for receipt of bids. In addition, the County reserves the right to make changes to this Notice of Sale. Such changes will be announced on the TM3.

A postponement of the bid date will be announced via TM3 not later than 11:00 a.m., New York City time, on the last business day prior to any announced date for receipt of bids, and an alternative sale date and time will be announced via TM3 by Noon, New York City time, not less than forty-eight (48) hours prior to such alternative date for receipt of bids.

On any such alternative date and time for receipt of bids, the County will accept electronic bids for the purchase of the Bonds, such bids to conform in all respects to the provisions of this Notice of Sale, except for the changes in the date and time for receipt of bids and any other changes announced via TM3 at the time the date and time for receipt of bids are announced.

Right To Reject Bids; Waive Irregularities

The right is reserved to reject all bids, and any bid not complying with the terms of this Notice of Sale will be rejected. The County reserves the right to reject any or all Proposals and so far as permitted by law, to waive any irregularity or informality in any or all Proposals.

Good Faith Deposit

A good faith deposit (the "Deposit"), in the form of an electronic transfer of immediately available federal funds in accordance with the wiring instructions contained in the immediately succeeding paragraph, in the amount of $888,000 is required for each bid for the Bonds to be considered. A bidder shall transmit such funds to the following:

Lakeland Bank
ABA No.: 021205376
Account No.: 622408542
Account Name: County of Passaic/General Capital Fund
Contact: Nina E. Luongo
Phone: (973) 404-2229

Such funds must be received in the account identified immediately above no later than 11:00 a.m. New York City time on the date for receipt of bids, and must be accompanied by detailed wiring instructions for the return thereof in the event that such bidder is not the Successful Bidder. Please note that the contact information provided immediately above should be used by bidders for the purposes of confirming receipt of electronic transfer of funds and the transmittal of instructions for the return of such electronic transfers of funds in the event such bidder is not the Successful Bidder. Electronic transfers of funds of unsuccessful bidders for the Bonds will be returned upon award of the Bonds. It is the intent of the County that electronic transfers of funds will be returned via wire transfer to the unsuccessful bidders not later than 5:00 p.m. on the date for receipt of bids, provided that wiring instructions have been provided by such unsuccessful bidder at the time of transmission of the Deposit to the County. The County shall not bear any
liability for any delay that may occur in the return of an electronic transfer of the Deposit to an unsuccessful bidder. Interest earned on the Deposit will be credited to the County and will not be available to the Successful Bidder for the Bonds.

The Deposit of the Successful Bidder will be collected and the proceeds thereof retained by the County to be applied in partial payment for the Bonds and no interest will be allowed or paid upon the amount thereof, but in the event the Successful Bidder shall fail to comply with the terms of its respective bid, the proceeds thereof will be retained as and for full liquidated damages. Award of the Bonds to the Successful Bidder or rejection of all bids is expected to be made within five hours after opening of the bids, but such Successful Bidder may not withdraw its Proposal for Bonds until after 5:00 p.m. of the day of such bid-opening and then only if such award has not been made prior to the withdrawal.

Bond Insurance

If the Bonds qualify for issuance of any policy of municipal bond insurance, any purchase of such policy shall be at the sole option and expense of the Successful Bidder. If the Bonds are to be insured, the Successful Bidder shall pay the premium therefor prior to the delivery of the Bonds. Any failure of the Bonds to be so insured or of any such policy of insurance to be issued shall not in any way relieve the Successful Bidder of its contractual obligations arising from the acceptance of its Proposal for Bonds for the purchase of the Bonds.

CUSIP Numbers

It is anticipated that CUSIP identification numbers will be printed on the Bonds, but neither the failure to print such number on any Bond nor any error with respect thereto shall constitute cause for the failure or refusal of the Successful Bidder to accept delivery of and pay for the Bonds. The CUSIP Service Bureau charges for the assignment of CUSIP numbers on the Bonds shall be the responsibility of and shall be paid for by the Successful Bidder. TWO SERIES OF CUSIP NUMBERS WILL BE ASSIGNED TO THE BONDS AS FOLLOWS: (1) ONE SERIES OF CUSIP NUMBERS WILL BE ASSIGNED TO THE GENERAL IMPROVEMENT BONDS, SERIES 2017A; AND (2) A SEPARATE SERIES OF CUSIP NUMBERS WILL BE ASSIGNED TO THE COUNTY VOCATIONAL SCHOOL BONDS, SERIES 2017B (NEW JERSEY SCHOOL BOND RESERVE ACT, P.L. 1980, C.72) AND COUNTY VOCATIONAL SCHOOL BONDS, SERIES 2017C (NEW JERSEY SCHOOL BOND RESERVE ACT, P.L. 1980, C.72).

Establishment of Issue Price
(10% Test to Apply if Competitive Sale Requirements are Not Satisfied)

The Successful Bidder shall assist the County in establishing the issue price of the Bonds and shall execute and deliver to the County at Closing an "issue price" or similar certificate, setting forth the reasonably expected initial offering price to the public or the sales price or prices of the Bonds, together with supporting pricing wires or equivalent communications, substantially in the form prepared by and available from Bond Counsel, with such modifications as may be appropriate. Notwithstanding, in the reasonable judgment of the Successful Bidder, the County and
Bond Counsel. All actions to be taken by the County under this Notice of Sale to establish the issue price of the Bonds may be taken on behalf of the County by the County's municipal advisor identified herein and any notice or report to be provided to the County may be provided to the County’s municipal advisor.

The County intends that the provisions of Treasury Regulation Section 1.148-1(f)(3)(i) (defining “competitive sale” for purposes of establishing the issue price of the Bonds) will apply to the initial sale of the Bonds (the “Competitive Sale Requirements”) because: (1) the County shall disseminate this Notice of Sale to potential underwriters in a manner that is reasonably designed to reach potential underwriters; (2) all Bidders shall have an equal opportunity to bid; (3) the County may receive bids from at least three underwriters of municipal bonds who have established industry reputations for underwriting new issuances of municipal bonds; and (4) the County anticipates awarding the sale of the Bonds to the Bidder who submits a firm offer to purchase the Bonds at the highest price (or lowest interest cost), as set forth in this Notice of Sale.

Any bid submitted pursuant to this Notice of Sale shall be considered a firm offer for the purchase of the Bonds, as specified in the bid. By submitting a bid, bidders are deemed to have certified that they have an established industry reputation as a regular purchaser or underwriter of tax-exempt obligations such as the Bonds.

In the event that the Competitive Sale Requirements are not satisfied, the County shall so advise the Successful Bidder. The County shall treat the first price at which 10% of a Maturity of the Bonds (the “10% Test”) is sold to the Public as the issue price of that Maturity, applied on a Maturity-by-Maturity basis (and if different interest rates apply within a Maturity, to each separate CUSIP number within that Maturity). The Successful Bidder shall advise the County if any maturity of the Bonds satisfies the 10% Test as of the date and time of the award of the Bonds. The County will not require Bidders to comply with the “hold-the-offering-price rule” and therefore does not intend to use the initial offering price to the Public as of the sale date of any Maturity of the Bonds as the issue price of that Maturity. Bids will not be subject to cancellation in the event that the Competitive Sale Requirements are not satisfied. Bidders should prepare their bids on the assumption that all of the maturities of the Bonds will be subject to the 10% Test in order to establish the issue price of the Bonds.

