Re: PASSAIC COUNTY SURROGATE COURT’S FIVE-YEAR PLAN

Freeholder Director:

The following represents the Surrogate’s Court Five-Year Plan for your approval. This Plan is required by N.J.S.A. 22A:2-51.1 and the adoption of same as it relates thereto. The composition of this Plan affords the Board of Chosen Freeholders a snapshot of the revenues collected over the last five years, which based upon the same provides a projection for future revenues and the Capital Improvements needed in the Surrogate’s Court. Your review and adoption of this Plan is critical to the continued growth and modernization of this Court.

The New Jersey Constitution provides that all Surrogates shall be Deputy Clerks of the Chancery Division, Probate Part of the Superior Court, R. 4:83-2. See also In re Judges of Passaic County, 100 N.J. 352 (1985) and shall perform such duties and maintain files and records on behalf of the Clerk of the Superior Court as may be required by law and the Rules of Court. By way of background, the Office of the Passaic County Surrogate (hereinafter known as “Court”) is responsible for probating Wills, conducting hearings for the appointment of Administrators who manage and distribute the Estates of deceased persons who die intestate (without a will); the appointment of a Guardian over a minor or over the property and things of a person adjudged incapacitated; and the supervision of adoption hearings and the maintaining of the records thereof.

Annually, the Passaic County Surrogate’s Court generates revenues for the Passaic County Treasury which is used-to offset taxation in the County’s Budget. In 2019 the Office generated a total of $459,734.18 in total revenue, of which $ 27,664.00 was reimbursed to the Surrogate’s Court from the County Treasury. The following represents a summary of the revenues generated by the Surrogate’s Court between 2014 and 2019:

- 2014 $499,446.93
- 2015 $586,633.41
- 2016 $620,201.21
- 2017 $513,553.63
- 2018 $436,301.42
- 2019 $459,734.18

Introduced on: March 24, 2020
Adopted on: March 24, 2020
Official Resolution#: R202000259
In addition to the foregoing, the Surrogate’s Court is empowered and required to provide to the Passaic County Board of Chosen Freeholders a Five-Year Plan for the use of “Check off” fee revenues which includes the interest generated thereon. The Check-off fees are surcharges to be used for various improvement projects, including but not limited to, the upgrading and modernization of the services provided by the Court. These check-off fees, however, shall not be used by the County for budgetary reductions. N.J.S.A. 22A:4-17.2. The Surcharges are maintained in the Surrogate Court’s Trust Fund.

I have conferred with Richard Cahill, the Chief Financial Officer, regarding the projected average revenues for the next five years based on the past revenues generated. He and I agree that the average revenues generated will likely remain consistent short of the legislature amending the fee schedules, which is not currently anticipated. Based on the prior check off fee revenue, it is projected that the next five year projections should remain relatively consistent with that which is set forth below. As you will see, over the course of the last six (6) years, the Office has collected on average $22,000.00 in check off fee surcharge revenue. This average excludes 2019, which generated a significantly higher than average amount of $27,664.00 in check off surcharges. The following represents the annual collection amount between 2014 and 2019:

- 2014 $22,802.00
- 2015 $23,222.00
- 2016 $21,934.00
- 2017 $22,256.00
- 2018 $21,986.00
- 2019 $27,664.00

Based on the foregoing, it is anticipated that the next five years will generate a minimum of $110,000.00 in combined check off fee surcharge revenue.

By way of example, in 2017, the number of Estates settled were 2,004 which included Administrations, Affidavits, Probates, and Succeeding Executors. Additionally, in 2017 this Office oversaw and processed 37 Adoptions. Currently, the Minor’s Trust Account has a balance of 22,538,792.61. A further reflection of the Surrogate Court’s fiscal management, at the end of 2014, the Court had a reserve in the amount of $79,595.00 which ultimately assisted in strengthening the County’s Surplus. The Capital Improvements from the last five years, consisted, but were not limited to, new flooring and carpeting, shelving units, panel frames, front glass tile, as well as round table tops. These improvements cost $36,511.52. In total, a significantly lower cost than the average $22,000.00 per year in check off fee surcharges allotted for Capital improvements. Therefore, the current proposed Five-Year Plan is well funded.

