All of the Bonds, of which this Bond is one, shall be initially issued as one fully registered bond for each maturity in the name of Cede & Co., as registered owner and nominee for The Depository Trust Company (“DTC”). Notwithstanding any other provision herein to the contrary, so long as DTC or its nominee, Cede & Co., is the registered owner of the Bonds, payments of the principal of and interest on the Bonds will be made directly to Cede & Co., as nominee of DTC in accordance with the provisions of the DTC Letter of Representations executed by the County and DTC relating to the Bonds. Disbursal of such payments to the DTC participants is the responsibility of DTC, and disbursal of such payments to the beneficial owners of the Bonds is the responsibility of the DTC participants.
The Bonds maturing on or prior to December 1, 2027 shall not be subject to redemption prior to their respective maturity dates. The Bonds maturing on or after December 1, 2028 shall be subject to redemption prior to their respective maturity dates, on or after December 1, 2027 at the option of the County, either in whole or in part at any time in any order of maturity at one hundred percent (100%) of the principal amount of the Bonds being redeemed (the "Redemption Price"), plus in each case accrued interest thereon to the date fixed for redemption.

Notice of Redemption shall be given by mailing by first class mail in a sealed envelope with postage prepaid to the registered owners of such Bonds at their respective addresses as they last appear on the registration books kept for that purpose by the County, at least thirty (30) but not more than sixty (60) days before the date fixed for redemption. However, so long as DTC (or any successor thereto) acts as Securities Depository for the Bonds, Notices of Redemption shall be sent to such depository and shall not be sent to the beneficial owners of the Bonds, and will be done in accordance with DTC procedures. Any failure of such depository to advise any of its participants or any failure of any participant to notify any beneficial owner of any Notice of Redemption shall not affect the validity of the redemption proceedings. If the County determines to redeem a portion of the Bonds of a maturity, such Bonds shall be selected by lot. If Notice of Redemption has been given as described herein, the Bonds, or the portion thereof called for redemption, shall be due and payable on the date fixed for redemption at the Redemption Price, together with accrued interest to the date fixed for redemption. Payment shall be made upon surrender of the Bonds redeemed.

This bond is transferable only upon the books of the Bond Registrar, by the registered owner hereof in person or by his attorney duly authorized in writing, upon surrender hereof together with a written instrument of transfer satisfactory to the Bond Registrar duly executed by the registered owner or such duly authorized attorney, and thereupon the County shall issue in the name of the transferee a new bond or bonds of the same aggregate principal amount, series, designation, maturity and interest rate as the surrendered bond. The County and any paying agent of the County may treat and consider the person in whose name this bond is registered as the holder and absolute owner hereof for the purpose of receiving payment of, or on account of, the principal and interest due hereon and for all other purposes whatsoever.

This bond is one of an authorized issue of bonds of the County and is issued pursuant to the Local Bond Law, constituting Chapter 2 of Title 40A of the Revised Statutes of the State of New Jersey, a resolution of the governing body of the County adopted October 22, 2019 and by virtue of certain bond ordinances referred to therein. If this bond is designated on the first page hereof as a "County Vocational School Bond, Series 2019B (New Jersey School Bond Reserve Act, P.L. 1980, c.72)" or "County College Bond, Series 2019C" then it is also issued pursuant to Title 18A, Education of the New Jersey statutes. County Vocational School Bond, Series 2019B (New Jersey School Bond Reserve Act, P.L. 1980, c.72) is entitled to the benefits of the New Jersey School Bond Reserve Act (constituting N.J.S.A. 18A:56-17 et seq.).

The full faith and credit of the County are hereby irrevocably pledged for the punctual payment of the principal of and interest on this bond according to its terms. This bond shall not
be or be deemed to be a debt or liability of the State of New Jersey or a pledge of the faith and credit of the State of New Jersey.

It is hereby certified and recited that all conditions, acts and things required by the Constitution or statutes of the State of New Jersey to exist, to have happened or to have been performed precedent to or in the issuance of this bond exist, have happened and have been performed, and that the issue of bonds of which this is one, together with all other indebtedness of the County, does not exceed any limitation imposed thereon by said Constitution or statutes.

In the event the County determines that the beneficial owners of the Bonds (the actual purchasers of the Bonds) shall be able to obtain certificated bonds, the County shall notify DTC of the availability of bond certificates. In such event, the County will appoint a paying agent and the County will issue, transfer and exchange bond certificates in appropriate amounts as required by DTC and others. DTC may determine to discontinue providing its services with respect to the bonds at any time by giving a reasonable amount of notice in writing to the County. In the event of such determination, if the County fails to identify another qualified securities depository as successor to DTC, the County will appoint a paying agent and the County will issue and deliver replacement bonds in the form of fully registered certificates. Whenever DTC requests the County to do so, the County will cooperate with DTC in taking appropriate action (a) to make available one or more separate certificates evidencing the bonds to any DTC participant (participants of DTC) having bonds credited to its DTC account or (b) to arrange for another securities depository to maintain custody of certificates evidencing the bonds.
IN WITNESS WHEREOF, THE COUNTY OF PASSAIC has caused this bond to be executed in its name by the manual or facsimile signatures of its Director of its Board of Chosen Freeholders and its County Director of Finance, and its corporate seal (or facsimile thereof) to be affixed, imprinted or reproduced hereon, and this bond and said seal to be attested by the manual or facsimile signature of the Clerk or Deputy Clerk of the Board of Chosen Freeholders, and this bond to be dated the 3rd day of December, 2019.

Optional Redemption Provisions

The Bonds maturing on or prior to December 1, 2027 shall not be subject to redemption prior to their respective maturity dates. The Bonds maturing on or after December 1, 2028 shall be subject to redemption prior to their respective maturity dates, on or after December 1, 2027 at the option of the County, either in whole or in part at any time in any order of maturity at one hundred percent (100%) of the principal amount of the Bonds being redeemed (the "Redemption Price"), plus in each case accrued interest thereon to the date fixed for redemption.

Notice of Redemption shall be given by mailing by first class mail in a sealed envelope with postage prepaid to the registered owners of such Bonds at their respective addresses as they last appear on the registration books kept for that purpose by the County, at least thirty (30) but not more than sixty (60) days before the date fixed for redemption. However, so long as DTC (or any successor thereto) acts as Securities Depository for the Bonds, Notices of Redemption shall
be sent to such depository and shall not be sent to the beneficial owners of the Bonds, and will be
done in accordance with DTC procedures. Any failure of such depository to advise any of its
participants or any failure of any participant to notify any beneficial owner of any Notice of
Redemption shall not affect the validity of the redemption proceedings. If the County determines
to redeem a portion of the Bonds of a maturity, such Bonds shall be selected by lot. If Notice of
Redemption has been given as described herein, the Bonds, or the portion thereof called for

New Jersey School Bond Reserve Act

The County Vocational School Bonds, Series 2019B (New Jersey School Bond Reserve
Act, P.L. 1980, c.72) also will be secured by the School Bond Reserve (the "School Bond
Reserve") established in the Fund for the Support of Free Public Schools of the State of New
Jersey (the "Fund") and in accordance with the New Jersey School Bond Reserve Act, P.L. 1980
Ch. 72, approved July 16, 1980 (the "New Jersey School Bond Reserve Act").