If Competitive Sale Requirements are not satisfied, then until the 10% Test has been satisfied as to each Maturity of the Bonds, the Successful Bidder agrees to promptly report to the County the prices at which the unsold Bonds of that Maturity have been sold to the Public. That reporting obligation shall continue, whether or not the Closing Date has occurred, until the 10% Test has been satisfied as to the Bonds of that Maturity or until all Bonds of that Maturity have been sold. If the 10% Test is not met by the Closing Date, a Supplemental Issue Price Certificate must be provided.

By submitting a bid, each Bidder confirms that: (i) any agreement among underwriters, any selling group agreement and each retail distribution agreement (to which the Bidder is a party) relating to the initial sale of the Bonds to the Public, together with the related pricing wires, contains or will contain language obligating each underwriter, each dealer who is a
member of the selling group, and each broker-dealer that is a party to such retail distribution agreement, as applicable, to report the prices at which it sells to the Public the unsold Bonds of each maturity allotted to it until it is notified by the Successful Bidder that either the 10% Test has been satisfied as to the Bonds of that Maturity or all Bonds of that Maturity have been sold to the Public, if and for so long as directed by the Successful Bidder and as set forth in the related pricing wires, and (ii) any agreement among underwriters relating to the initial sale of the Bonds to the Public, together with the related pricing wires, contains or will contain language obligating each underwriter that is a party to a retail distribution agreement to be employed in connection with the initial sale of the Bonds to the Public to require each broker-dealer that is a party to such retail distribution agreement to report the prices at which it sells to the Public the unsold Bonds of each Maturity allotted to it until it is notified by the Successful Bidder or such underwriter that either the 10% Test has been satisfied as to the Bonds of that Maturity or all Bonds of that Maturity have been sold to the Public, if and for so long as directed by the Successful Bidder or such underwriter and as set forth in the related pricing wires.

Sales of any Bonds to any person that is a related party to an Underwriter shall not constitute sales to the Public for purposes of this Notice of Sale. Further, for purposes of this Notice of Sale: (a) Maturity means Bonds with the same credit and payment terms. Bonds with different Maturity dates, or Bonds with the same Maturity date but different stated interest rates, are treated as separate Maturities; (b) Public means any person (including an individual, trust, estate, partnership, association, company, or corporation) other than an Underwriter or a related party to an Underwriter. The term "related party" for purposes of this certificate generally means any two or more persons who have greater than 50 percent common ownership, directly or indirectly; (c) Sale Date means the first day on which the Bonds are awarded by the County to the Successful Bidder; (d) Underwriter means (i) any person that agrees pursuant to a written contract with the County (or with the lead Underwriter to form an underwriting syndicate) to participate in the initial sale of the Bonds to the Public, and (ii) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (i) of this clause (d) to participate in the initial sale of the Bonds to the Public (including a member of a selling group or a party to a retail distribution agreement participating in the initial sale of the Bonds to the Public).

Legal Opinions

The obligations hereunder to pay for and to accept delivery of the Bonds shall be conditioned on the availability and the delivery at the time of delivery of the Bonds of the approving opinion of the law firm of Gibbons P.C., Newark, New Jersey, bond counsel to the County, which will be furnished without cost to the Successful Bidder, substantially in the form set forth in the Official Statement distributed in preliminary form in connection with the sale of the Bonds. Such opinion shall state to the effect that the Bonds are valid and legally binding obligations of the County, and that all the taxable property therein will be subject to the levy of ad valorem taxes, without limitation as to rate or amount, to pay the principal of the Bonds and the interest thereon; and will also state that under existing law, interest on the Bonds is excluded from gross income for purposes of Federal income taxation. The obligations hereunder to pay for and to accept delivery of the Bonds shall be further conditioned on the availability and delivery to the Successful Bidder(s), at the time of delivery of the Bonds, of (i) certificates from
the County Finance Director in form satisfactory to Bond Counsel evidencing the proper execution and delivery of the Bonds, the receipt of payment therefor and the fact the Bonds will not be arbitrage obligations within the meaning of the Code; (ii) a certificate from the County Attorney, in form and tenor satisfactory to Bond Counsel and dated as of the date of such delivery, to the effect that there is no litigation pending or (to the knowledge of the signer or signers thereof) threatened affecting the validity of the Bonds; and (iii) a certificate from the County Finance Director, in form and tenor satisfactory to Bond Counsel and dated as of the date of such delivery, to the effect that to the best of his knowledge of such and belief, and after reasonable investigation: (1) neither the Official Statement relating to the Bonds nor any amendment, or supplement thereto contains any untrue statement of a material fact or omits to state any material fact necessary to make the statements therein, in the light of the circumstances in which they were made, not misleading; (2) since the date of the Official Statement (or the date of the most recent amendment or supplement thereto) no event has occurred which would make the statements therein untrue or, in the light of the circumstances in which they were made, misleading, and (3) there has not been any material adverse change in the operation or financial affairs of the County since the date of such Official Statement.

Preliminary Official Statement

The County has issued an Official Statement with respect to the sale of the Bonds in preliminary form (the “Preliminary Official Statement”) which the County has deemed final as of its date for purposes of paragraph (b)(1) of Rule 15c2-12 under the Securities Exchange Act of 1934 (“Rule 15c2-12”), except for certain omissions permitted thereunder and except for changes permitted by other applicable law.

The Preliminary Official Statement may be accessed via the Internet at www.idealprospectus.com. A printed version is also available upon request made to the Director of Finance of the County at the County Administration Building, Finance Department, 401 Grand Street, Paterson, New Jersey 07505 (telephone (973) 881-4440).

Official Statement

The County agrees to provide the successful bidder with up to fifty (50) copies of the final Official Statement adopted by the County in relation to the sale by the County of the Bonds within the period of time allowed under Rule 15c2-12, at the sole cost and expense of the County, with any additional copies which the successful bidder shall reasonably request to be provided at the sole cost and expense of the successful bidder.

Continuing Disclosure

In order to assist the successful bidder in complying with Rule 15c2-12, the County agrees to deliver on the Closing Date a Continuing Disclosure Certificate to be dated as of the Closing Date pursuant to which the County shall agree to provide at the times and to the information repositories and other persons described in Rule 15c2-12 the financial or operating data required to be disclosed on a continuing basis pursuant to Rule 15c2-12.

Richard Cahill, Chief Financial Officer

DATED: October 24, 2017
County of Passaic – Executive Summary

At Brown & Brown we strive to provide our clients with an abundance of high quality health insurance options that offer product flexibility and cost effectiveness. To that end, our office worked through the County Procurement Center to secure the Pharmacy Plan and Dental renewals along with alternate quotes for the January 1, 2018 anniversary date. In addition, Brown & Brown has also provided an analysis on the current premium equivalent rates and provided a recommendation for an adjustment to the current rates for the upcoming plan year.

