Section 6. The following additional matters are hereby determined, declared, recited
and stated:

(a) The improvements or purposes described in Section 3 of this bond ordinance are
not current expenses. They are improvements or purposes that the County may lawfully
undertake as general improvements, and no part of the cost thereof has been or shall be specially assessed on property specially benefited thereby.

(b) The average period of usefulness of the improvements or purposes within the limitations of the Local Bond Law, according to the reasonable life thereof computed from the date of the bonds authorized by this ordinance, is 14.69 years.

(c) The Supplemental Debt Statement required by the Local Bond Law has been duly prepared and filed in the office of the Clerk of the Board, and a complete executed duplicate thereof has been filed in the office of the Director of the Division of Local Government Services in the Department of Community Affairs of the State of New Jersey. Such statement shows that the gross debt of the County as defined in the Local Bond Law is increased by the authorization of the bonds and notes provided in this bond ordinance by $3,200,000. $1,600,000 of such authorized amount shall constitute a deduction from the County’s gross debt and shall not be considered in determining the net debt of the County pursuant to N.J.S.A. 18A:64A:22.4. The obligations authorized herein will be within all debt limitations prescribed by that law.

(d) An aggregate amount not exceeding $320,000 for items of expense listed in and permitted under N.J.S.A. 40A:2-20 is included in the estimated cost indicated herein for the purposes or improvements.

The County Director of Finance is further authorized to enter into the appropriate undertaking to provide secondary market disclosure on behalf of the County pursuant to Rule 15c2-12 of the Securities and Exchange Commission (the "Rule") for the benefit of holders and beneficial owners of obligations of the County and to amend such undertaking from time to time in connection with any change in law, or interpretation thereof, provided such undertaking is and continues to be, in the opinion of a nationally recognized bond counsel, consistent with the requirements of the Rule. Section 6. The following additional matters are hereby determined, declared, recited and stated:

(a) The improvements or purposes described in Section 3 of this bond ordinance are not current expenses. They are all improvements or purposes that the County may lawfully undertake as general improvements, and no part of the cost thereof has been or shall be specially assessed on property specially benefitted thereby.
(b) The average period of usefulness, computed on the basis of the respective amounts of obligations authorized for each purpose and the reasonable life thereof within the limitations of the Local Bond Law, is 8.23 years.

(c) The Supplemental Debt Statement required by the Local Bond Law has been duly prepared and filed in the office of the Clerk, and a complete executed duplicate thereof has been filed in the office of the Director of the Division of Local Government Services in the Department of Community Affairs of the State of New Jersey. Such statement shows that the gross debt of the County as defined in the Local Bond Law is increased by the authorization of the bonds and bond anticipation notes provided in this bond ordinance by $1,714,790, and the obligations authorized herein will be within all debt limitations prescribed by the Local Bond Law.

(d) An aggregate amount not exceeding $250,000 for items of expense listed in and permitted under N.J.S.A. 40A:2-20 is included in the estimated cost indicated herein for the purposes or improvements.

Section 7. The County hereby declares the intent of the County to issue bonds or bond anticipation notes in the amount authorized in Section 2 of this bond ordinance and to use the proceeds to pay or reimburse expenditures for the costs of the purposes or improvements described in Section 3 of this bond ordinance. This Section 7 is a declaration of intent within the meaning and for purposes of Treasury Regulations.

Section 8. Any grant moneys received for the purposes or improvements described in Section 3 hereof shall be applied either to direct payment of the cost of the improvements or to payment of the obligations issued pursuant to this bond ordinance. The amount of obligations authorized but not issued hereunder shall be reduced to the extent the moneys are so used.
Section 9. The County Director of Finance is hereby authorized to prepare and to update from time to time as necessary a financial disclosure document to be distributed in connection with the sale of obligations of the County and to execute such disclosure document on behalf of the County. The County Director of Finance is further authorized to enter into the appropriate undertaking to provide secondary market disclosure on behalf of the County pursuant to Rule 15c2-12 of the Securities and Exchange Commission (the "Rule") for the benefit of holders and beneficial owners of obligations of the County and to amend such undertaking from time to time in connection with any change in law, or interpretation thereof, provided such undertaking is and continues to be, in the opinion of a nationally recognized bond counsel, consistent with the requirements of the Rule. In the event that the County fails to comply with its undertaking, the County shall not be liable for any monetary damages, and the remedy shall be limited to specific performance of the undertaking.

Section 10. The full faith and credit of the County are hereby pledged to the punctual payment of the principal of and the interest on the obligations authorized by this bond ordinance. The obligations shall be direct, unlimited obligations of the County, and the County shall be obligated to levy ad valorem taxes upon all the taxable real property within the County for the payment of the obligations and the interest thereon without limitation of rate or amount.

RESOLUTION SUPPORTING REGULATION OF FIREARMS IN NEW JERSEY AND ELSEWHERE

WHEREAS as the February 14, 2018 school shooting in Parkland, Florida reminds us, the United States has yet to tackle the issue of gun violence. Rates of gun deaths in the U.S. are far greater than in much of the rest of the world. Data from the U.S. Centers for Disease Control and Prevention (CDC) shows that on an average day, 96 Americans are killed with guns, nearly two-thirds (62 percent) of firearm deaths in the U.S. are suicides, and seven children and teens (age 19 and under) are killed with guns in the U.S. on an average day. Every year, approximately 100,000 Americans are victims of gun violence. While mass shooting tragedies often receive significant media attention, gun deaths commonly occur in the U.S. quietly, every day; and

WHEREAS the Second Amendment to the Constitution of the United States of America states: “A well regulated Militia being necessary to the security of a free State, the right of the people to keep and bear Arms, shall not be infringed”; and

WHEREAS in the 2010 case Crespo v. Crespo (N.J. 2010), the Supreme Court of New Jersey held that the right to keep and bear arms “is incorporated as against the States by the Fourteenth Amendment” and that “the right to possess firearms clearly may be subject to reasonable limitations”; and

WHEREAS the Board of Chosen Freeholders of Passaic County believe applying limitations on the right to possess firearms is necessary to preserve democracy and protect the citizens of Passaic County and New Jersey; and
WHEREAS data from multiple established sources stated above depict a violent and dangerous world for U.S. citizens due to gun violence; and

WHEREAS the Board of Chosen Freeholders of Passaic County also recognizes that it is within the power of elected officials to protect the people of the United States and New Jersey; and

WHEREAS state and federal lawmakers continue to avoid necessary measures that should be aimed at: restricting the availability of firearms, most notably semi-automatic weapons of mass destruction, making it obligatory for private and public firearm dealers to expand background checks for all interested purchasers, regulate the manufacture of unsafe guns, and bar the acquisition of firearms from those suffering mental illness; and

WHEREAS this matter was presented to the Freeholders on the Finance & Administration Committee who are recommending its adoption by the full Board.

NOW THEREFORE BE IT RESOLVED by the Board of Chosen Freeholders of the County of Passaic as follows:

1. Affirmation of our commitment to protect our residents from all kinds of violence that would put them in dangerous or even fatal situations; and, in the General Assembly and New Jersey State Senate.

2. Said Board calls upon our state representatives to advocate for legislation that:
a. Restricts the availability of semi-automatic weapons of mass destruction
b. Obliges all gun dealers to perform and complete extensive background checks for all potential purchasers
c. Mandates gun safety training
d. Keeps guns out of the hands of those suffering with mental illness
e. Monitors the sale of firearms

3. Said Board also calls upon federal members of the House of Representatives and U.S. Senate to support legislation that:
   a. Strengthens regulations on gun transfers
   b. Regulates the sale and possession of "junk" guns
c. Encourages neighboring states to work collaboratively to promote gun violence prevention

4. Said Board hereby strongly opposes any state or federal law that minimizes the restriction on the above legislative recommendations.