Book-Entry-Only System

As long as DTC or its nominee, Cede & Co., is the registered owner of the Bonds,
payments of the principal of and interest on the Bonds will be made directly to Cede & Co., as
nominee of DTC, which will credit payments of principal of and interest on the Bonds to the
DTC participants as listed in the records of DTC as of each next preceding May 15 and
November 15 (the "Record Dates" for payment of interest on the Bonds), which participants will
in turn credit such payments to the beneficial owners of the Bonds.

All bidders of the Bonds must be participants of The Depository Trust Company, New
York, New York ("DTC") or affiliated with its participants. The Bonds will be issued in fully
registered form, and when issued will be registered in the name of and held by Cede & Co., as
the registered owner thereof and nominee for DTC, an automated depository for securities and
clearinghouse for securities transactions.

Individual purchases of beneficial ownership interests in the Bonds will be made in
book-entry form (without certificates) in the denomination of $5,000 each or any integral
multiple thereof. It shall be the obligation of the successful bidder to furnish to DTC an
underwriter’s questionnaire and the denomination of the Bonds not less than seventy-two (72)
hours prior to the delivery of the Bonds.

In the event that either DTC determines not to continue to act as securities depository for
the Bonds or the County determines that the beneficial owners of the Bonds be able to obtain
bond certificates, the County will appoint a paying agent and will issue and deliver replacement
Bonds in the form of fully registered certificates.

Electronic Bidding Procedures
Bids may be submitted electronically via PARITY in accordance with this Notice of Sale, until 11:00 a.m., New York City time, on November __, 2019, but no bid will be received after the time for receiving bids specified above. To the extent any instructions or directions set forth in PARITY conflict with this Notice of Sale, the terms of this Notice of Sale shall control. For further information about PARITY, potential bidders may contact PARITY at (212) 849-5021. In the event that a bid for the Bonds is submitted via PARITY, the bidder further agrees that:

1. The County may regard the electronic transmission of the bid through PARITY (including information about the purchase price of the Bonds, the interest rate or rates to be borne by the various maturities of the Bonds, the initial public offering price of each maturity and any other information included in such transmission) as though the same information were submitted directly to the County and executed by a duly authorized signatory of the bidder. If a bid submitted electronically by PARITY is accepted by the County, the terms of the Proposal for Bonds and this Notice of Sale and the information that is electronically transmitted through PARITY shall form a contract, and the successful bidder shall be bound by the terms of such contract.

2. PARITY is not an agent of the County, and the County shall have no liability whatsoever based on any bidder's use of PARITY, including but not limited to any failure by PARITY to correctly or timely transmit information provided by the County or information provided by the bidder.

3. The County may choose to discontinue use of electronic bidding via PARITY by issuing a notification to such effect via TM3 News Services, or by other available means, no later than 3:00 p.m. (New York City Time) on the last business date prior to the bid date set forth above.

4. Once the bids are communicated electronically via PARITY to the County as described above, each bid will constitute a Proposal for Bonds and shall be deemed to be an irrevocable offer to purchase the Bonds on the terms provided in this Notice of Sale. For purposes of submitting all Proposal for Bonds, the time as maintained on PARITY shall constitute the official time.

5. Each bidder choosing to bid electronically shall be solely responsible to make necessary arrangements to access PARITY for purposes of submitting its bid in a timely manner and in compliance with the requirements of this Notice of Sale. Neither the County nor Parity shall have any duty or obligation to undertake such registration to bid for any prospective bidder or to provide or assure access to any qualified prospective bidder, and neither the County nor Parity shall be responsible for the proper operation of, or have any liability for any delays or interruptions of, or any damages caused by PARITY. The County is using PARITY as a communication mechanism, and not as the County's agent, to conduct the electronic bidding for the Bonds. By using PARITY, each bidder agrees to hold the County harmless for any harm or damages caused to such bidder in connection with its use of PARITY for bidding on the Bonds.

Bid Specifications

Introduced on: October 22, 2019
Adopted on: October 22, 2019
Official Resolution#: R20190937

20

2757681.2 107511-101862
Each Proposal submitted must name the rate or rates of interest per annum to be borne by the Bonds bid for and the rate or rates named must be multiples of one-eighth or one-twentieth of one per centum. Not more than one rate may be named for Bonds of the same maturity. The difference between the highest and lowest rates of interest named in the Proposal shall not exceed three percent (3%). There is no limitation on the rates that may be named. Each Proposal submitted must be for all of the Bonds and the purchase price specified in the proposal must be not less than one hundred percent (100%) or for more than one hundred and two percent (102%) of the aggregate par value of the Bonds.

Award, Delivery and Payment

The Bonds will be awarded to the bidder on whose bid the total loan may be made at the lowest true interest cost. Such true interest cost shall be computed, as to each bid, by doubling the semiannual interest rate (compounded semiannually) necessary to discount the debt service payments from the payment dates to the date of the Bonds and the price bid, excluding accrued interest to the delivery date. No Proposal shall be considered that offers to pay an amount less than the principal amount of Bonds offered for sale or under which the total loan is made at an interest cost higher than the lowest true interest cost to the County under any legally acceptable proposal. If two or more such bidders offer to pay the lowest true interest cost, then the Bonds will be sold to one of such bidders selected by lot from among all such bidders. The bidder to which the Bonds are awarded (in the manner specified above) is herein referred to as the “Successful Bidder.”

It is expected that delivery of the Bonds to DTC and payment for the Bonds will take place on or about, December 3, 2019 at the offices of Gibbons P.C., bond counsel to the County (“Bond Counsel”), in Newark, New Jersey or at such other place as may be agreed upon with the Successful Bidder. The Bonds will be delivered to DTC in single denominations for each maturity of each type of bond. PAYMENT FOR THE BONDS AT THE TIME OF ORIGINAL ISSUANCE AND DELIVERY SHALL BE IN IMMEDIATELY AVAILABLE FUNDS.

Change of Bid Date and Closing Date

The County reserves the right to postpone, from time to time, the date established for the receipt of bids and will undertake to notify registered prospective bidders via notification published on Thomson Municipal Market Monitor (“TM3”) (www.tm3.com). Prospective bidders may request notification by facsimile transmission of any such changes in the date or time for the receipt of bids by so advising, and furnishing their telexer numbers to the Director of Finance of the County at (973) 881-4440 by 12:00 Noon, New York City time, on the day prior to the announced date for receipt of bids. In addition, the County reserves the right to make changes to this Notice of Sale. Such changes will be announced on the TM3.

A postponement of the bid date will be announced via TM3 not later than 11:00 a.m., New York City time, on the last business day prior to any announced date for receipt of bids, and
an alternative sale date and time will be announced via TM3 by Noon, New York City time, not less than forty-eight (48) hours prior to such alternative date for receipt of bids.

On any such alternative date and time for receipt of bids, the County will accept electronic bids for the purchase of the Bonds, such bids to conform in all respects to the provisions of this Notice of Sale, except for the changes in the date and time for receipt of bids and any other changes announced via TM3 at the time the date and time for receipt of bids are announced.

**Right To Reject Bids; Waive Irregularities**

The right is reserved to reject all bids, and any bid not complying with the terms of this Notice of Sale will be rejected. The County reserves the right to reject any or all Proposals and so far as permitted by law, to waive any irregularity or informality in any or all Proposals.

**Good Faith Deposit**

A good faith deposit (the "Deposit"), in the form of an electronic transfer of immediately available federal funds in accordance with the wiring instructions contained in the immediately preceding paragraph, in the amount of $859,800 is required for each bid for the Bonds to be considered.

