**PASSAIC COUNTY CLERK DANIELLE IRELAND-IMHOF
ANNOUNCES COVID-19 UPDATE FOR NOTARY ACTS**

Clerk Danielle Ireland-Imhof is advising residents that New Jersey Governor Philip Murphy recently signed a bill into law that allows notaries to perform notarial acts using communication technology for a remotely located individual. This is a temporary option for notaries to use in order to notarize certain documents during the COVID-19 public health crisis. For the details and further information regarding acceptable documents to notarize via this procedure covered in the new law, please click the following link: https://www.njleg.state.nj.us/2020/Bills/A4000/3903_S1.PDF

At this time, our office is still closed to the public and we cannot perform any Notary Oaths for individuals in need of renewing their commission, either in person or remotely via communication technology.