The Passaic County Surrogate’s Court serves approximately 501,000 residents making it one of the highest Volume County’s in the State of New Jersey. Guided by the legislatively mandated use of the check off surcharge fees for Capital Improvements, we aim to further modernize our Court by creating an efficient and user-friendly space for our customers. It is anticipated through the use of these fees, the next five years shall bring new expansions, a reclaiming of underutilized space for a conference/hearing room; upgraded furniture, where necessary; an upgraded server which will afford staff faster program processing applications and access thereto; as well as aesthetic improvements which will create a more attractive environment for the customers we serve.
These upgrades will also create a more conducive working environment for the staff. As technology is advanced, outdated equipment will need to be replaced by new and innovative hardware and software. The goal of staying on the cutting edge of progress, as we evolve along with new technological advancements, remains paramount to this Office. The Passaic County Surrogate’s Court continues to provide outstanding mobile services to the community through our computerized Night Court Sessions. Rotating within the County to the various municipalities, the Probate Clerks are fully equipped with laptops and portable printers to conveniently serve the Citizens of Passaic with their probate needs.

This Office continues to advance the goal of having a superb Information Technology System, process and procedures; and the most efficient means of serving the citizens of this County. An upgraded server, lap tops, printers and the modernization of office equipment, furniture and our appearance shall be an on-going process to insure the best facilities for the public par none in the State of New Jersey.

The foregoing Five-Year Plan is but a blue print for our vision of progress and adaptation to fast changing technology and the requirements of the State for the various programs and mandates of the Surrogate’s Court. It is our expectation that the positive changes that have already been made will become more apparent over the course of the next five years as we continue to improve upon the last Five Year Plan, bringing our current vision closer to fruition.

I ask that this Plan be adopted at the next full Meeting of the Board of Chosen Freeholders.

Respectfully Submitted,

Bernice Toledo

3. Each of the participating contracting units shall designate, in writing, to the Lead Agency, the items to be purchased and indicate therein the approximate quantities if required, the location for delivery and other requirements, to permit the preparation of specifications as provided by law.

4. The specifications shall be prepared and approved by the Lead Agency and no changes shall be made thereafter except as permitted by law. Nothing herein shall be deemed to prevent changes in specifications for subsequent purchases.

5. A single advertisement for bids or the solicitation of informal quotations for the goods or services to be purchased shall be prepared by the Lead Agency on behalf of all of the participating contracting units desiring to purchase any item.

6. The Lead Agency when advertising for bids or soliciting informal quotations shall receive bids or quotations on behalf of all participating contracting units. Following the receipt of bids, the Lead Agency shall review such bids and on behalf of all participating contracting units, either reject all or certain of the bids or make one award to the lowest responsible bidder or bidders for each separate item. This award shall result in the Lead Agency entering into a Master Contract with the successful bidder(s) providing for two categories of purchases:
(A) The quantities ordered for the Lead Agency’s own needs, and

(B) The estimated aggregate quantities to be ordered by other participating contracting units by separate contracts, subject to the specifications and prices set forth in the Lead Agency’s Master Contract.

7. The Lead Agency shall enter into a formal written contract(s) directly with the successful bidder(s) only after it has certified the funds available for its own needs.

8. Each participating contracting unit shall also certify the funds available only for its own needs; enter into a formal written contract, when required by law, directly with the successful bidder(s); issue purchase orders in its own name directly to successful vendor(s) against said contract; accept its own deliveries; be invoiced by and receive statements from the successful vendor(s); make payment directly to the successful vendor(s) and be responsible for any tax liability.

9. No participating contracting unit in the Cooperative Pricing System shall be responsible for payment for any items ordered or for performance generally, by any other participating contracting unit. Each participating contracting unit shall accordingly be liable only for its own performance and for items ordered and received by it and none assumes any additional responsibility or liability.

10. The provisions of Paragraphs 7, 8, 9, and 10 above shall be quoted or referred to and sufficiently described in all specifications so that each bidder shall be on notice as to the respective responsibilities and liabilities of the participating contracting units.

11. No participating contracting unit in the Cooperative Pricing System shall issue a purchase order or contract for a price which exceeds any other price available to it from any other such system in which it is authorized to participate or from bids or quotations which it has itself received.

12. The Lead Agency reserves the right to exclude from consideration any good or service if, in its opinion, the pooling of purchasing requirements or needs of the participating contracting units is either not beneficial or not workable.

13. The Lead Agency shall appropriate sufficient funds to enable it to perform the administrative responsibilities assumed pursuant to this Agreement.

14. It is understood that all fees for each participating contracting unit are paid to the Lead Agency by the successful bidder as follows:
   • Supplies, materials, goods and services at 2.2% of sales.
   • Natural Gas $.00325 per therm
• Electrical Aggregation 0.00125 per kilowatt hour
• Demand Response at 7% of reimbursement

All fees are included within the bid price and are subject to change with new awards and notice to all cooperative members will be provided.

