Dear Friends,

Welcome Spring!!! The worst of the winter weather is now (hopefully) behind us. It is finally that wonderful time of the year when the snow melts, trees begin to blossom and the streets begin to look lively again! Even though there might've been a little confusion with Mother Nature, who sent some snow for a rather cold welcome to the season!! I for one, cannot wait until temperatures start going up and we see our areas come back alive once more. The days are longer, the nights are warmer and we can finally put our heavy coats and gloves in the back of the closet. I want to wish everyone a very happy Spring season, most people see it as a time of change and I would agree. I see the Spring season as one that comes with the regrowth, rejuvenation, and renewal. So bring on the good weather!!! It’s time to put away the snow boots and pull out the garden tools.

It’s been a busy first quarter here in Senior Services which means it’s time for our Spring newsletter!! With that in mind, we are super excited to announce some great events we have planned for the month of “May” as we celebrate “Older Americans Month”. As we welcome Spring and celebrate “Older Americans Month” we spoke to our staff here and we wanted to share with you “What we LOVE about Spring ...” take a moment and enjoy some uplifting Spring thoughts from your friends here at Senior Services. Look for quotes from our staff throughout this seasons newsletter ...

“Spring is definitely a favorite season for me. I love the colors that pop up everywhere you look, from the green grass to the leaf buds beginning to grow. I love how the air smells fresher almost cleaner, and you can’t help but enjoy the rebirth of almost forgotten flowers. Spring also means that the golf season will soon be under way. That REALLY makes me happy. And, Spring is when days are getting longer giving us more daylight to enjoy the outdoors with my family, especially my two girls, Ella & Olivia!!! And most of all it’s one step closer to summer!”

Sam Yodice, Executive Director

“We finally see the sun after the long winter! Warmer weather, flowers blooming, trees budding and birds chirping, renews my spirit. Brings hopefulness of summer days, bbqs and family time.”

Laura Smith, Senior Services
Farmers’ Market

The Passaic County Farmers’ Market operates from June through November. The program provides eligible low-income individuals with vouchers to purchase fresh, nutritious, unprepared, locally grown fruits, vegetables and fresh cut herbs from certified farmers and roadside stands. The program reinforces the importance of using locally grown produce and expands the awareness and use of the local farmers. Each eligible individual will receive five $5.00 vouchers for the season to purchase fresh fruits, vegetables and herbs from authorized farmers. Vouchers cannot be redeemed at grocery stores and other food markets.

Requirements

To be eligible to receive Farmers’ Market Nutrition Program benefits, individuals must be at least 60 years old, a Passaic County resident and meet the program’s income requirements. All individuals must complete an application, provide proof of income, residency and personally sign for the vouchers.

For income requirements, please contact Senior Services after June 15th at 973-569-4060.

2018 Annual Senior Picnic

The Passaic County Board of Chosen Freeholders and the Department of Senior Services invite you to attend our 2018 Senior Picnic which will be held for Passaic County residents at the

Attn: Halloween Harvest

Adult Protective Services

On February 8, 1994, New Jersey implemented the Adult Protective Services Act where it mandates the reporting of abuse, neglect and exploitation of a vulnerable adult, age 18 and over living in the community (P.L. 1993, c 249, N.J.S.A. 52:270-406 et seq.). Since then, Adult Protective Services run in all twenty-one counties in New Jersey.

In Passaic County, this mandated program is administered by the Passaic County Board of Social Services located at 80 Hamilton St., Paterson, N.J. Anyone in Passaic County can call the following telephone numbers to report any suspected type of abuse, neglect or exploitation on a vulnerable adult 18 years of age and over.

These numbers are 973-881-2616 during the hours of 7:00am to 4:00pm, 973-345-2676 for after hours and/or our answering service at 800-315-4561.

After receiving a referral of an alleged abuse, the case is assigned to a Social Worker who then has 72 hours to respond and assess the reported abuse. Once a case is addressed, the assigned Social Worker will work with the alleged victim to resolve the situation and prevent any further abuse by the alleged perpetrator, which may include prosecution depending on the offense committed. In all, Adult Protective Services always works to keep the vulnerable safe without undermining the vulnerable adult’s right to self-determination.

“Spring is the time of year where the air seems to be fresh and the sun very bright in preparation for all things to come alive. The smell in the air is energizing and prompts everyone to look forward to being outside and making plans to enjoy each other’s company and our surroundings. It’s always my favorite time of the year especially after enduring the long winter months. Happy Spring everyone!”

Peter Newarski, Para Transit

History of Older Americans Month

When Older Americans Month was established in 1963, only 17 million living Americans had reached their 65th birthday. About a third of older Americans lived in poverty and there were few programs to meet their needs. Interest in older Americans and their concerns was growing. A meeting in April 1963 between President John F. Kennedy and members of the National Council of Senior Citizens led to designating May as “Senior Citizens Month,” the prelude to “Older Americans Month.”