Background

The county has maintained a self-insured pharmacy plan for the last 14 years. The pharmacy plan is administered by Express Scripts Inc. The Dental plan is also self-insured and is administered by Horizon Blue Cross & Blue Shield of New Jersey with an option for the employee to buy up to a fully insured DMO plan that offers slightly more enhanced coverage for both employee and family.

Pharmacy Renewal

Express Scripts (ESI) provided a renewal for a three year contract beginning January 1, 2018. The non financial terms of the renewal are the same terms as the expiring contract. The new financial terms provided in the renewal have significantly improved the County’s financial position with a marked improvement to the discounts guaranteed by ESI, coupled with a $.15 drop in retail pharmacy dispensing fees and a significant increase in formulary rebates. Rebates will increase from a projected $1.6 mil annually to over $4.0 mil for the upcoming plan year. Also of note, years two and three of the contract improve the guaranteed discounts and rebates slightly. Lastly, ESI has offered to implement the new financial terms two months early for a November 1, 2017 effective date allowing the County to take advantage of the new pricing, potentially offering an additional $600,000 in savings.

Several other vendors offered proposals through the RFQ process. The following companies:

- Rx Advance
- Citizens Rx
- Horizon BCBSNJ
- OptumRx
- Pro Act
- MaxorPlus
- Envision Rx
- Scriptguide

Introduced on: October 24, 2017
Adopted on: October 24, 2017
Official Resolution #: R20170873
While each of the alternate vendors offered attractive proposals on a discount, rebate and clinical perspective, the financial terms offered were not quite as aggressive as the ESI proposal. The most impactful financial factor was the result of a claim repricing exercise that required all the PBMs reprice the actual claims incurred by the County for a set period in 2016. ESI proved to have the lowest net costs. Another concern, with the exception of Horizon BCBSNJ, Optum Rx and Maxor Plus, is the lack experience and market share of these vendors in the New Jersey public entity markets is a potential issue, given the unique labor challenges facing the County by the requirement to offer equal to or better than coverage.

After thorough review of each proposal, it is Brown & Brown recommendation that the County renew with Express Scripts for the three year term and implementing the renewal two months early to take advantage of the more favorable financial terms. Understanding that until labor contracts allow for the introduction of a formulary (preferred drug list), along with the implementation of clinical programs that promote the use of generics, it is in the County’s best interest to maximize the potential savings through a robust rebate program. The Express Scripts proposal offers the greatest opportunity for savings.

**Dental**

The current vendor is Horizon Healthcare Services (aka Horizon BCBSNJ) and they were the only carrier to provide a quotation. Many carriers assessed the risk, and given the extremely low administration fee, most were leery or unable to provide a competitive quote and therefore, passed on the opportunity.

The Horizon renewal offered no increase on the administrative fee for the County’s self-insured Dental plan. The fee will remain at $1.74 per employee per month, plus corresponding paid claims. This fee is guaranteed for one year and will renew January 1, 2019. The fully insured portion of the plan will receive a 15.48% rate increase, with the rate guaranteed for two years with the next renewal on January 1, 2020. The new rate for employee coverage will be $15.92 per month.

Given that Horizon was the only vendor to respond to the RFQ and they are offering a reasonable renewal, it is Brown & Brown’s recommendation to renew the plan with Horizon on a one year basis for the self-insured fee, and a two year basis for the fully insured buy up plan.

**Premium Equivalent Rates**

As in past years, Brown & Brown reviews the current premium equivalent rates against the actual claims spend and associated administrative costs from the prior 12 months. Adjustments to the rates are made to account for any increase and or decrease in medical, pharmacy and dental costs. As such, the County rates are projected to increase by 7.87% for the upcoming 2018 plan year. The increase is comprised of a 9.18% increase to the
medical plan, a 3.82% increase to the pharmacy plan and a 4.79% increase to the self-insured dental plan. The new proposed rates are attached.

The County clearly understands that many employees struggle with the cost of healthcare. As such, the County will continue to offer employees an option to enroll in a lower cost plan to reduce the burden of increased chapter 78 payroll contributions. The EPO, POS, Omnia and H.S.A. high deductible plans will be offered again for the Plan year 2018. The lower cost alternatives are all comprehensive plans that offer a very rich benefit and are strictly offered as a voluntarily option to enroll in. A new feature for this year will be an enhancement to the H.S.A. High Deductible Plan, with the County contributing $50 per pay towards the Health Saving Account for every employee who elects to enroll into the H.S.A. plan.

Educational meetings and health fairs have been scheduled for October and November to advise employees on the rate changes and answer any questions they may have regarding the plans offered by the County.

Brown and Brown is very appreciative of our relationship with the County and we look forward to the opportunity to meet with you and discuss our analysis in further detail.

RE: Notice of Award – State Fiscal Year 2018 – Supplemental Workforce Development Benefits (SmartSTEPS) Program

Dear Mr. Best:

I am pleased to announce that a total of $8,025 in SmartSTEPS funds has been awarded to the Passaic Workforce Development Area for State Fiscal Year 2018 (July 1, 2017 through June 30, 2018). The enclosed Notice of Award (NOA) reflects the allocation of these funds. Final determination for funding is contingent upon authorization and availability from the state.

These funds should be incorporated into your Program Year 2017 Workforce Development Area Contract. These funds must be fully expended by June 30, 2018. A counseling fee of $750.00 will be reimbursed one time for each participant who is enrolled in SmartSTEPS for at least 30 days, including those participants who replace vacated positions up to the current slot allocation. The New Jersey Department of Labor and Workforce Development reserves the right to adjust a Workforce Development Area's slot allocation based on usage. An additional seven percent, totaling $52.50 per participant, is included for administrative costs. A list of the participants must be included with each request for reimbursement.

Within 30 days after the close of each college semester, SmartSTEPS participant outcomes must be data entered into the comments section of America's One-Stop Operating System (AOSOS). AOSOS funded services must be data entered with at least $1.00. Reimbursement for counseling fees will not occur unless the participant information is data entered into AOSOS.

Benefits Program (SmartSTEPS) is under review and will be provided under separate cover when finalized.

Please note that effective July 1, 2012, the General Appropriations Act prohibits the issuance of General Assistance benefits to college students; thus, General Assistance customers are not eligible for the SmartSTEPS program.

If you have any questions regarding the issuance of this NOA, please contact Assistant Commissioner Patricia Moran, Ph.D., Workforce Development, at 609-984-9414.

Sincerely,

Members of the Board:

The New Jersey Department of Transportation has a discretionary fund – the Local Aid Infrastructure Fund.

The County has received a grant under the 2015 Safe Streets to Transit program in the amount of $250,000. Upon completion of design and advertising, the low responsive bid was $286,975.00. We request approval to apply for the additional $36,975.00 under the 2017 Local Aid Infrastructure Fund. We also request that the Director and Clerk of the Board be authorized to execute any and all agreements with NJDOT for this application and award.

The Public Works and Buildings & Grounds Committee, at their meeting of October 16, 2017, approved the recommendation that the County of Passaic apply to the New Jersey Department of Transportation for this Local Aid grant in the amount of $36,975.00.