5. The Clerk of the County of Passaic is hereby authorized and directed to take the necessary action to distribute this Resolution and share it with the Clerks to the Boards of the 20 other Counties, members of the New Jersey Legislature representing the County of Passaic, members of the House of Representatives and U.S. Senate from New Jersey.

The RFP solicited unit pricing for various merchandise that could be purchased for resale by the County in the Golf Shop. Consequently, multiple awards can be made, with the County’s acceptance of the respondent’s proposal authorizing future purchases at the prices set forth therein.

Four bids were received in response to RFP-18-001 from Audenre Company, Golf Max, Callaway Golf Sales, and Red Arrow Markers. A Technical Review Committee (hereafter “Committee”) comprised of myself, Parks and Recreation Department Director Darryl Sparta, and Golf Professional Martin Vyhíbal convened via telephonic conference on February 5, 2018 and scored the proposals as stated herein.

Scoring of Vendor Submissions

The Review Committee met via telephonic conference on February 5, 2018 to discuss the four (4) proposals. The following scores were mutually agreed to as set forth in the scoring criteria.

2018 COUNTY SALARY REIMBURSEMENT AGREEMENT
BETWEEN
THE COUNTY OF PASSAIC
AND
RUTGERS COOPERATIVE EXTENSION
RUTGERS, THE STATE UNIVERSITY OF NEW JERSEY

This agreement made between Rutgers Cooperative Extension, headquartered at the New Jersey Agricultural Experiment Station, part of Rutgers, The State University of New Jersey, hereinafter called RCE, party of the first part, and the County of Passaic, hereinafter called COUNTY, party of the second part, beginning this the _________ of January, 2018.

To provide a Cooperative Extension program as mandated by state and federal law and outlined in the Memorandum of Understanding between the two aforementioned parties for the residents of the County of Passaic in the areas of agriculture and resource management, family and community health sciences, and 4-H youth development and other related programming such as marine fisheries, water quality and aquaculture, Expanded Food Nutrition Education Program, etc., which may be pertinent to address specific county needs, the parties agree to the following:

a. RCE will provide the amount as indicated on the salary addendum, of the salaries/wages of the faculty and professional staff involved and 100% of Rutgers University fringe benefits, as determined by the state/federal government and made available to all Extension faculty and staff professionals. RCE will also provide subject matter resources such as state specialist subject area research support and publications for the Cooperative Extension program planned and implemented within the County of Passaic. RCE faculty and
professional staff located in the County are permitted to assume programmatic roles on a reciprocal trade arrangement with neighboring counties or regions as outlined in this agreement.

b. The County will pay the amount as indicated on the salary addendum, of the salaries/wages and fringe benefits if not provided by the state/federal government, estimated at $137,516, for the period of January 1, 2018 to December 31, 2018 for employees listed on the salary addendum. Should employment of any person in a RCE position cease, RCE will request to utilize the remaining COUNTY funds for part-time temporary employee(s) in the programmatic area(s) in Passaic County with agreement to be indicated in writing.

c. RCE will bill the COUNTY in quarterly installments for reimbursement of approximately one-fourth of the agreed amount of the actual annual salary and wage costs with payments due on April 1, July 1, October 1 and January 1. The final quarter’s payment will be adjusted to reflect the exact yearly payment of the predetermined amount of the total annual salary and wage cost, not to exceed $137,516. The quarter ending June 30 will reflect Rutgers University salary adjustments in accordance with the University’s fiscal year end on that date. RCE and the COUNTY will be responsible to pay the same percentage of any salary increases or bonuses entitled to the employee through the University and/or contracted union agreements.
This annual salary and wage agreement is meant to provide each party with simplified personnel and payroll administration for RCE faculty and staff and is not intended to alter the terms of the Memorandum of Understanding between the parties, the enabling federal and state legislation, nor the accepted county relationships established for these employees (i.e., unclassified county employee status, supervision of county paid staff, driving county vehicles, liability coverage, etc.). This agreement shall be renewed by both parties on an annual basis with the completed and authorized copy to be returned to RCE by April 1 of each year.

Memorandum

FROM: Matthew P. Jordan, Esq.
Deputy County Administrator

RE: Resolution Authorizing the Restructuring of the Passaic County History & Tourism Board

DATE: February 14, 2018

Background

The Passaic County History & Tourism Board (hereafter “Tourism Board”) was created by the Passaic County Board of Chosen Freeholders (hereafter “Board”) was created in 2010 via Resolution R-10-76 for the primary purpose of drafting and establishing a heritage tourism element of the Passaic County Master Plan. In 2013, the Heritage Tourism Plan was adopted. Subsequently, the Tourism Board has been dormant, with all of the appointed member’s terms having lapsed.

Requested Action

As currently constituted, the Tourism Board is constructed in a manner that is not effective to accomplish the purposes as set forth in the Heritage Tourism Plan. Consequently, the Administrator’s Office is recommending that the Tourism Board be reconstituted via resolution, with the following membership and terms:

- Passaic County Freeholder Director or designee;
- Passaic County Administrator or designee;
- Passaic County Parks and Recreation Director or designee;
- Passaic County Cultural and Historic Affairs Director or designee;
- Chairperson of the Friends of Passaic County Parks, Inc.;
- Manager of Cultural Affairs, Passaic County Community College;
- Superintendent of the Great Falls National Historic Park or designee;
- Representative of the Ringwood State Park;
- Representative of an institute of higher education located in Passaic County;
- Wayne Township Historic Sites Manager;
- Passaic County Improvement Authority Executive Director or designee; and
- Two (2) public members with an expertise in public relations, marketing, or tourism.

Each public member shall serve a three (3) year term and be appointed via Resolution by the Board.

Conclusion

Passaic County continues to grow its tourism economy, consistently being ranked by the State of New Jersey as a leader in drawing visitors to its parks, historic sites, and landmarks. By restructuring the Tourism Board as set forth herein, the County can continue this growth and streamline its efforts among various public and private entities, and continue the progress seen over the last ten years.

AGREEMENT FOR ACCESS TO PROTECTED HEALTH INFORMATION
THROUGH AHS CARELINK

THIS AGREEMENT (this “Agreement”) for Access to Protected Health Information (“PHI”) is entered into as of the ___ day of __________, 2017, between Atlantic Health System, Inc. and its subsidiaries and affiliates (together “AHS”) and ____________ (hereinafter “Site User”).

WHEREAS, AHS utilizes a certain electronic medical record system and related functionality, called AHS CareLink (“AHS CARELINK”), which allows permitted users to access certain patient electronic health records to which they otherwise would not have access;

WHEREAS, this Agreement is applicable only in the following two circumstances: (i) to grant access to AHS CARELINK by a non-AHS medical office practice; or (ii) for certain activities that have been approved by AHS for use of AHS CARELINK for unique and special activities, where the “Site User” and “Site Administrator” is engaged in some capacity by AHS;

WHEREAS, AHS will allow these parties to view the AHS electronic health records of patients for the purpose of treatment, payment related activities, certain limited health care operations (e.g., case management and care coordination) and other approved activities (individually, or collectively “Approved Activities”) to the extent permitted without authorization in accordance with the Health Insurance Portability and Accountability Act of 1996, as amended, including by the Health Information Technology for Economic & Clinical Health Act of the American Recovery and Reinvestment Act of 2009 (“HITECH Act”), certain regulations promulgated under HIPAA by the United States Department of Health and Human Services at 45 C.F.R. Parts 160 and 164 and certain regulations promulgated pursuant to the HITECH Act (collectively, “HIPAA”);

WHEREAS, the Site User provides or coordinates professional or other medical services to, or is otherwise involved with Approved Activities involving, patients who are or were AHS patients;

WHEREAS, AHS would like to allow access to AHS CARELINK by Site User, and those employed or authorized by Site User, subject to the restrictions and other requirements set forth in this Agreement; and

WHEREAS, Site User has agreed to use AHS CARELINK in accordance with this Agreement to improve the quality and efficiency of the medical services Site User provides to patients who receive care at AHS, or to facilitate the processing of payment related activities for health care services received at AHS, to assist with care coordination or to coordinate other Approved Activities, as applicable;

NOW, THEREFORE, in consideration of the premises, the mutual agreements and covenants herein contained, and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties hereto agree as follows:

Introduced on: February 27, 2018
Adopted on: February 27, 2018
Official Resolution #: R20180141
1. AHS CARELINK ACCESS.