15 This Agreement shall become effective on 4/23/2009 subject to the review and approval of the Director of the Division of Local Government Services and shall continue in effect for a period not to exceed five (5) years from said date unless any party to this Agreement shall give written notice of its intention to terminate its participation.

16. Additional local contracting units may from time to time, execute this Agreement by means of a Rider annexed hereto, which addition shall not invalidate this Agreement with respect to other signatories. The Lead Agency is authorized to execute the Rider on behalf of the members of the System.

17. All records and documents maintained or utilized pursuant to terms of this Agreement shall be identified by the System Identifier assigned by the Director, Division of Local Government Services, and such other numbers as are assigned by the Lead Agency for purposes of identifying each contract and item awarded.

18. This Agreement shall be binding upon and inure to the benefit of the successors and assigns of the respective parties hereto.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be signed and executed by their authorized corporate officers and their respective seals to be hereunto affixed the day and year above written.

Dated: March 24, 2020
February 24, 2020

Ms. Francine Vince
Director
Passaic County Department of Human Services
401 Grand Street, Room 417
Paterson, NJ 07503

Dear Ms. Vince:

On behalf of the Department of Human Services (DHS), I am writing to inform you of the continuation of the Medicaid Peer Grouping Reimbursement System for county-operated long-term care facilities for calendar year 2020.

The State is continuing the policy beginning with the State Fiscal Year (SFY) 2015 Appropriation Act whereby a nursing facility (NF) that admitted a Medicaid beneficiary prior to July 1, 2014, shall continue to be paid according to the Medicaid fee-for-service (FFS) method. County NFs will continue to receive Peer Grouping reimbursement for these Medicaid residents for the duration of their stay in the county NF, which means until the individual expires, moves to another NF or moves into the community.

A Medicaid beneficiary who was admitted into a county NF after June 30, 2014 is required to be part of Managed Long Term Care Services and Supports (MLTSS) and NJ FamilyCare, and is not part of the Peer Grouping Reimbursement System. For a NJ FamilyCare beneficiary admitted after June 30, 2014, the rate that the county NF would be paid if it were a private (Class I) NF is the Managed Care Organization’s (MCO) default rate. The SFY 2020 Appropriations Act added funds for NFs and the FFS rates are based upon the rate received on June 30, 2019 and the added funds. The SFY 2020 Appropriations Act continued the language from the prior fiscal year, which explains that a county NF will receive the rate (Class I) for individuals placed into the NF after June 30, 2014, and that rate will be the MCO’s default rate for the current fiscal year. While an MCO and county NF may negotiate any rate, the MCOs will pay the established default rate using the calculation as set forth in the SFY 2020 Appropriations Act in the event that no negotiated rate exists. Based on estimates prepared by the DHS, Passaic County can anticipate that $962,217.00 in increased revenue (net of the 50 percent match provided by the County) will be generated by the Peer Grouping System during calendar year 2020. There may be some variation between this estimate and actual claims submitted by Passaic County to the Medicaid fiscal agent, DXC.

As required under law, these figures have been reported directly to the Division of Local Government Services in the Department of Community Affairs, pursuant to N.J.S.A. 30:4D-7 (f), which delineates the requirements of the Peer Grouping Reimbursement System, counties are required to use a minimum of 10 percent and maximum of 50 percent of the savings in county expenditures. The requirement results from the increased federal reimbursement for community-based social and health related programs for elderly and disabled persons who may otherwise require nursing home care. Please submit a service allocation and spending plan for 2020 to meet this requirement. The plan should be done in consultation with your county Area Agency on Aging (AAA) and the advice of agencies providing social and health-related services in your County. Specific guidelines, instructions, and the format for preparing the plan are enclosed. Upon request, the DHS can forward a blank allocation plan and expenditure report forms.
The 2020 service allocation and spending plan, cover letter, signed statements of assurances and completed 2019 annual expenditure report should be sent to Ms. Stephanie Rietze, in the Division of Aging Services (DoAS), Office of Area Agency on Aging Administration. The deadline for submission is April 1, 2020. DoAS will review the documents for compliance with the statutory requirements and notify you if the plan is approved or requires further action.

Ms. Rietze is available to answer questions or provide technical assistance and can be reached by telephone at 609-438-4742, or email at Stephanie.Rietze@dhs.state.nj.us.

Thank you for your support.