Bidders shall contact Richard Cahill, Director of Finance of the County, at rcahill@passaiccounty.nj.org or telephone (973) 881-4440, for wire instructions with respect to transmittal of such funds to the County.

Such funds must be received in the account identified immediately above no later than 11:00 a.m. New York City time on the date for receipt of bids, and must be accompanied by detailed wiring instructions for the return thereof in the event that such bidder is not the Successful Bidder. Please note that the contact information provided immediately above should be used by bidders for the purposes of confirming receipt of electronic transfer of funds and the transmittal of instructions for the return of such electronic transfers of funds in the event such bidder is not the Successful Bidder. Electronic transfers of funds of unsuccessful bidders for the Bonds will be returned upon award of the Bonds. It is the intent of the County that electronic transfers of funds will be returned via wire transfer to the unsuccessful bidders not later than 5:00 p.m. on the date for receipt of bids, provided that wiring instructions have been provided by such unsuccessful bidder at the time of transmission of the Deposit to the County. The County shall not bear any liability for any delay that may occur in the return of an electronic transfer of the Deposit to an unsuccessful bidder. Interest earned on the Deposit will be credited to the County and will not be available to the Successful Bidder for the Bonds.

The Deposit of the Successful Bidder will be collected and the proceeds thereof retained by the County to be applied in partial payment for the Bonds and no interest will be allowed or paid upon the amount thereof, but in the event the Successful Bidder shall fail to comply with the terms of its respective bid, the proceeds thereof will be retained as and for full liquidated damages. Award of the Bonds to the Successful Bidder or rejection of all bids is expected to be
made within five hours after opening of the bids, but such Successful Bidder may not withdraw its Proposal for Bonds until after 5:00 p.m. of the day of such bid-opening and then only if such award has not been made prior to the withdrawal.

**Bond Insurance**

If the Bonds qualify for issuance of any policy of municipal bond insurance, any purchase of such policy shall be at the sole option and expense of the Successful Bidder. If the Bonds are to be insured, the Successful Bidder shall pay the premium therefor prior to the delivery of the Bonds. Any failure of the Bonds to be so insured or of any such policy of insurance to be issued shall not in any way relieve the Successful Bidder of its contractual obligations arising from the acceptance of its Proposal for Bonds for the purchase of the Bonds.

**CUSIP Numbers**

It is anticipated that CUSIP identification numbers will be printed on the Bonds, but neither the failure to print such number on any Bond nor any error with respect thereto shall constitute cause for the failure or refusal of the Successful Bidder to accept delivery of and pay for the Bonds. The Successful Bidder shall be responsible for making the application for the assignment of CUSIP identification numbers. The CUSIP Global Services charges for the assignment of CUSIP identification numbers on the Bonds shall be the responsibility of and shall be paid for by the Successful Bidder. **TWO SERIES OF CUSIP NUMBERS WILL BE ASSIGNED TO THE BONDS AS FOLLOWS: (1) ONE SERIES OF CUSIP NUMBERS WILL BE ASSIGNED TO THE GENERAL IMPROVEMENT BONDS, SERIES 2019A, THE COUNTY COLLEGE BONDS, SERIES 2019C AND THE ENERGY SAVINGS IMPROVEMENT BONDS, SERIES 2019D; AND (2) A SEPARATE SERIES OF CUSIP NUMBERS WILL BE ASSIGNED TO THE COUNTY VOCATIONAL SCHOOL BONDS, SERIES 2019B (NEW JERSEY SCHOOL BOND RESERVE ACT, P.L. 1980, C.72).**

**Establishment of Issue Price**

*(10% Test to Apply if Competitive Sale Requirements are Not Satisfied)*

The Successful Bidder shall assist the County in establishing the issue price of the Bonds and shall execute and deliver to the County at Closing an "issue price" or similar certificate, setting forth the reasonably expected initial offering price to the Public or the sales price or prices of the Bonds, together with supporting pricing wings or equivalent communications, substantially in the form prepared by and available from Bond Counsel, with such modifications as may be appropriate or necessary, in the reasonable judgment of the Successful Bidder, the County and Bond Counsel. All actions to be taken by the County under this Notice of Sale to establish the issue price of the Bonds may be taken on behalf of the County by the County’s municipal advisor identified herein, if any, and any notice or report to be provided to the County may be provided to the County’s municipal advisor.

The County intends that the provisions of Treasury Regulation Section 1.148-1(f)(3)(i) (defining “competitive sale” for purposes of establishing the issue price of the Bonds) will apply.
to the initial sale of the Bonds (the “Competitive Sale Requirements”) because: (1) the County shall disseminate this Notice of Sale to potential underwriters in a manner that is reasonably designed to reach potential underwriters; (2) all Bidders shall have an equal opportunity to bid; (3) the County may receive bids from at least three underwriters of municipal bonds who have established industry reputations for underwriting new issuances of municipal bonds; and (4) the County anticipates awarding the sale of the Bonds to the Bidder who submits a firm offer to purchase the Bonds at the highest price (or lowest interest cost), as set forth in this Notice of Sale.

Any bid submitted pursuant to this Notice of Sale shall be considered a firm offer for the purchase of the Bonds, as specified in the bid. By submitting a bid, bidders are deemed to have certified that they have an established industry reputation as a regular purchaser or underwriter of tax-exempt obligations such as the Bonds.

In the event that the Competitive Sale Requirements are not satisfied, the County shall so advise the Successful Bidder. The County shall treat the first price at which 10% of a Maturity of the Bonds (the “10% Test”) is sold to the Public as the issue price of that Maturity, applied on a Maturity-by-Maturity basis (and if different interest rates apply within a Maturity, to each separate CUSIP number within that Maturity). The Successful Bidder shall advise the County if any maturity of the Bonds satisfies the 10% Test as of the date and time of the award of the Bonds. The County will not require Bidders to comply with the “hold-the-offering-price rule” and therefore does not intend to use the initial offering price to the Public as of the sale date of any Maturity of the Bonds as the issue price of that Maturity. Bids will not be subject to cancellation in the event that the Competitive Sale Requirements are not satisfied. Bidders should prepare their bids on the assumption that all of the maturities of the Bonds will be subject to the 10% Test in order to establish the issue price of the Bonds.

If Competitive Sale Requirements are not satisfied, then until the 10% Test has been satisfied as to each Maturity of the Bonds, the Successful Bidder agrees to promptly report to the County the prices at which the unsold Bonds of that Maturity have been sold to the Public. That reporting obligation shall continue, whether or not the Closing Date has occurred, until either (i) all Bonds of that Maturity have been sold or (ii) the 10% Test has been satisfied as to the Bonds of that Maturity, provided that, the Successful Bidder’s reporting obligation after the Closing Date may be at reasonable periodic intervals or otherwise upon request of the County or Bond Counsel, and evidenced by a Supplemental Issue Price Certificate.