A. Subject to the terms and conditions of this Agreement, AHS hereby grants Site User non-transferable and non-exclusive access to AHS CARELINK (i) if Site User is a non-AHS medical office practice, to permit its medical providers (each a “Medical Provider), and their employed or affiliated administrative personnel (collectively “Medical Office Authorized Users”), to electronically access and use AHS CARELINK solely for viewing medical records, images and content related to the provision of healthcare to patients of such Medical Providers; or (ii) if Site User is coordinating other Approved Activities, to permit the personnel employed by those entities involved in such Approved Activities (collectively “Approved Activities Authorized Users”) to electronically access and use AHS CARELINK solely for viewing medical records for purposes of the Approved Activities (“Medical Office Authorized Users” and “Approved Activities Authorized Users” individually and collectively “Authorized Users”).

B. Site User understands and warrants that such access and use shall be limited to that achieved through unique access codes provided to each individual Authorized User by AHS, and that each Authorized User shall be prohibited from using another Authorized User’s access code to access and/or use AHS CARELINK or permitting any other party, including another Authorizer User, to use the unique access code provided to a particular Authorized User. For clarity, unique access codes may not be shared among Authorized Users, with third parties, or otherwise for any reason.

C. Site User agrees that AHS may terminate individual Authorized Users’ access and/or access to the entire AHS CARELINK Site at any time for any reason without penalty, regardless of any effect such termination may have on Site User’s operations.

D. Unless otherwise agreed by AHS, Site User acknowledges and agrees that any hardware, software, network access or other components necessary for Site User to access and use AHS CARELINK must be obtained separately by Site User. AHS shall not be responsible for the procurement, installation or maintenance of any necessary components, and AHS makes no representations or warranties regarding the components whatsoever. Any fees for the components shall be borne by Site User and paid directly to the suppliers of the components.

E. Site User and its medical providers are solely responsible for the professional decisions, judgments, treatments, diagnoses and services delivered to their patients. Neither AHS nor any of its officers, directors, employees, affiliates, agents or other representatives shall be liable or responsible in any way to any party or person for any act or omission of Site User in connection with its obligations to its patients.

F. Only to the extent such right is expressly granted by AHS, Site User may add its own data to AHS CARELINK, but agrees it shall not modify or delete any data that AHS has entered into AHS CARELINK. All entries from a Site User will only supplement AHS CARELINK. In the event a patient requests an amendment to the data entered by Site User, Site User shall be responsible, in accordance with Site User’s policies and procedures, to make such amendment.
2. **USE OR DISCLOSURE OF PHI.**

A. Neither Site User nor any Authorized User shall use or disclose protected health information ("PHI") obtained through AHS CARELINK in any manner that would constitute a violation of federal law, including, but not limited to, HIPAA, or state law, including but not limited to state laws governing specially protected PHI, such as mental health information and HIV information. Site User shall ensure that its directors, officers, employees, contractors, representatives and agents, or those to whom Site User grants access pursuant to this Agreement, use (access) and disclose PHI obtained through AHS CARELINK only in accordance with the provisions of this Agreement and federal and state law. Site User shall not disclose PHI in any manner other than as permitted by this Agreement. Site User further agrees that all information accessed through AHS CARELINK will be maintained in the strictest confidentiality and in the same manner as Site User safeguards the confidentiality of other patient care records, or as required by state and federal law.

B. Site User and each Authorized User agree to implement and utilize AHS CARELINK solely for the purposes of treatment, payment related activities, and/or limited health care operations (e.g., case management and care coordination) relevant to their mutual patient, or other Approved Activities, as appropriate, to the extent permitted without patient authorization by HIPAA.

C. Site User agrees that it will implement all appropriate technical, administrative and physical safeguards to prevent unauthorized use or disclosure of PHI. Site User agrees to comply with all federal and state laws and regulations regarding privacy, security, and electronic exchange of health information, as currently enacted or amended in the future.

D. Site User shall use AHS CARELINK to access patient records consistent with the minimum necessary requirements of HIPAA and its implementing regulations. Site User is solely responsible for ensuring that its Authorized Users request and access only the minimum necessary information relevant to carrying out their duties to the patients at issue.

E. The duties outlined in this Section 2 shall survive the termination of this Agreement.

3. **PROCESS FOR REQUESTING AHS CARELINK ACCESS – Medical Office Practice.**

   [This Section 3 applies only to non-AHS medical practices]

A. Site User shall designate one individual employed by Site User to be the “Site Administrator” for administering access to AHS CARELINK by Medical Office Authorized Users. Site User shall provide AHS with the name and direct contact information for the Site Administrator, as well as for its Privacy Officer (who may be the same individual as the Site Administrator), and shall notify AHS of any change in such contact(s). The Site Administrator is
responsible for coordinating with AHS to establish, modify and terminate accounts that the Medical Office Authorized Users are permitted to maintain for access to AHS CARELINK. While Site Administrator may have the technical ability to assign or change Medical Office Authorized Users' passwords, as part of the process for doing so, Site Administrator shall advise all Medical Office Authorized Users of the necessity for the Medical Office Authorized User promptly thereafter to establish his/her own password. Site User is solely responsible for maintaining the security of AHS CARELINK passwords. Sharing of usernames and passwords that have been issued to Medical Office Authorized Users is strictly prohibited and may result in immediate termination of this Agreement.

B. Before accessing AHS CARELINK, each Medical Office Authorized User shall be informed of and agrees to abide by the basic terms of this Agreement and must select “I ACCEPT” to the Terms and Conditions of Use, as those Terms and Conditions may be amended from time to time. Site User agrees to ensure that each Medical Office Authorized User approved for access under this Agreement adheres to the requirements of this Agreement and the Terms and Conditions of Use and shall be responsible for any breach by a Medical Office Authorized User of the requirements of this Agreement or the Terms and Conditions of Use.

C. For purposes of this Agreement, access to AHS CARELINK shall be permitted only for such categories of employees of Site User who have a reasonable need to access PHI of AHS patients for purposes of carrying out their treatment, payment, and/or certain limited health care operations (i.e., population-based care management and care coordination) related duties to such patients. The Medical Office Authorized Users of Site User who shall have access to AHS CARELINK are listed in the eform described in Exhibit A of this Agreement, incorporated by reference herein. Site User agrees to notify AHS in writing within 24 hours to terminate access rights when any Medical Office Authorized User is separated from employment of Site User for any reason, including but not limited to termination or voluntary separation. Site User further agrees to validate and document, at least annually, that the Medical Office Authorized Users currently permitted to access AHS CARELINK continue to require access to AHS CARELINK and continue to be employees or agents of Site User.

D. Site User is solely responsible for designating and monitoring the appropriate level of access and use of AHS CARELINK based on the job functions and credentialing of each Medical Office Authorized User, including requirements under applicable scope of practice rules.

E. Site User agrees to educate all Medical Office Authorized Users on compliance with the standards and requirements of HIPAA. Site User represents that all of its workforce members have received appropriate HIPAA Training.

F. AHS and Site User recognize their status as “covered entities” under HIPAA and agree to carry out their responsibilities under this Agreement in accordance with such status. AHS and Site User shall comply in all material respects with the standards for privacy of individually identifiable health information of the Administrative Simplification subtitle of HIPAA. The parties acknowledge and agree that neither is serving as a “business associate” to the other.
G. Term. This Agreement is effective on the acceptance hereof by Site User and will continue thereafter from year to year unless terminated by either party upon thirty (30) days written notice, unless otherwise terminated by AHS as herein provided.