Therefore, we recommended that the Board of Chosen Freeholders ADOPT a RESOLUTION directing the County Engineer to complete the application for this County Aid Funding, and further authorize the Director of the Board and the Clerk to the Board to sign said application in behalf of the full Board.

SHARED SERVICES AGREEMENT BETWEEN THE COUNTY OF PASSAIC AND BOROUGH OF HAWTHORNE FOR SALE OF BRINE FOR USE IN STORM EVENTS

THIS AGREEMENT, made this day of , 2017, by and between THE BOROUGH OF HAWTHORNE, 445 Lafayette Avenue, Hawthorne, New Jersey, (Hawthorne); and THE COUNTY OF PASSAIC, 401 Grand Street, Paterson, (Passaic County);

WITNESSETH THAT:

WHEREAS, the Borough of Hawthorne (Hawthorne) is the owner of a brine system which produces brine for spreading on road surfaces in anticipation of storm events; and

WHEREAS, the County of Passaic (Passaic County) has requested that Hawthorne sell brine to Passaic County for spreading on road surfaces in Ridgewood in anticipation of storm events; and

WHEREAS, Passaic County has also requested that Hawthorne apply brine to County Roads in Hawthorne, at the rate of reimbursement and in accordance with the terms of this agreement; and

WHEREAS, the parties wish to enter into an agreement pursuant to the Shared Services and Consolidation Act, N.J.S.A. 40A:65-1, et. seq., whereby Passaic County, through its Department of Public Works, would purchase brine through Hawthorne, through its Department of Public Works, and Hawthorne would apply brine to County Roads in Hawthorne, with Passaic County reimbursing Hawthorne for such work, with each party and its residents to gain benefit through the cooperative nature of the relationship; and

NOW, THEREFORE, Hawthorne and Passaic County agree as follows:

1. Hawthorne agrees to supply Passaic County with brine in anticipation of storm events at its DPW facility on Goolee Road, or such other location as may be designated in the
event Hawthorne moves the brine producing equipment it owns. Passaic County shall be responsible for pick-up of the product in vehicles equipped for accepting the same.

2. The term of the agreement shall be for a period of three years, from December 1, 2017 to November 30, 2020. This agreement shall be extended for two successive one year terms unless either party delivers to the other a written notice electing not to continue the agreement by September 30th of the year in which the agreement is to expire.

3. The cost of brine shall be as follows:

   a. The base price shall be twenty-two ($ .22) cents per gallon in year one of the agreement. In all subsequent years, the cost of brine will remain at $.22 cents per gallon, provided that the cost Hawthorne pays for salt, currently $57 per ton, remains at a price less than $65 per ton. If the price is $65 per ton or more, but less than $75 per ton, the cost of brine will increase by $.01 cent to $.23 cents per gallon. If the price of salt is $75 per ton or more, but less than $85 per ton, the price will increase by $.02 cents, to $.24 cents per gallon, and so forth based upon incremental increases in the price of salt.

   b. In the event Hawthorne is unable to produce brine due to an insufficiency in its salt supply, Passaic County may supply its own salt and receive a credit of six ($ .06) cents per gallon of the base price.

   c. Hawthorne shall bill Passaic County for brine on a monthly basis or such other manner as the parties may agree. Passaic County shall remit payment to Hawthorne on a thirty day basis.
4. Brine shall be provided as needed with no minimum purchase and a maximum purchase of 3,200 gallons per storm event. Brine may generally be picked-up between the hours of 7:00 a.m. and 3:30 p.m., Monday through Friday excepting holidays, or at such time as Hawthorne may be mobilizing in anticipation of a storm event. Passaic County may request pick-up of brine at times where Hawthorne is not conducting regular business operations or mobilizing for a storm event. In such instance, if Hawthorne is able to accommodate the request, there shall be an additional five ($.05) cent per gallon charge. Hawthorne shall not be obligated to provide brine in such circumstance but will attempt to accommodate such request.

5. Hawthorne shall not be responsible for the inability to provide brine. This would include a failure of equipment, insufficient supplies or any other reason. Hawthorne nevertheless agrees to use best efforts with the understanding that brine will also be produced for use by Hawthorne in its own storm management operations and by other communities or entities that may similarly be purchasing brine.

6. Hawthorne makes no representation or warranty as to the brine to be delivered. Passaic County shall indemnify and hold Hawthorne harmless against any third party claims resulting from its spreading of the brine or storm management operations. Hawthorne's sole obligation is to make brine available for pick-up to the extent it is able to do so.

7. In addition to the foregoing, Hawthorne agrees to apply brine to County Roads in Hawthorne when Hawthorne determines to apply brine to municipally owned roads in Hawthorne. In addition, Hawthorne agrees to brine County Roads when given specific direction by the County of Passaic in anticipation of a storm event, subject to

RE: Professional Architectural Services
       Restoration and Rehabilitation of the John W. Rea House, Hawthorne, NJ

Dear Ms. Ruffel:

Clarke Caton Hintz (CCH) is pleased to provide a proposal for the restoration and rehabilitation of the John W. Rea House in Hawthorne, New Jersey. This remarkable survivor was originally constructed circa 1810, with a number of additions and alterations completed over the years.

Clarke Caton Hintz has extensive experience working with community groups and municipalities across New Jersey on a wide variety of historic preservation projects, including many Preservation Plans, Historic Structures Reports, Conditions Assessments and plans for the restoration and rehabilitation of historic properties. For almost 40 years, CCH has developed a unique depth of architectural and planning experience, particularly with historic structures.

All of our historic preservation work begins with respect for the existing building, its history and its historic fabric, and an understanding of the importance of appropriate use and maintenance of the resource. This is particularly important in a building like the John W. Rea House, with its fascinating history and clear significance. Obviously, we understand and deeply respect the Secretary of the Interior’s Standards for the Treatment of Historic Properties. The recommendations that we make during Preliminary Design will identify all of the features that are most important about the House, along with recommendations and opinions of cost for preserving and maintaining the resource.

CCH has almost 40 years of experience in the fields of Architecture, Historic Preservation, Landscape Architecture and Planning. Our multi-disciplinary approach is unique and adds levels of analysis and experience not found with most architecture/historic preservation consultants. This experience includes the preservation and
restoration of important sites such as Morven, the former Governor’s Mansion and a National Historic Landmark in Princeton; the restoration and expansion of historic buildings like the Roebling Mansion and the Golden Swan in Trenton; Historic Structures Reports and continued restoration work at places like theunda Cooper House in Bergenfield; restoration work at multi-building sites like Garretson Forge and Farm in Fair Lawn; Preservation Plans and Historic Structures Reports for a variety of buildings, including the Webb Chapel, the Trenton Masonic Temple, the Millington Schoolhouse/ Old Town Hall, etc.; and the adaptive re-use of important and varied sites including many of the former Roebling factories, 200 Elm at Princeton University and the Adam Exton and Sons complex in Trenton. All of this work provides important experience and expertise relevant for the preservation of the John W. Rea House.