By submitting a bid, each Bidder confirms that: (i) any agreement among underwriters, any selling group agreement and each third-party distribution agreement (to which the Bidder is a party) relating to the initial sale of the Bonds to the Public, together with the related pricing wires, contains or will contain language obligating each underwriter, each dealer who is a member of the selling group, and each broker-dealer that is a party to such third-party distribution agreement, as applicable,

(A) to report the prices at which it sells to the Public the unsold Bonds of each maturity allocated to it, whether or not the Closing Date has occurred, until either all Bonds of that Maturity allocated to it have been sold or it is notified by the Successful Bidder that the 10%
Test has been satisfied as to the Bonds of that Maturity, provided that, the reporting obligation
after the Closing Date may be at reasonable periodic intervals or otherwise upon request of the
Successful Bidder,

(B) to promptly notify the Successful Bidder of any sales of Bonds that, to its
knowledge, are made to a purchaser who is a related party to an underwriter participating in the
initial sale of the Bonds to the Public, and

(C) to acknowledge that, unless otherwise advised by the underwriter, dealer or
broker-dealer, the Successful Bidder shall assume that each order submitted by the underwriter,
dealer or broker-dealer is a sale to the Public.

(ii) any agreement among underwriters or selling group agreement, relating to the initial
sale of the Bonds to the Public, together with the related pricing wires, contains or will contain
language obligating each underwriter or dealer that is a party to a third-party distribution
agreement to be employed in connection with the initial sale of the Bonds to the Public to require
each broker-dealer that is a party to such third-party distribution agreement to report the prices at
which it sells to the public the unsold Bonds of each Maturity allocated to it, whether or not the
Closing Date has occurred, until either all Bonds of that maturity allocated to it have been sold or
it is notified by the Successful Bidder or such underwriter that the 10% Test has been satisfied as
to the Bonds of that Maturity, provided that of that the reporting obligation after the Closing Date
may be at reasonable periodic intervals or otherwise upon request of the Successful Bidder or
such underwriter.

Sales of any Bonds to any person that is a related party to an Underwriter participating in
the initial sale of the Bonds to the Public shall not constitute sales to the Public for purposes of
this Notice of Sale. Further, for purposes of this Notice of Sale: (a) Maturity means Bonds with
the same credit and payment terms. Bonds with different Maturity dates, or Bonds with the
same Maturity date but different stated interest rates, are treated as separate Maturities; (b) Public
means any person (including an individual, trust, estate, partnership, association, company, or corporation) other than an Underwriter or a related party to an Underwriter. The
term “related party” for purposes of this certificate generally means any two or more persons
who have greater than 50 percent common ownership, directly or indirectly; (c) Sale Date
means the first day on which the Bonds are awarded by the County to the Successful Bidder; (d)
Underwriter means (i) any person that agrees pursuant to a written contract with the County (or
with the lead Underwriter to form an underwriting syndicate) to participate in the initial sale of
the Bonds to the Public, and (ii) any person that agrees pursuant to a written contract directly or
indirectly with a person described in clause (i) of this paragraph to participate in the initial sale
of the Bonds to the Public (including a member of a selling group or a party to a third party
distribution agreement participating in the initial sale of the Bonds to the Public).

Legal Opinions

The obligations hereunder to pay for and to accept delivery of the Bonds shall be
conditioned on the availability and the delivery at the time of delivery of the Bonds of the
approving opinion of the law firm of Gibbons P.C., Newark, New Jersey, bond counsel to the
County, which will be furnished without cost to the Successful Bidder, substantially in the form set forth in the Official Statement distributed in preliminary form in connection with the sale of the Bonds. Such opinion shall state to the effect that the Bonds are valid and legally binding obligations of the County, and that all the taxable property therein will be subject to the levy of ad valorem taxes, without limitation as to rate or amount, to pay the principal of the Bonds and the interest thereon; and will also state that under existing law, interest on the Bonds is excluded from gross income for purposes of Federal income taxation. The obligations hereunder to pay for and to accept delivery of the Bonds shall be further conditioned on the availability and delivery to the Successful Bidder(s), at the time of delivery of the Bonds, of (i) certificates from the County Finance Director in form satisfactory to Bond Counsel evidencing the proper execution and delivery of the Bonds, the receipt of payment therefor and the fact the Bonds will not be arbitrage obligations within the meaning of the Code; (ii) a certificate from the County Attorney, in form and tenor satisfactory to Bond Counsel and dated as of the date of such delivery, to the effect that there is no litigation pending or (to the knowledge of the signer or signers thereof) threatened affecting the validity of the Bonds; and (iii) a certificate from the County Finance Director, in form and tenor satisfactory to Bond Counsel and dated as of the date of such delivery, to the effect that to the best of his knowledge of such and belief, and after reasonable investigation: (1) neither the Official Statement relating to the Bonds nor any amendment, or supplement thereto contains any untrue statement of a material fact or omits to state any material fact necessary to make the statements therein, in the light of the circumstances in which they were made, not misleading; (2) since the date of the Official Statement (or the date of the most recent amendment or supplement thereto) no event has occurred which would make the statements therein untrue or, in the light of the circumstances in which they were made, misleading, and (3) there has not been any material adverse change in the operation or financial affairs of the County since the date of such Official Statement.

Preliminary Official Statement

The County has issued an Official Statement with respect to the sale of the Bonds in preliminary form (the "Preliminary Official Statement") which the County has deemed final as of its date for purposes of paragraph (b)(1) of Rule 15c2-12 under the Securities Exchange Act of 1934 ("Rule 15c2-12"), except for certain omissions permitted thereunder and except for changes permitted by other applicable law.

The Preliminary Official Statement may be accessed via the Internet at www.i-dealprospectus.com. A printed version is also available upon request made to the Director of Finance of the County at the County Administration Building, Finance Department, 401 Grand Street, Paterson, New Jersey 07505 (telephone (973) 881-4440).

Official Statement

The County agrees to provide the successful bidder with up to fifty (50) copies of the final Official Statement adopted by the County in relation to the sale by the County of the Bonds within the period of time allowed under Rule 15c2-12, at the sole cost and expense of the County, with any additional copies which the successful bidder shall reasonably request to be provided at the sole cost and expense of the successful bidder.
Continuing Disclosure

In order to assist the successful bidder in complying with Rule 15c2-12, the County agrees to deliver on the Closing Date a Continuing Disclosure Certificate to be dated as of the Closing Date pursuant to which the County shall agree to provide at the times and to the information repositories and other persons described in Rule 15c2-12 the financial or operating data required to be disclosed on a continuing basis pursuant to Rule 15c2-12.

Official Resolution#: R20190938
DATE: September 27, 2019

TYPE: Policy Memorandum

SUBJECT: FINAL OBLIGATION AND ALLOCATION OF FUNDS FOR APC YEAR 2019

EFFECTIVE DATE: Immediately

APPLICABILITY: Executive Directors, Area Agencies on Aging

POLICY: Attached please find the Final Area Plan Contract (APC) 2019 county allocations and total county funding levels. Final county allocations include all transfers that were requested between Titles III B, III C-1 and III C-2 and the final allocation of FFY 19 funds. Administrative transfers and final local matching funds (as requested by the AAA) have been included in your final 2019 APC approved area agency budgets.

Please initiate a budget amendment request in SAGE to add the additional funds into the appropriate Integrated Program Summary. In your justification, please indicate that the amendment is to incorporate the additional Title III B, C1, C2, D and E allocations, requested transfers and administrative allocations. Be sure to list which Area Plan programs will need revisions, i.e. Title III C2, E, etc. You don’t need to list each IPS separately, just list the programs being changed. If any other changes are being requested by the AAA, include these in your justification. Given the tight time frames for obligation of funds and federal reporting due date, final amendments, with all of the appropriate IPS revisions, are due back to the division by October 23, 2019.