H. AHS has the right at Site User’s sole cost and expense, at any time, to monitor, audit, and review activities and methods in implementing this Agreement by Site User in order to assure compliance with this Agreement and applicable law.

I. Indemnification. Site User agrees to indemnify and hold harmless AHS, its governing board, officers, employees, agents, affiliates, and successors and assigns, from and against any and all claims, costs, losses, damages, liabilities, expenses, demands and judgments, including out-of-pocket expenses and attorney’s fees or proceeding costs incurred, which may arise from Site User’s or any of Site User’s Authorized User’s: (a) negligent acts or omissions or willful misconduct; (b) breach of this Agreement; or (c) violation of any state or federal law applicable to the disclosure, disclosure or protection of PHI subject to this Agreement. Such indemnification shall include but shall not be limited to the full cost of any required notice to impacted individuals, including without limitation the costs to retain an outside consulting firm, vendor or outside attorneys to undertake the effort. The above obligation will survive the termination or expiration of this Agreement for any reason.

J. Insurance. During the term of this Agreement, Site User, at its sole cost and expense, shall maintain a policy or policies of commercial general liability insurance at levels sufficient to support its activities and indemnification obligations hereunder. This includes the following insurance coverage: (a) Commercial General Liability Insurance on an occurrence basis including bodily injury, broad form property damage including personal injury and death, with minimum limits of $2,000,000 single limit per occurrence and $4,000,000 general aggregate; and (b) Privacy, Technology Security and Web-Media Services Insurance coverage ("Cyber Insurance") related to unauthorized acquisition, access, use physical taking, identity theft, release, distribution or disclosures of personal and corporate information; breaches by third parties and employees, with limits no less than $2,000,000 per occurrence and $4,000,000 in the annual aggregate. Site User will make certificates evidencing such insurance available for examination upon request and will name AHS as an additional insured under its Commercial General Liability policy and as a first party under its Cyber Insurance policy. Each of the above coverages may be carried under one single policy or a combination of a primary and excess/umbrella policies. The limits of any insurance coverage shall not limit Site User’s liability under the indemnification provisions of this Agreement. If any insurance is provided to Site User under a “claims made” policy, Site User shall obtain appropriate continuing coverage for claims that arise out of this Agreement and provide to AHS evidence of the continued effect of such “claims made” policy for five (5) years after the termination of this Agreement or the purchase of an extended reporting endorsement (“Tail”) if the “claims made” policy is terminated at any time up to five (5) years after the termination of this Agreement.

4. PROCESS FOR REQUESTING AHS CARELINK ACCESS –
Other Approved Activities.
[This Section 4 applies to all Approved Activities other than to a non-AHS Medical Office Practice.]

A. Site User involved in any other of the Approved Activities shall be the “Site Administrator” for his/her specific Approved Activities for administering access to AHS CARELINK by Approved Activities Authorized Users. The Site Administrator is responsible for coordinating with AHS to establish, modify and terminate accounts that the Approved Activities Authorized Users are permitted to maintain for access to AHS CARELINK. While Site Administrator may have the technical ability to assign or change Approved Activities Authorized Users’ passwords, as part of the process for doing so, Site Administrator shall advise all Approved Activities Authorized Users of the necessity for the Approved Activities Authorized User promptly thereafter to establish his/her own password. Site User is solely responsible for maintaining the security of AHS CARELINK passwords. Sharing of usernames and passwords that have been issued to Approved Activities Authorized Users is strictly prohibited.

B. Before accessing AHS CARELINK, each Approved Activities Authorized User shall be informed of and agree to abide by the basic terms of this Agreement and must select “I ACCEPT” to the Terms and Conditions of Use, as those Terms and Conditions may be amended from time to time. Site User agrees to ensure that each Authorized User approved for access under this Agreement adheres to the requirements of this Agreement and the Terms and Conditions of Use and shall be responsible for any breach by an Authorized User of the requirements of this Agreement or the Terms and Conditions of Use.

C. Access to AHS CARELINK shall be permitted by Site Administrator only for those individuals who have a reasonable need to access PHI of AHS patients for purposes of carrying out their specific Approved Activities. Site User agrees to notify AHS CARELINK within 24 hours to terminate access rights when any Approved Activities Authorized User is no longer involved in the Approved Activities, including but not limited to termination or voluntary separation. The Approved Activities Authorized Users of Site User who shall have access to AHS CARELINK are listed in the form described in Exhibit A of this Agreement, incorporated by reference herein. Site User further agrees to validate and document, at least annually, that its Approved Activities Authorized Users then currently permitted to access AHS CARELINK continue to require access to AHS CARELINK and continue to be employees or agents of Site User.

D. Site User shall be solely responsible for designating and monitoring the appropriate level of access and use of AHS CARELINK based on the job functions of each Approved Activities Authorized User.

E. Site User agrees to educate its Approved Activities Authorized Users on compliance with the standards and requirements of HIPAA.

F. Term. This Agreement is effective on the acceptance hereof by Site User and will continue thereafter as long as the Approved Activities are being performed, unless terminated by
either party upon thirty (30) days’ written notice, unless otherwise terminated by AHS as provided herein.

G. AHS has the right, at any time, to monitor, audit, and review activities and methods in implementing this Agreement by Site User in order to assure compliance with this Agreement and applicable law.

H. Site User understands that AHS is a “covered entity” as defined in HIPAA. To the extent that Site User’s Approved Activities create a Business Associate relationship between Site User and AHS, Site User has signed a Business Associate Agreement with AHS. Further, the parties agree that to the extent there is a conflict between the provisions of this Agreement and the provisions of the Business Associate Agreement, the Business Associate Agreement shall control.

5. DATA OWNERSHIP.

Site User acknowledges and agrees that AHS owns all rights, interests and title in and to its data and any data entered by Site User or its Authorized Users and that such rights, interests and title shall remain vested in AHS at all times. Site User shall not compile and/or distribute analyzes to third parties utilizing any data received from, or created or received on behalf of AHS without express written permission from AHS.

6. REPORTING OF UNAUTHORIZED USE OR DISCLOSURE OF PHI.

A. Site User shall, within twenty-four (24) hours of becoming aware of an unauthorized use or disclosure of PHI by Site User, its officers, directors, employees, contractors, representatives, agents or by a third party to which Site User or an Authorized User disclosed PHI, report any such use or disclosure to AHS.

B. If at any time Site User has reason to believe that PHI accessed or transmitted pursuant to this Agreement may have been accessed or disclosed without proper authorization and contrary to the terms of this Agreement, Site User will immediately give AHS notice and take all necessary actions to eliminate the cause of the breach. To the extent AHS deems warranted, in its sole discretion, AHS will provide notice or require Site User to provide notice to individuals whose PHI may have been improperly accessed or disclosed.

C. Any notice under this Section 6 shall be made via overnight mail and email to the following:

Eva J. Goldenberg, Esq.
Vice President, Corporate Compliance & Internal Audit
Chief Compliance Officer, Privacy Officer
Atlantic Health System, Inc.
475 South Street, P.O. Box 1905
Mauristown, New Jersey 07962
Telephone Number: (973) 660-3143
7. INVESTIGATIONS/SANCTIONS.

AHS reserves the right to monitor, review and investigate suspected, reported or identified failures to comply with this Agreement and impose nonmonetary appropriate sanctions. Sanctions may include, but are not limited to, the termination of this Agreement, termination of Site User's access, or termination of individual Authorized User access. AHS reserves the right to report unprofessional conduct to appropriate licensing or other regulatory authorities. Site User agrees to cooperate with AHS in order to adequately investigate complaints received involving the Site User's employees or agents. If Site User is a non-AHS Medical Office Practice, it agrees to have a sanctions policy, produce it upon request, and discipline its employees or agents for all breaches involving AHS PHI in accordance with HIPAA. Site User understands that lack of adherence to this Section allows AHS immediately to terminate this Agreement and all associated access privileges.