Sincerely,

Louise Rush, Director

BACKGROUND

The Governmental PEER Grouping System was adopted, in large part, as a means of providing a stable, predictable financial base for a home and community based long-term care system. (1) "The governing body of each county entitled to receive increased federal reimbursement under the provisions of this amendatory act shall: by March 31 of each year, submit a report to the commissioner on the intended use of the savings in county expenditures which result from the increased federal reimbursement. The governing body of each county, with the advice of agencies providing social and health related services, shall use not less than 10% and no more than 50% of the savings in county expenditures which result from the increased federal reimbursement for community-based social and health related programs for elderly and disabled persons who may otherwise require nursing home care."

- Governmental PEER Grouping System Continuation Letter
- 2020 Estimated Governmental PEER Grouping Revenue Figures -- Statewide by County

- 1 hour for set up prior to event and 30 min at the end of the event for clean-up is included with permit
- All events must conclude no later than 11pm (all persons must vacate the premises by 11:30pm)
- 210 is the room capacity, children must be supervised
- The hall can be visited Monday through Friday 7:00am – 3:00pm
- Candles are to be housed in containers that are taller than the candles to catch the wax, and so that the flames are not exposed
- Items can be delivered prior to event Monday - Friday 7:00am – 3:00pm
- Kitchen use is not permitted by guests or an outside caterer. All outside caterers must provide their own equipment, supplies and means to keep food hot and cold.

This request was discussed and approved at the Public Works and Buildings & Grounds Committee at the meeting held on March 11, 2020.

Dear Members of the Board:

As part of the Passaic Courthouse Annex renovation and rehabilitation project, Passaic County is providing furniture for certain areas in the Courthouse Annex. The spaces in question are mainly the Grand Jury area. Under State Contract #A81628/G-2004, the County has received a proposal for Kimball Office Furniture through Dancker, the furniture dealer for the product to provide furniture and installation in the amount of $25,685.30.

Based upon the above, this Office recommends that the Board of Chosen Freeholders adopt a Resolution awarding the quote for new furniture for the Grand Jury room and designated area of the Courthouse Annex project in the amount of $25,685.30 to Kimball Office Furniture through Dancker and authorize County Counsel and the Director of Purchasing to prepare and execute the necessary Agreements subject to the availability of funds.

Re: Site One

The Passaic County Parks Department purchases golf course and park related maintenance items from Site One Landscape Supply (300 Colonial Center Parkway Suite 600 Roswell, GA 30076) throughout the year.

An over the threshold resolution request in the amount of $2023.60 was presented and approved at the Public Works Committee Meeting held on March 11, 2020. $2023.60 will be used to purchase a Premier Ball Washer and a Tournament Jr. Practice Green Marker.

Three quotes were obtained for these items. The lowest quote was received from Site One Landscape Supply. These funds are available in our 2020 operating budget.

I therefore recommend that the Board of Chosen Freeholders adopt the necessary resolution authorizing the purchase of $2023.60 for maintenance items noted above from Site One Landscape Supply.

Re:       Golf Cart Specialties

The Passaic County Parks Department would like to purchase a refurbished 2015 Yamaha gas
golf cart from Golf Cart Specialties (126 Industrial Parkway, Pottstown PA 19464), in the
amount of $3,425, to replace one that was destroyed in an accident on the golf course. This golf
cart will be rented by golfers as they play golf at the Preakness Valley Golf Course.

An over the threshold resolution in the amount of $3,425 for this purchase was presented and

LABORATORY SERVICES AGREEMENT

This Laboratory Services Agreement ("Agreement"), made as of the date of the last signature below ("Effective Date"), is by and between THE COUNTY OF PASSAIC, NEW JERSEY ("the County") and BIO-REFERENCE LABORATORIES, INC. ("Laboratory").

RECEITALS

WHEREAS, Laboratory is a duly licensed and accredited high-complexity clinical laboratory and is qualified as a P2 lab or higher as defined by the biosafety level criteria set forth by the Center for Disease Control and Prevention (the "CDC");

WHEREAS, Laboratory has its own PCR-based laboratory developed test for the detection of the SARS-CoV-2 virus that meets the current Food and Drug Administration assay requirements (the "COVID-19 Test");

WHEREAS, the County desires to contract with Laboratory to provide the COVID-19 Test for patients whose specimens are collected in drive-through centers that are administered by or under the authority of the County (the "Drive Through Locations"), and Laboratory desires to provide such COVID-19 Test.

NOW THEREFORE, in consideration of the foregoing premises and mutual promises herein contained, and intending to be bound legally hereby, Laboratory and the County agree as follows:

1. COVID-19 TEST SERVICES

1.1. COVID-19 Test. Laboratory agrees to perform, upon request by the County and to the extent within its capabilities, COVID-19 Tests for patients whose specimens are collected in the Drive Through Locations. The County acknowledges that in light of the national demand for the COVID-19 Test, the prioritization guidelines of the CDC, and the future resource limitations that may affect the availability of the COVID-19 Test, Laboratory will use good faith efforts to perform the volume of COVID-19 Tests requested by the County, but cannot guarantee the availability of such volume of COVID-19 Tests.