Supplemental Title III Funds

On September 11, 2019, the Administration for Community Living (ACL) released Title III supplemental funding that must be encumbered by the State. As per PM #2003-3, III-3 – Carry-Over Procedures, all funds allocated by this policy memorandum must be obligated by the AAA no later than 12/31/19. Additional funds in Title III B, C1, C2, D and E dollars are being allocated to AAAs via the current Title III funding formula. In addition to this federal funding, AAAs will also receive additional State Matching funds.
Attachment A - 108% Allocation

Attachment A provides each AAA’s allocation for APC 2019. These are the amounts an Area Agency on Aging has been allocated based upon the funds currently awarded. This allocation includes all transfers. All funds will be obligated by the state, no later than 9/30/19 in accordance with this Policy Memorandum.

Adjustments Based on 2018 Close-Out Letters

For those AAAs who have verified and signed the 2018 close out letter, any changes in carry over and/or funding levels are incorporated into this amendment.

The Division of Local Government Services is cognizant of these authorizations and will approve corresponding county budget appropriations for these counties receiving funds under the Policy Memorandum. Questions regarding this Policy Memorandum may be directed to Warren Clifton at (609) 438-4752.

To Whom It May Concern,

Established in 2004, Garden State Equality (GSE) is New Jersey's Statewide advocacy and education organization for the lesbian, gay, bisexual, transgender, and queer (LGBTQ) community. Our Map and Expand Initiative allows us to be a bridge between the LGBTQ community and healthcare providers in an effort to promote health equity.

GSE will provide an hour long keynote speaker for the Intersection of LGBTQ, Stigma, Mental Health & Substance Use event at William Paterson University of New Jersey for Passaic County Department of Human Services. This keynote speaker will be a member of the LGBTQ community and will have experienced stigma, substance use, depression and suicidal ideation. The speaker will be able to convey their experiences to attendees for their professional development around LGBTQ cultural competency and the importance of providing affirming care. The keynote will also answer questions from the audience about topics including recommendations around providing care to LGBTQ identified people.

At the conclusion of the event, the keynote speaker will stay afterwards to personally address attendee questions.

Sincerely,

Bianca Mayes, MPH, CHES

Proposal for a Substance Abuse Training and Awareness Project focusing on the needs of the Jewish communities in Passaic County

Agency Experience:

JFCSNNJ: Jewish Family & Children’s Services of Northern New Jersey (JFCSNNJ) was established in 2017, as the result of a merger between two premier social service agencies in northern New Jersey. Through our Passaic County legacy agency, Jewish Family Service of Northern New Jersey, we have attended to the community’s mental health needs since 1944. JFCSNNJ continues their legacy of extensive service by providing comprehensive mental health counselling for individuals, families, and groups, from school-aged children to seniors. We boast a professional, multi-lingual and multicultural staff, who utilize a number of modalities to best address our client’s mental health needs.

Need:

The following is an excerpt from a letter written by the father of an 18-year-old member of the Passaic Jewish community:

“I have an 18-year-old son who is a recovering drug addict. He started abusing substances when he was in 7th grade. In 11th grade, my wife and I were blessed with the ability to work with ... since then, my son entered ..., a rehab in Bethlehem, CT. After a six-week stint in ... we forcibly enrolled him in a wilderness therapy program where he stayed for 13 weeks. From there, we transferred him to a long-term residential treatment program. Currently, my son is working on securing his high-school diploma and more importantly working on embracing a healthy and sustainable lifestyle.

During the course of the past three years, I have become privy to the void that exists in the Passaic/Clifton community with respect to recognizing that we are challenged with an epidemic. I have learned that this illness transcends all demographics from young to old, and that we aren’t addressing it as we should. The challenges associated with the legalization of marijuana, the opioid epidemic, alcohol abuse, the Internet, and easy access to all forms of drugs is devastating. Our community hasn’t publicly acknowledged that this is literally killing people that are struggling with life. Early this summer we lost a 27-year-old father who grew up in Passaic and on the face of things was doing well. (The public facing explanation was that he passed away from an aneurism.)

I have been working together with Passaic/Clifton Jewish Family Services (JFS) in organizing a community wide event in order to start educating our community about addiction and what can be done about it.”

A study published in the Journal of Addiction found that alcohol and drug abuse affects a significant number of people in this community. According to the Journal of Addictive Diseases,
alcohol is the most common drug of abuse among Jews. A comparison of population surveys and previous studies indicated that nearly 55% of Jewish men and women reported alcohol as their primary drug of abuse, while 24.5% reported alcohol as their secondary drug. Over 70% of individuals who responded to these surveys reported using more than one substance, such as alcohol and tranquilizers, or alcohol and cocaine.

Although it is difficult to gain an accurate assessment of the prevalence of addiction in the Jewish community, some researchers theorize that substance abuse has become more common among the younger generations in this community. A questionnaire of men and women receiving services through Jewish Child and Family Services in Winnipeg, Canada, provided the following responses:

- Over 41% knew someone who currently had a problem with drugs or alcohol;
- Over 23% had a family history of substance abuse;
- Approximately 44% stated that if they needed help with addiction or knew someone who needed help, they would seek resources from a community-based support groups like Alcoholics Anonymous or from social services agencies in their community;
- Around 9% stated that they would consult a rabbi or priest for help with substance abuse;
- Only around 3% said they would not seek help if they or a loved one needed help with substance abuse.

Proposed Interventions:

Part I:

Community Awareness and Education Event- Substance Abuse

Purpose:

The purpose of a community awareness and education event on substance abuse is three-fold: (1) to bring awareness to the Jewish community of the pervasiveness and effects (e.g., emotional, psychological and physical) of substance abuse; (2) to break down the "denial" of the existence of substance abuse within the Jewish community; (3) to work with families who are "silently" dealing with substance abuse by informing them of available community resources and programming (treatment) at our agency.

Introduced on: October 22, 2019
Adopted on: October 22, 2019
Official Resolution#: R20190948
This event will address the community’s lack of awareness on substance abuse and how this has impacted communal and institutional responses to this epidemic, particularly in Jewish schools. Many Jewish schools are not adequately equipped to address substance abuse among their students. Unfortunately, it is very common for students who have been caught using an illicit substance to be expelled from school or transferred to another school, leaving “treatment and recovery” out of the process.

This event will promote awareness of substance abuse in the Jewish community and our local Jewish Family Service agencies’ expertise with addictions and treatment services. This will be a once-time community education and awareness event, which will be presented in Passaic County as a partnership between Jewish Family & Children’s Services of Northern New Jersey (JFCSNNJ) and the Jewish Family Service of Clifton/Passaic. Presenters will include a rabbi with experience with substance abuse issues, an addictions counselor, and a community member in recovery.

Part 2:

Training of mental health staff by CMC Foundation for Change (CMC) in two Jewish Family Service agencies that serve Passaic County in delivery of the CRAFT Program, an evidence based family intervention that assists families in helping their drug and alcohol involved children access treatment.

CRAFT (CMC Foundation for Change): Background

Today, approximately 57.8 million Americans suffer from a substance abuse disorder and/or mental illness. It is estimated that at least 60 to 80 million family members suffer the consequences of their loved ones’ disorders alongside them. The consequences of their suffering are measurable, affecting families’ finances, productivity, social life, relationships, and psychiatric health. Moreover, the vast majority of families who are on this difficult journey are navigating it alone.