8. THIRD PARTY ACCESS.

Site User shall obtain the written approval of AHS prior to allowing any agent or subcontractor access to PHI that Site User obtained from AHS CARELINK. In the event that AHS consents to such third party access on a case-by-case basis, Site User shall ensure that the agent or subcontractor agrees to be bound by the same restrictions, terms and conditions that apply to Site User through this Agreement. Site User shall require that any agent or subcontractor notify Site User of any instances in which PHI is used or disclosed in an unauthorized manner. Site User shall take steps to cure any breach of confidentiality and end the violation or shall terminate the agency agreement or subcontract, and shall remain fully liable for the conduct of such agents or subcontractors and their compliance with the terms of this Agreement.

9. AVAILABILITY OF BOOKS AND RECORDS.

Site User agrees to make its internal practices, books and records relating to the use and disclosure of PHI received from AHS, or created or received on behalf of AHS, available to the Secretary of the U.S. Department of Health and Human Services for purposes of determining AHS's and Site User's compliance with HIPAA and its implementing regulations. Site User promptly shall provide to AHS a copy of any documentation that Site User provides to the Secretary.

10. TERMINATION.

AHS may terminate this Agreement, and Site User's and all Authorized Users' access to AHS CARELINK, at any time with or without cause, without any obligation or liability for such termination. Such termination may be immediate in the event AHS determines that Site User, or Site User's directors, officers, employees, contractors, representatives, or agents have violated a
material provision of this Agreement. This remedy shall be in addition to any remedies AHS may have at law or in equity.

Either party may terminate this Agreement without cause at any time upon thirty (30) days’ prior written notice to the other party.

11. **NO WARRANTIES.**

No warranties are given by AHS as to the completeness, accuracy or otherwise of the information that may be accessed through AHS CARELINK, nor as to the continuity, availability, characteristics, functionality or performance of AHS CARELINK. AHS CARELINK is provided “as is” and “as available.”

12. **LIMITATION OF LIABILITY.**

IN NO EVENT WILL AHS BE LIABLE TO ANY PARTY FOR (I) ANY SPECIAL, DIRECT, INDIRECT, PUNITIVE, INCIDENTAL OR CONSEQUENTIAL DAMAGES OR ANY OTHER DAMAGES, EVEN IF AHS HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES, ARISING IN ANY WAY FROM OR IN CONNECTION WITH THE AVAILABILITY, USE, RELIANCE ON, OR PERFORMANCE OF AHS CARELINK; PROVISION OF OR FAILURE TO PROVIDE AHS CARELINK; LOSS OF DATA; ACCESS OR INABILITY TO ACCESS OR USE AHS CARELINK OR USE AND RELIANCE ON INFORMATION OR CONTENT AVAILABLE ON OR THROUGH AHS CARELINK; OR (II) ANY CLAIM ATTRIBUTABLE TO ERRORS, OMISSIONS, OR OTHER DYSFUNCTION IN, OR DESTRUCTIVE PROPERTIES OF, ARISING OUT OF OR IN CONNECTION WITH THE USE OR PERFORMANCE OF AHS CARELINK.

13. **SANCTIONED ENTITY.**

Site User represents and warrants that it is not, and its personnel are not, a Sanctioned Person or Entity. For purposes of this Agreement, the term “Sanctioned Person or Entity” means a person or entity that (a) has been excluded by the Office of the Inspector General of the Department of Health and Human Services from participation in Medicare, Medicaid or any state health care program (defined at 42 C.F.R. § 1001.2) pursuant to 42 C.F.R. Part 1001 or (b) has been excluded by the State of New Jersey Department of Human Services from participation in New Jersey’s Medicaid program pursuant to 42 C.F.R. Part 1002. Site User shall notify AHS within ten (10) days after it receives notice that it, or any Site User personnel doing work for or on behalf of AHS, is a Sanctioned Person or Entity. AHS shall have the right to terminate this Agreement without penalty at any time after learning that Site User, or any Site User personnel doing work for or on behalf of AHS, is a Sanctioned Person or Entity.

14. **COMPLIANCE WITH LAW.**
Site User agrees to use AHS CARELINK in a manner consistent with all applicable provisions of law and other rules and regulations of governmental authorities and in compliance with all applicable policies, rules and regulations of AHS, as they may be amended from time to time. Each party shall secure and maintain any license, permit, or authorization required by law in connection with this Agreement. In the event of a change in applicable law, regulation, or guidance that requires an amendment to this Agreement, the parties agree to promptly complete the amendment upon receipt of notice of such change by one party to the other to ensure continued compliance.

15. APPLIED TO ALL USERS.

The terms of this Agreement apply to each person or entity who accesses AHS CARELINK on Site User’s computer(s) or other devices, or to whom Site User has granted access as an Authorized User. Site User shall have responsibility to ensure compliance with the terms of this Agreement by each such User, and acknowledges and agrees that it shall be solely responsible for all acts and omissions of its Authorized Users and any other third party who accesses AHS CARELINK through Site User’s facilities, or uses any user name, password, login or other identifier obtained from or through Site User or its Authorized Users or personnel, and all such acts or omissions shall be deemed to be the acts and omissions of Site User.

16. MISCELLANEOUS,

A. Binding Agreement. The party accepting this Agreement represents that s/he has full power and legal authority to bind the Site User to the terms of this Agreement.

B. Use of Name or Logo. The parties agree that they shall not use the name or logo of or make reference in any way to the other party, its affiliates, subsidiaries or employees without the express prior written approval of the other party.

C. Entire Agreement. This Agreement constitutes the entire agreement between the parties regarding access to AHS CARELINK, and supersedes all prior oral or written agreements, commitments or understandings concerning the matters provided for herein.

D. Amendment. This Agreement may be modified only by a written amendment executed by both parties.

E. Governing Law. The parties’ rights or obligations under this Agreement will be construed in accordance with, and any claim or dispute relating thereto will be governed by, the laws of the State of New Jersey.

F. Waiver. Neither the waiver by any of the parties hereto of a breach of or a default under any of the provisions of this Agreement, nor the failure of either of the parties, on one or more occasions, to enforce any of the provisions of this Agreement or to exercises any right or privilege hereunder, will thereafter be construed as a waiver of any subsequent breach or default of a similar nature, or as a waiver of any of such provisions, rights or privileges hereunder.
G. Partial Invalidity. The invalidity of any portion of this Agreement shall not affect the validity of any other portion. In the event any portion of this Agreement is held invalid or in violation of New Jersey or Federal law, the parties agree that the remaining provisions shall continue in full force and effect.

H. No Assignment. This Agreement, and the permissions and access provided herein, may not be assigned by Site User.

I. Independent Parties. AHS, on the one hand, and Site User and its Authorized Users, on the other hand, are independent parties and this Agreement does not create a partnership, joint venture or any other type of legal relationship other than a contractual relationship in accordance with the terms of this Agreement.

J. Counterparts. This Agreement may be executed in any number of counterparts, all of which when taken together shall constitute one and the same instrument. Signatures transmitted by electronic mail (via PDF) shall have the same force and effect as originals.

K. Survival. The obligations to maintain the confidentiality of PHI obtained under this Agreement in accordance with applicable law by Site User and all Authorized Users are not limited to or extinguished by termination of this Agreement.

IN WITNESS WHEREOF, AHS and Site User have caused this Agreement to be duly executed on the day and year first above written.

In the event of any change in such applicable laws that renders any of the material terms of this Agreement unlawful or unenforceable, including any services rendered or compensation to be paid hereunder, the terms hereof will be adjusted upon the effective date of any such change of law or regulations to comply with such change.

(f) **Governing Law.** This Agreement will be governed by and construed in accordance with the laws of the state in which the Dialysis Center is located.

