# SUPPLEMENTAL NUTRITION ASSISTANCE PROGRAM

Need help buying groceries? SNAP can help!

The Supplemental Nutrition Assistance Program (SNAP) provides monthly food benefits to help seniors and families with low incomes afford the groceries they need. Benefits are issued on an easy-to-use card that works just like a debit card and is accepted at most supermarkets, corner stores and many farmers markets.

With SNAP, you can stretch your food budget, buy fresh and nutritious foods and enjoy a balanced diet that supports your health and well-being.