The team that we are proposing to work on the House is not only highly qualified, but has worked together on many previous historic preservation projects. Along with the most experienced historic preservation architects at CCH, we propose the following team:

Harrison Harnett is New Jersey’s premier structural engineering firm, particularly when dealing with existing and historic buildings. Because of their expertise and common sense approach, we have worked with them almost exclusively for nearly 20 years. They will be a tremendous asset if any structural issues come up.

Princeton Engineering Group are Mechanical, Electrical and Plumbing (MEP) Engineers with a tremendous amount of experience working with existing and historic structures. They will be able to assess the existing systems and make intelligent, cost effective recommendations that will improve efficiency while taking into account the new functions as well as the historic fabric. They have done preliminary work on the building and are familiar with the needs of the facility.

In response to your Scope of Services, Clarke Caton Hintz proposes to perform the professional architectural and engineering services related to the design and construction administration of the John W. Rea House for the lump sum fee of $68,750.00 (Sixty Eight Thousand Seven Hundred Fifty Dollars even). Reimbursable expenses are not included within our fee but will be billed at direct cost to Clarke Caton Hintz. We estimate the cost of reimbursable expenses to be an additional $5,000.00.

Re: Availability of Funding for the County Prosecutor Insurance Fraud Reimbursement Program (January 1, 2018 to December 31, 2018 - Cycle 18)

Dear Prosecutor:

The Office of the Insurance Fraud Prosecutor (OIFP) is accepting applications for funding for anti-insurance fraud efforts under the County Prosecutor Insurance Fraud Reimbursement Program. See N.J.S.A. 17:33A-28. The next program cycle will run from January 1, 2018 through December 31, 2018. Funds will be awarded to continue existing programs as well as to support new initiatives.

As in prior years, the 2018 projected maximum allocation for each County is $250,000. Primary consideration will be given to salaries/wages and fringe benefits. Due to budgetary constraints, the rates for fringe benefits are capped at the existing State of New Jersey rates, charged to Federal, dedicated and Non-State Programs, which is 51.95% for staff enrolled in the Public Employees’ Retirement System (PERS) and 52.85% for staff enrolled in the Police and Firemen’s Retirement System (PFRS).

Also, for Cycle 18, consideration will be given towards White Collar or Insurance Fraud Training. A County may use up to $5,000 of allocated funds for training and travel related expenses. Any training or travel related expenses in excess of $5,000 will be the responsibility of the County. A County’s use of any grant funds under this program for allowable travel is controlled by the current State Travel regulations, State Circular 16-11-OMB, which can be found on the State website: http://www.state.nj.us/infobank/circular/circindex.htm. OIFP reserved the right to deny reimbursement for any training or travel related expenses that do not comply with State Circular 16-11-OMB. Exceptions to this policy may be considered on a case-by-case basis when justified by extenuating circumstances.
OIFP will evaluate applications based upon the criteria set forth in the Reimbursement Application package, and on the productivity and effectiveness of the county program. OIFP reserves the right to allocate funds in amounts other than those requested by the applicants. Failure to submit a timely application or the submission of an incomplete application may result in rejection of the application.

By copy of this letter, your designated program representative can find 2018 Application, Program Requirements, and Forms on the OIFP Website at [www.nj.gov/nci/insurancefraud/info](http://www.nj.gov/nci/insurancefraud/info). Completed applications must be received by 5:00 p.m. on Friday, November 3, 2017. If you have any questions concerning the Reimbursement Program, please contact Program Analyst Tracy A. Abbate at (609) 292-2546 or abbatet@njdej.org.

Very truly yours,

Christopher Ilit
Acting Insurance Fraud Prosecutor

Subject: FY 2017 Body Armor - Notice of Award - Passaic County Prosecutor's Office

Passaic County Prosecutor Camelia M. Valdes
Mr. Todd Stanley
Mr. Todd C. Stanley
Passaic County Prosecutor's Office

The New Jersey Division of Criminal Justice is pleased to announce that your agency will receive $6,606.23 under the State Fiscal Year 2017 State Body Armor Replacement Fund (BARF) Program. An electronic transfer of funds or an award check has been sent directly to your agency's Chief Financial Officer.

The State (BARF) Program assists all eligible law enforcement agencies to offset the costs of purchasing body vests for their officers. Although this is a five-year vest replacement program, program regulations encourage agencies to make every reasonable effort to expend their awards within one year of receipt.

In order to participate in the 2017 BARF Program, agencies are required to confirm that they have a written mandatory body armor wear policy for all uniformed officers engaged in patrol or field operations. Your agency is in compliance with having a policy and therefore is eligible to receive a 2017 BARF award.

All future state BARF program correspondence, such as application periods, award announcements, and award confirmations will be sent electronically, via e-mail. Failure to maintain updated contact information in the State BARF system may result in your agency not receiving important State BARF messages. If you have any questions regarding the program, please call the Program Development and Grants Section at (609) 292-1462.

CONFIDENTIALITY NOTICE The information contained in this communication from the Office of the New Jersey Attorney General is privileged and confidential and is intended for the sole use of the persons or entities who are the addressees. Re: Aerial Easement & Temporary Construction Easement
Replacement of Bridge Structure 1600-009
The Property of FL Riverview, LLC
(formerly of Powertech, Inc.)
Fair Lawn Avenue
Borough of Fair Lawn
Bergen County, New Jersey

In accordance with your written request dated September 20, 2017, and after reviewing available data, it is my understanding that the County of Passaic requires an appraisal of the property referenced above, to estimate the just compensation for an aerial easement and a temporary construction easement proposed on the property.

Purpose of the Appraisal

The purpose of this assignment is to provide the County of Passaic with an estimate of Just Compensation for the aerial easement and temporary construction easement proposed on the property to aid the County of Passaic in an eminent domain acquisition. This valuation assignment will estimate the value of the land, the improvements to the land and damages to the remainder, if any, at the Highest and Best Use, in the "as is" condition as of the date of inspection.

Introduced on: October 24, 2017
Adopted on: October 24, 2017
Official Resolution #: R20170998
Scope of Work

By acceptance of this assignment, I am acknowledging that I have the experience and knowledge to complete the assignment competently, in accordance with the competency provision in USPAP.

The value estimate will reflect my opinion of the just compensation due the property owner for the public taking on the subject property, as well as damages to the remainder, if any. The market value estimate is of the fee simple estate.

Prior to commencement of the assignment, the property owner will be notified in writing by certified mail, return receipt requested, offering them the opportunity to accompany me during the on-site inspection of the property. After an inspection of the subject property and the neighborhood, I will prepare an appraisal of the property and report my estimate of Just Compensation using my narrative summary format. Since the property is improved, the appraisal will consider those approaches to value appropriate for the type of assignment; namely, the Sales Comparison, also referred to as the Market Data Approach, and the Cost Approach and Income Approach, if the latter two approaches are determined to be a reliable indicators of value. Because of the age and/or condition of the improvements and the difficulty of accurately estimating accrued depreciation, the Cost Approach to value may not be appropriate and may not be used in the final valuation for this assignment. If it is determined that the improvements will not be adversely affected by the takings, then a "Land Only" appraisal will be prepared. This is not considered a departure from recognized valuation methodology according to the Uniform Standards of Professional Appraisal Practice. A "Before and After" value method will be utilized in either scenario.