(g) **Headings.** The headings of the several sections of this Agreement are provided as a matter of convenience and are in no way to be construed to alter or modify the terms and provisions hereof.

LONG TERM CARE FACILITY
DIALYSIS SERVICES AGREEMENT

THIS DIALYSIS SERVICES AGREEMENT (the "Agreement") is entered into as of February 5, 2018 (the "Effective Date"), by and between Preakness Healthcare Center and Great Falls Dialysis, LLC, a long term care facility located at 305 Old Ham Road, Wayne, NJ 07470 (the "Care Facility") and Great Falls Dialysis, LLC, a dialysis center located at 498 East 30th Street, Paterson, NJ 07504 ("Dialysis Center").

WHEREAS, Care Facility operates a long term residential care facility and desires, in compliance with the provisions of 42 C.F.R. 483.75(h), to enter into an arrangement with Dialysis Center for the provision of medically necessary dialysis services to Care Facility residents with renal disease and/or kidney failure (the "Residents"); and

WHEREAS, Dialysis Center operates a dialysis treatment facility and is willing and able to provide medically necessary dialysis services to Residents pursuant to the terms and conditions set forth in this Agreement.

NOW, THEREFORE, in consideration of the mutual covenants and agreements hereinafter set forth, the parties hereby agree as follows:

1. **Provision of Dialysis Services.** During the Term of this Agreement, as defined in Section 8 below, Dialysis Center agrees to provide dialysis services to Residents who are referred or transferred to Dialysis Center and accepted as patients by Dialysis Center in accordance with the provisions set forth in this Agreement and applicable law. Within the limits of the then available resources of Dialysis Center and subject to the express acceptance of a Resident as satisfying Dialysis Center's criteria for admission, Dialysis Center agrees to accept qualified Residents of Care Facility as patients of Dialysis Center (the "Admissions Process").

2. **Patient Referrals and Transfers: Acceptance.**

   (a) In each case, the Admissions Process will be initiated by a referral from Resident's attending physician. Care Facility agrees that no Resident will become a patient of Dialysis Center prior to receipt by Care Facility of written confirmation of acceptance of such Resident as a patient by Dialysis Center.

   (b) Care Facility agrees to furnish, at the time of referral and request for acceptance of any Resident as a patient of Dialysis Center, all appropriate medical and administrative information relating to Resident's condition, including without limitation the following:

      (i) Resident's name, address, date of birth and Social Security Number.

      (ii) Name, address and telephone number of Resident's next of kin;

      (iii) Appropriate Payor information for Resident.
(iv) Appropriate medical records of Resident, including the history of Resident's renal illness and record of laboratory and x-ray findings;

(v) Statement of current treatment being provided to Resident, including medications;

(vi) Name, address and telephone number of the physician referring Resident, who is a physician with admitting privileges at Dialysis Center; and

(vii) Advance directives, if any, executed by Resident.

(c) Notwithstanding anything stated or implied in this Agreement to the contrary, Dialysis Center reserves the right to discontinue provision of dialysis services to any Resident who, in the sole discretion of Dialysis Center, is not observing the established responsibilities, policies and procedures of Dialysis Center.

3. Dialysis Center Obligations.

(a) Dialysis Center will operate its facility as a renal care facility under the Medicare End-Stage Renal Disease ("ESRD") Program (42 C.F.R. 405.2161), in conformity with the requirements of all applicable laws and regulations of local, state and federal governmental authorities. Without limiting the generality of the foregoing, Dialysis Center will:

(i) obtain all proper licensing under applicable laws and regulations for its operations;

(ii) develop and make available at all times to Care Facility a written protocol governing the specific responsibilities, policies and procedures to be used in rendering dialysis services to Residents, including without limitation development and implementation of Resident's care plan;

(iii) Provide all necessary equipment, personnel, supplies and services (other than the medical services of attending physicians) required for the operation of the renal care facility;

(iv) establish policies and procedures concerning the administration of the facility, including without limitation policies and procedures for purchasing, staffing, inventory control, equipment maintenance, accounting, maintenance of legal records, maintenance of medical records, laboratory operations, billing and collection, public relations, maintenance of appropriate insurance, cash management, scheduling and hours of operation;

(v) provide to Care Facility from time to time all appropriate information and guidance regarding the renal condition of Residents who are patients of Dialysis Center, including administration of medications, directions for handling medical and nonmedical emergencies such as bleeding or hemorrhage, bacterial infection, and septic shock, and the care of shunts and fistulas; and
(vi) be responsible for all ancillary and incidental aspects of the provision of dialysis services at Dialysis Center, such as waste handling, sterilization and disinfection of dialysis equipment.

(b) Dialysis Center will provide only renal dialysis services and will be responsible to perform no other services, medical or otherwise, except for services that are directly related to or an integral part of the provision of renal dialysis services.

(c) Dialysis Center will retain all management and administrative prerogatives and authority in the provision of dialysis services to Residents, and will bear such responsibilities and duties as are appropriate and customary in accordance with good practices in the ownership and operation of a facility providing renal dialysis services.

4. **Care Facility Obligations.**

   (a) Care Facility will provide to Dialysis Center, upon initial referral and from time to time thereafter, all information described in Section 2(b) above relating to any Resident accepted for dialysis services which is necessary or useful in connection with the provision of dialysis services to such Resident.

   (b) Care Facility will provide to Dialysis Center the name of a designated contact person at Care Facility who will have responsibility for overseeing and providing assistance hereunder in connection with the provision of dialysis services by Dialysis Center to Residents of Care Facility.

   (c) Care Facility will have the responsibility for arranging, and will bear all costs relating to, transportation of any Resident to and from Dialysis Center. Care Facility will be responsible for determining that Resident is in a medical condition to undergo any such transportation to Dialysis Center. The transportation provided by Care Facility will have all such life support and other equipment as is appropriate and customary for transportation of renal care patients to and from dialysis facilities in accordance with applicable federal and state laws and regulations, and such transportation will include qualified personnel to operate the vehicle and equipment and to accompany Resident.

specified above.

and hold harmless the other party and their affiliates and respective directors,
officers, employees, and agents (“Indemnified Parties”), from and against any and all claims,
liabilities, damages, costs and expenses (including without limitation attorneys’ fees, judgments,
fines, excise taxes or penalties, and amounts paid in settlement) incurred or sustained by an
Indemnified Party as a result of actions or failure to act by the Indemnified Party in accordance
with its responsibilities hereunder. The Indemnified Party will promptly notify the other
Indemnified Parties in writing of any claim, lawsuit, or demand for payment asserted against it
for which indemnification is sought, and will promptly deliver to the Indemnified Parties a true
copy of all documents that assert such a claim.

the expiration of the then current term. Notwithstanding the foregoing, this Agreement may be
terminated by either party upon thirty (30) days prior written notice for any reason or no reason.

and Human Services and the U.S. Comptroller General (or to any successor agency or agencies)

records as may be necessary to certify the nature and extent of any costs incurred in connection
with the services provided hereunder. In the event that the Dialysis Center should carry out
duties under this Agreement through a subcontract with a related organization worth ten thousand
dollars ($10,000) or more over a twelve (12) month period, such subcontract will also contain the

RESOLUTION OF MEMORIALIZATION
CITY OF PASSAIC PLANNING BOARD
PASSAIC COUNTY, NEW JERSEY
PRELIMINARY SITE PLAN APPROVAL FOR THE PROPOSED PROJECT, AND
PRELIMINARY AND FINAL SITE PLAN APPROVAL FOR PHASE I OF THE
PROJECT