Historically, Older Americans Month has been a time to acknowledge the contributions of past and current older persons to our country, in particular those who defended our country. Every President since Kennedy has issued a formal proclamation during or before the month of May asking that the entire nation pay tribute in some way to older persons in their communities. Older Americans Month is celebrated across the country through ceremonies, events, fairs, and other such activities.
**Fun Fact**

Laughter stimulates circulation and decreased muscle tension that could promote an overall sense of well being. Watch your favorite comedy or sitcom and enjoy the laughs. Remember a positive attitude can serve as the key to successful aging. Do something silly and enjoy life.

---

**A note from...**

**Passaic County Board of Social Services**

While it is easy to see that New Jersey is home to many prosperous families, many families and individuals in our communities are struggling to meet the basic needs of everyday life. Life is New Jersey can be a struggle: Paying for high rents common in New Jersey, expensive medications that are vital to the health of so many persons, especially seniors and persons with disabilities, and increasing costs of utilities and transportation, to name a few.

All of these costs can lead to a situation where there is almost nothing left to meet the basic need of every human being for healthy and nutritious food. As numerous studies find, despite New Jersey’s wealth for many, hunger remains a pervasive reality for one in four residents in New Jersey. And many of those residents are seniors or persons coping with disabilities.

Over the past fifty years the major national program designed to assist local families and individuals with access to the food they need to be healthy and productive is the Supplemental Nutrition Assistance Program, commonly referred to as SNAP.

Each month SNAP participants receive benefits delivered through an ATM-type card system. These vital benefits allow participants to stretch the funds they have for food. The benefits used for purchasing food also help area businesses as SNAP dollars enrich local businesses. Currently, approximately 800,000 New Jersey families receive SNAP assistance each month and as a result over $1.2 billion dollars in federal tax dollars paid by New Jersey residents is returned to the state.

Here at home, the agency that operates the SNAP program is the Passaic County Board of Social Services, or PCBSS. In our county, over 100,000 people are aided by SNAP benefits each month and about $11 million dollars flows into our local stores as SNAP benefits. The PCBSS does a good job operating the program according to many of the standards used authorities to measure success. Yet many experts say that almost half the persons eligible under the law to receive SNAP benefits do not do so. And that is why the board responsible for managing the PCBSS is reaching out to seniors and the disabled to maximize the benefits of SNAP to both residents and businesses in Passaic.

Cooperation between the Department of Senior Services and the PCBSS has always been good. Professionals in each agency work cooperatively to meet the needs of our residents for medical assistance, nutrition and other vital services. But we know we can do better. And that is why we are meeting more often than ever before to explore ways we can make it easier for our seniors and disabled residents to access every benefit and service they need to live a full and rewarding life in our county.

Speaking for the PCBSS, we are grateful to the Department of Senior Services and its Executive Director, Sam Yodice Jr, for the professionalism they show and the positive energy they bring to the task of helping our community. In the coming months we hope we can work together to find a way to help you and your neighbors.

Tony Di Simone, PCBSS Director

“Spring for me is all about happiness and renewal. The sun is finally warm, the flowers are blooming and the days feel blissfully longer.”

Elisea Torijano, Senior Services
2018 Passaic County Annual Senior Art Show

Monday, June 11th through Friday June 29th

To enter the show you must be:
* A resident of Passaic County
* Age 60 and over
* Art piece must be “Show Ready”
* One entry per individual

Artwork will be accepted
Monday, June 4th through Thursday, June 7th

The awards reception will be held on
Friday, June 29th from 2:00 pm to 3:00 pm

For additional information including rules, classifications and eligibility, please call the Department of Senior Services at 973-569-4060.

Please remember, even if you do not enter the art show, you are more than welcome to arrange tours to view the artwork.

“Spring excites the playfulness in children while in a similar way as adults we feel the joy of knowing outdoor activity is near.”
Shirley Force, Senior Services

Veterans Services

National Military Appreciation Month (NMAM) is celebrated every May and is a declaration that encourages U.S. citizens to observe the month in a symbol of unity. NMAM honors the current and former members of the U.S. Armed Forces, including those who have died in the pursuit of freedom.

Thank you for your service!

“Flowers and gardening!!!” Anne Badiner, Adult Day care
“Cherry blossoms ☺” Kevin Batacchi, Home Energy & Weatherization
“Spring is the child of winter’s dormancy!” Ronnie McMahon, Home Energy

The State Health Insurance Assistance Program (S.H.I.P.) is a statewide program administered by the Division of Aging Services, New Jersey Department of Human Services with financial assistance through a grant from the Centers for Medicare & Medicaid Services, the Federal Medicare agency. Nationally the Medicare Program has more than 47 million beneficiaries and includes people who are 65 and older and people who have a permanent disability. Many have difficulty navigating Medicare and the health care system on their own. Some do not get the care they need because they cannot pay and do not know about programs that give help. Others, (the many caregivers who assist family members, friends and neighbors) need answers and guidance. SHIP counselors provide free one-on-one Medicare counseling. Please contact Shirley Force, Passaic County SHIP coordinator at 973-569-4060.