Finding effective, or even adequate, help for substance abuse is incredibly difficult. A recent report in the American Journal of Preventive Medicine highlighted that 65% of non-metropolitan counties do not have a single psychiatrist, while 47% percent do not have a single psychologist. Even in areas where professional help is available, it is often unaffordable for those most affected by substance abuse.

Compounding these geographic and socioeconomic barriers to treatment are cultural ones. The stigma that surrounds substance abuse is a hugely isolating force, and it very often holds families back from reaching out for help. Parents receive rigid and disciplinary advice: “use tough love,” “detach,” and “let the addict hit bottom”. These hardline answers are often offered as the only solution from friends and relatives (with good intentions), but also from media, our culture at large, and many treatment professionals. This leads to the final problem for families struggling with these issues: a lack of evidence-based treatment information and options available, providers at-large, and science-supported thinking. While we know there are effective
tools for families to help engage their loved one in treatment and promote self-care, these tools are virtually unknown by treatment professionals or in the self-help communities.

Ultimately, the burden of helping a loved with substance abuse and mental health issues is placed almost entirely on families, who are ill-equipped and overwhelmed. This burden is often carried in a context of guilt, shame, and isolation, which increases the overall suffering of parents, spouses, siblings, and other concerned family members. This harmful cycle exacerbates the issue of substance abuse on an individual, familial, communal, and societal scale.

**CMC: Foundation for Change**

CMC: Foundation for Change has the singular goal of providing effective and accessible evidence-based tools to the families of those struggling with behavioral problems. In the midst of this isolating and painful journey, we work to provide the best science has to offer (including compassion!) directly to parents - helping them to support one another as well as their children. By empowering families to connect around this issue, we work to change the conversation from one of shame, secrecy, and suffering to one of pride and hope.

CMC: Foundation for Change does not provide treatment. Our goal is larger: we want to put the power of evidence-based strategies into the hands of families, at a grassroots, accessible and national level. The dissemination of knowledge is a central component of our work: we train both parents and treatment professionals in methods to help people change that can be used by and shared between anyone. The approach our professional trainers use is called the Invitation to Change Approach. It draws from the most effective strategies found in 3 evidence-based treatments: CRAFT (Community Reinforcement and Family Training), Motivational Interviewing (MI), and ACT (Acceptance and Commitment Therapy). Put simply, the Invitation to Change Approach brings science and kindness together: evidence-based strategies are combined with compassion and care, making a wealth of research-supported and clinically tested knowledge accessible, practical, and understandable for those who need it most.

Workshop Training Proposal: Invitation to Change Approach

Background

Today, approximately 57.8 million Americans suffer from a substance use disorder and/or mental illness. It is estimated that at least 60 to 80 million family members suffer the consequences of their loved ones’ disorders alongside them. This suffering and its consequences are measurable, affecting these families’ finances, productivity, social life, relationships, and psychiatric health. Moreover, the vast majority of families who are on this difficult journey are navigating it alone.

Finding effective or even adequate help for substance use issues is incredibly difficult. A recent report in the American Journal of Preventive Medicine highlighted that 65% of non-metropolitan counties do not have a single psychiatrist, while 47% percent do not have a single psychologist. Even in areas where professional help is available, it is often unaffordable for those hardest-hit by substance use struggles.

Compounding these geographic and socioeconomic barriers to treatment are cultural ones. The stigma that surrounds substance use is a hugely isolating force, and it very often holds families back from reaching out for help. Parents receive rigid and punitive advice: “use tough love,” “detach,” and “let the addict hit bottom” are often offered as the only ways out. These messages come not only from friends and relatives (with good intentions) but from the media, our culture at large, and many treatment professionals.

This, in turn, points to the final problem for families struggling with these issues: the lack of evidence-based treatment information and options available. Not only is there a lack of providers at large; there is also a lack of penetration of truly science-supported thinking and resources available. While we know there are effective tools for families to help engage their loved one, as well as to take care of themselves in the process, these tools are virtually unknown by treatment professionals or in the self-help communities.

The ultimate cost of these barriers is that the burden of helping a loved with substance use and mental health problems is placed almost entirely on families, who are ill-equipped and overwhelmed. This burden is often carried in a context of guilt, shame, and isolation, which increases the overall suffering.

of parents, spouses, siblings, and other concerned family members. And again, the resources for these families are severely lacking and misguided.

What We Do

CMC Foundation for Change has the singular goal of getting effective and accessible evidence-based tools to the families of those struggling with behavioral problems. In the midst of this isolating and painful journey, we work to provide the best science has to offer (including compassion!) directly to parents - helping them to support one another as well as their children. By empowering families to connect around this issue, we work to change the conversation from one of shame, secrecy, and suffering to one of pride and hope.

Put simply, the Invitation to Change Approach brings science and kindness together: evidence-based strategies are combined with compassion and care, making a wealth of research-supported and clinically tested knowledge accessible, practical, and understandable for those who need it most.

Training Overview and Framework

The present proposal outlines the training personnel, administrative, and material costs for a comprehensive workshop for up to 40 participants in the Invitation to Change Approach: A CRAFT based model for families supporting themselves and their emerging adults (those with behavioral and mental health issues, including addiction).

Workshops: The workshop (2.0 Days; 16 Hours) will provide a comprehensive training in the self-care, communication, and behavioral strategies found in the Invitation to Change Approach. Workshop trainings include experiential exercises, didactic interactions, and practice components to facilitate the acquisition of the informational foundation and skills needed to implement the program in clinical settings.

Booster sessions: 3, 1-hour remote, video-based booster sessions provide an opportunity for trainees to discuss the material presented in the workshop and specific issues pertaining to implementing the strategies in their clinical work. Participants will receive guidance and feedback on the implementation issues raised during these sessions as one component of an adherence strategy.

Budget Justification:
cmc: foundation for change

Key Personnel

Trainers: The present proposal is budgeted for 2 trainers for the 2.0 day workshop training (approximately 16 hours over two days) and post workshop remote based booster sessions (a max of 3 hrs over 4 months). The total cost will be $7000 per training ($3,700 per trainer) including the post-workshop booster calls.

Julia Foote: Ms. Foote is Communications Coordinator at CMC:Foundation for Change. $750 has been budgeted to contribute the efforts for purchasing, assembling, preparing the materials to be used during the training.

Training Material

Workshop Material: Workshop binders include slides, exercises, readings, and clinical materials that all participants can utilize in their clinical work. We have budgeted $800; (a total of 40 participants @ $20 per workshop binder) to cover costs of binder purchase, photocopying, and collating the materials used in the workshop.

A 20-Minute Guide. Our reference book for the Invitation to Change Approach, will be provided to all participants, we budgeted a cost of $15 per book for CMC:FFC. This workbook provides exercise and strategies that align with the material provided to each trainee in the training workshop materials.

Beyond Addiction (BA): BA is our comprehensive book covering the motivational and helping strategies found in the Invitation to Change Approach (CRAFT, MI) as well as offering an extended discussion of issues around treatment entry and supporting the recovery process. A copy of BA will be provided to all participants and is budgeted at a cost of $15 per book.

Travel and Lodging

We budgeted a total of $100 for travel for the training staff.

