From the Desk of the Executive Director…

Spring is rapidly approaching…
and so are many events and activities.
Our staff at the Department of Senior Services looks forward to seeing you at them all.
Living life is our dream.

Passaic County Department of Senior Services, Disability and Veterans Affairs

OLDER AMERICANS MONTH

Every May, the Administration for Community Living leads our nation’s observance of Older Americans Month. We are pleased to announce the 2020 theme:

This theme was selected to encourage and celebrate countless contributions that older adults make to our communities. Their time, experience, and talents benefit family, peers, and neighbors every day. Communities, organizations, and individuals of all ages are also making their marks. This year’s theme highlights the difference everyone can make – in the lives of older adults, in support of caregivers, and to strengthen communities.

THANK YOU 4–H!

Passaic County Nutrition / Meals On Wheels Program sincerely thanks the Passaic County 4-H Members for making a sweet heart of a day on Valentine’s Day for our homebound seniors.

Understanding Your Home’s Energy Usage: The House of Pressure

We spend a large part of our day in our home—but how well do we really understand how our homes use energy?

Many of us may be unfamiliar with several ways in which our homes consume, conserve, and waste energy. Understanding home energy usage and implementing energy saving measures can reduce home energy costs. Passaic County’s Weatherization Assistance Program assists eligible residents by implementing energy conservation measures to reduce home energy costs.

The House of Pressure, or “HOP House,” is a tool that we use to educate residents about home energy consumption and conservation.

HOP House features demonstrate:

- The ways that carbon monoxide can leak into homes from heating systems and garages
- The ways that air ducts can lose precious hot air in the winter and cold air in the summer
- Hidden energy leakages occurring within the walls, ceiling and floor of a home (the shell of the home)
- Miniature-scale versions of the instruments and testing equipment used during Home Energy Audits

The County’s Weatherization Assistance Program will be holding a “HOP House” presentation on **Tuesday, April 28 at 2:00 PM at 930 Riverview Drive, Suite 200, Totowa, NJ 07512** to educate residents on energy conservation. We hope that you will join us for this informative session.

AARP Driver Safety Course
By taking a driver refresher course you'll learn the current rules of the road, defensive driving techniques and how to operate your vehicle more safely. You'll learn how you can manage and accommodate common age-related changes in vision, hearing and reaction time. You may be eligible to receive an insurance discount upon completing the course, so consult your insurance agent for details. AARP membership is not required to take the course and there are no tests to pass.

All attendees must bring their NJ Driver's License and if they are a member of the AARP, they need to bring their Membership Card. Attendees can bring lunch and snacks if they care to. There will be a 30 minute lunch break.

Thursday, June 11 and Thursday, September 17  |  9 AM – 3:30 PM
Passaic County Senior Services, 930 Riverview Drive, Suite 200, Totowa, NJ 07512

June class: $15 for AARP members and $20 for non-members.
September class: $20 for AARP members and $25 for non-members.
Checks made payable to AARP. Payment must be received prior to class.

The Driver Safety Course will be on a first come, first serve basis! There are 25 seats available per session. To register, call Passaic County Senior Services at 973-569-4060.

How SNAP Ensures Healthy Aging
Food insecure seniors face a wide array of negative health outcomes:

- More chronic conditions: Food insecure seniors have lower nutrient intake and are more likely to suffer from chronic conditions. At the same time, financial stress and inadequate nutrition make those conditions more challenging to manage, and often seniors make trade-offs (such as choosing between food or medicine) that exacerbates their disease.

- Longer recovery time: Having access to enough food for a balanced diet makes it easier to recover from surgery and for wounds to heal.

- Greater risk of falls: Food insecurity can also affect muscle mass, bone density, balance, and increases risk of falls and poses a significant risk to a senior's health and independence.

An adequate diet means that seniors can maintain the strength needed to take care of themselves, stay in their homes, and maintain their normal activities of daily living.

**Passaic County Farmers’ Market**

The Passaic County Farmers’ Market operates from June through November

The program provides eligible low-income individuals with vouchers to purchase fresh, nutritious, unprepared, locally grown fruits, vegetables and fresh cut herbs from certified farmers and roadside stands. The program reinforces the importance of using locally grown produce and expands the awareness and use of the local farmers. Each eligible individual will receive six $5.00 vouchers for the season to purchase fresh fruits, vegetables and herbs from authorized farmers. Vouchers cannot be redeemed at grocery stores and other food markets.

**Requirements**

To be eligible to receive Farmers’ Market Nutrition Program benefits, individuals must be at least 60 years old, a Passaic County resident and meet the program’s income requirements. All individuals must complete an application, provide proof of income, residency and personally sign for the vouchers. For income requirements, please contact Senior Services after June 15 at 973-569-4060.

**Farmers’ Market Voucher Distribution**

Passaic County residents can apply for farmers’ market vouchers at the following locations. This program is on a first come, first served basis. *If you cannot attend your local outreach site on the listed date, vouchers can be obtained in Totowa at the Department of Senior Services while available.***

The State Health Insurance Assistance Program (SHIP) is a statewide program administered by the New Jersey Department of Human Services with financial assistance through a grant from the U.S. Administration for Community Living (ACL). Currently in the Nation there are 59 million Medicare beneficiaries, including people who are 65 and older and people who have a permanent disability. Many have difficulty navigating Medicare and the health care system on their own. Some do not get the care they need because they cannot pay and do not know about programs that provide help. Others, (the many caregivers who assist family members, friends and neighbors) need answers and guidance. SHIP counselors provide free one-on-one Medicare counseling.

Please contact Dinorah Luciano, Passaic County SHIP coordinator at 973-569-4060.