Approved: March 8, 2017
Memorialized: July 12, 2017

MATTER OF CONCORD ESTATES OF PASSAIC URBAN RENEWAL, L.L.C.
DOCKET #PB16-15

WHEREAS, an Application for preliminary site plan approval for the proposed project and preliminary and final site plan approval for Phase I of the project has been filed by Concord Estates of Passaic Urban Renewal, L.L.C. (hereinafter designated the “Applicant”) with the City of Passaic Planning Board (hereinafter designated the “Board”) for property located at 217 Brook Avenue, City of Passaic, New Jersey, and more specifically known as Block 3319, Lot 1; Block 3319.01, Lot 7; 2 Amsterdam Avenue and 1-3 Amsterdam Avenue, Block 3318.01, Lot 20, Block 3318.03, Lot 9 respectively on the Tax Map of the City of Passaic (hereinafter designated the “City”), Passaic County, New Jersey with said premises being located in the Scattered Redevelopment Zone (formerly the M-1 Zone); and

WHEREAS, a public hearing was held before the Board on February 8, 2017 and March 8, 2017 with regard to this Application; and

WHEREAS, the Board has considered the testimony and the evidence presented by the Applicant, consultants, and with the public having a full opportunity to participate; and

WHEREAS, the Applicant filed an Affidavit of Proof that notice and publication of the hearing was given as required by N.J.S.A. 40:55D-12; and

WHEREAS, a complete Application has been filed, the fees required by Ordinance have been paid, and it otherwise appears that the jurisdiction and powers of the Board have been properly invoked and exercised; and

NOW, THEREFORE, BE IT RESOLVED, that the Planning Board of the City of Passaic, County of Passaic and State of New Jersey, on the 12th day of July, 2017 made the following Findings of Facts and Conclusions with regard to the Application:

1. The Applicant provided adequate notice of the Application and the hearing in accordance with statute.

2. The Applicant was represented by John H. Hague, Esq.

3. In reviewing the Application and Attachments; the Plans; the colorized Renderings presented by the Applicant during the hearing; the Traffic Impact Assessment dated January 17, 2017; the Drainage Analysis dated November 18, 2016; and Letter Reports and Memoranda from the Board Planner, the City Zoning Officer, the City Director of Engineering, and the County of Passaic, it would appear that the Applicant is requesting preliminary approval for the proposed project and preliminary and final site plan approval for Phase I of the project.

4. The subject property is located on the south side of Brook Avenue/Terhune Avenue and is located between Westminster Place and Main Avenue and abuts the New Jersey Transit Right-Of-Way. The site is approximately 7 acres in size and is a corner lot. At present, the site is covered by various structures and includes the former Continental Can Company facilities, and is currently utilized for commercial, industrial and assembly purposes. This property was designated as “An Area In
Need Of Redevelopment” by the City Council, as memorialized in City Council Resolution 16-01-007, dated January 12, 2016. Originally the property was located within the M-1 Light Industrial Zone; however, it is now in the Scattered Redevelopment Zone. The proposed uses of the subject property are all permitted, and no dimensional variances or waivers are being sought or are needed.

5. As previously stated, the Applicant is requesting preliminary site plan approval for the redevelopment of the entire site, inclusive of the existing industrial buildings, new construction, access driveways, and temporary construction activity for utilities and structural support. The entire project consists of approximately 186,420 square feet of retail use; a banquet hall of 40,340 square feet; 112 residential units; a parking structure along the Brook Avenue frontage containing 360 parking spaces; and a parking structure along Terhune Avenue consisting of 180 parking spaces.

Preliminary and final site plan approval are also being sought for a portion of the above-described project consisting of 122,563 square feet of retail use, the banquet hall, and the parking structure along Brook Avenue. This is also known as Phase I, and the Applicant has indicated that Phase I will be set forth on an “overlay area” which will be included with revised plans to be submitted to the Board Consultants.

6. Michael Sullivan, a licensed land use planner, testified on behalf of the Application. Mr. Sullivan provided the Board with a number of exhibits indicating renderings of the proposed project from various angles, and also provided an aerial photograph of the subject property and immediate neighborhood. The witness briefly discussed the history of this redevelopment zone, and confirmed that no variances, waivers or deviations from the Redevelopment Plan are needed or are being requested. The witness stated that the proposal is fully conforming with the Redevelopment Plan and the goals and objectives of that Plan are complied with. Mr. Sullivan also commented that this project is in close proximity to mass transit.

7. Michael Nelson, a licensed architect, testified on behalf of the Application. Mr. Nelson discussed the proposed architectural features of the development and also discussed the proposed visual impacts of the parking deck. The witness discussed both exterior and interior aspects of the project, including the floor plans, and stated that there would be a pedestrian walkway to the proposed supermarket from the street. The witness also discussed trash collection and stated that trash will be contained in the interior of the building near a loading zone area, and that a hauler would remove the trash. The witness also responded to several questions from members of the public regarding general access to the garages and the retail facilities, and also questions regarding the possibility of noise from use of the banquet hall.

8. Joseph Muller, property manager for the project, testified on behalf of the Application. Mr. Muller discussed the phasing of the project, together with parking, the potential retail uses and the banquet hall. Mr. Muller also responded to general questions from members of the Board and members of the public.

9. Stuart Strow, a licensed civil engineer, testified on behalf of the Application. Mr. Strow reviewed with the Board the “existing conditions plan” and stated that the use of the property at present is light industrial with ground level parking. The witness indicated that the entire site, and all structures, will be rehabilitated and significantly improved in order to include retail uses, residential apartments, a banquet hall, a supermarket and ample parking for the users of the facility. The witness discussed in detail the construction and location of the parking decks, and stated that
traffic lights involving the abutting county roads must be approved by the Passaic County Planning Board. When completed the project will have a total of 540 parking spaces in 2 parking decks, one along Brook Avenue, and the other along Terhune Avenue.

Mr. Strouw described the proposed drainage improvements in Brook Avenue, and indicated that the Applicant would provide an additional 280 feet of drainage pipe to be extended to proposed catch basins which will be installed by the Applicant. All public utilities are currently available and there is adequate sewer and water capacity for a full build-out of the entire project, although the Applicant will only be initially proceeding with Phase I.

10. Gary Dean, a licensed traffic engineer, testified on behalf of the Application and referred to his Traffic Impact Assessment dated January 17, 2017. Mr. Dean indicated that this was somewhat of a “complicated” site regarding traffic issues, however, all traffic signals will be installed and ready for use when the initial parking deck is constructed and ready for use. The witness discussed traffic counts, specifically along Terhune Avenue and Brook Avenue, and also responded to questions regarding on-site traffic movement and sight clearance entering and exiting the site. As previously stated, Mr. Dean indicated that when the project was fully competed there will be the availability of 540 parking spaces which will comply with the parking requirements of this zone. Mr. Dean also responded to questions by members of the Board and members of the public, and confirmed that 58 on-site parking spaces will be set aside for employees.

11. Several members of the public asked questions of the witnesses called by the Applicant, and the witnesses responded to all questions by the public and members of the Board. The nature of the questions were not in the form of objections, but were more of an attempt to understand the impacts and traffic implications of this project.

12. The Board found the proposed use of the property to be in accordance with all aspects of the Redevelopment Plan that was adopted for this property, and that the goals and objectives of the Redevelopment Plan have been met based upon the testimony provided by the Applicant and the comments of the Board Consultants. No variances, waivers or deviations from the plan are needed or are being requested. The Board views this project as beneficial to the neighborhood and the City and one that will significantly improve and enhance this area both functionally and aesthetically. Further, the Board views the proposed parking as being positively integrated with this project.

13. The conversion of the existing industrial properties to the uses proposed by the Applicant is a significant benefit to the community and is the type of development that the Redevelopment Plan for this property was intended to encourage.

14. The proposed use is not detrimental to the public good and will not substantially impair the intent and purpose of the zoning ordinances of the City of Passaic in that the use is permitted and no variances, waivers or deviations are needed.

15. The conditions of approval will mitigate any negative impacts that may arise from the granting of the relief requested, and the benefits of the proposed application outweigh any detriments.