ABOUT LMTI

The Lindsey Meyer Teen Institute is a program of Partners in Prevention, a non-profit 501(c)(3) organization. Our mission is to guide young people to realize their leadership potential and become empowered to create positive changes in themselves, their schools, and their communities. We are dedicated to providing young people with opportunities to become strong leaders. At LMTI, we firmly believe that middle and high school students are not the leaders of tomorrow, but rather they are the leaders of today. New Jersey students know best what challenges exist in their schools and communities; they are the ones who walk through the hallways and down the streets each day. Accordingly, they must be the ones to create change.

Through LMTI, students learn to look at challenges not as roadblocks to be feared or ignored, but as opportunities to be embraced and overcome. Furthermore, students are given the chance to work in a climate that puts them in control with adults there as guides and advocates for their vision. Students leave LMTI programs with a sense of confidence, purpose, and motivation that continues on throughout the school year and also throughout their lives.

ABOUT LINDSEY

Lindsey was a vivacious and motivated young woman who lived with Cystic Fibrosis (CF), a disease that drastically impacts an individual’s lungs and digestive system. Lindsey never let her illness interfere with her love and zest for life.

She was an active participant in Teen Institute programs during high school and served as a member of the statewide youth staff and also as her high school prevention group’s president. Lindsey was also well known for leading CF support groups during her numerous stays in hospitals, helping younger patients with CF to come to terms with the disease and to learn from Lindsey’s experiences.

On February 8, 2001, Lindsey lost her long and fiercely fought battle with Cystic Fibrosis. In her life, Lindsey gave tirelessly to others and reminded everyone to look at life as a challenge to be embraced, not feared. Lindsey laughingly taught others to not only take from life, but to give back as much as possible. The Teen Institute was renamed in 2005 in memory of this remarkable and inspirational young leader.
PASSAIC COUNTY TRAININGS
2019 PROPOSAL

Overview

The Lindsey Meyer Teen Institute, LMTI, will create and host two online workshops for Passaic County students participating in the Passaic County Teen Summit video project. Through the webinars, students will gain the skills they need to complete their video projects; they will also gain information about mental health and positive coping skills that will encourage them to make informed and healthy decisions in their everyday lives, and to be leaders within their school and community. These live, online webinars will be recorded and the video recordings will become property of the County of Passaic.

LMTI will also host "Mental Health in the Classroom", a one hour, in-person training with school personnel from the Paterson Public School District. This training will ensure adults leave with a basic understanding of what mental health is and activities that they could integrate into the classroom with their students.

Training Goals

1. Students will increase their knowledge and skills related to video creation and editing to assist them in the creation of video public service announcements for the Passaic County Teen Summit.

2. Students will identify resources and gain knowledge to support them in their role as mental health advocates in their school and community.

3. Adults will learn the importance of discussing mental health in the classroom and ways to increase learning and destigmatize mental health issues with their students.
Methods
The training will incorporate several methodologies and components in order to ensure a comprehensive and effective program:

- Substance Abuse and Mental Health Services Administration's (SAMHSA) Strategic Prevention Framework (SPF)
- Community Anti-Drug Coalitions of America's (CADCA) 7 Strategies for Community Change
- The National Council for Behavioral Health's Youth Mental Health First Aid
- SEARCH Institute's 40 Developmental Assets
- Lindsey Meyer Teen Institute's Core Qualities of Leadership

**SAMHSA's STRATEGIC PREVENTION FRAMEWORK (SPF)**

The Strategic Prevention Framework (SPF) uses a five-step process known to promote youth development, reduce risk-taking behaviors, build assets and resilience, and prevent problem behaviors across the life span. The SPF is built on a community-based risk and protective factors approach to prevention and a series of guiding principles that can be utilized at the school/community level.

LMTI's Action Planning Process is based on the SPF. The process has been modified to make sense for middle and high school students to fully utilize the SPF in a way that can help them to achieve optimal success when creating projects and activities.

Students will learn the basics of the SPF in order to identify challenges in their school and to create activities or events that promote positive behaviors and outcomes.

**The SPF Process:**
CADCA's 7 STRATEGIES FOR COMMUNITY CHANGE

LMTI also utilizes the Community Anti-Drug Coalition of America's (CADCA) Seven Strategies for Community Change. These strategies will be highlighted throughout the training. Students will understand the difference between individual and environmental prevention strategies and will learn how to incorporate these into their prevention activities.

NATIONAL COUNCIL'S YOUTH MENTAL HEALTH FIRST AID

All LMTI staff members have been trained in the Youth Mental Health First Aid curriculum and select staff members are certified to teach this course. According to the National Council for Behavioral Health “this curriculum is designed to teach parents, family members, caregivers, teachers, school staff, peers, neighbors, health and human services workers, and other caring citizens how to help an adolescent (age 12-18) who are experiencing a mental health or addiction challenge or crisis. Youth Mental Health First Aid is primarily designed for adults who regularly interact with young people. The course introduces common mental health challenges for youth, reviews typical adolescent development, and teaches a 5-step action plan for how to help young people in both crisis and non-crisis situations. Topics covered include anxiety, depression, substance use, disorders in which psychosis may occur, disruptive behavior disorders (including AD/HD), and eating disorders.”

SEARCH INSTITUTE’S 40 DEVELOPMENTAL ASSETS

The Search Institute has identified 40 positive supports and strengths that young people need to succeed. Half of the assets focus on the relationships and opportunities they need in their families, schools, and communities (external assets). The remaining assets focus on the social-emotional strengths, values, and commitments that are nurtured within young people (internal assets). The 40 assets are divided into 8 broader categories: support, empowerment, boundaries and expectations, constructive use of time, commitment to learning, positive values, social competencies, and positive identity. LMTI believes that we can build up these assets in young people through reflection, discussion, and experiential activities, and through building assets, we build leaders.
LMTI's CORE QUALITIES OF LEADERSHIP

LMTI has been providing quality leadership training for nearly thirty years. In that time, they have identified twelve core qualities of leadership, all of which can be either taught or strengthened. Through our trainings, students will engage in workshops designed to help them identify the qualities that they may inherently have and to help them begin to develop those that can be strengthened.

LMTI Core Qualities of Leadership

- Teamwork
- Observation
- Responsibility
- Problem Solving
- Respect
- Persuading
- Persistence
- Motivation
- Creativity
- Listening
- Initiative
- Planning

Workshop Descriptions

**Mental Health 101**
This online, interactive webinar would answer many of the questions that young people have about mental health. Participants will work together to create a working definition of what mental health is (understanding that everyone has it, it’s on a spectrum, and it’s a part of our overall health). Students will learn about free mental health resources they can use, both online and in the county, as well as identify positive coping mechanisms (and negative coping mechanisms such as the use of alcohol, tobacco, and other drugs) and ways to practice self-care. LMTI will explain the concept of destigmatizing mental health issues and how the video project is a great jumping off point to do so.

**Video Creation**
In this online video webinar, students will get a crash course in all things techy! The webinar will track the video creation process from brainstorming and creating a story board to filming and editing the project. Students will leave this webinar with free resources that they can use to edit their films and an understanding of how to do so through tutorial style examples and written instructions.

**Mental Health in the Classroom**
This one hour, in-person training will provide adult participants with a deeper understanding of what mental health is and why it is important to teach in the classroom. Through discussion and interactive activities, participants will learn how to facilitate discussions and implement activities with their students about mental health. Workshop attendees will be given resource sheets and examples of activities that they can incorporate into their lesson plans, including the video PSA project and the supplemental video recording workshops outlined above.

