

Passaic County Updates

Dear Passaic County residents and visitors,

With immense interest in the health and safety of our guests, staff, and community, the Passaic County Department of Cultural & Historic Affairs will temporarily close its museums and arts center – effective immediately – amid growing COVID-19 concerns.

Official closures include the following public sites:

- Dey Mansion Washington's Headquarters (Wayne, NJ)
- Passaic County Arts Center at the John W. Rea House (Hawthorne, NJ)
- Westervelt-Vanderhoef House (Clifton, NJ)
- Hamilton House Museum (Clifton, NJ)

It is our responsibility to exercise caution and implement preventative measures to help mitigate the spread of COVID-19. We are following public health officials' guidelines and protocols, which include increased sanitation procedures.

Permitted events and programming at the sites listed above have been temporarily suspended. An announcement will be made once a reopening date has been determined.

For more information and updates, please contact the Passaic County Department of Cultural & Historic Affairs at 973-706-6640 or follow us on Facebook or Instagram.

Thank you for your patience and support during this time.

Sincerely,
Kelly C. Ruffel
Passaic County Department of Cultural & Historic Affairs Director