CONCLUSIONS OF LAW

WHEREAS, the Board has determined that the proposed project at this site will significantly enhance the property and promote the general welfare in
accordance with N.J.S.A. 40:55D-2, and the subparagraphs thereunder. The Board further notes that the use proposed for this property is in furtherance of the Redevelopment Zone that has been developed for this area of the City, and that the proposed structures will be of high architectural value. The Board concludes that good cause has been shown to grant the relief requested by the Applicant for preliminary site plan approval for the proposed project, and preliminary and final site plan approval for Phase I of the project; and

WHEREAS, the Board has determined that the relief sought does not negatively impair the intent and purpose of the Master Plan or Zoning Ordinances of the City of Passaic in that the proposed use is permitted in this Zone.

BE IT FURTHER RESOLVED, by the Planning Board of the City of Passaic, in the County of Passaic and State of New Jersey, on the 12th day of July, 2017 upon the appropriate motion made and seconded, that the Application of Concord Estates of Passaic Urban Renewal, L.L.C. be granted, subject to the following terms and conditions:

1. The Applicant shall be bound by the plans submitted with this Application, except where modified by the Board, or except where recommendations have been made by the City Zoning Officer, Board Planner, and City Engineer.

2. More specifically, and as agreed to by the Applicant, the Engineering Drawings dated December 15, 2016 shall be modified in accordance with the Letter Report from the Board Engineer, Mark E. Everett, dated March 10, 2017, which Letter Report is attached hereto and made a part hereof. The revised drawings shall include an "overlay area" which shall be identified as Phase I, and which Phase shall also include landscaping and a note on the plans to demolish the existing pump building.

3. The Applicant shall also be bound by the recommendations as set forth in the March 10, 2017 Letter Report of the Board Planner which, again, is attached hereto and made a part hereof. There are 8 specific recommendations set forth on page 2 of that Letter Report.

4. The requested preliminary site plan approval for the proposed project, and preliminary and final site plan approval for Phase I of the project are hereby granted for the reasons set forth in this Resolution.

5. As agreed to by the Applicant, the Applicant shall modify the plans and specifically define all pedestrian walkways on site.

6. As agreed to by the Applicant, the Applicant shall maintain all fire and emergency access for this site during construction.

7. As agreed to by the Applicant, all traffic signals shall be in place and operational at the time of the issuance of a certificate of occupancy for any parking deck.

9. The Applicant shall submit proof of payment of all real estate taxes for the property.

10. As agreed to by the Applicant, the Applicant shall pay, in a timely manner, all outstanding and future fees and escrow charges and shall post all performance guarantees in connection with the review of this Application, prior and subsequent to the approval of this Application.

11. The Applicant shall be responsible for the obtaining of any other approvals or permits from other governmental agencies as may be required by law, and the Applicant shall comply with any requirements or
conditions of such approvals or permits including but not limited to, the Municipality’s compliance with any low and moderate housing regulations. If, however, compliance with other conditions would result in a plan that differs from the one approved by the Board herein, the Applicant shall return to the Board for all appropriate relief.

12. The Applicant shall submit a copy of this Resolution with accompanying documentation to verify the satisfaction of each condition stated herein.

13. The Applicant shall be bound by all exhibits introduced, all representations made, and all testimony given before the Board at its meetings of February 8 and March 8, 2017.

Dear Mr. Edmond:

Greenman-Pedersen, Inc. would like to submit for your consideration Supplement Request #3 for Construction Engineering & Inspection Services for the replacement of Westbrook Road Bridge (Str. # 1600-491) over the Wanaque Reservoir. This request includes additional funds for construction engineering and inspection services for the project as follows:

1. To provide Construction Inspection based on actual work schedule and federal requirements an additional $561,400.00 is requested. This amount is needed due to the fact that the Contractor has not proceeded as originally planned, the current schedule has an additional 14 months from the original substantial completion date. Also, to cover contractor activities in accordance with federal requirements, additional staff has been required from that which was originally anticipated in the contract cost proposal.

2. To Provide Ride Quality Assessment using a walker profiler an additional $3,000.00 is requested.

In summary, an additional $564,400 is requested to bring the Contract total to $3,870,565.00. This estimate does not anticipate any extraordinary effort associated with the claim nor additional underwater inspections. See attached for a detailed breakdown of this estimate. As construction schedules may vary, the invoiced amount will be based on the actual time charged.

We appreciate this opportunity to work with Passaic County. Please let me know if any additional information is required for the review of this request.

Very Truly Yours,
Greenman-Pedersen, Inc.

rehabilitation. The 1976 plans are available for review in the County Engineer's Office. Perform a bridge deck evaluation survey consisting of but not limited to the following:

1. Visual observation to determine the extent of spalling, cracking and scaling. Use the information from the visual inspection to determine further deck condition survey needs.

2. Concrete Deck Delamination Detection (Chain Drag) or Ground Penetrating Radar (GPR) to assess the subsurface condition of the concrete deck.

3. Chloride Analysis, to measure the chloride content of the concrete.

4. Half Cell Test to determine the areas in the deck in which active corrosion is present.

5. Pachometer Test to verify the depth of the concrete cover on the reinforcement steel.

These techniques should be used in sequence and, if warranted, in combination for a better evaluation of the bridge deck condition.

Based on the structural inspection and deck testing, KCE will prepare a report with the findings and proposed repairs as per Section 9 of the NJDOT Design Manual for Bridges and Structures and submit to the County for review and approval. A meeting will be held to discuss the proposed repairs or deck replacement.

Narrative Description of Project.

Problem Statement:

Distracted driving is a dangerous epidemic on America’s roadways. In 2015 alone, 3,477 people were killed in distracted driving crashes. An estimated 391,000 people were injured in motor vehicle crashes involving a distracted driver. In New Jersey, driver inattention remains the most significant cause of fatal and incapacitating crashes. Driver inattention was listed as a contributing circumstance in 52 percent of the state’s crashes in 2015. Driver inattention was in fact listed as a contributing factor in crashes at a rate nine times higher than that of the next highest contributing factor (speed).

Distracted driving is any activity that diverts a person's attention away from the primary task of driving. All distractions endanger driver, passenger, and bystander safety. These distractions include:
Texting
Using a cell phone or smartphone
Eating and drinking
Talking to passengers
Grooming
Reading, including maps
Using a navigation system
Watching a video
Adjusting a radio, CD player, or MP3 player
But, because using a hand held cell phone while driving to make calls or send text messages requires visual, manual, and cognitive attention from the driver, they are by far the most alarming distractions.

April is National Distracted Driver Month, which is a time to remind New Jersey motorists of the state’s distracted driving laws, which include a ban on hand-held cell phone use and text messaging by all drivers and a ban on all cell phone use (hand held or hands free) by novice drivers.

From April 1-21, 2018, police officers, on an overtime basis, will conduct special enforcement patrols targeting distracted drivers. The patrols will consist of roving patrols and fixed checkpoints.

During the 2017 Distracted Driving Crackdown U Drive. U Text. U Pay, participating police agencies in the state issued 15,292 summonses for cell phone use/texting and 7,003 for careless driving.
Objective:

To reduce the number of motor vehicle fatalities in the state with a distracted driver contributing cause (as detailed in the FY2018 New Jersey Highway Safety Plan) through targeted distracted driving enforcement and education during the 2018 Distracted Driving Crackdown U Drive. U Text. U Pay.

Tasks:

Distracted Driving enforcement and public awareness will be the focus of the effort.

Activities:

Police officers from this agency will conduct distracted driving activities during the project period at predetermined high crash and high driver distraction locations.

Methodology:

Police officers from this agency will conduct distracted driving activities during the project period at predetermined high crash and high driver distraction locations.

Milestones

Task 1

Police officers from this agency will conduct distracted driving activities during the project period at predetermined high crash and high driver distraction locations.

Activity 1

This agency will place a heavy focus on distracted driving enforcement during the main campaign period of April 1-21. Follow up enforcement will continue beyond that through September 30, 2018.