The Honorable John W. Bartlett
Freehold Director, Passaic County
401 Grand Street
Paterson, NJ 07505

Re: 2020 Local Bridges Fund Program

Dear Director Bartlett:

On behalf of Governor Philip D. Murphy, I am pleased to inform you that the FY 2020 Local Bridges Fund Program is underway and that Passaic County will receive a New Jersey Department of Transportation (NJDOT) Local Bridges Fund allotment of $3,013,559.00 from the New Jersey Transportation’s Trust Fund (TTF). Funding levels are commensurate with FY 2020 appropriations.

The Governor and I are committed to maintaining and improving New Jersey’s local transportation infrastructure by providing financial assistance to improve county jurisdiction bridges throughout the State. As a result of the 2016 TTF reauthorization, funding for this program has been increased from $25 million annually to $44 million. An additional $3.3 million has been added to the FY 2020 Local Bridges Program through a supplemental authorization for a total of $47.3 million.

Funds are distributed based on a minimum of $1.0 million per County ($21.0 million) with 50% of the remaining funds ($13.15 million) allocated based on each County’s percentage of total major bridge deck area and 50% ($13.15 million) based on each County’s percentage of structurally deficient major bridge deck area.

The primary objectives of the Local Bridge Program are:

- Remove bridges from the structurally deficient list;
- Remove bridges from the scour critical list;
- Remove bridges from the functionally obsolete list; and
- Prevent bridges from becoming structurally deficient or scour critical.

Bridge Eligibility
Primary
- Structurally Deficient Bridges.
- Functionally Obsolete Bridges
- Scour Critical Bridges

Secondary
- Minor Bridges
- Structures that require Priority 1 and Priority 2 repairs.
- Bridge elements that have a condition rating of 5 that are expected to be downgraded to a 4 within the next rating cycle.

All counties are required to submit their application on or before October 16, 2019 on-line through the Department's electronic grants administration system, known by its acronym SAGE, at http://www.state.nj.us/transportation/business/localaid/sage.shtml. A separate application and supporting documents must be submitted for each proposed project.

The Local Bridges Fund Program is jointly managed by the Division of Local Aid and the Division of Bridge Engineering and Infrastructure Management. The Division of Local Aid administers the projects once they are selected. It is recommended that you consult with the appropriate District Office to assist you in determining project eligibility for funding.

Enclosed for your consideration is a list of county owned structurally deficient, functionally obsolete and/or scour critical bridges. If you choose to apply, please consider the following provisions:

- NJDOT requires projects to be delivered to construction award within 24 months of grant notification.
- Funding is for Construction only.
  - Counties may invoice up to 75% of the awarded amount, or 75% of the allotment, whichever is less. The remainder of the eligible costs will be reimbursed upon receipt of the final Payment Voucher and supporting documentation.

We recommend that you consult with your Local Aid District Office to assist in preparing applications for funding. Contact information is enclosed. Thank you for your continued interest and support of NJDOT, and best wishes for success with your project applications.

Sincerely,

Diane Gutierrez-Scaccetti
Commissioner

Re: Availability of Funding for the County Prosecutor Insurance Fraud Reimbursement Program (January 1, 2020 to December 31, 2020 - Cycle 2020)

Dear Prosecutor:

The Office of the Insurance Fraud Prosecutor (OIFP) is accepting applications for funding for anti-insurance fraud efforts under the County Prosecutor Insurance Fraud Reimbursement Program. See N.J.S.A. 17:33A-28. The next program cycle will run from January 1, 2020 through December 31, 2020. Funds will be awarded to continue existing programs as well as to support new initiatives.

As in prior years, the 2020 projected maximum allocation for each County is $250,000. Primary consideration will be given to salaries/wages and fringe benefits. Due to budgetary constraints, the rates for fringe benefits are capped at the existing State of New Jersey rates, charged to Federal, dedicated and Non-State Programs, which is 49.05% for staff enrolled in the Public Employees’ Retirement System (PERS) and 74.05% for staff enrolled in the Police and Firemen’s Retirement System (PFRS).

Also, for Cycle 20, consideration will be given towards White Collar or Insurance Fraud Training. A County may use up to $5,000 of allocated funds for training and travel related expenses. Any training or travel related expenses in excess of $5,000 will be the responsibility of the County. A County’s use of any grant funds under this program for allowable travel is controlled by the current State Travel regulations, State Circular 16-11-OMB, which can be found on the State website: http://www.state.nj.us/infobank/circular/circindx.htm. OIFP reserves the right to deny reimbursement for any training or travel related expenses that do not comply with State Circular 16-11-OMB. Exceptions to this policy may be considered on a case-by-case basis when justified by extenuating circumstances.

Res-Pg:k.41-5
OIFP will evaluate applications based upon the criteria set forth in the Reimbursement Application package, and on the productivity and effectiveness of the county program. OIFP reserves the right to allocate funds in amounts other than those requested by the applicants. Failure to submit a timely application or the submission of an incomplete application may result in rejection of the application.

By copy of this letter, your designated program representative can find 2020 Application, Program Requirements, and Forms on the OIFP Website at www.nj.gov/najy/insurancefraud/oifp. Completed applications must be received by 5:00 p.m. on Friday, November 8, 2019. If you have any questions concerning the Reimbursement Program, please contact Program Analyst Tracy A. Abbate at (609) 376-2466 or abbatet@njdej.org.

Very truly yours,

These Units are intended to be used to provide co-location for the pets and service animals of people evacuating emergency situations, in accordance with the federal PETS Act of 2006. All trailers are delivered with AKC Reunite logos and the AKC Pet Disaster Relief masthead. I am privileged to serve as New Jersey's Secretary of State and Chair of our state's Complete Count Commission. The Complete Count Commission's recent report details New Jersey's robust response to the 2020 Census.

Less than a year from now, the 2020 Census will be in full swing, with most households receiving their Census materials by mid-March. New Jersey must pursue a Census that counts all communities equally—a Census that provides reliable, comprehensive economic and demographic data to guide prudent policymaking and resource allocation.

To ensure that New Jersey is fairly and accurately represented in the Census, the DOS2020C3-CTY Program invites Counties to submit competitive applications. Each applicant will be entitled to receive funding dependent on criteria's that include but are not limited to: County previous Census response rates; the prevalence of hard-to-count communities (areas where the return rate of the Census form was/is low) within the County. The approved amount of award shall be contingent on availability of funds.

Risks associated with the first high-tech Census and other challenges make this Census more difficult than the last. But our larger, more diverse population demands that we get this right.

I encourage Counties to engage in this expansive DOS2020C3-CTY grant program relating to New Jersey's ongoing Census efforts.

My office is available to provide technical and other assistance to stakeholders interested in getting out the count in New Jersey.

Applications must be completed on the Dept. of State's System for Administering Grants Electronically (SAGE) by October 31, 2019.

Should you have any questions, please contact my office at 609-777-2581.

I appreciate your consideration. I look forward to working with you on these and other matters.

With warm regards,

THE HON. TAHESHA WAY

Based upon the above, this Office recommends that the Board of Chosen Freeholders adopt a Resolution rejecting the bids received on October 8, 2019 and authorizing the re-bidding of the Passaic County Relocation of Sheriff’s Department Motor Pool Project.