The appraisal and report will be prepared in compliance with Standards 1 and 2.2(a) of the 2016-2017 Uniform Standards of Professional Appraisal Practice (USPAP) of the Appraisal Foundation and the Professional Code of Ethics of the Appraisal Institute and the NJDOT appraisal guidelines. The appraisal will adequately identify the real estate and property interests to be appraised. The purpose and the intended use of the appraisal will be considered, as well as the effect on use and value of existing land use regulations and any reasonable and probable modifications of the land use regulations. The economic demand, physical adaptability of the real estate, the neighborhood trends and the Highest and Best Use will be analyzed and reported. The valuation process will include the collecting, verifying and analyzing of physical, functional and external market factors that may affect the value of the property under appraisal.

The scope of work will include, but not be limited to, meeting with the owner and possibly County of Passaic officials to inspect the subject property. The project map prepared for the County of Passaic will be studied. The neighborhood will be evaluated and data will be gathered regarding state, county and local demographics, as well as local area data. The Fair Lawn zoning ordinance, master plan, other mapped data, as well as the USGS and NJDEP prepared flood hazard, wetlands, NJ Highlands maps and data will be analyzed. Comparable sales data will be collected from sources including, but not limited to, the Garden State Multiple Listing Service, Costar real estate date service, First Real
Scope of Work (Cont'd.)

Estate Corelogic, Inc. tax and sales data service, and the County Board of Taxation's SR-1A reports. Sales data will be verified adequately and commensurate with the purpose of the assignment and analyzed. If the Cost Approach is used, the Marshall and Swift, the NJ Tax Assessors Manual, or similar service will be utilized to estimate the replacement cost of any improvements. The valuation estimate will assume that municipal, county, state and/or federal regulations under which the property or the current use might be governed are in compliance and that there are no environmental problems that affect value, except the presence and effect of the Highlands Preservation Act, wetlands and transition buffers, and flood hazard zones.

Extraordinary Assumptions

An extraordinary assumption is an assumption, directly related to a specific assignment, as of the effective date of the assignment results, which, if found to be false, could alter the appraiser’s opinions or conclusions. Extraordinary assumptions presume as fact otherwise uncertain information about physical, legal or economic characteristics of the subject property, or about conditions external to the property, or about the integrity of the data used in an analysis. Extraordinary assumptions are made so as to bring clarity to the opinion of value and to make the conclusions more meaningful. The appraisal may consider other assumptions, either general or specific to this assignment, which may be mentioned throughout the report. However, for this assignment the appraisal fee quoted herein is based on the extraordinary assumption that improvement on the Subject Property will be unaffected by the proposed aerial easement and temporary construction easement, and the appraisal will be of "Land Value, Only." No other extraordinary assumptions will be made unless based on an independent professional NRE report that might be prepared for and provided by the County of Passaic.

Hypothetical Conditions

A hypothetical condition is a condition, directly related to a specific assignment, which is contrary to what is known by the appraiser to exist on the effective date of the assignment results, but is used for the purpose of analysis. These conditions are contrary to known facts about physical, legal or economic characteristics of the subject property, or about conditions external to the property, or about the integrity of data used in an analysis. Typically a hypothetical condition may be presented to the appraiser by the client for the purposes of specificity of value or may be utilized by the appraiser for illustrative purposes. For this appraisal, no hypothetical conditions will be assumed.
Intended User and Intended Use

The appraisal and report will be prepared for you, representing the County of Passaic as the intended user, and it will be for the County of Passaic's sole and exclusive use in estimating the market value for the purposes outlined herein. By acceptance of this proposal, the County of Passaic agrees to obtain written authorization from me before releasing the report to any other party or parties, except as required by law or to parties with an equitable interest in the property, or for any other use or purpose other than to aid in establishing the Just Compensation due the property owner for this eminent domain acquisition, which is the intended use of the appraisal. It is specifically understood that this appraisal will not be utilized for tax appeal, mortgage underwriting or lending collateral purposes.

The possession of the appraisal report, or any copy or portion thereof, by any representative of the client, or any third party does not include or confer any rights of publication or redistribution of the report other than to such persons or entities identified in this agreement who shall be advised in writing of Harry L. Schwarz & Co.'s rights under this agreement prior to their receipt of the appraisal report.

All rights, title and interest in any data gathered in the course of preparing the appraisal and report, excluding any data furnished by or on the client's behalf, and the content of the report prepared pursuant to this agreement shall be vested in Harry L. Schwarz & Co. Subject to the foregoing, you have the right to possess a copy of the report and to disclose the conclusions and report to the County's attorneys, accountants or other professional advisors as related to the property that is the object of this assignment, provided that such attorneys, accountants or advisors are advised in writing of Harry L. Schwarz & Co.'s rights under this Agreement prior to receipt of the appraisal report.

Appraisal Fees, Payment and Delivery of Report

I will provide the County of Passaic with an appraisal that will meet your requirements, and will provide two (2) written appraisal reports and one electronic copy in PDF format. My fee for the preparation of the appraisal will be $2,500.00.

Any invoice for services rendered pursuant to this agreement is based upon the fees specified in this agreement. Invoices are considered due upon receipt and will be deemed delinquent if not paid within 30 days of the date of the invoice. You will be assessed a late charge of 1-1/2% per month if payments are not received prior to the date the invoice is deemed delinquent as defined herein. Additional late charges will be assessed each additional month thereafter that an invoice remains unpaid in whole or in part. In the event collection efforts are pursued to recover unpaid balances owed by you, you agree to pay all costs of collection, including, but not limited to, attorneys' fees at trial or on appeal.
Cancellation

You may cancel this agreement at any time prior to the delivery of the appraisal report upon written notification to me. You agree to pay me for work completed on assignment prior to my receipt of your written cancellation notice, unless otherwise agreed upon between us in writing.

Other Costs, Expenses and Services

The appraisal fee does not include the cost of certain expenses that may be necessary for the preparation of the report; for example, but not limited to, structural and engineering studies of the improvements, environmental and wetlands studies or survey work. If you request that I hire professionals to provide these services, an itemized bill for these expenses plus 15% for overhead and coordination will be presented to you upon the completion of the report. Any additional expenses or work contracted must be confirmed in writing with you prior to expenditure or proceeding. Payment for additional expenses, if incurred, will be due in full upon delivery of the report.

Legal counsel is beyond the scope of my services and is neither implied nor included. Preparation of any appeal forms, income or estate tax forms and/or representation as an advocate before the IRS, any State’s Department of Treasury or Department of Taxation, the County Board of Taxation or in the New Jersey Tax Court or in Superior Court is neither offered, implied, inferred nor included.

Expert Testimony

The fee quoted does not include any depositions, completion of interrogatories, preparation for or expert valuation testimony in court or before any board or agency of inquiry or any additional conferences and meetings regarding this matter. After delivery of the appraisal, should you wish me to testify in any proceeding or negotiate with any other party, an additional fee will be charged based on the number of hours spent for preparation, negotiating and/or testifying invoiced at a rate of $800.00 per full day and $500.00 per half day. Any additional work requested will be invoiced on an hourly basis at the rates shown on the attached fee schedule. Payment terms are the same as for the written appraisal report.