1.2. Specimen Collection. The County shall be responsible for performing or arranging for the collection of specimens in the Drive Through Locations that will be sent to Laboratory for the COVID-19 Test, including the provision of all collection supplies. The County shall be responsible for the delivery of such specimens to Laboratory’s Elmwood Park facility. The County agrees that Laboratory shall not be responsible for inadequate specimen collection, mislabeling of specimens, or other collection-related errors.

1.3. COVID-19 Test Orders. Laboratory and the County agree that the COVID-19 Test can only be performed on nasopharyngeal swab specimens. Each specimen must be accompanied by a valid order from a healthcare provider who is authorized to order the COVID-19 Test under the laws of the State of New Jersey (an "Authorized Provider"). The County shall be responsible for ensuring that all orders for COVID Tests shall be made by an Authorized Provider.

1.4. Consents & Authorizations. The County shall obtain all consents and authorizations from patients as may be required by applicable law to enable Laboratory to perform the COVID-19 Test and report the results thereof to the County and Authorized Providers. Upon request, the County shall provide Laboratory with a copy of such consents and authorizations.

1.5. Report Delivery. Laboratory will transmit COVID-19 Test results to the County within Laboratory’s then-current turnaround time schedule. The County shall be solely responsible for the delivery of the COVID-19 Test results to Authorized Providers and patients, and Laboratory shall have no responsibility for the delivery of the COVID-19 Test results to Authorized Providers and patients.
1.6. Consultation. Laboratory staff shall be available 365 days per year, 7 days per week, and 24 hours per day to consult with the County and Authorized Providers by telephone (numbers available at www.bioreferencex.com/contact-us/) to discuss Laboratory’s procedures and to provide the status of COVID-19 Test results.

2. Term and Termination. This Agreement shall commence on the Effective Date. This Agreement may be terminated by either party at any time, with or without cause, by giving the other party thirty (30) days prior written notice. This Agreement shall have an initial term of one (1) year and shall be automatically renewed for successive periods of one (1) year, unless previously terminated by either party. Notwithstanding the foregoing, in the event the State of New Jersey contracts with Laboratory to provide COVID-19 Tests to residents of the State of New Jersey and such contract covers the testing contemplated by this Agreement, either party may terminate this Agreement upon written notice to the other party.

3. Fees, Invoicing and Payments

3.1. Fees. The County agrees to pay Laboratory Fifty Dollars ($50) per specimen submitted for the COVID-19 Test performed by Laboratory.

3.2. Invoicing. On a monthly basis, Laboratory shall submit a detailed written invoice to the County in connection with COVID-19 Tests rendered under this Agreement.

3.3. Payment Procedure. Within ten (10) days of receipt, the County shall submit payment to Laboratory for the undisputed amount of each invoice.

3.4. Pricing is Confidential. The parties agree that all information and matters regarding pricing represent the confidential information of Laboratory (“Confidential Information”). The County shall maintain the confidentiality of all such Confidential Information and shall not divulge such information to any third-party, except as required by applicable law.

4. Accreditation and Compliance

4.1. Laboratory. Laboratory’s COVID-19 Test facility is and shall remain duly licensed under applicable law. Reasonable documentation of such credentials shall be provided upon request. Laboratory shall comply with applicable standards under the Clinical Laboratory Improvement Amendments of 1988 (“CLIA”) and College of American Pathologists (“CAP”).

4.2. HIPAA Compliance. Both parties agree to comply with applicable provisions of the Administrative Simplification Section of the Health Insurance Portability and Accountability Act of 1996 as codified at 42 U.S.C. § 1320d through d-8 (“HIPAA”), and the requirements of any regulations promulgated thereunder including, without limitation, the federal privacy regulation as contained in 45 C.F.R. part 164 (the “Federal Privacy Regulations”), the federal security standards as contained in 45 C.F.R. Should legal counsel for either party reasonably conclude that any portion of this Agreement is or may be in violation of applicable law, or subsequent enactments of applicable law, or if any such change or proposed change would materially alter the amount or method of compensating Laboratory for COVID-19 Test performed for the County, or would materially increase the cost of Laboratory’s performance hereunder, this Agreement shall terminate by giving the other party thirty (30) days advance written notice thereof, unless within said thirty (30) day period the parties agree to such modifications of this Agreement as may be necessary to establish compliance.

5.3. Publicity.