ASSUMPTIONS & LIMITING CONDITIONS

It is assumed that title to the property is good and marketable. No survey has been made and the value estimate is given without regard to question of title, boundaries, encumbrances or encroachments. No responsibility is assumed for matters of a legal nature.

The appraiser herein, by reason of this appraisal, shall not be required to give testimony or to appear in court or at any hearing with regard to the property in question without special financial arrangements having been completed.

The by-laws and Regulations of the professional appraisal organizations with which the Appraiser is affiliated govern disclosure of the contents of the appraisal.

As required by the New Jersey State Board of Real Estate Appraisers, the Appraisal Institute and by applicable law, this appraisal has been made in accordance with the Uniform Standards of Professional Practice (USPAP) as promulgated by the Appraisal Foundation and as required by Title XI of the Financial Institutions Reform, Recovery and Enforcement Act of 1989 (FIRREA).

However, the "Departure Provisions" of the USPAP are invoked herein where the requirements of USPAP are non-applicable; such as, the requirements for the Cost Approach to Value and the Income Approach to Value techniques and the analyses in cases involving the appraisal of vacant land. Also, The "Departure Provisions" are invoked and the USPAP not applicable in cases where government agencies; such as, the New Jersey Department of Transportation, the New Jersey Department of Environmental Protection and others have their own formats, procedural handbooks and content requirements, as well as the appraisal content requirements set forth in the URAR formats approved by Fannie Mae, Freddie Mac and other federal agencies. Also, The "Departure Provisions" are invoked for cases involving the New Jersey Tax Court, County Tax Boards and other Courts in general where FIRREA is superseded by an official court jurisdiction, which wishes to consider a summary appraisal. These provisions are also invoked in cases where a client or attorney specifically requests a brief or summary type report in a non-federal related matter.

Neither all nor any part of the contents of this report, especially any conclusions as to the value, the identity of the Appraiser or the firm with which the Appraiser is connected, or any references to the professional appraisal organizations with which the Appraiser is affiliated, shall be disseminated to the public through advertising media, public relations media, new media, sales media or any other public means of communications without the prior written consent and approval of the undersigned.

In this appraisal assignment, the existence of toxic waste or potentially hazardous material, which may or may not be present on the property or adjoining properties, has not been considered unless specified within the body of this report. The Appraiser is not qualified to detect such substances.
ASSUMPTIONS & LIMITING CONDITIONS (Cont'd.)

If the subject property comes within the definitions of and is subject to the application of the New Jersey Environmental Cleanup Responsibility Act (ERCA) N.J.S.A. 13:1K-6 et. seq., the Industrial Site Recovery Act (ISRA), the Underground Storage Tank Act (USTA) or any other law or regulation promulgated by any Federal or State agencies, such conditions and responsibilities of the property owner as may be imposed by the provisions of these laws have not been taken into consideration in the appraisal process or the value estimate unless specified within this report. It is assumed that the owner can and will obtain a letter of Non-applicability from the Bureau of Industrial Site Evaluation or approval of a negative declaration from the New Jersey Department of Environmental Protection as required by law.

Any information in this report furnished by others is assumed to be reliable, but the Appraiser assumes no responsibility for its accuracy.

It is assumed that the municipal tax map and records and/or any documentation or maps provided by the client correctly delineate the property under appraisal.

EMPLOYEES, RETIREES OF INDEPENDENT AND
AUTONOMOUS AGENCIES OF THE COUNTY OF PASSAIC, AND
COBRA PARTICIPANTS PARTICIPATING IN THE COUNTY’S
SELF-FUNDED INSURANCE PLANS FOR MEDICAL,
PRESCRIPTION AND DENTAL COVERAGE, FOR THE PERIOD
OF JANUARY 1, 2018 THROUGH DECEMBER 31, 2018

WHEREAS the Board of Chosen Freeholders of the County
of Passaic (the “Board”) is committed to containing the cost of its
self-funded employee benefits programs to the maximum extent
practicable; and

WHEREAS several independent and autonomous agencies of
the County of Passaic offer benefits to its employees and retirees
through the County self-funded benefits program and reimburse
the County for these employees and retirees; and

WHEREAS under the Consolidated Omnibus Budget Act of
1985 (COBRA), the County of Passaic is required to offer
separated employees continued health coverage at its group rate
for a period of up to 18 months; and

WHEREAS the County of Passaic previously permitted
employees who had less than 25 years of service with the County
to, upon retirement, receive benefits at lesser rates based upon
their years of service and those rates are also adjusted annually;
and

WHEREAS pursuant to N.J.S.A. 40A:10-21.1(a) (P.L. 2011,
Chap. 78), local public entities are required, as part of their
medical benefit, prescription drug program and dental coverage,
to charge employees a premium for such coverages

rate with their level of compensation; and
WHEREAS the County undertakes a periodic review of rates in order to ensure that they are adjusted when appropriate to realistically reflect market conditions; and

WHEREAS this coming year, the County’s insurance consultant, Brown & Brown Metro, has recommended to the Passaic County Self-Funded Insurance Commission that because of the high costs that continue to accrue to both employees and the County, a $50.00 per pay incentive be offered by the County to all employees who elect to enroll into the H.S.A. High Deductible Plan; and

WHEREAS these rates were last adjusted by Resolution of the Board dated October 11, 2016 (R-2016-0812); and

WHEREAS in accordance with this goal as stated above, the Board is desirous of adjusting the rates for these employees and retirees based upon a statistical evaluation of benefits paid last year from its insurance consultants Brown and Brown Metro, Inc.; and

WHEREAS this matter was reviewed by the Freeholder Committee for Finance & Administration at their October 11, 2017 meeting and is being recommended to the entire Board for approval.

NOW THEREFORE BE IT RESOLVED by the Board of Chosen Freeholders of the County of Passaic that it hereby authorizes an increase in premium for employees, retirees and COBRA participants receiving medical, prescription, and dental benefits under the County of Passaic self-funded benefits.

RESOLUTION AUTHORIZING THE GUARANTY BY THE COUNTY OF PASSAIC, NEW JERSEY OF PAYMENT OF PRINCIPAL AND INTEREST ON THE COUNTY-GUARANTEED PARKING REVENUE REFUNDING BONDS, SERIES 2017 (200 HOSPITAL PLAZA CORPORATION PROJECT) OF THE PASSAIC COUNTY IMPROVEMENT AUTHORITY IN AN AGGREGATE PRINCIPAL AMOUNT NOT EXCEEDING $27,000,000

WHEREAS, the COUNTY OF PASSAIC, New Jersey (the “County”), pursuant to the Improvement Authorities Law of the State of New Jersey (the “State”), constituting Chapter 183 of the Pammphlet Laws of the State of 1960, as amended and supplemented (N.J.S.A. 40:37A-44 et seq.) (the “Act”), has heretofore duly created a body corporate and politic known as The Passaic County Improvement Authority (the “Authority”); and

WHEREAS, the County, in order to assist the Authority with the financing of a proposed refunding to be undertaken on behalf of 200 Hospital Plaza Corporation, a State of New Jersey not-for-profit corporation (the “Borrower”) in order to refinance a loan made to it when the Authority issued its $29,620,000 County Guaranteed Parking Revenue Bonds (200 Hospital Plaza Corporation Project), Series 2010, which financed, among other things, a parking deck adjacent to the hospital campus of St. Joseph’s Regional Medical Center located in the City of Paterson, New Jersey on behalf of the Borrower (the “Project”), has determined to provide for the guaranty of County-Guaranteed Parking Revenue Refunding Bonds, Series 2017 (200 Hospital Plaza Corporation Project) of the Authority and any bonds issued to refund said bonds (the “Obligations”) issued in accordance with an indenture of trust, as may be amended and supplemented (the “Indenture”) by and between the Authority and the trustee named therein.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF CHOSEN FREEHOLDERS OF THE COUNTY OF PASSAIC, NEW JERSEY, (not less than two-thirds of all members thereof affirmatively concurring), AS FOLLOWS:

Section 1. This guaranty shall be adopted by the governing body of the County in the manner provided for adoption of a bond ordinance as provided in the Local Bond Law, constituting Chapter 169 of the Pammphlet Laws of 1960 of the State, as amended and supplemented (the “Local Bond Law”).

Section 2. Pursuant to and in accordance with the terms of the Act, specifically Section 37 of the Act (N.J.S.A. 40:37A-80), the County is hereby authorized to and hereby shall fully, unconditionally and irrevocably guaranty the punctual payment of the principal of and interest on the Obligations in an aggregate principal amount not exceeding at any time $27,000,000, which Obligations are to be issued to finance and/or refinance the Project, on such terms and conditions as may be agreed to by and between the County and the Authority and as
are reflected in this guaranty and in the guaranty certificate on the face of each Obligation. Upon the endorsement of the Obligations referred to in Section 3 below, the County shall be fully, unconditionally and irrevocably obligated to pay the principal of and interest on the Obligations in the same manner and to the same extent as in the case of Obligations issued by the County, and, accordingly, the County shall be unconditionally and irrevocably obligated to levy ad valorem taxes upon all the taxable property within the County for the payment thereof, without limitation as to rate or amount, when required under the provisions of applicable law. This full, unconditional and irrevocable guaranty of the County effected hereby to pay the principal of and interest on the Obligations when due, in accordance with the terms hereof, shall not be abrogated for any reason. Any Obligations which are no longer considered outstanding under the Indenture shall not be counted for the purpose of $27,000,000 limitation contained in this guaranty.

GUARANTY BY THE COUNTY OF PASSAIC, NEW JERSEY

The payment of the principal of and interest on the within bond according to its terms is hereby fully and unconditionally guaranteed by the County of Passaic, New Jersey for as long as such bond is outstanding under the Indenture.

IN WITNESS WHEREOF, the County of Passaic, New Jersey, has caused this guaranty to be executed by the signature of its Freeholder-Director, Deputy Freeholder-Director or Director of Finance.

COUNTY OF PASSAIC, NEW JERSEY

By: _______________________________
               Freeholder-Director,
               Deputy Freeholder-Director
               or Director of Finance

The Freeholder-Director, Deputy Freeholder-Director or Director of Finance is hereby further authorized to execute such other certificates or agreements relating to this guaranty that may be required by the Authority to comply with the terms of the financing documents relating to the Obligations, including, without limitation, (i) any agreements or certificates detailing the time and method that payment under this guaranty shall be made by the County, (ii) any letters of representations or similar undertakings to be executed in connection with the sale of the Obligations, setting forth certain representations, warranties and covenants of the County as an inducement to the purchase of the Obligations, (iii) any certificates deeming “final” (for the purposes of Rule 15c2-12 of the U.S. Securities and Exchange Commission) any Preliminary or final Official Statements of the Authority in connection with the Obligations, and (iv) any bond
purchase agreement or continuing disclosure agreement executed in connection with the sale of the Obligations. Such further agreements or certificates shall not abrogate the County’s responsibilities hereunder.

The Freeholder-Director, Deputy Freeholder-Director or Director of Finance is hereby further authorized to execute one or more continuing disclosure agreement(s) or other instrument(s) undertaking the secondary disclosure obligations of the County required by Rule 15c2-12 of the United States Securities and Exchange Commission in connection with the issuance of any Obligations by the Authority.

Section 4. It is hereby found, determined and declared by the governing body of the County that:

(a) This guaranty may be adopted notwithstanding any statutory debt or other limitations, including particularly any limitation or requirement under or pursuant to the Local Bond Law, but the aggregate principal amount of the Obligations that shall be entitled to the benefits of this guaranty, being an amount not to exceed $27,000,000 outstanding at any time, shall after their issuance be included in the gross debt of the County for the purpose of determining the indebtedness of the County under or pursuant to the Local Bond Law.

(b) The principal amount of Obligations entitled to the benefits of this guaranty and included in the gross debt of the County shall be deducted, and is hereby declared to be and to constitute a deduction, from such gross debt under and for all the purposes of the Local Bond Law (i) from and after the time of issuance of the Obligations until the end of the fiscal year beginning next after the completion of the acquisition or construction of the project to be financed from the proceeds of the Obligations, and (ii) in any annual debt statement filed pursuant to the Local Bond Law as of the end of said fiscal year or any subsequent fiscal year, if the revenues or other receipts or moneys of the Authority in such fiscal year are sufficient to pay its expenses of operation and maintenance in such fiscal year and all amounts payable in such fiscal year on account of the principal of and interest on all such guaranteed Obligations, all Obligations of the County issued as provided in Section 36 of the Act (N.J.S.A. 40:37A-79), and all Obligations of the Authority issued under the Act.

Section 5. The following matters are hereby determined, declared, recited and stated:

(a) The maximum outstanding principal amount of Obligations of the Authority that are hereby and hereunder guaranteed as to the punctual payment of the principal thereof and interest thereon at any time is $27,000,000.

(b) The purpose described in this guaranty is not a current expense of the County, and no part of the cost thereof has been or shall be assessed on property specially benefited thereby.

(c) A supplemental debt statement of the County has been duly made and filed in the office of the Clerk of the Board, and a complete executed duplicate thereof has been filed in the office of the Director of the Division of Local Government Services in the Department of Community Affairs of the State, and such debt statement shows that while the gross debt of the County, as defined in the Local Bond Law, is increased by this guaranty by
$27,000,000, in accordance with the provisions of the Act, the net debt of the County is not increased, and the obligation of the County authorized by or incurred pursuant to the terms of this guaranty is permitted by an exception to the debt limitations of the Local Bond Law, which exception is contained in the Act.

(d) All other items to be contained in a bond ordinance adopted pursuant to the Local Bond Law are hereby determined to be inapplicable to the County’s guaranty of the Obligations hereby.

Section 6. To the extent the Obligations are not issued in 2017, reference herein to "2017" may without any further action be changed to the year of issuance of such Obligations and all dates related to such year of issuance shall be automatically adjusted.

Section 7. This guaranty shall take effect at the time and in the manner provided by law.
